what you
have to
say.

should I
say this...
just listen-

If you get her to wear it, send me pic pls.

By the way, XXXXmi-chan is the same age as your little sister... The size should fit her perfectly.

It's thanks for getting that loot we talked about. Use it however you like.

Ootake, you said you like XXXXmi-chan, so here's the same swimsuit that she wore.

What she wore?

Hiza-wa

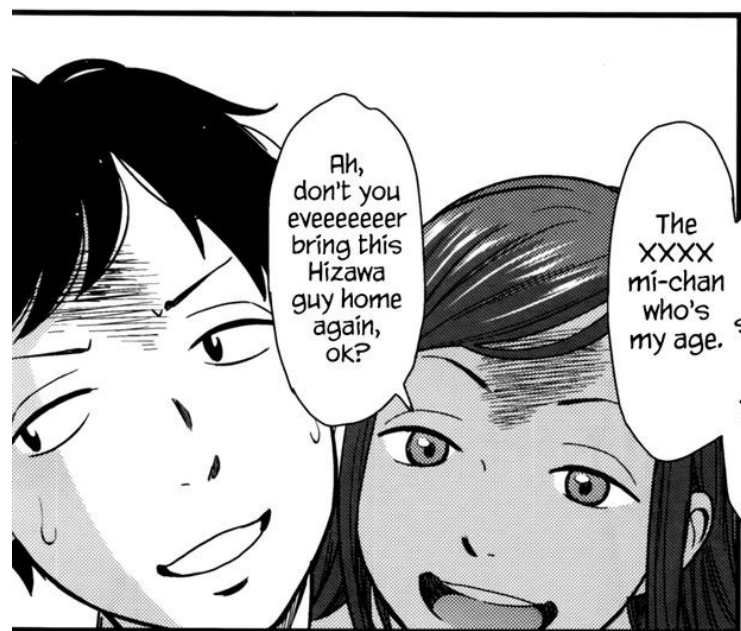

Thanks, but now's not the time!

Hm? A memo?

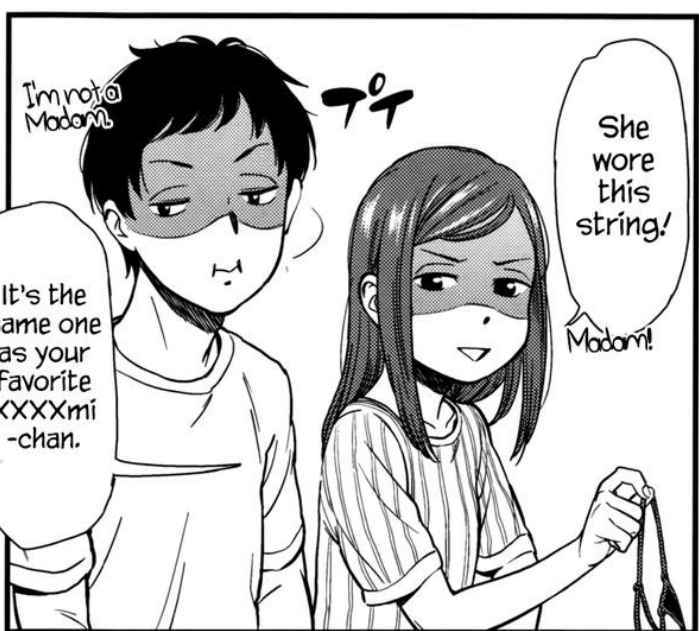

Hold on! Don't do any ...

Ah, don't you eeeeeeeer bring this Hizawa guy home again, ok?

The XXXX mi-chan who's my age.

If you do that I'll take those DVDs and run around the neighborhood.

I'll tell Papa and Mama about this!

I don't get you!

I don't know when you're so bold about it, Well, where you look. Also I can't believe you wore it.

You're the one who said:

so I wore it for you.

And now you're not going to look?

Happy now?

How's this?

do?

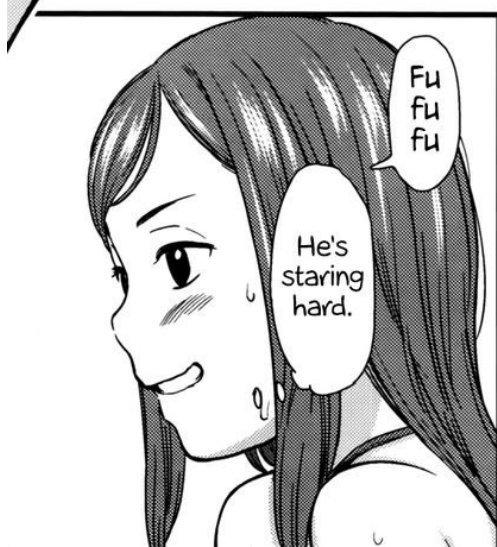

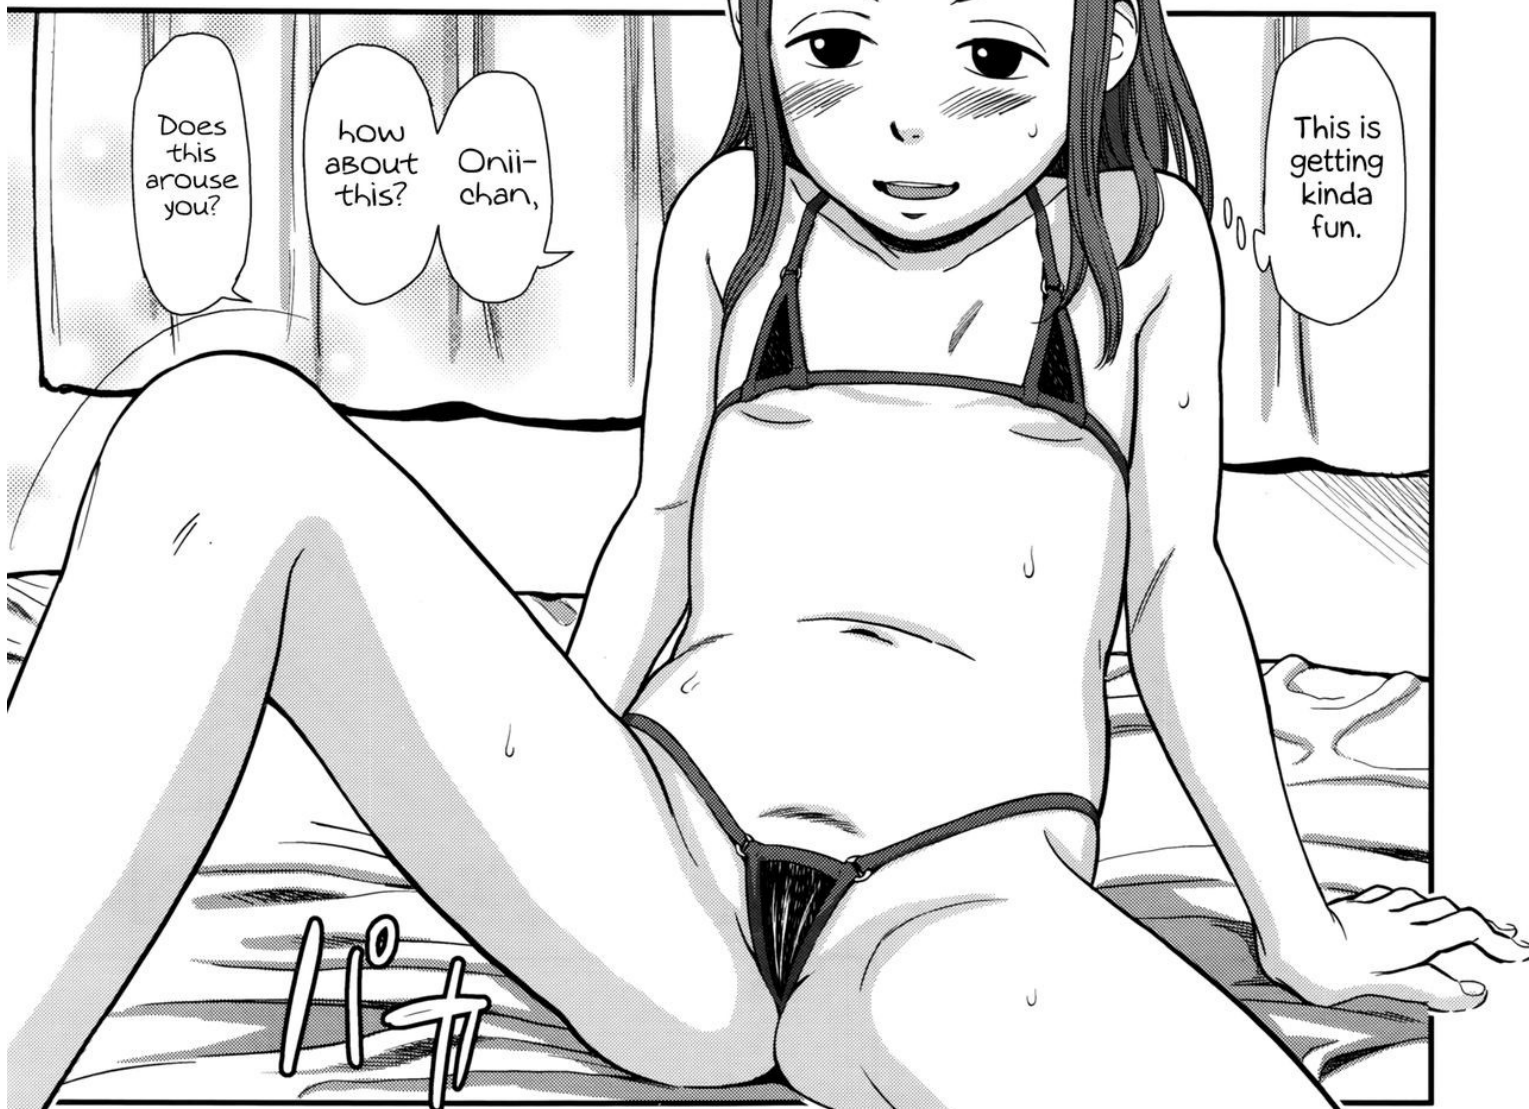

But me not
wanting to
show you is
