All my life has come
to is failing my boss
and colleagues alike.

It isn't the slightest
bit of fun to live
anymore

How long have
I been standing
here, I wonder.

I have no reason
to keep on living.

And no need to
hesitate anymore.

Hey.

Don't you
wanna jump?

I think it's better to do whatever you want instead of killing yourself.

To die because life has lost it's fun?

I'm not afraid of death either.

Don't say such things lightheartedly.

Every day is just not fun anymore. That's why I wanted to die.

Life must have been rough.

But I know how we could have some more fun together ♡

And you know...

There just so happens to be a beautiful girl right next to you.

Why don't you try knocking a girl up instead?

You say that, but you are shaking.

ストレス
たまたまじゃあ?

I'll take my leave then.

Doesn't even go for an open crotch.

I won't do such a thing.

sigh

What a boring man.

Would you hurry up and die?

This is stupid.

Time has passed.

WAIT!

But I've found
what I've been
truly looking for.

I've been
searching

Robbery,
murder
and rape gave
me the ultimate kick!

Death wasn't the
answer.

I did a lot
of unspeakable
things.

You're...

It's been a
while
you brat!

Ever since that
day, I've been
waiting to
meet you again!

And you
will be my
13th
victim.
Ahahaha

This time
I will do as
I please.

The time
back then
was boring
because of
the lack
of violence.

Hehe.

You helped me
become a
new person.

Thank you
very much
for preparing
me for this.

You have
turned out
rather bad.

Thanks to
a certain
someone.

And don't think
you're strong
just coz'
you didn't
scream yet...

Are you
already
regretting
this?

How does
it feel to
be forced
to do it?

How lucky!
It's sucking me
right in!

It's just like
she was
waiting for
sumthing
like this to
happen.

HEY!

Say sumthing
already!

Hmm?

What do
you want
me to say?

Since this
is your
13th time

I'll have to
subtract some
points on the
technique

Y-You!

Didn't you know?

It's embarrassing
to come first in
these situations.

Know
your
place!

At least try
to make me cry.

Hora hora, you can
do it. ♡

Do you want
to pull out to
save your dignity?

It does look like you're
about to cum.

Is that all?

Looks like you
have lost then.

Haa.

Too bad.

Sumthing's
off...
What did
you do to
me?

Wha-
what
the fuck?

何だこれ...
射精が
終わらない...!!

全身の力が
抜ける...!!

Time for round 2!
♡

Hora
Hora!
Come here!

sigh

Don't scare me
like that.
I didn't even
really feel it.

Don't
you care
about
me?

なんか...やばい...

So~
♡

This is bad!
I can feel it.
But -
I can't control
my libido!

絶対やばい...!!

...doing the naughty stuff ♡

Allow me then to be the one ...

Hora.
You seem less energetic
Are you already unable to move?

Aren't those nipples just like those of a girl? Where did your manly pride go?

And your dick gets hard from getting your nipples played with! ♡

Ahahaha!
What miserable sounds you're giving me!

YOU SHITTY

Can't do.
Won't do. ♡

STOP!

Stop it!

To rely on
such a thing.

What a
useless
tool.

I'm sure
you've
heard of
us.

I'm no
monster!
I'm a
succubus!

Y-You
monster!

We're both
the best
and the worst
for them.

Female
demons.

We squeeze
out mans
semen and
feast on
their lives.

Weren't
you pretty
eager on
dying
before?

?

Hmm?
If I recall
correctly

S-squeeze
out?
I don't want
that!
Stay away!

And I'm
glad.

Hmm.
I just
remembered.

Thanks to you
I've changed.
And I want to
live life to the
fullest!

Now is
different!
I don't
want to
die.

is my
favorite
♥

Feasting
on people
that don't
want to
die

You still
don't
under-
stand?

What
you're
doing is
useless!

I'm sorry.
There,
I apologized

Your resistance
has grown weak.

It's your body's
response to
being eaten
♥

Fufu.
That's good
You're quite
alluring
that way.

Nooo!
I don't
want
to die

Dying from
getting
your life
sucked out.
Do you
want to
come more
for me?

Should I
start
squeezing
you
seriously
next?

That was
quite fast.

Hmm?
Seems like you
came again.

You do.

♥

Thank you for
the refreshing
meal! ♥♥♥

Well then,
sweet
dreams.

That was
pretty
fun! ♥

Haaah,
thanks for
dying.
