Uhm...
Can I use
that kid
too?
♥

They were
being
beaten
into shape
by Kako,
so they're
pretty
convenient
to use~

What an amazing thickness The belt is really tight, after all. You should probably take it off instead of holding back. ♡

Have a good taste of my dick.

.....
Huh

Oppressing my dick just by size... You've really got me burning up.

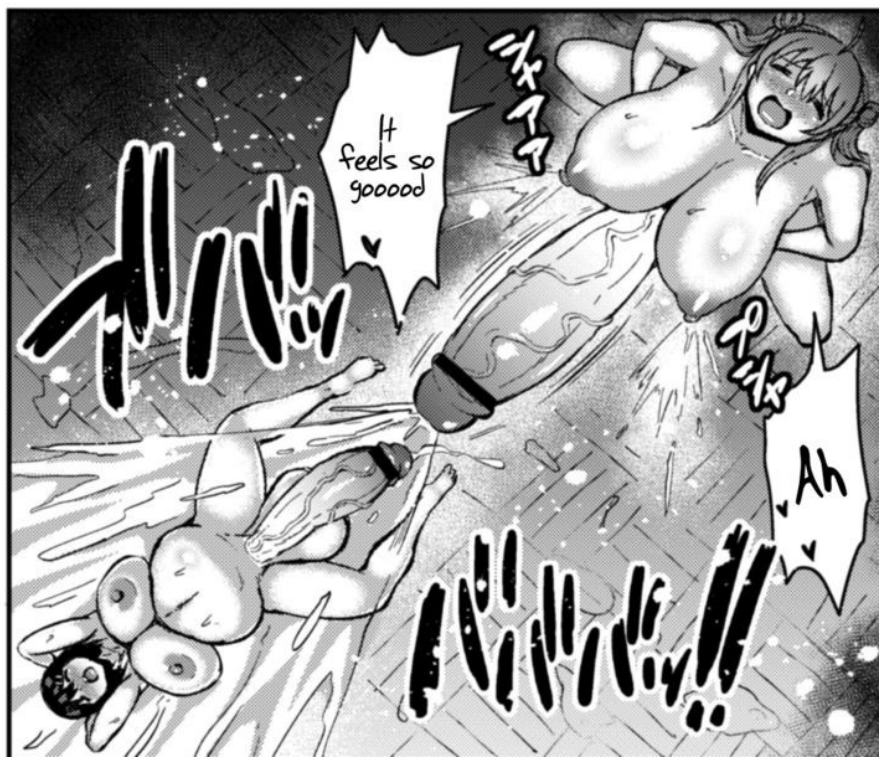

THIS IS TOO BRUTAL...

I would never do something wasteful like that.

SHIT, THIS IS BAD... WHAT IS THIS?!

Hey, don't lose your will to fight just by looking at it, okay?

Well then,
I'm gonna
stick it
inside, so
spread open

Afterword

Thanks a lot for picking this up.
My name's Teterun.

I still have things that I want to write for this story,
so there will be a continuation!

Next time, I'm planning on participating in C94.
I think the production window is going to be pretty short,
so that one might be completely different futanari story than this one.

Well then, I'll take my leave.
