What...  
am I  
doing!?

The original trip to a tropical island with my ex-girlfriend has now become a trip to heal my broken heart.

got taken away by a colleague who returned from an overseas position.

My girlfriend, whom not only was I engaged to, but also worked with under the same company,

It all began when...

Dammit! I'm gonna die here!

After that, I just wanted to disappear into the seaweed-filled blue ocean...

Are you swelling really badly there!?

What's the matter?

Uwah!  
It's erect!

Bending forward...

I-It's just a bug bite... I think?

Ouch... It'll be bad if the venom doesn't get sucked out immediately,

or not I was just kidding. (lol)

You're right!!

I must suck the venom out before it's too late!!

Huh!?

Aaaah!  
Jeez! I'm really the lowest!!

In order to treat my broken heart, I actually tricked an innocent local girl to give me a blowjob...

Ahh, sorry for causing a commotion~!

Are you all right...? Do you need a hand?

It's so noisy outside...

But... that girl was really cute. I should have asked for her name.

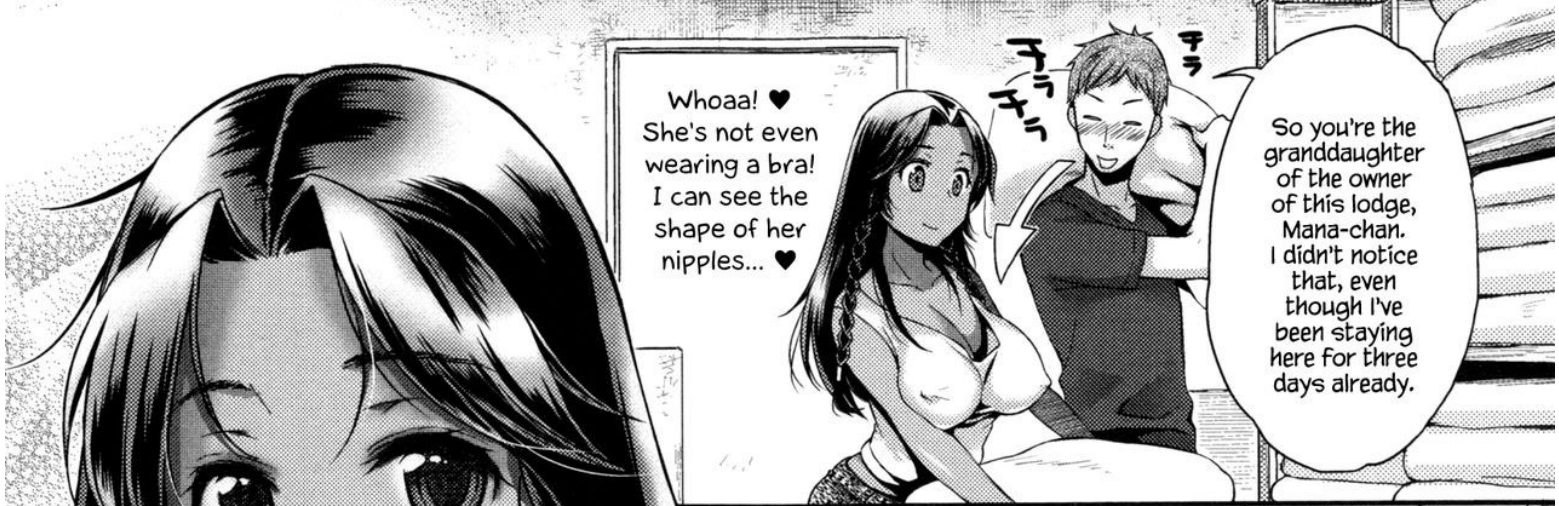

Hyah!

Aaah! Jeez!

Ah- No way~

Eh... No way!! She's the girl from that time...

Sorry for disturbing you when you're on vacation...

Whoaa! ♥  
She's not even wearing a bra!  
I can see the shape of her nipples... ♥

So you're the granddaughter of the owner of this lodge, Mana-chan. I didn't notice that, even though I've been staying here for three days already.

I'm at the beach most of the time during the day, so I don't see the customers much during that...

time!

To-Tougo-san, that same place is swelling again!

I shouldn't tell her the same lie twice...

Ah~~ I-I'm sorry!

This isn't actually caused by a bug bite...

FWAAAH!

!?

Tougo-san,  
you came  
here because  
you were  
dumped  
by your  
girlfriend,  
right?

How  
did you  
know!?

Ho-  
Hold  
on...  
Uwah!!

I want to give you even more treatment, Tougo-san... ♡

Tougo-san. ♡

Mana-chan.

I wonder where that girl went, skipping her work like that. We're so busy right now that a cat's help would be fine too.

Mana, where are you~?

Someone's looking for you, so maybe we should stop...

Wait...!! She's getting even tighter!!

Mana!? We're going to be found out if you move like... that!!

Mana-chan!

Granpa, I bet Mana went to the beach again!

Jeez~

and enjoy yourself with my pussy!!

Just forget about your girlfriend

I thought you wouldn't notice me if I hadn't done this...

I... just couldn't forget about you ever since our meeting at the sea, Tougo...

I'm gonna want to be even rougher with you if you say that kind of stuff!!

TOUGO!

JEEZ! AAHH! YOU CAN'T! THIS FEELS TOO GOOD! AAAAH!

I didn't even have the energy left to masturbate before this, and yet, now I'm...

Your cock is so hard and hot! ♥

Hurry up and pump out all of your

pent-up semen... into my pussy! ♥

Guh...  
Hah! I'm cumming!!

This is the first time I've had such engrossing sex...

But, Tougo,

Sorry, Mana, I can't move anymore... How embarrassing...

compared to when you first arrived on this island, you look a lot livelier now. ♡

Mana...!

A few days later

Yeah. I wanna save up even more money by working hard so that... I can ask for your hand the next time I come here...!

Cough...

Are you really going to leave tomorrow!?

Thanks, Tougo.

Oh!

Allow me to help Gramps.

Tougo!

You can just stay and work here instead.

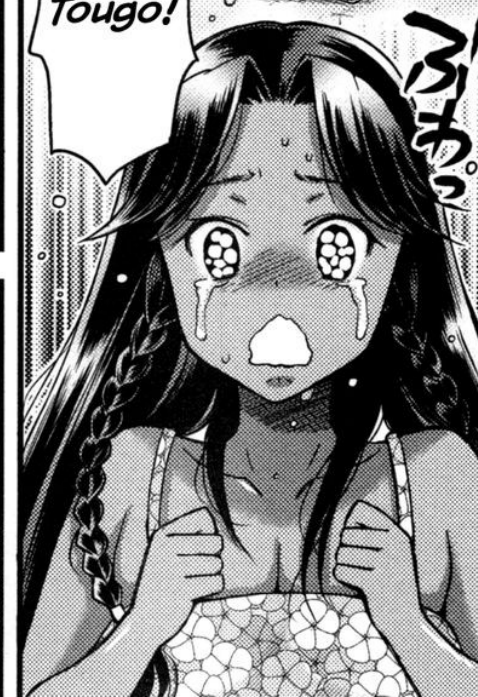

Help Wanted
