Ah, yes!
Thank

much!

Okay...
Wait

second.

No, of
course I
don't have
a problem
with this
situation,
but what
about
Fujimiya!?

Wh-

What do
I do!?!
Is this
okay?
Is it...
really
okay!?

Calm down...
Let's go
through all
this from the
beginning...

I think it was love at first sight.

when I encountered that girl, Fujimiya Mari.

About half a year ago, I was just killing time by standing around in a store

From then on...

Uh... Wh... What was it, again?

Excuse me! I-I'm looking for something...

Yes... What are you looking for?

?

Fuji-miya!

Ta-tsumi.

I continued going there and talked to her more every time.

Hello and welcome! May I help you find anything?

She also started showing me her smile more often.

Up until then, I had never met a woman with such an adult aura.

And, well, none with her figure, either.

Anyway, when I regained my senses, I tried talking to her.

Oops...

Well yeah, but there are also things that bother me about them, too...

Then, when I thought we were getting close...

I got careless...

Things that bother you?

Ufufu... It seems that you're really good friends with them.

They tease me by calling me things like "Cherry Boy" in public. It's pretty annoying...

Recently, they've all been getting girlfriends, and everyone graduated before me as well.

Ah!

This is the worst!

I also exposed the fact that I'm a virgin at the same time!

...

I've done it now! I started talking about sex like I do when I'm with my friends!

I'm... sorry. It just kinda slipped out.

Ahaha...

Uh... Yeah...

If you can, please forget I said that...

I wonder if she'll think I'm disgusting now. Could my romance already be over?

You...

Have no experience with girls or a girlfriend?

Wanna try it... with me?

In that case... If it's alright with you...

!?

Wai-! It can't be...

Having sex so suddenly would be...

No way! I... I can't believe it!

Is her hobby devouring virgins!?

No good...

Thinking back on it, I have no idea how we ended up like this.

What exactly does Fujimiya plan to do?

She...
She's
really...

Well then,
Tatsumi,
let's get
started.

Huh!?
Wh-!

W-
Woah!

ほあ、

If you
stare at
me so
intently...

You'll
make it
hard to
undress.

Ah-!?
S-S-S-
Sorry!
