

Allow me to make you feel much better.

That must've been hurtful to you. You have my apologies, Tsugu-chan.

Your vagina is still looking pretty, I'd say.

We'll have even more fun with the clitoris, shall we?

Now, it has become even more beautiful, yes?

There we go, it's off.

Here we go.

So just try your best okay, Tsuguchan?

Just a little more to go.

Nooo! I've had enough! Pleaseee stoop!

Endure it a little longer.

Just three more snips to go.
