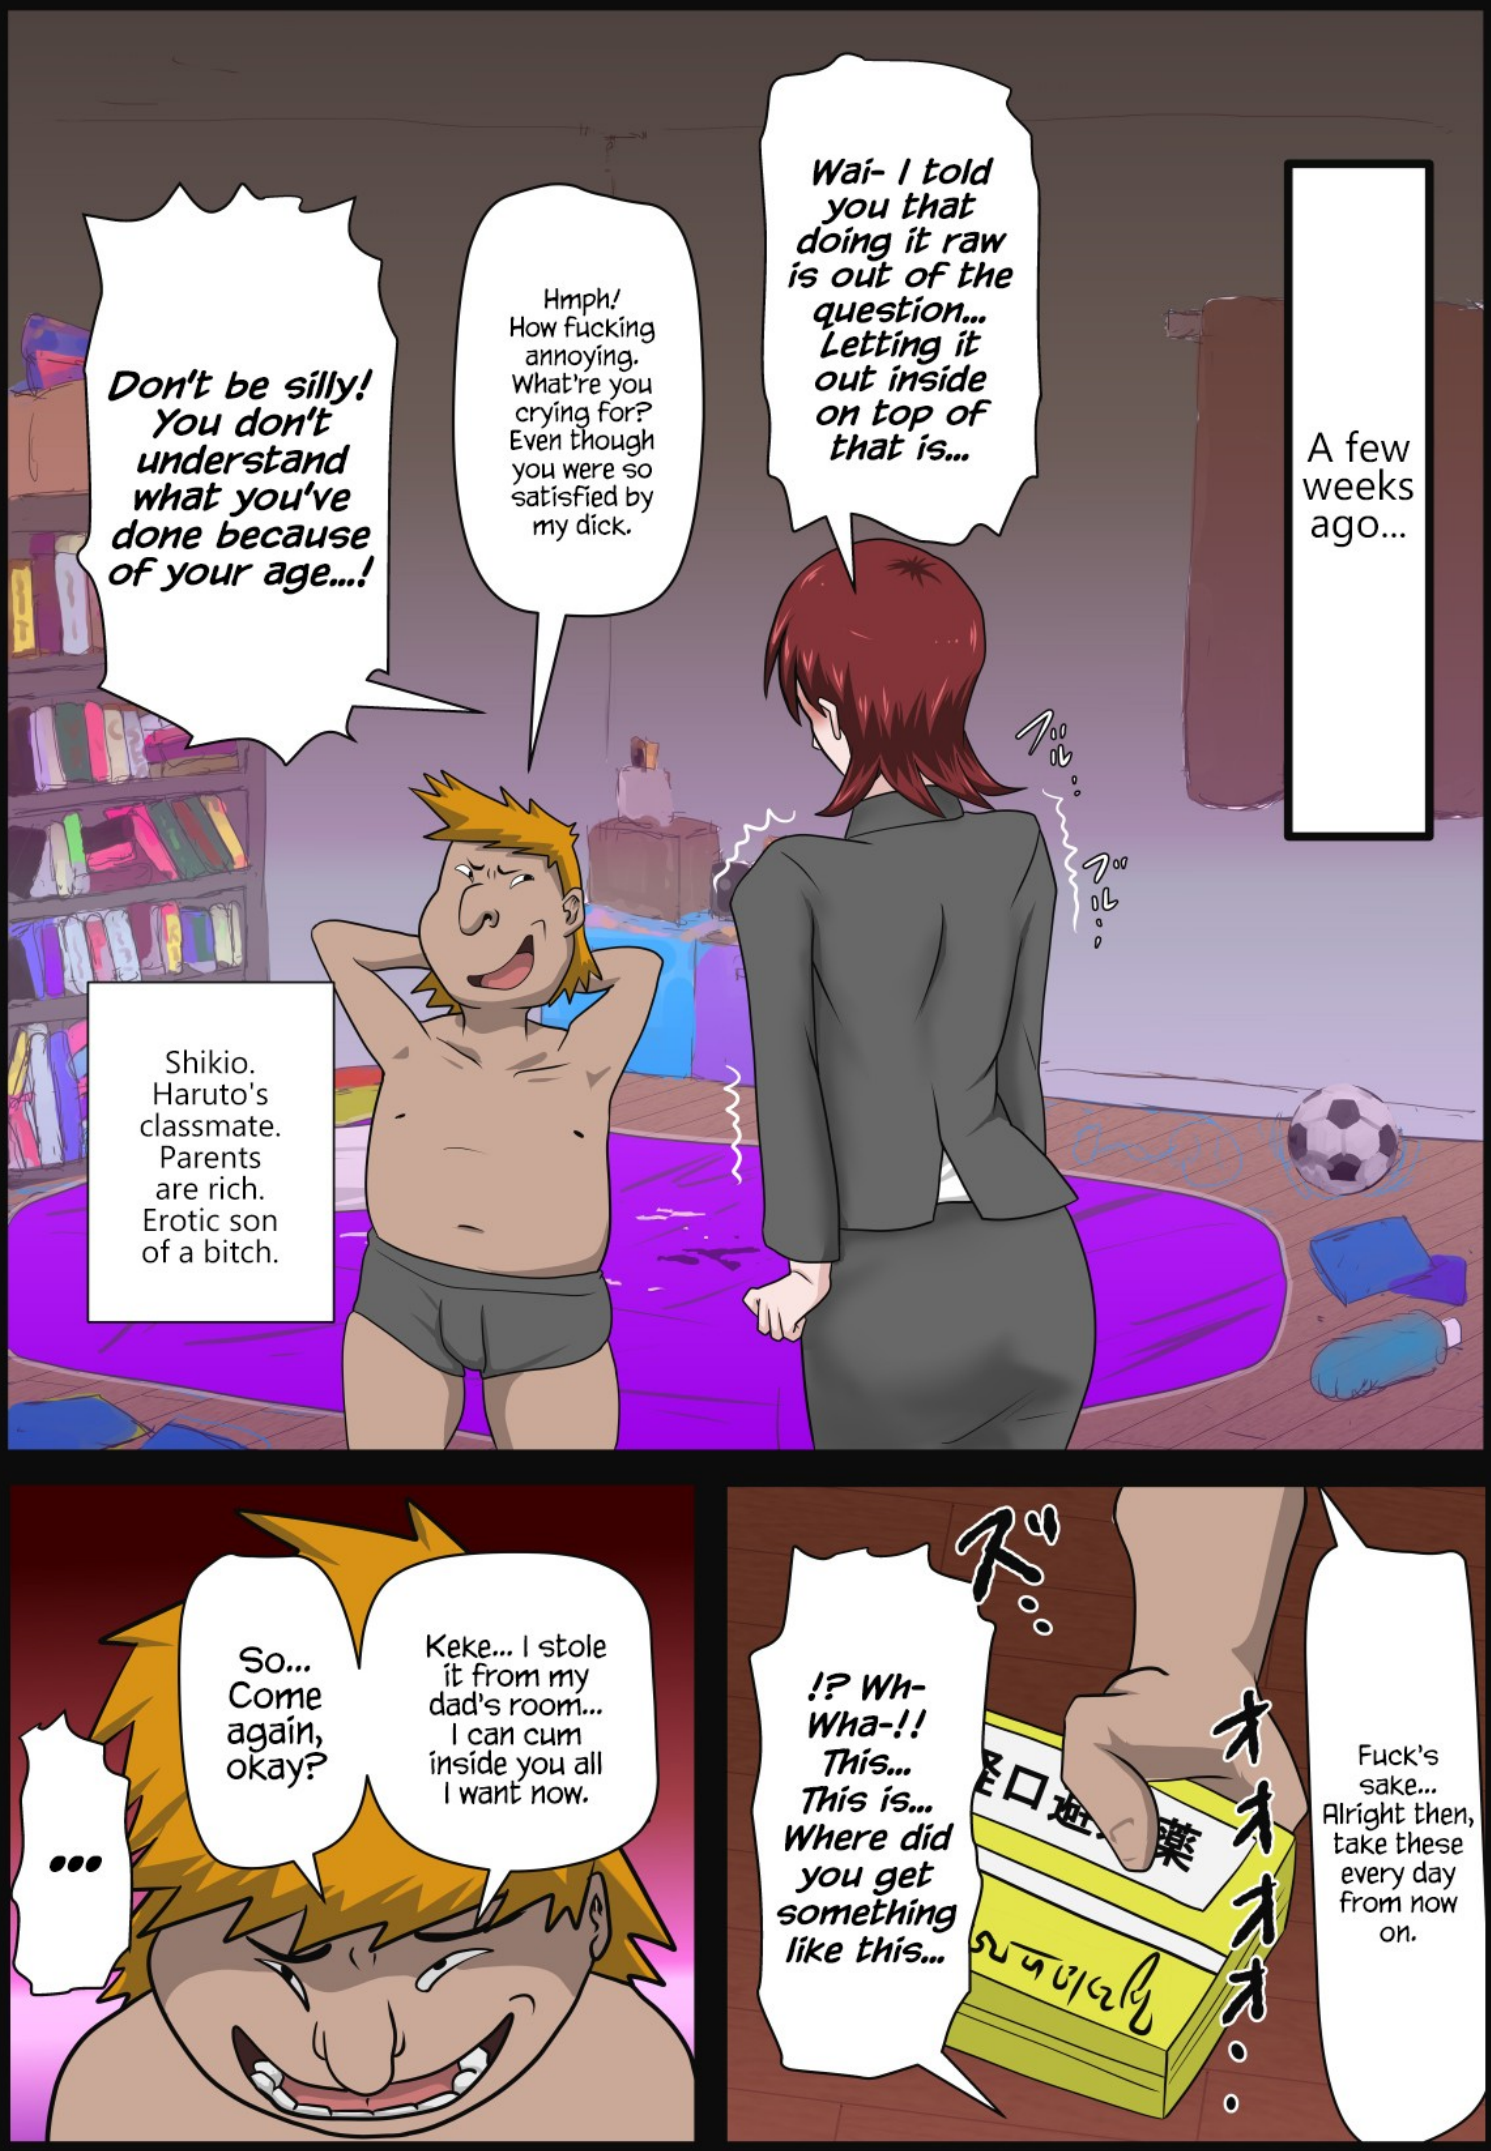
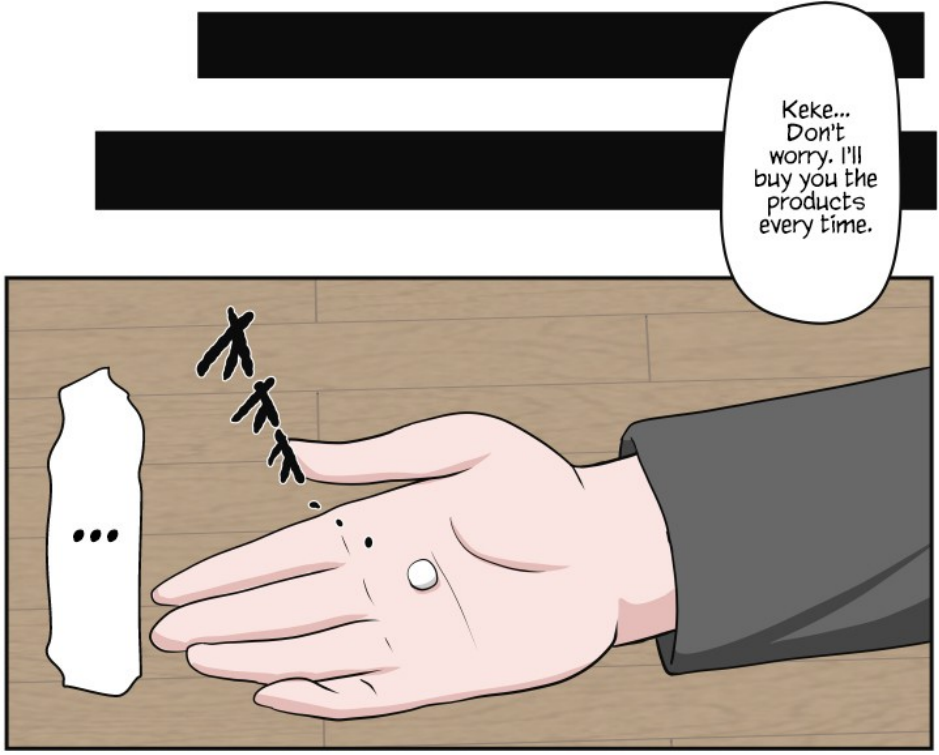
Ah... I, uh... Have a meeting today...
That's right! How about we eat out tonight? It's been a while.
It's two companies today. One of them is from an introduction from the General Manager, so I think today's gonna be a success for sure.
What company are you interviewing for today?
It's... not your fault that I have a meeting, you know...
Ah... is that so... I'm sorry... It's because I'm so powerless...
I have to get dressed as well...
Please do your best... If not, then I'm...
Let's worry about that after you become re-employed, okay?
Yeah! Do your best!
Yeah... you're right! I'll do my best!

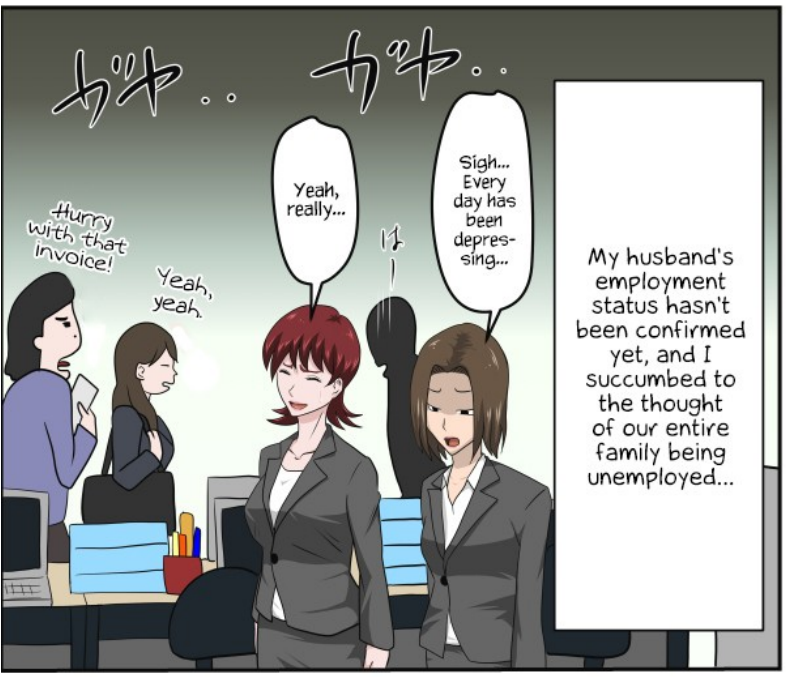


A few weeks ago...
Wai- I told you that doing it raw is out of the question... Letting it out inside on top of that is...
Hmph! How fucking annoying. What're you crying for? Even though you were so satisfied by my dick.
Don't be silly! You don't understand what you've done because of your age...!
Shikio. Haruto's classmate. Parents are rich. Erotic son of a bitch.
フル…
フル…
Fuck's sake... Alright then, take these every day from now on.
オオオ…
!? Wh- Wha-!! This... This is... Where did you get something like this...
Keke... I stole it from my dad's room... I can cum inside you all I want now.
So... Come again, okay?
...

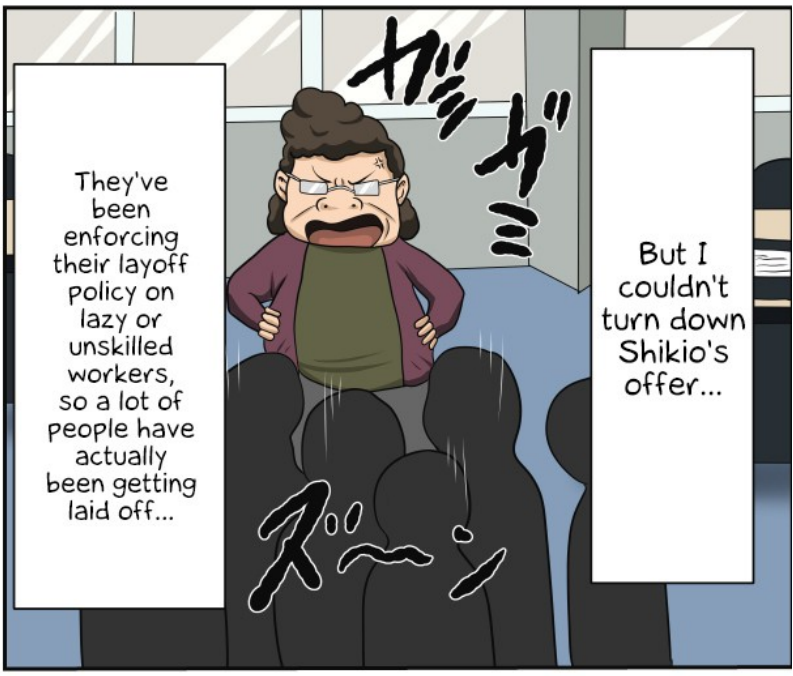
I'm crazy... I'm actually crazy...



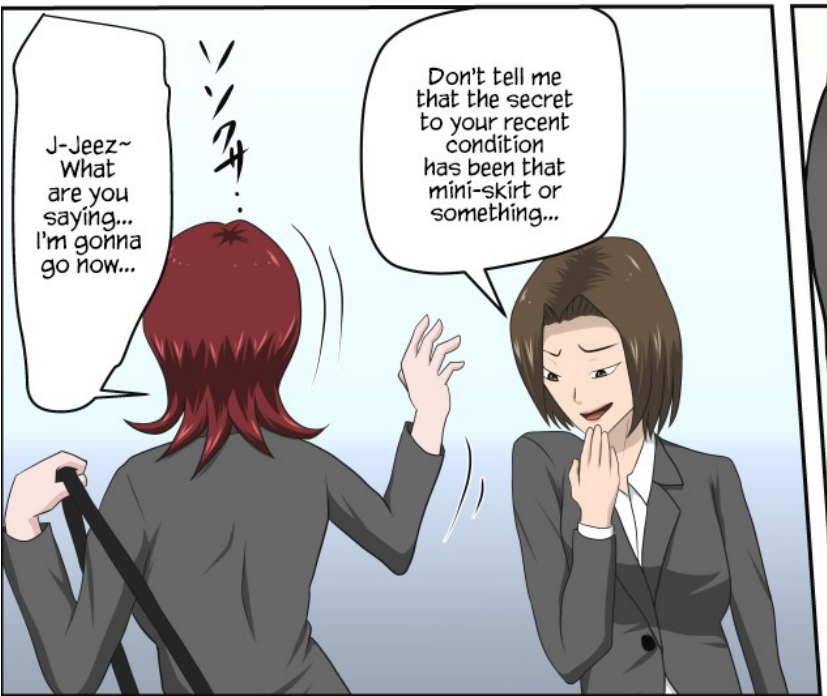
Keke... Don't worry. I'll buy you the products every time.



Hurry with that invoice!
Yeah, yeah.
Yeah, really...
Sigh... Every day has been depressing...
My husband's employment status hasn't been confirmed yet, and I succumbed to the thought of our entire family being unemployed...

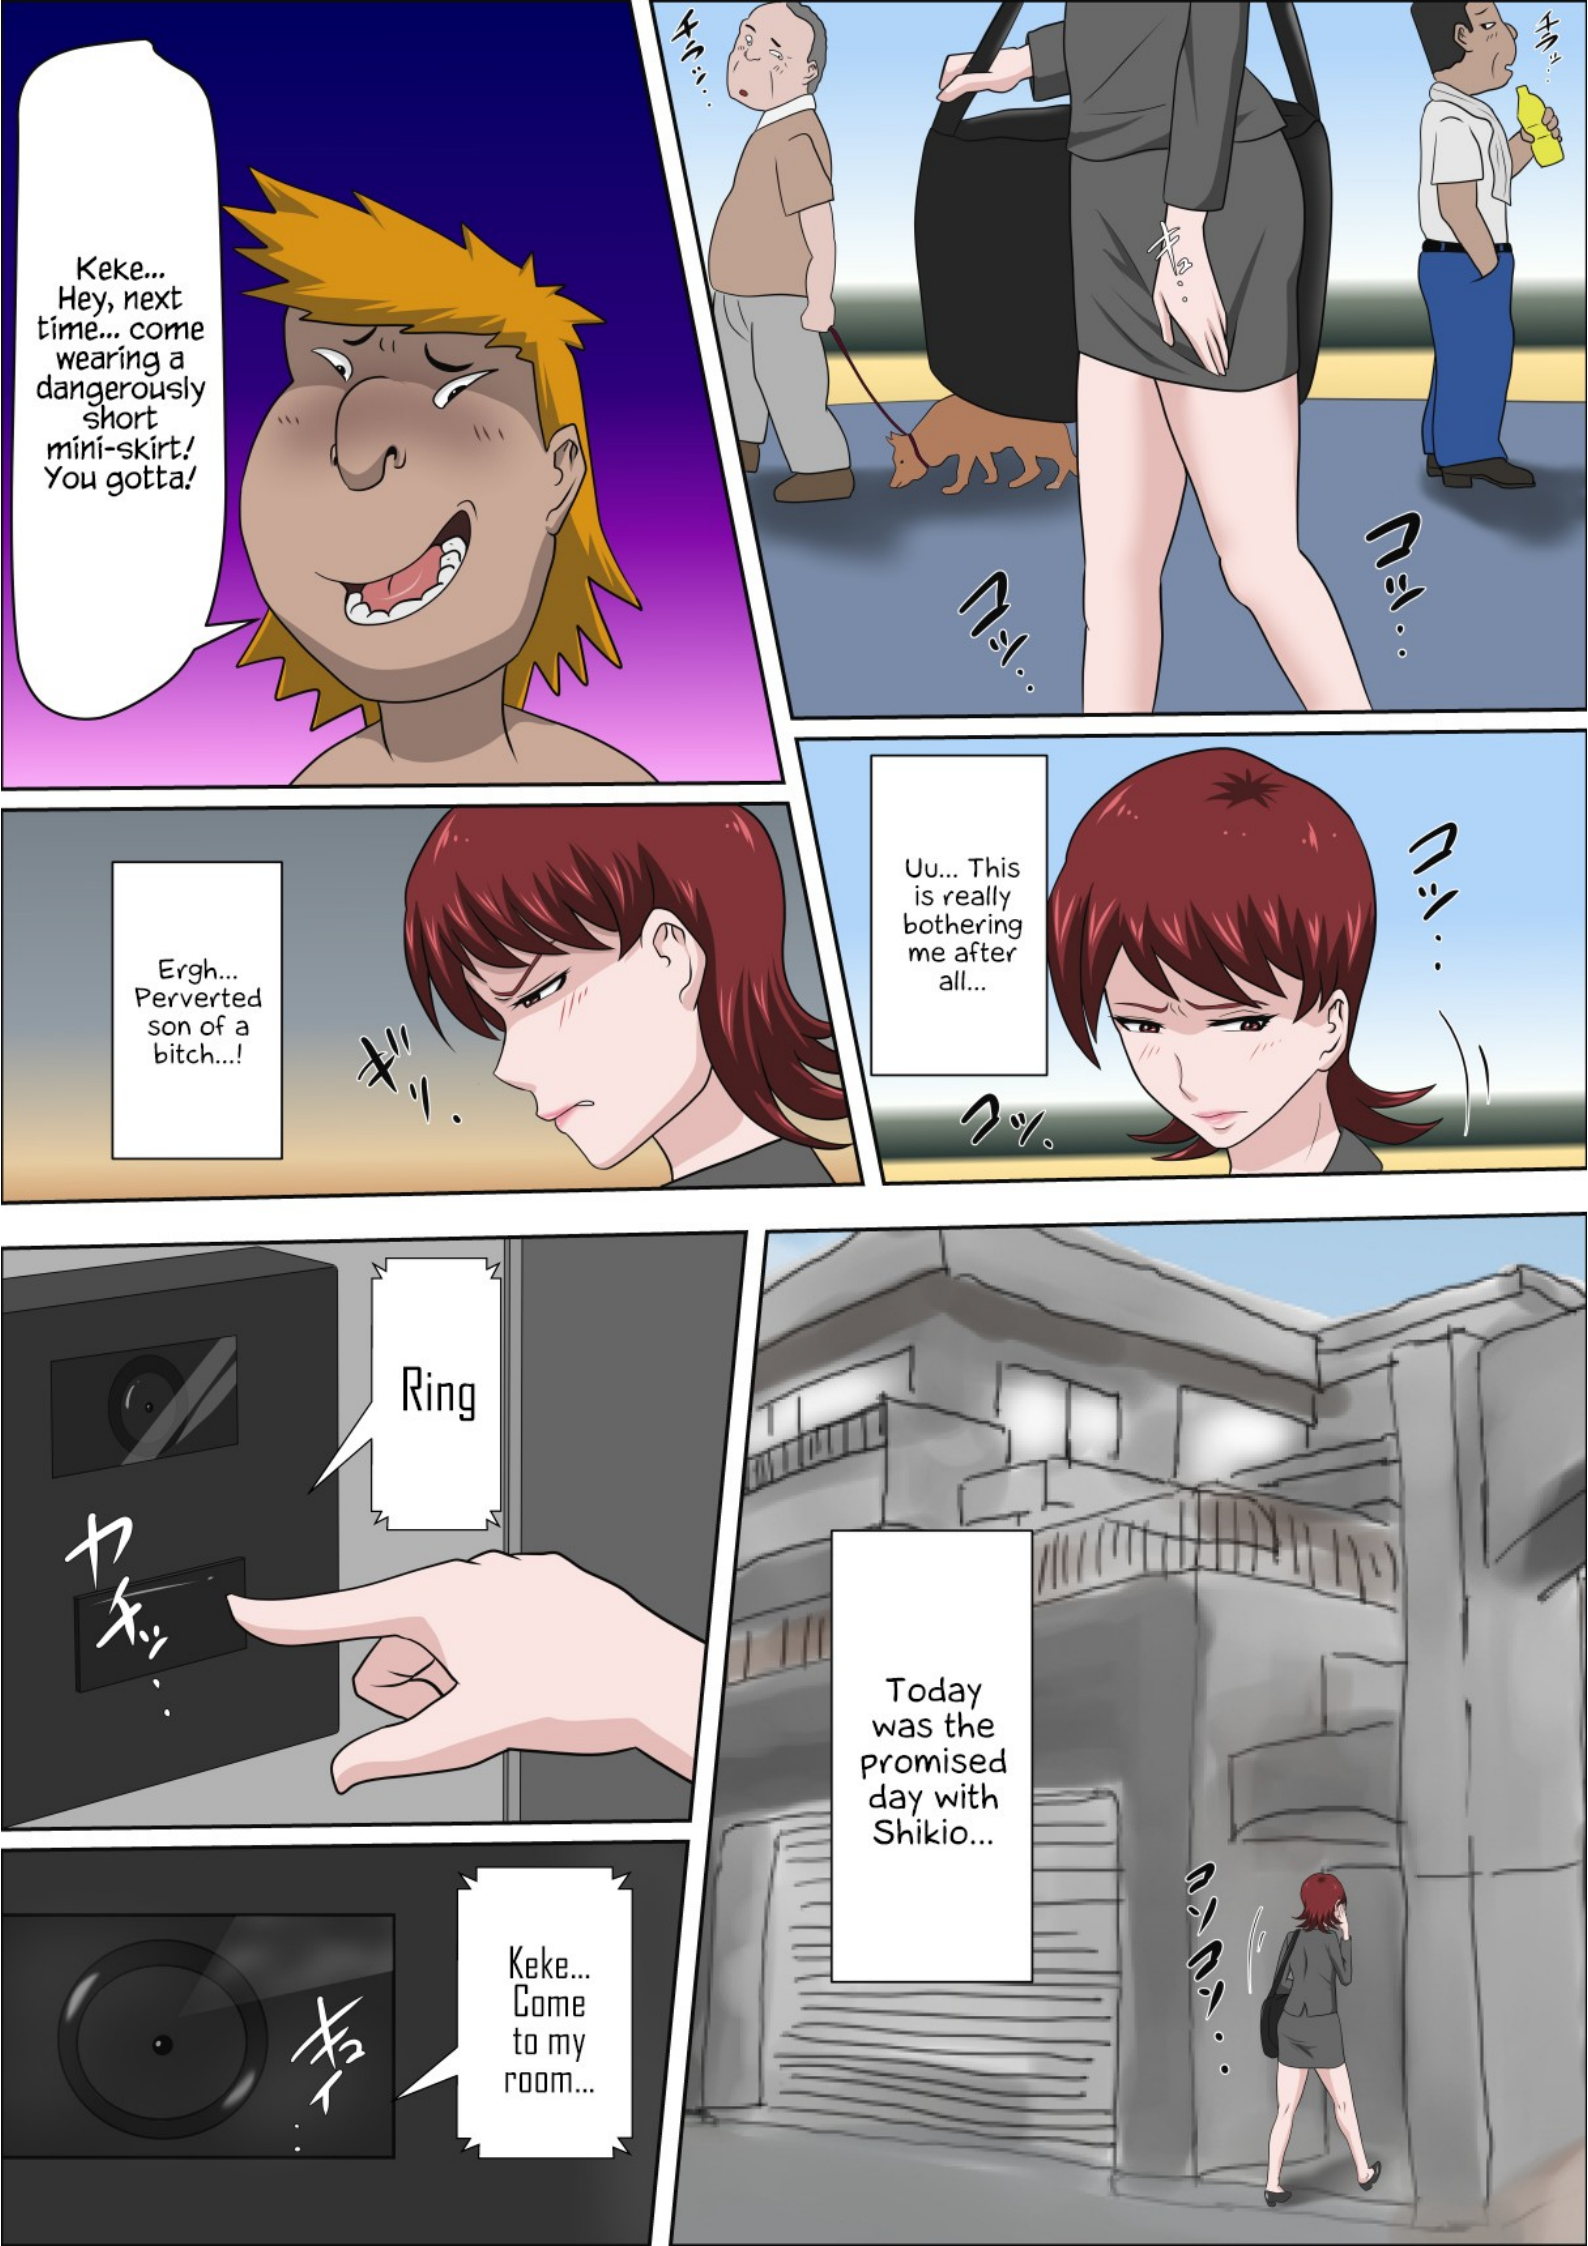


They've been enforcing their layoff policy on lazy or unskilled workers, so a lot of people have actually been getting laid off...
But I couldn't turn down Shikio's offer...



J-Jeez~ What are you saying... I'm gonna go now...
Don't tell me that the secret to your recent condition has been that mini-skirt or something...

Ahaha... I accidentally washed my usual one...
At any rate, what's up with that mini-skirt? Must be nice to be young~



Keke... Hey, next time... come wearing a dangerously short mini-skirt! You gotta!
Ergh... Perverted son of a bitch...!
Uu... This is really bothering me after all...
Ring
Today was the promised day with Shikio...
Keke... Come to my room...

Kuh...
Gehehe... Well, whatever... I'll treat you nicely today as well...
Gehe... Come on... Let's go to my bed...
Mm...
It-It's short enough, isn't it?
Heh... You should have worn something even shorter...

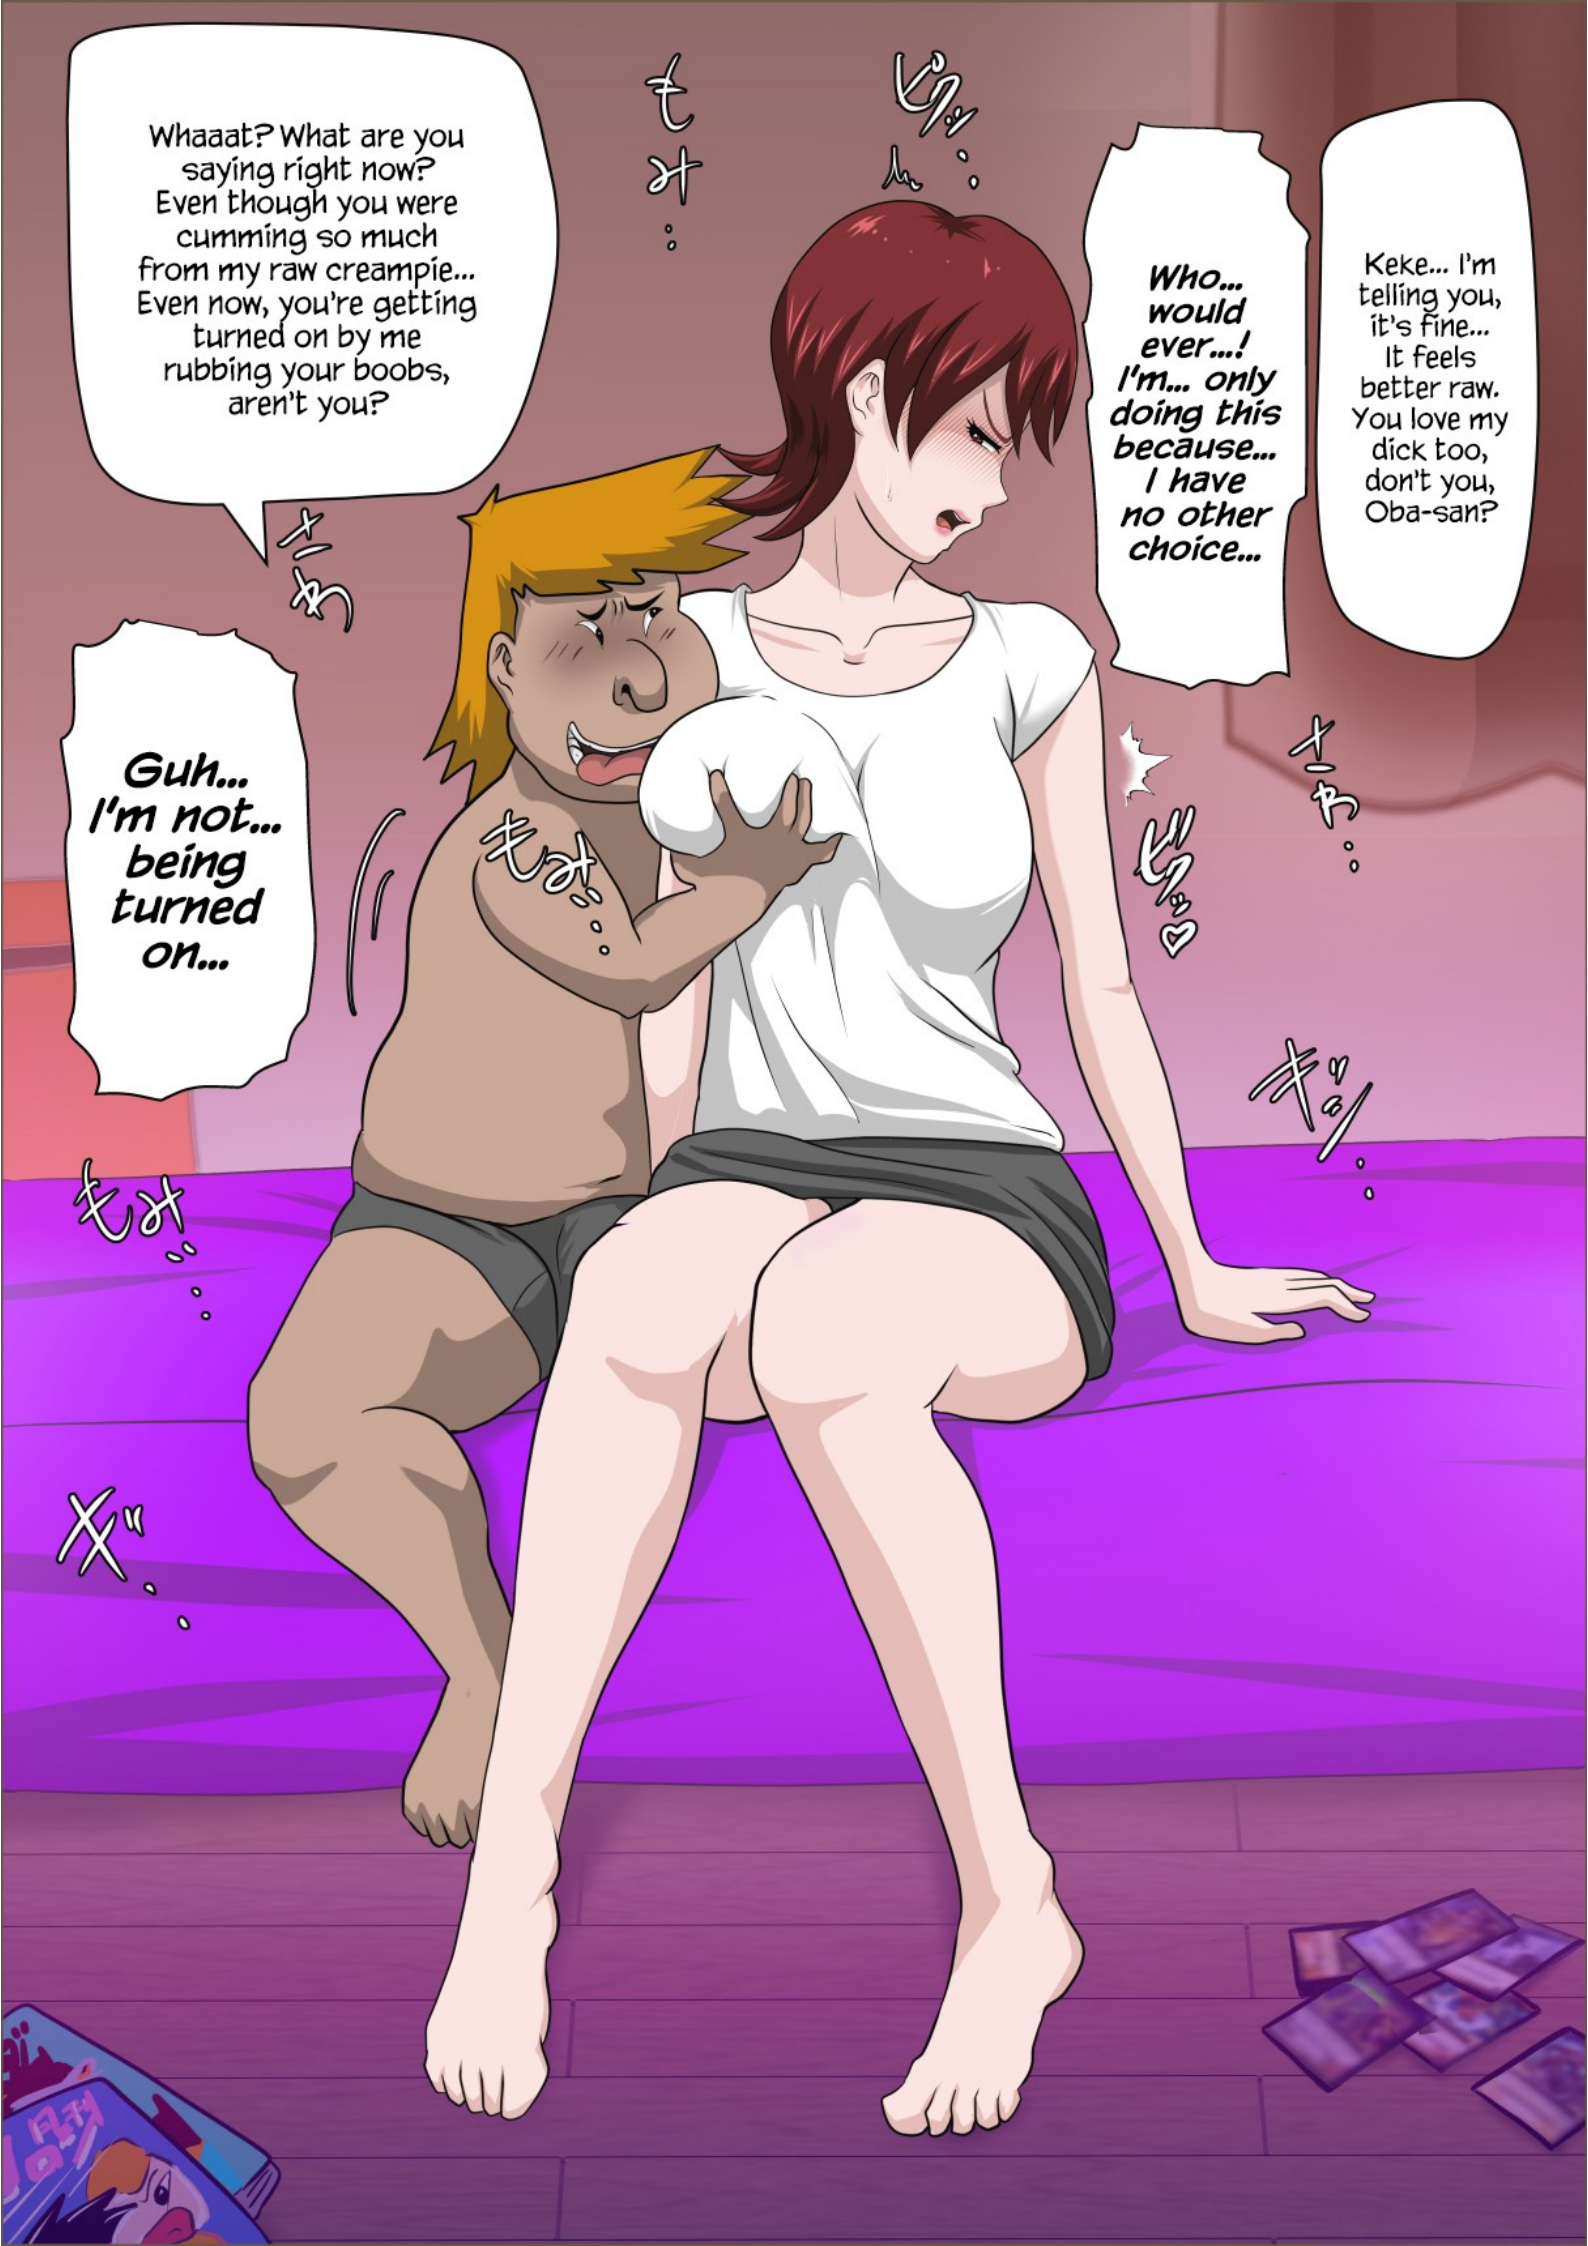
Shi-Shikio-kun... You have to make sure to put on a con- a condom today, okay!?
What? Why? I gave you the pills.
There's still a chance that...
Even if I can't get pregnant, I don't want him cumming inside me raw anymore!



Whaaat? What are you saying right now? Even though you were cumming so much from my raw creampie... Even now, you're getting turned on by me rubbing your boobs, aren't you?

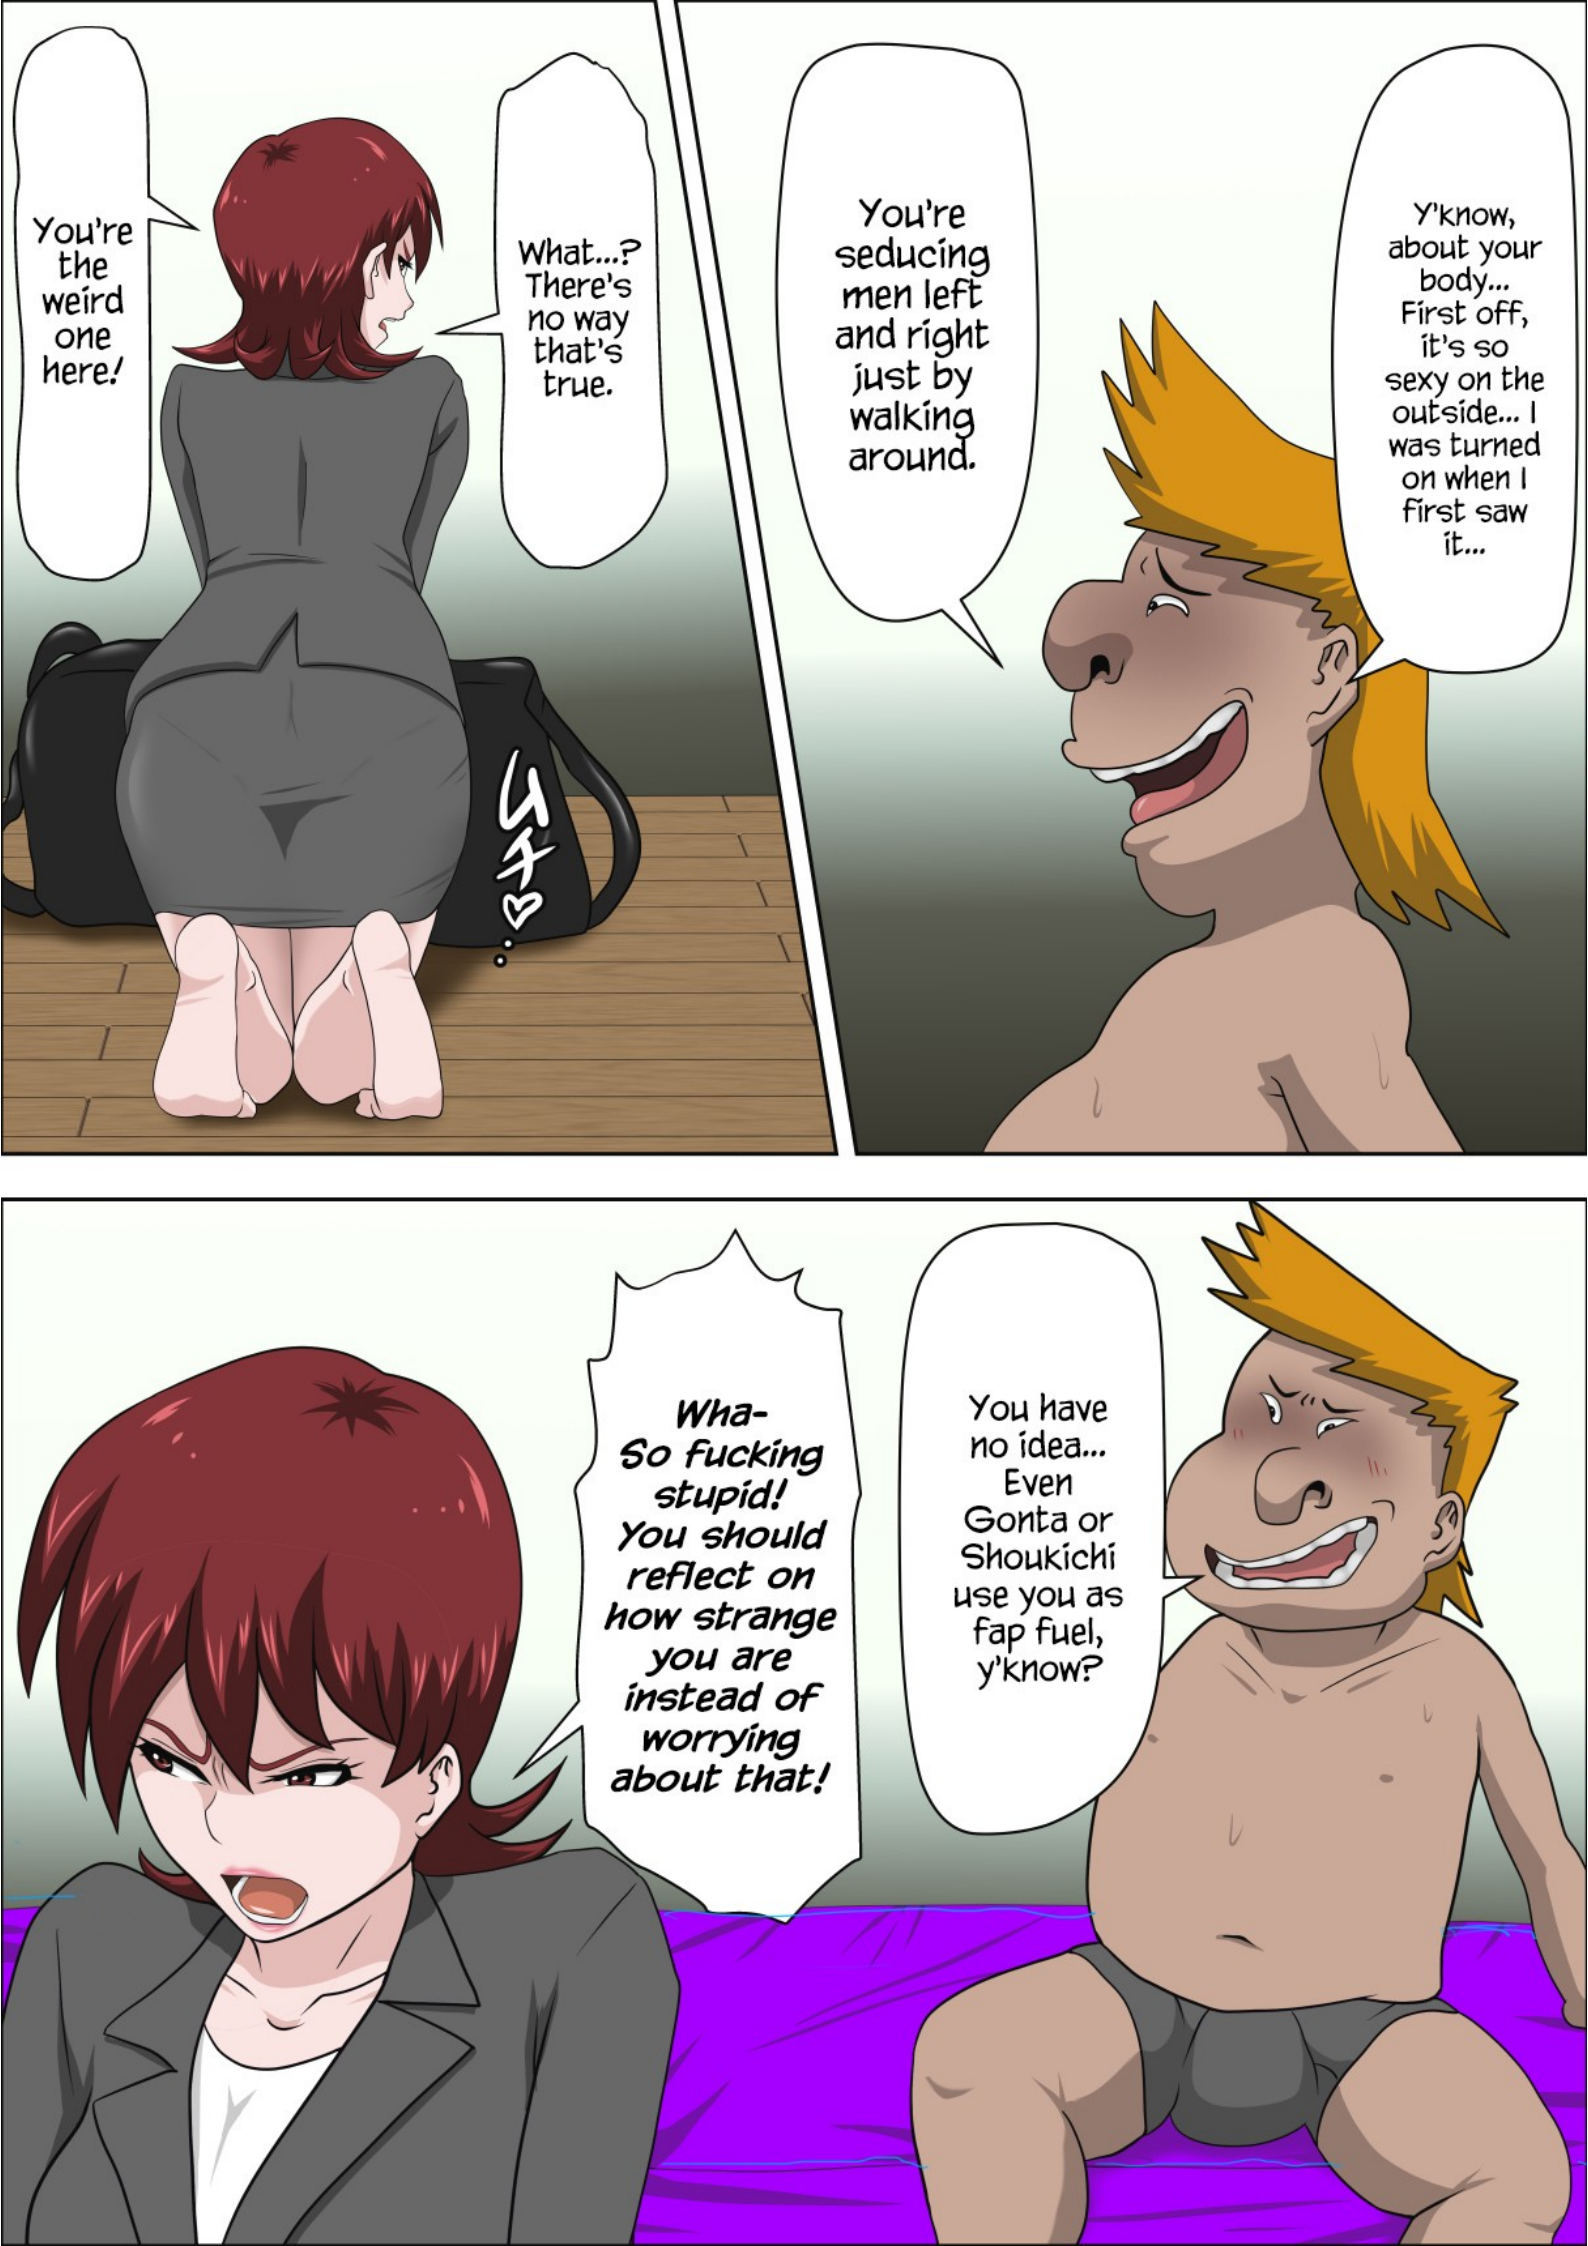
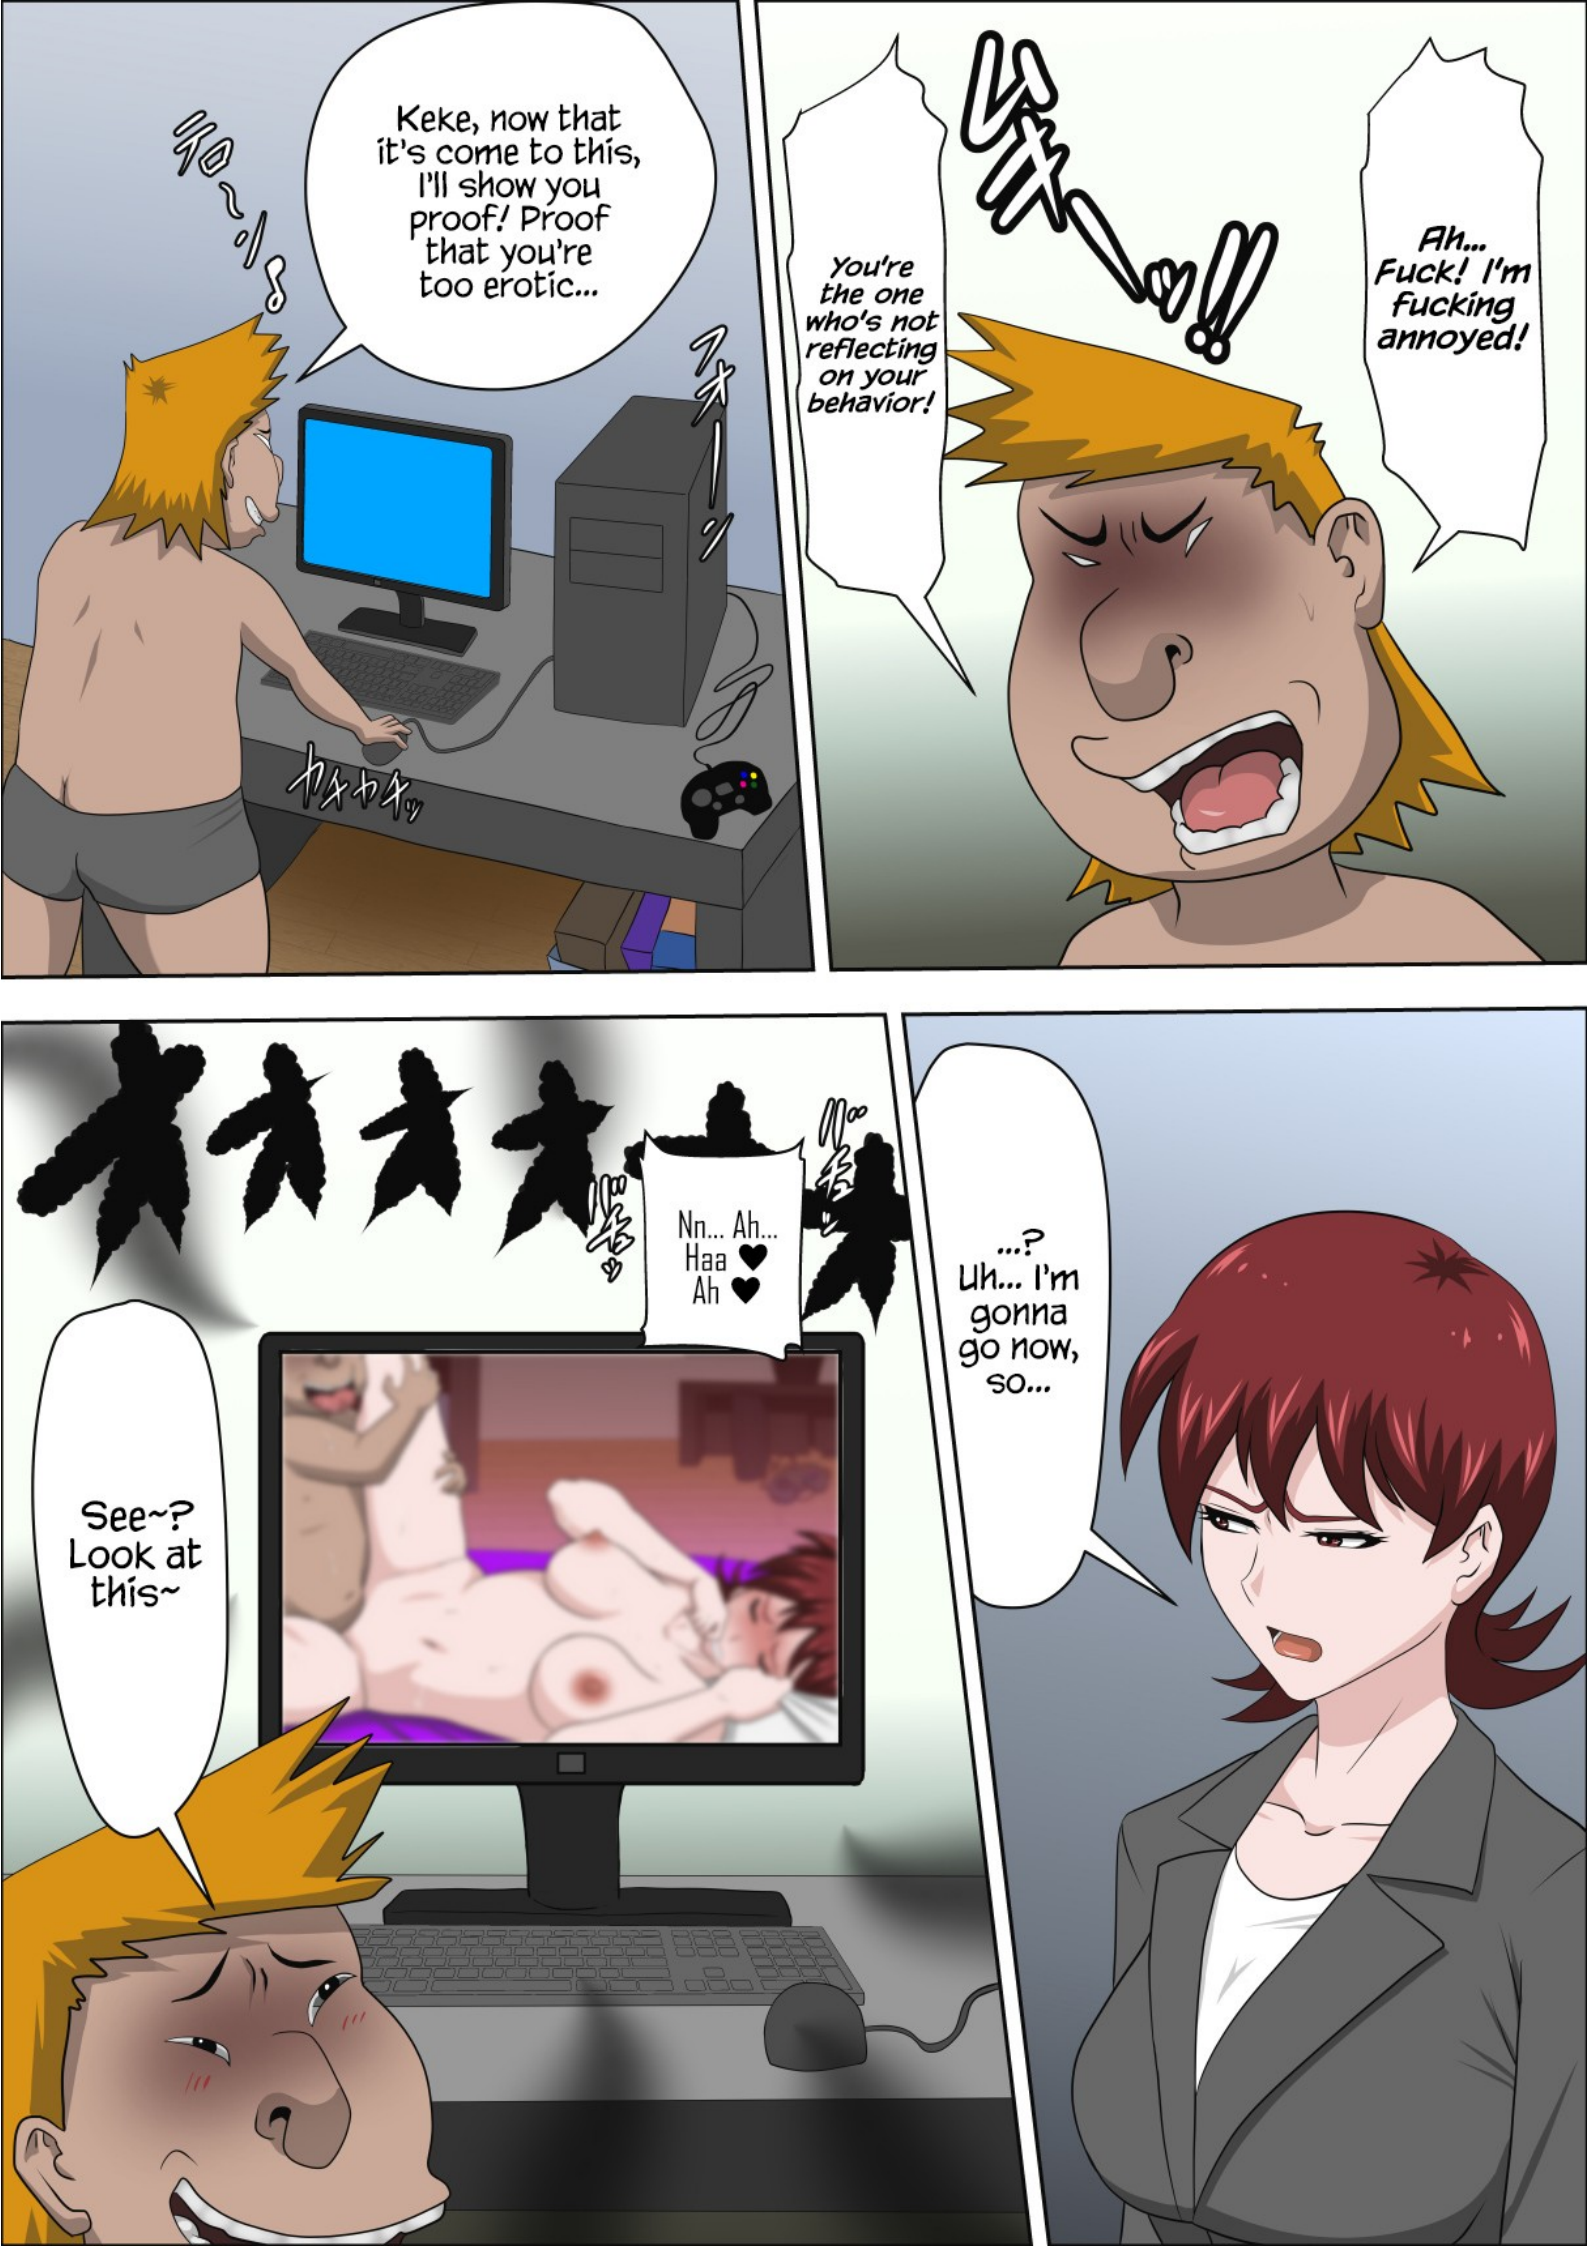
I'm... gonna leave the product here, so!
Keke... Ah, I came too fuckin' much~
It's because you begged so much for my semen.
キィ



You're the weird one here!
What...? There's no way that's true.
ムチ♡
You're seducing men left and right just by walking around.
Y'know, about your body... First off, it's so sexy on the outside... I was turned on when I first saw it...
Wha- So fucking stupid! You should reflect on how strange you are instead of worrying about that!
You have no idea... Even Gonta or Shoukichi use you as fap fuel, y'know?



Keke, now that it's come to this, I'll show you proof! Proof that you're too erotic...
You're the one who's not reflecting on your behavior!
Ah... Fuck! I'm fucking annoyed!
Nn... Ah... Haa ♥ Ah ♥
See~? Look at this~
...? Uh... I'm gonna go now, so...

There were cameras every-where... You knew, didn't you?
What do you mean "what is it"? It's a film of us fucking... That's common sense...
Wha-What the hell is this?!
How is it? You get it now, don't you?
So... How 'bout it? You're really lewd, aren't you? It's 100 times better than some shitty AV...
Ah ♥ Haa ♥
Th-That's... Cameras...?

Wai-
No...
So good ♥
Mm... Ah...
Cumming ♥
Mmph..
Aaahh

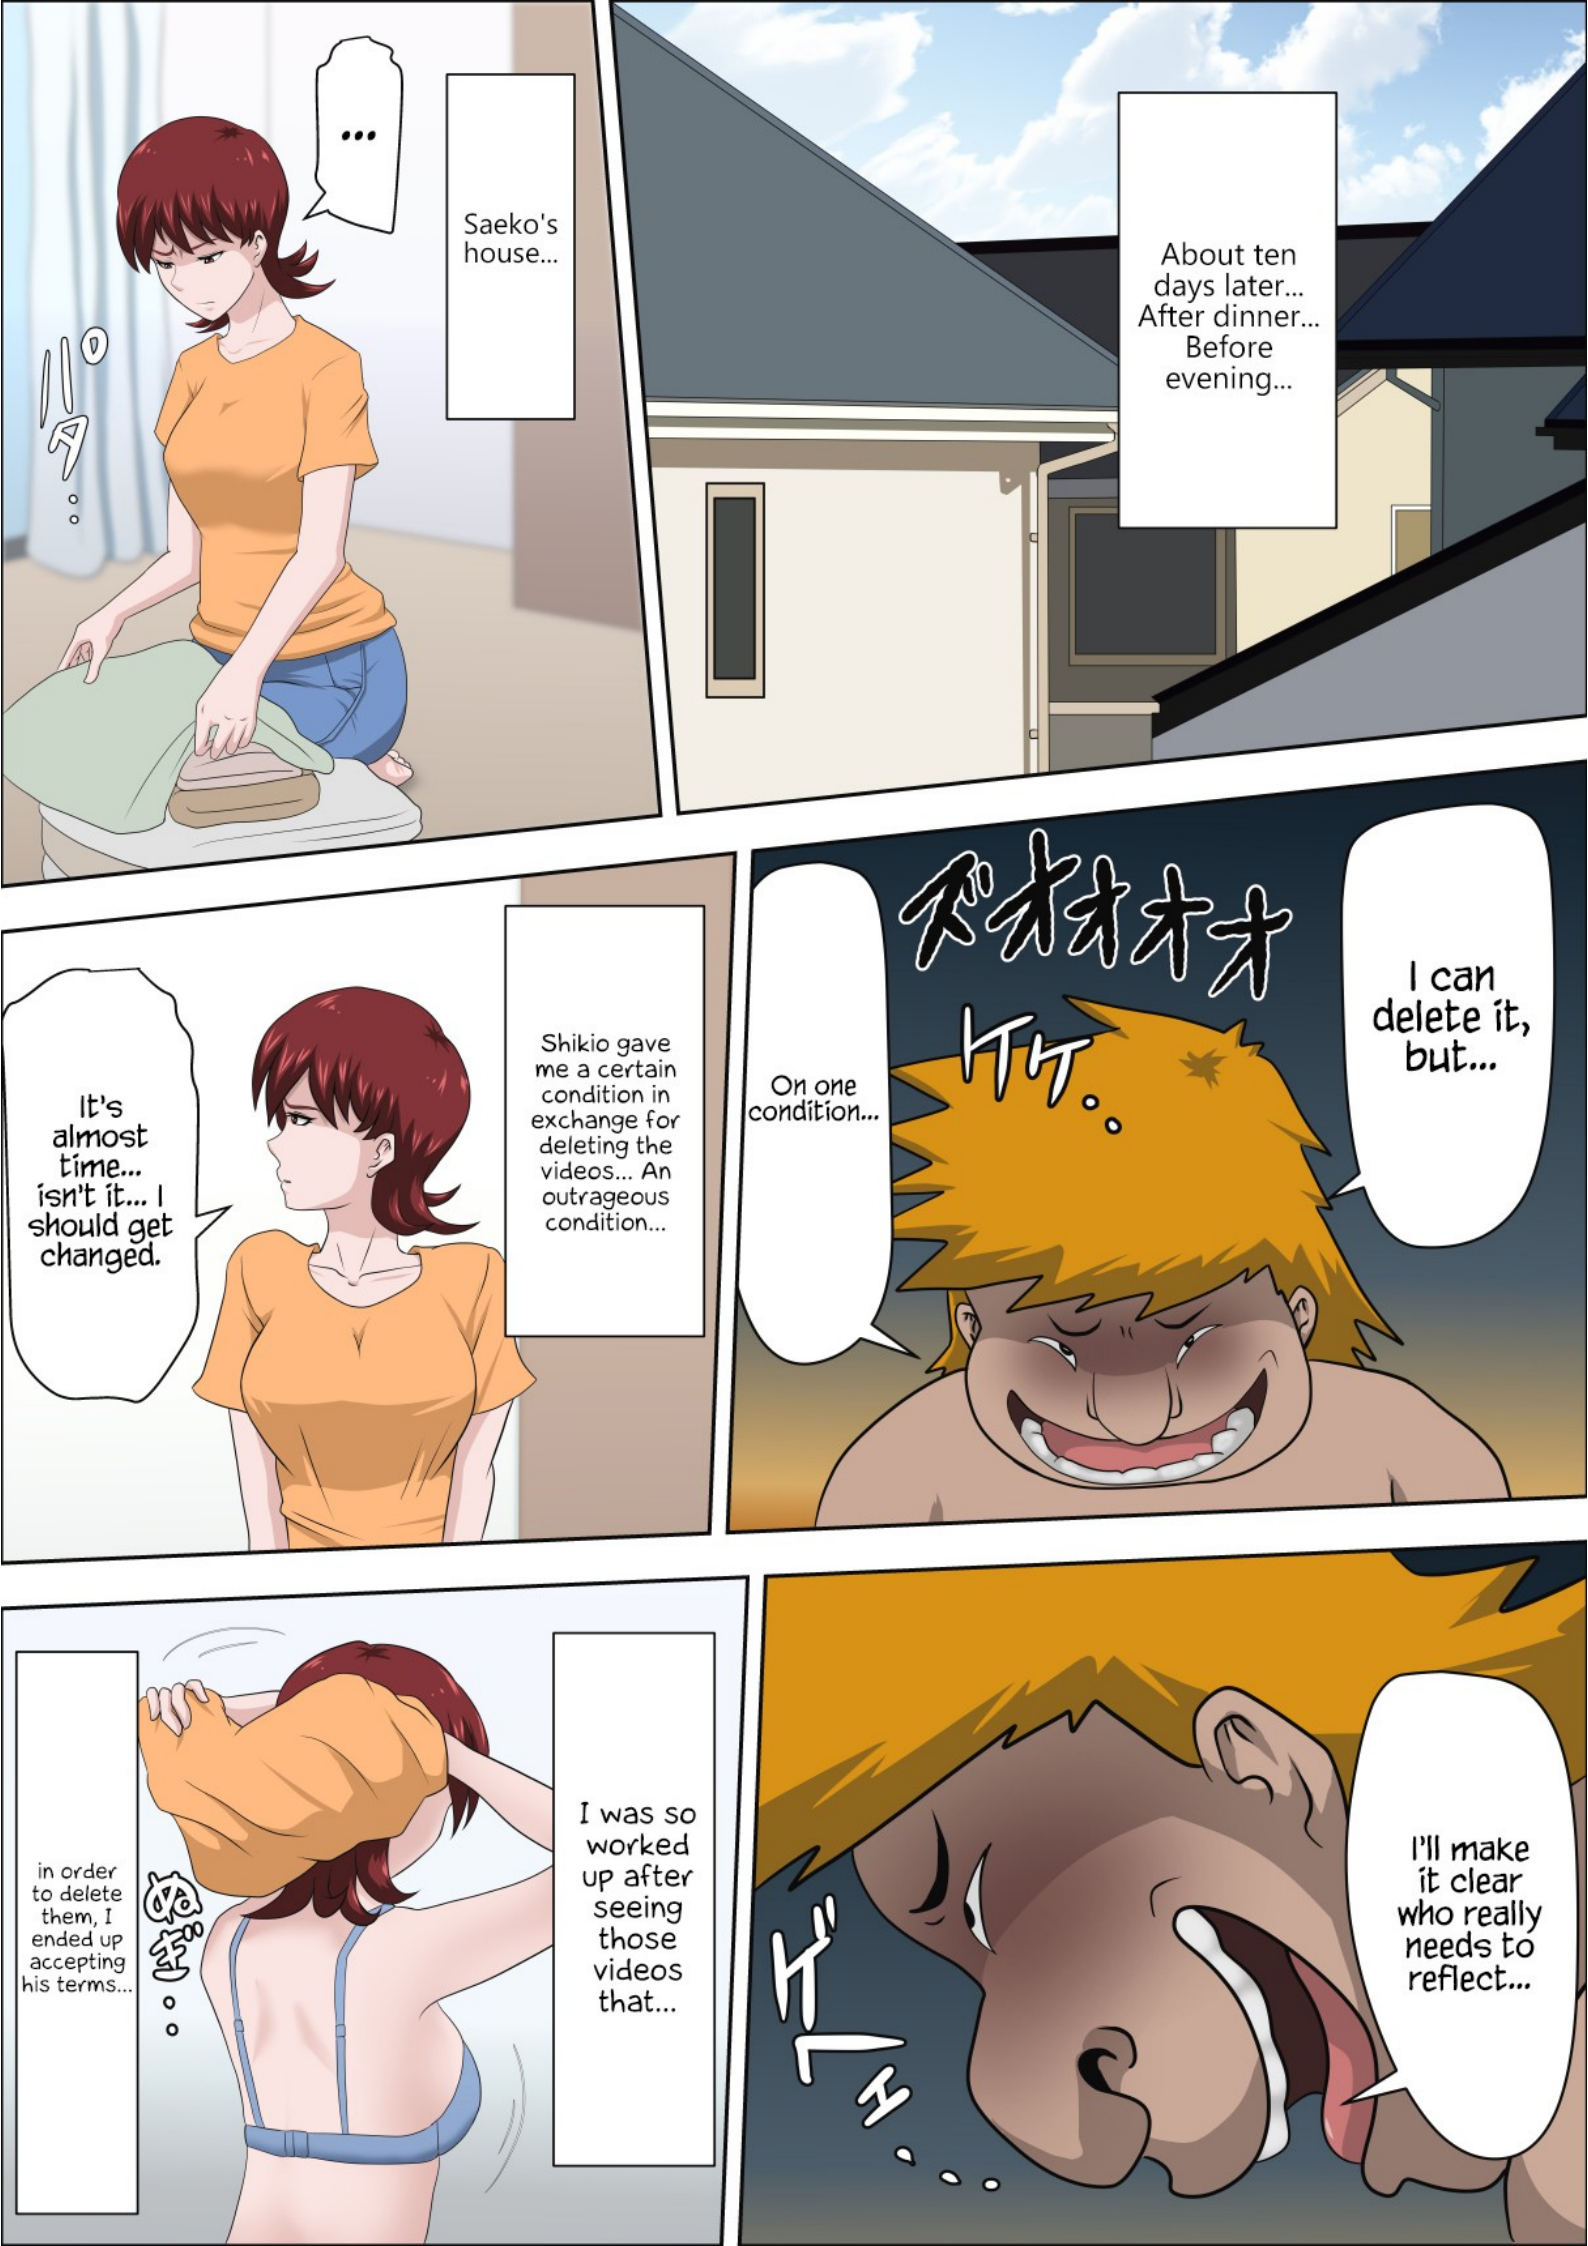
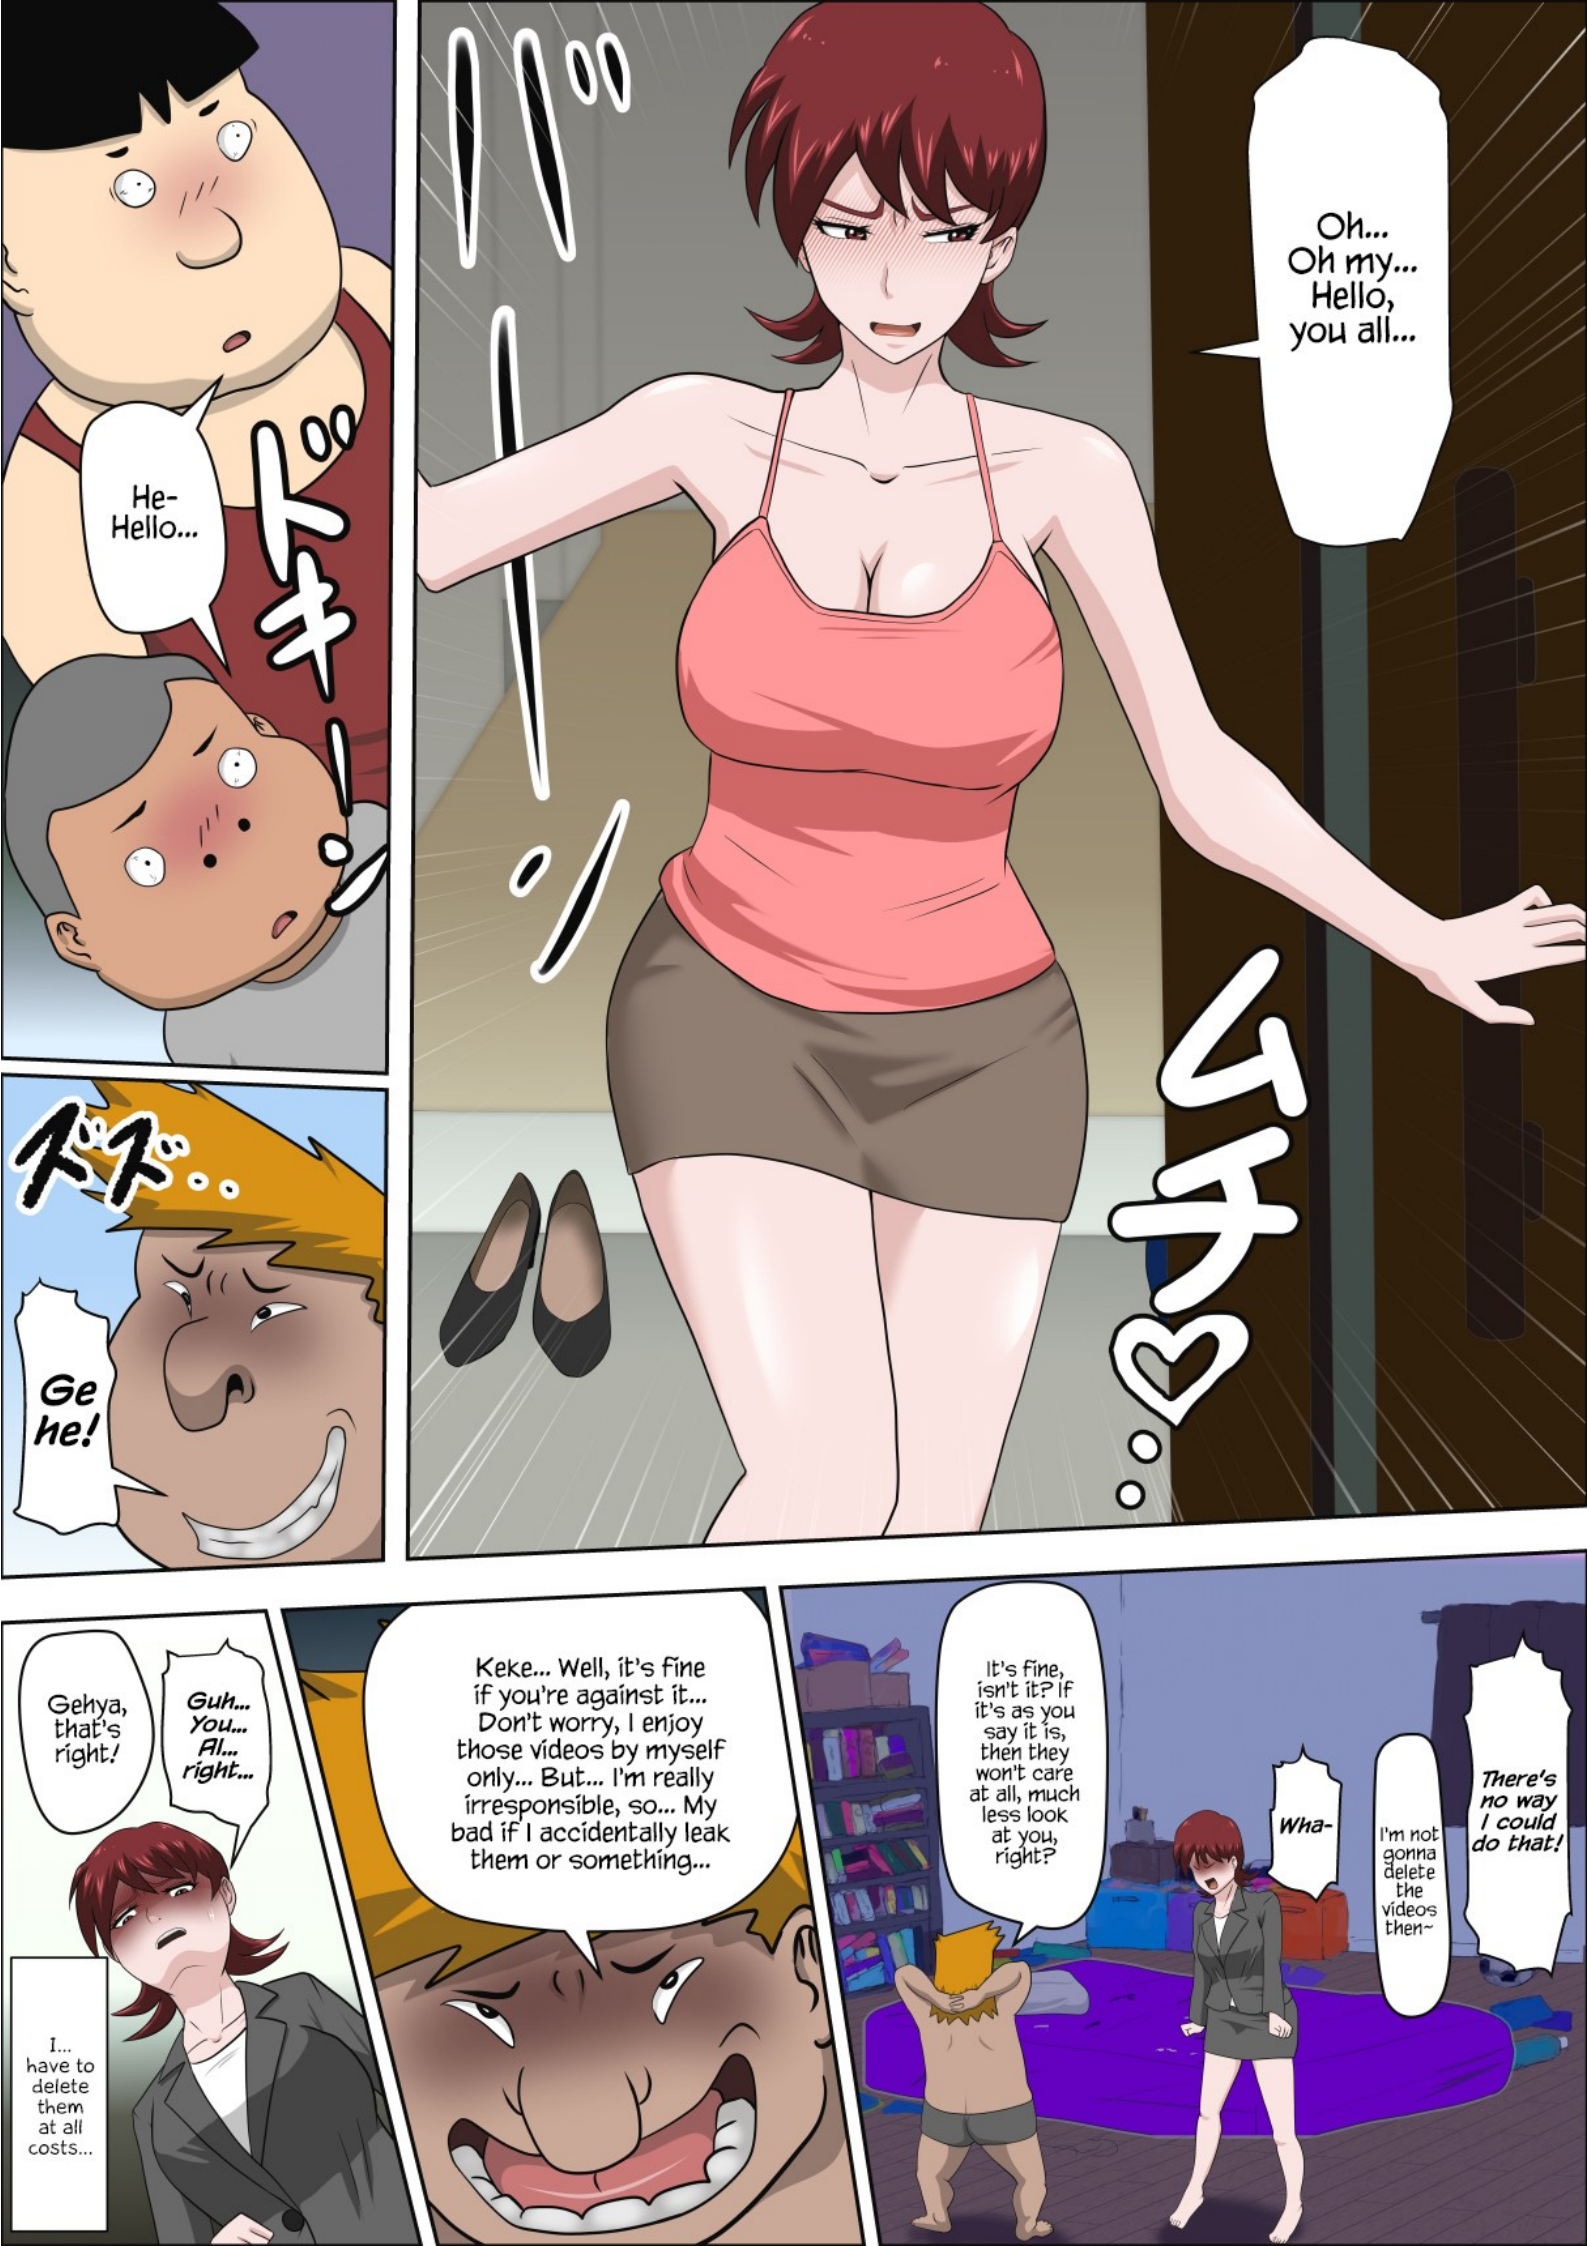
You pervert! XXXX! Delete it all right now!
How fucked up are you?!
Stop this already!
Oho... Wait a minute... I thought of something good~
Hurry up and delete it!
Do you fucking understand what kind of position you're in?!
Huuuh? Fuck did you just say to me?!



...
Saeko's house...
About ten days later... After dinner... Before evening...
It's almost time... isn't it... I should get changed.
Shikio gave me a certain condition in exchange for deleting the videos... An outrageous condition...
On one condition...
I can delete it, but...
in order to delete them, I ended up accepting his terms...
I was so worked up after seeing those videos that...
I'll make it clear who really needs to reflect...

Ding Dong
Ding Dong
That's weird~ I made a promise with Haruto.
He's not here after all... Haruto has cram school today, anyway.
Tsk! What's taking her so long?!
H-Hey, wait just a bit longer.
Let's go back.
Ah! See, he's here!
Click!
Huh.



He-
Hello...

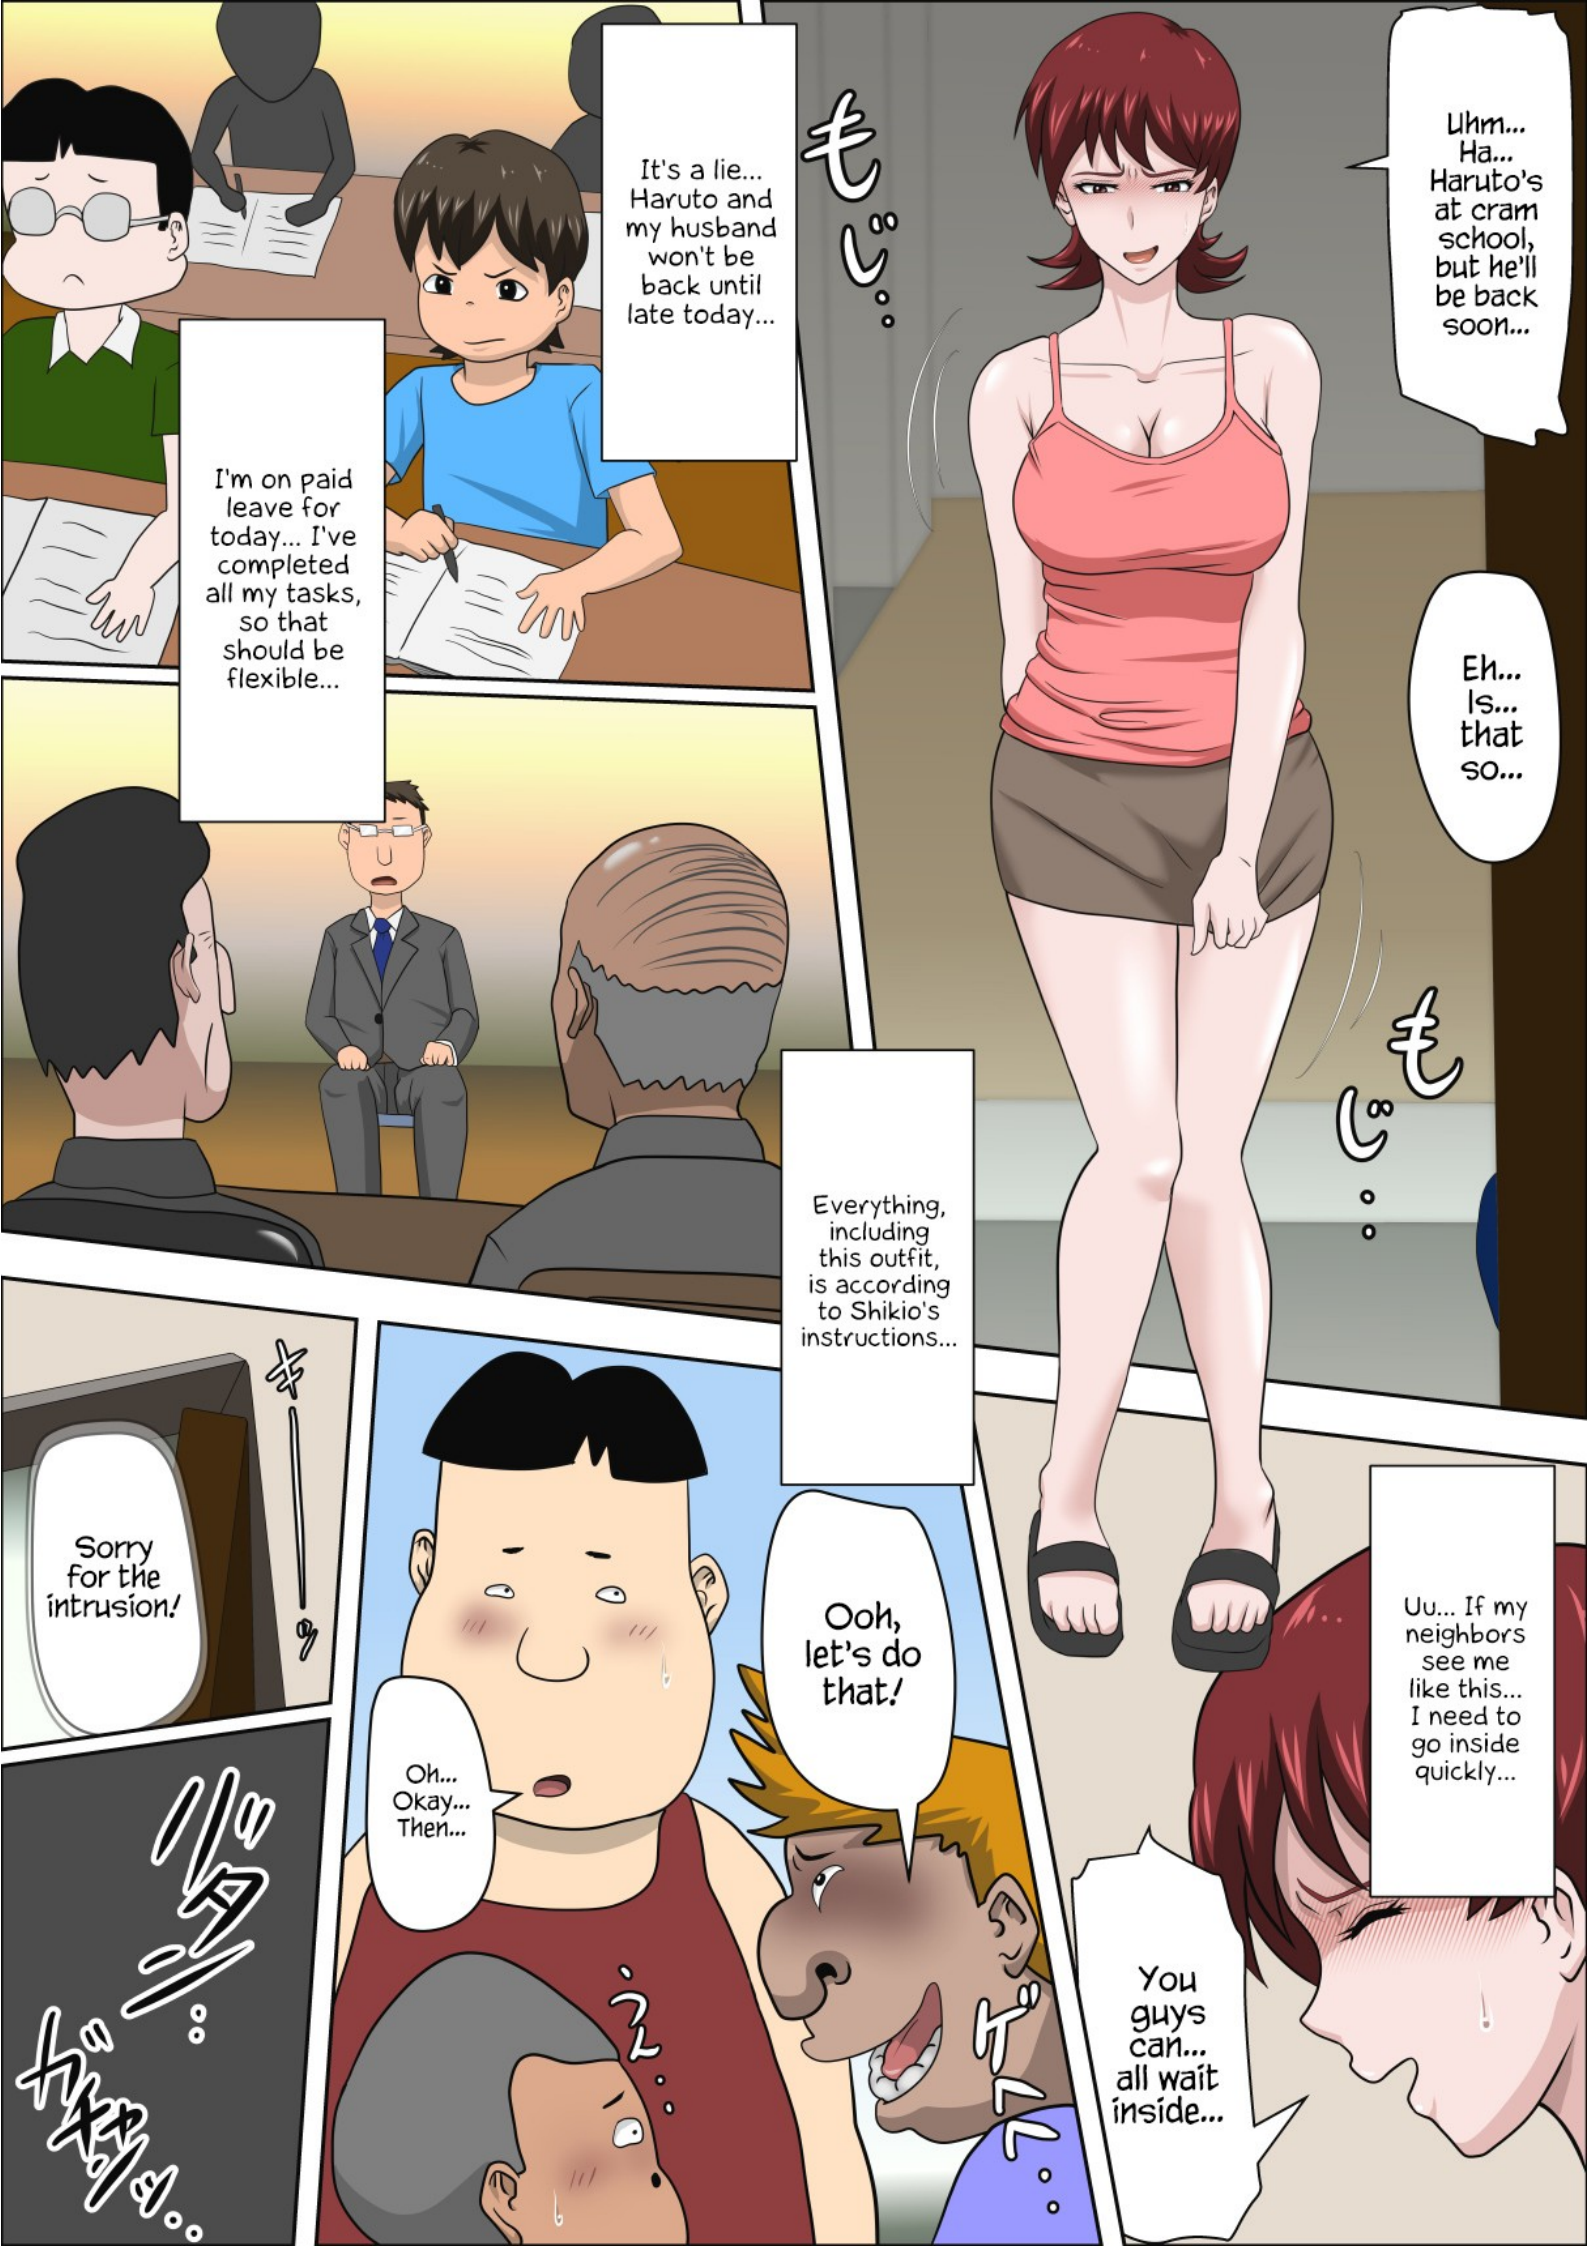
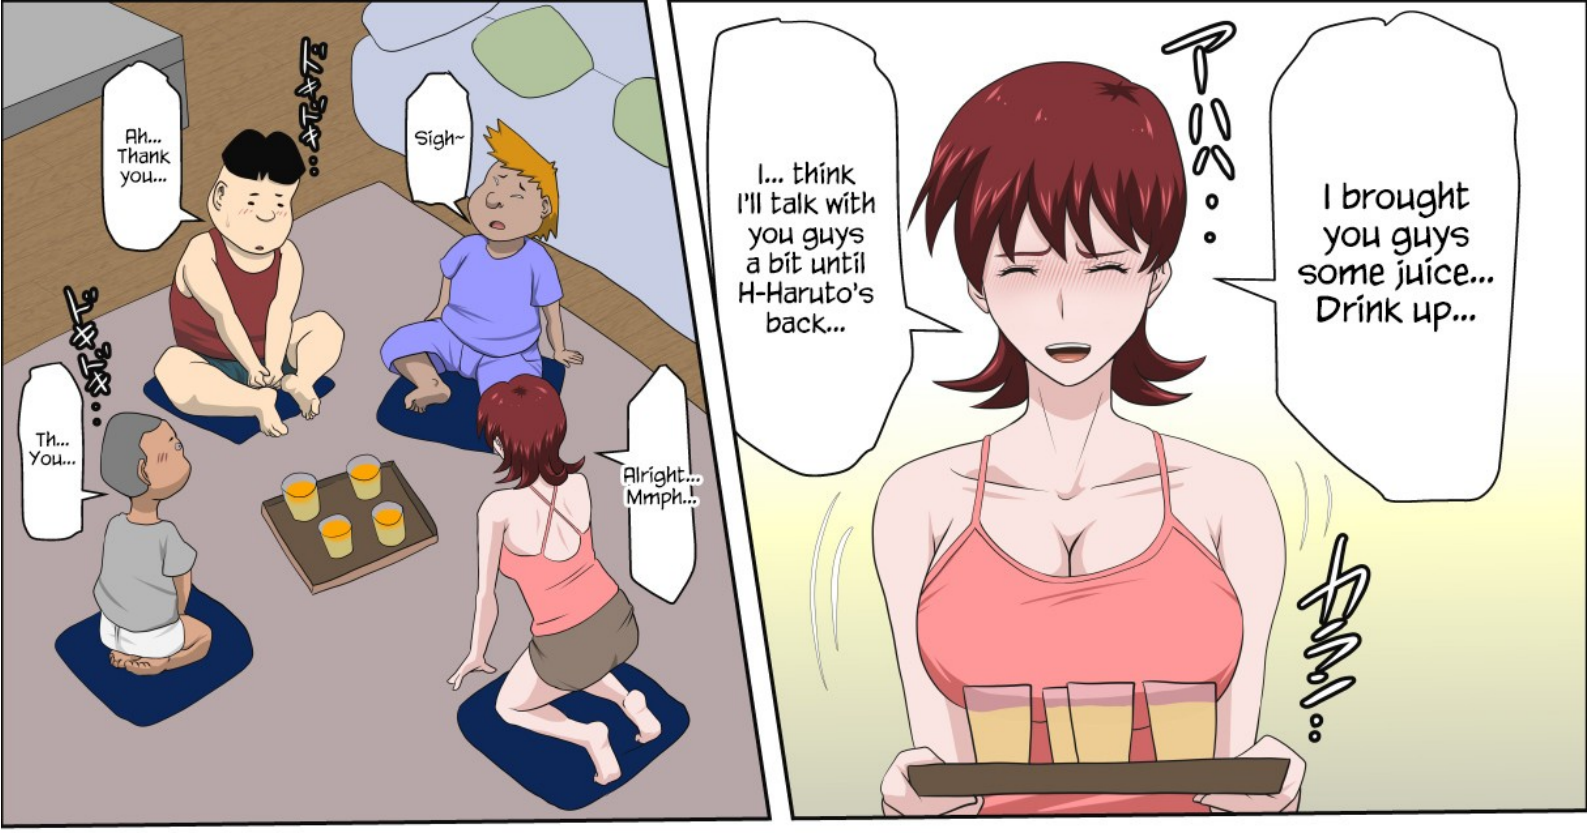
he!
Gehya,
that's
right!
Guh...
You...
Al...
right...
I...
have to
delete
them
at all
costs...
Keke... Well, it's fine
if you're against it...
Don't worry, I enjoy
those videos by myself
only... But... I'm really
irresponsible, so... My
bad if I accidentally leak
them or something...
It's fine,
isn't it? If
it's as you
say it is,
then they
won't care
at all, much
less look
at you,
right?
Wha-
I'm not
gonna
delete
the
videos
then~
There's
no way
I could
do that!

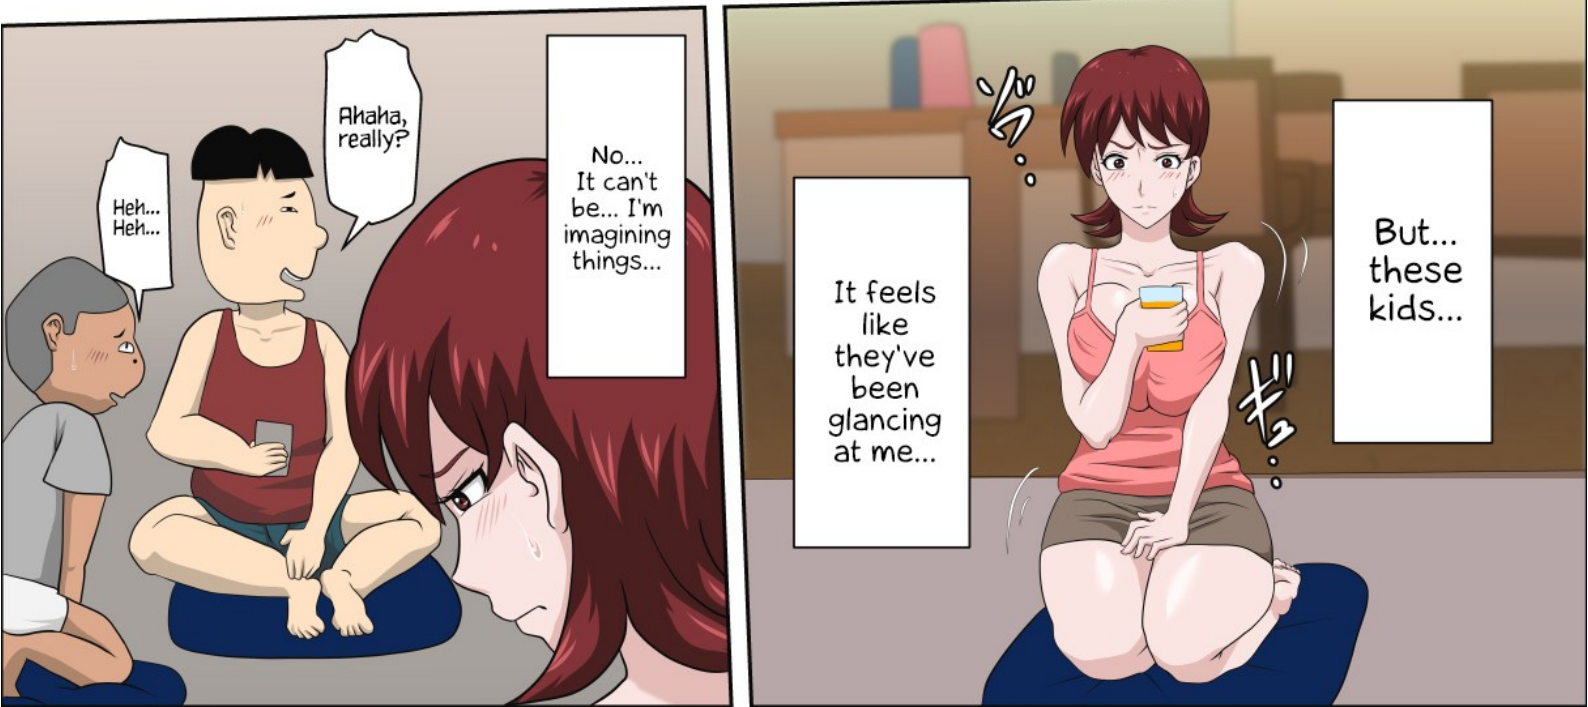


Uhm... Ha... Haruto's at cram school, but he'll be back soon...
もじ。
Eh... Is... that so...
もじ。。
It's a lie... Haruto and my husband won't be back until late today...
I'm on paid leave for today... I've completed all my tasks, so that should be flexible...
Everything, including this outfit, is according to Shikio's instructions...
Uu... If my neighbors see me like this... I need to go inside quickly...
You guys can... all wait inside...
ゲート。。
Ooh, let's do that!
Oh... Okay... Then...
うぇ。。
キーー
Sorry for the intrusion!
バタン。。
ガヤガヤ。。



Ah... Thank you...
Sigh~
Th... You...
Alright... Mmph...!
I brought you guys some juice... Drink up...
I... think I'll talk with you guys a bit until H-Haruto's back...

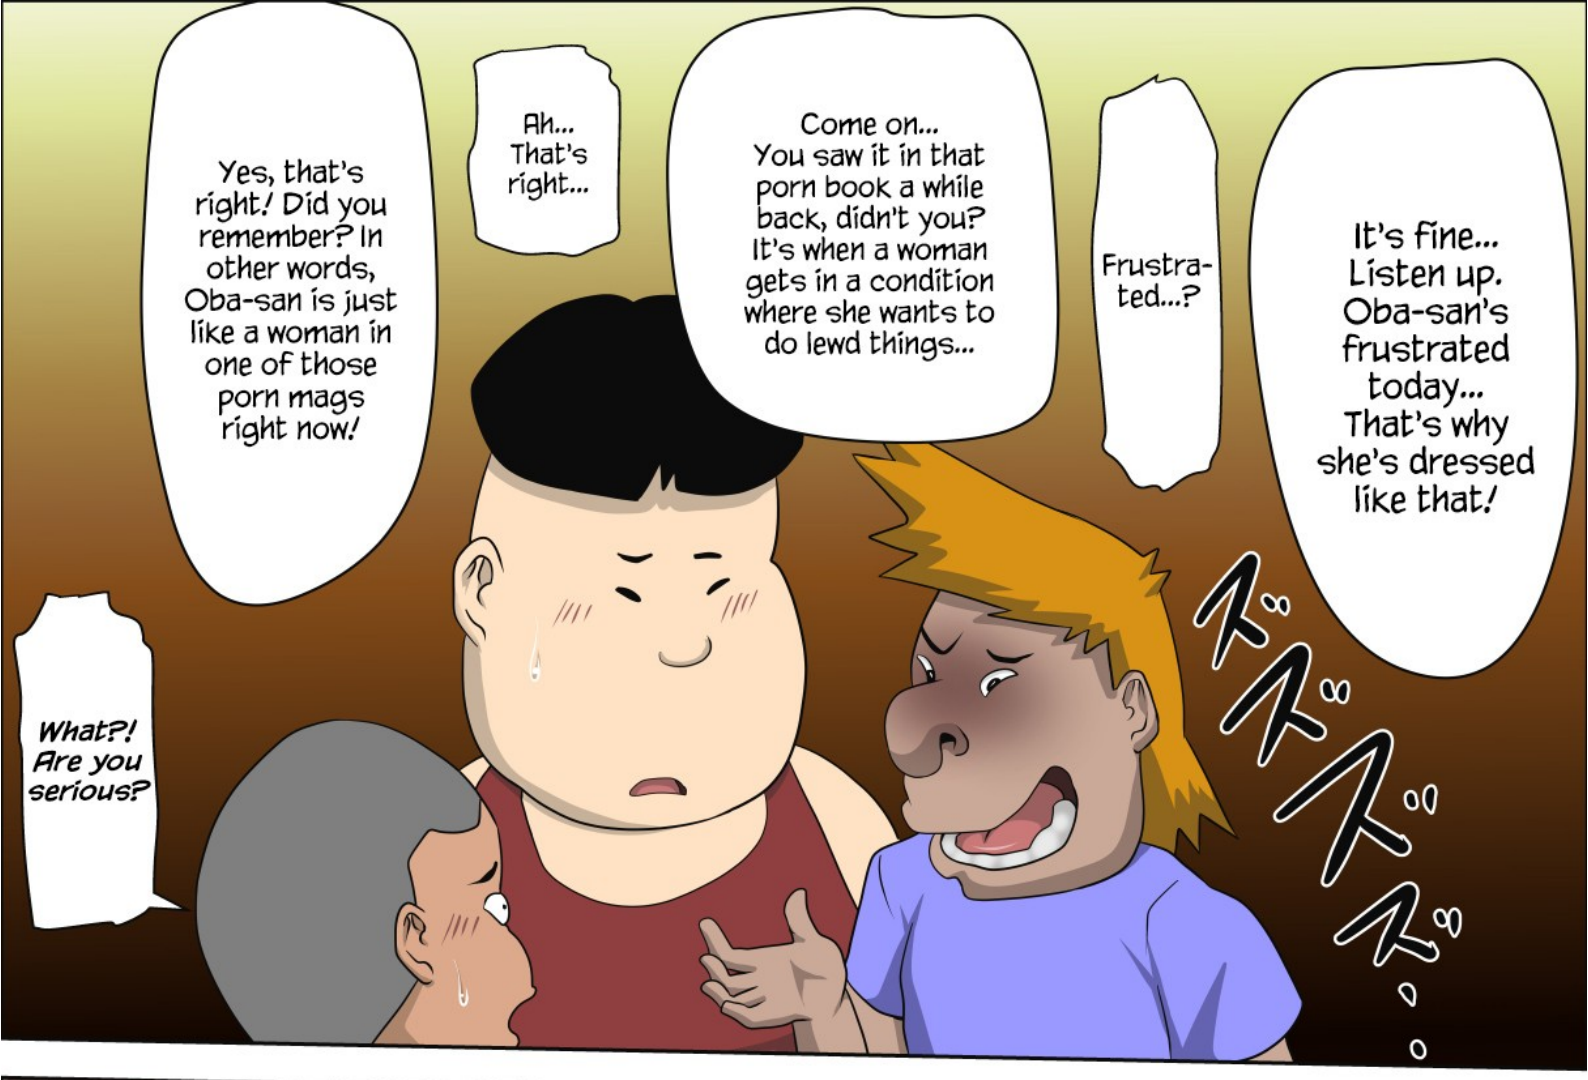
Hm... Hmph... It's no use... These kids are normal, so they aren't interested in women yet...
After this, Shikio's planning on enticing them...



Heh... Heh...
Ahaha, really?
No... It can't be... I'm imagining things...
It feels like they've been glancing at me...
But... these kids...

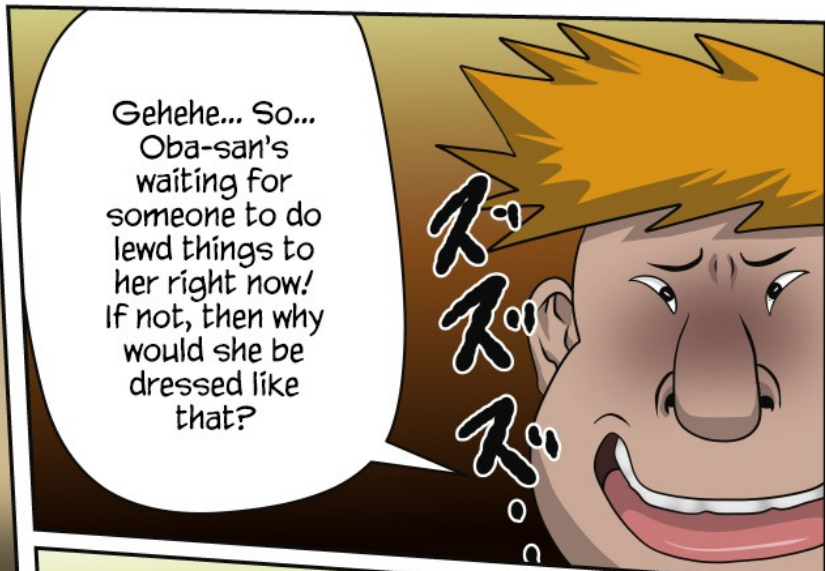
That's the signal...
Ah... Oba-san, gimme more!
I take my leave here...
Well... then... I'll bring you all some more...
Ah... Uu...
Keke...
Ah... Thank you...

Y-Yeah... It's kinda amazing...
Isn't Oba-san a bit erotic today?
Y-Yeah...
Hey... You guys...
Ha... Haha...
Huh? Wha- What are you on about... Hahaha...
Those boobs... Do you wanna try rubbing them?
Say...
Ah... yeah. We're gonna be in so much trouble...
But... there's no way that's possible.
I... want to see... but...
Uh... Well... That's...
What's wrong? Don't you wanna see Oba-san's boobs?!

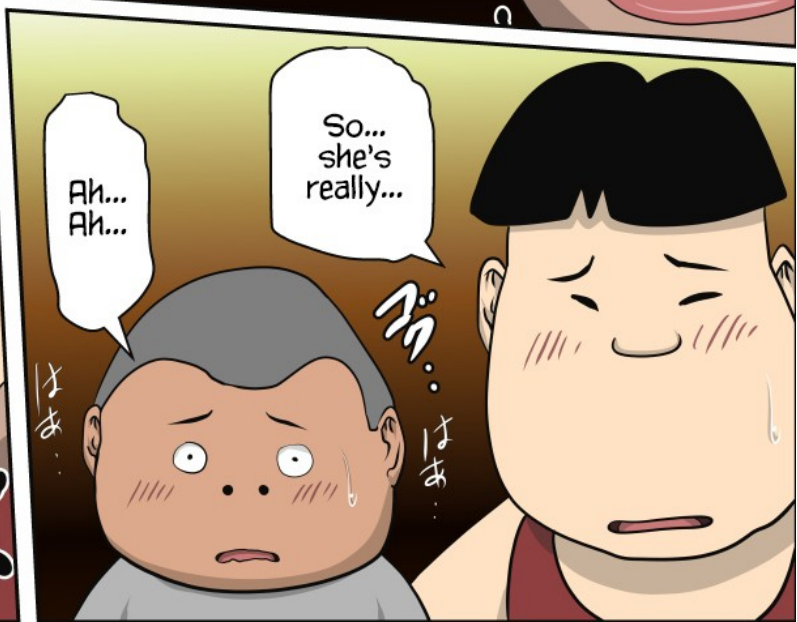


It's fine... Listen up. Oba-san's frustrated today... That's why she's dressed like that!
ズズズズ...
Frustrated...?
Come on... You saw it in that porn book a while back, didn't you? It's when a woman gets in a condition where she wants to do lewd things...
Ah... That's right...
Yes, that's right! Did you remember? In other words, Oba-san is just like a woman in one of those porn mags right now!
What?! Are you serious?

But to do that... It's gonna be hard unless you get into a cramped up space with her... So, first I'll... mumble... mumble... And... you guys will... And then... mumble...
ボソ...
ズズズズズ...

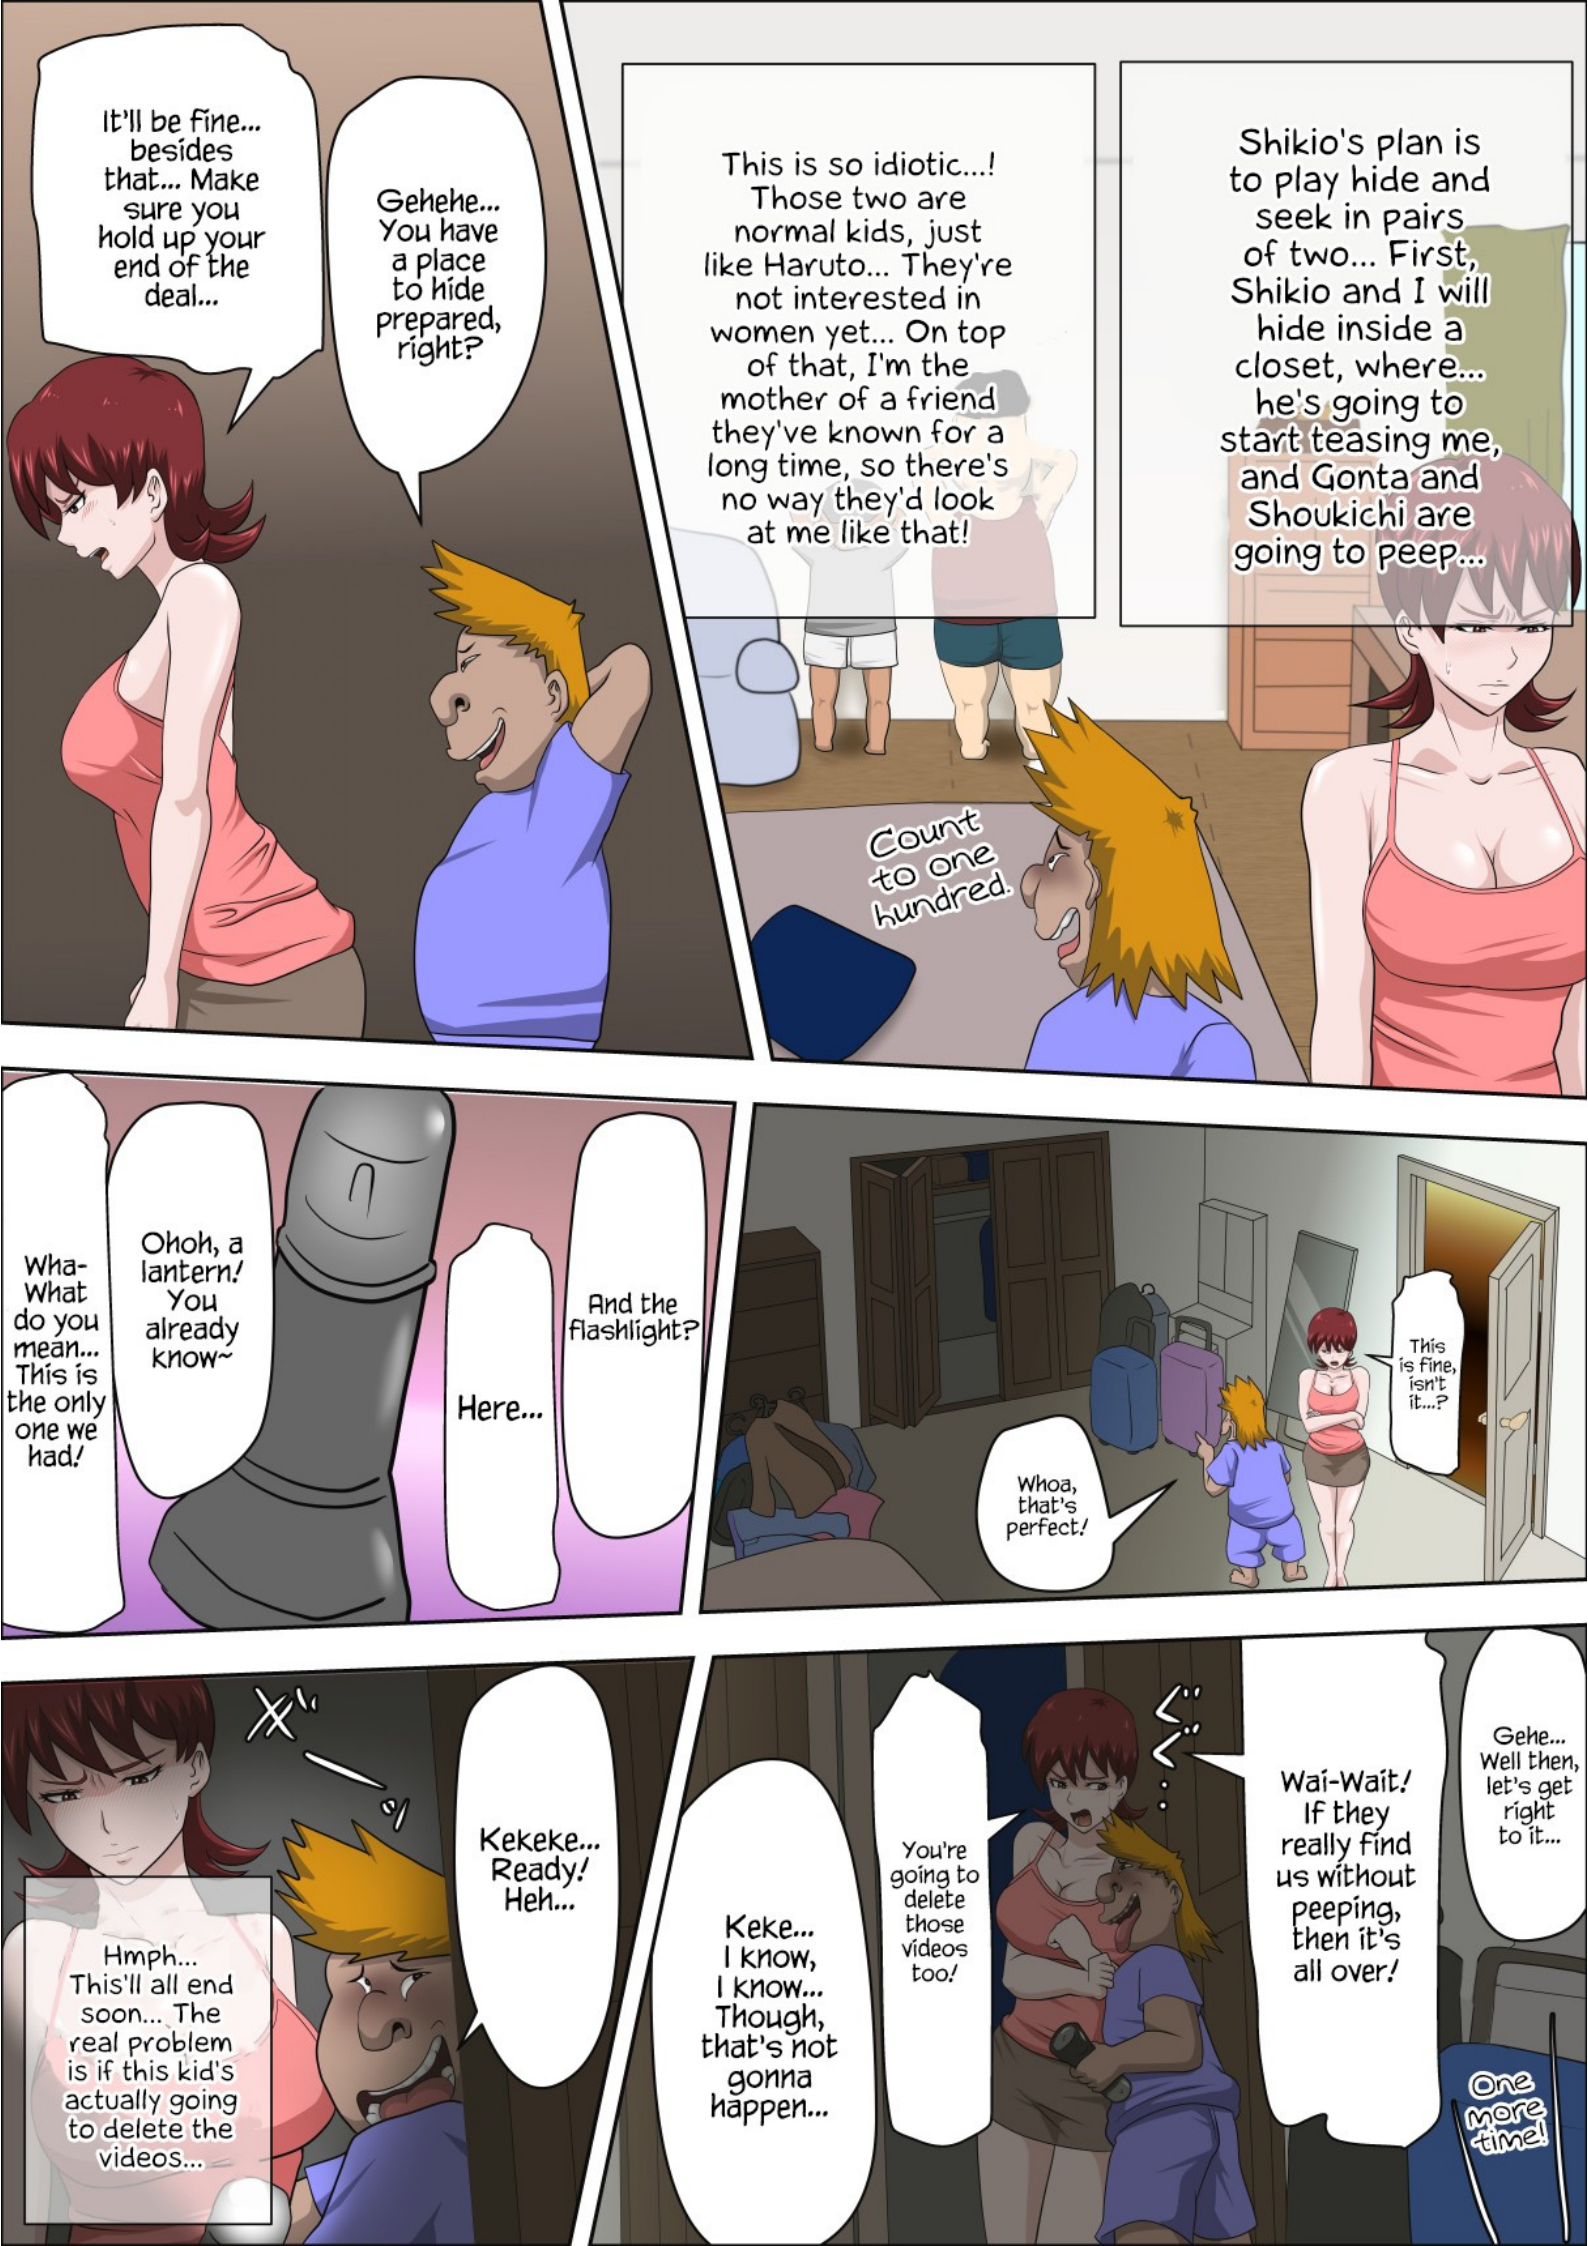


Gehehe... So... Oba-san's waiting for someone to do lewd things to her right now! If not, then why would she be dressed like that?
ズズズ...

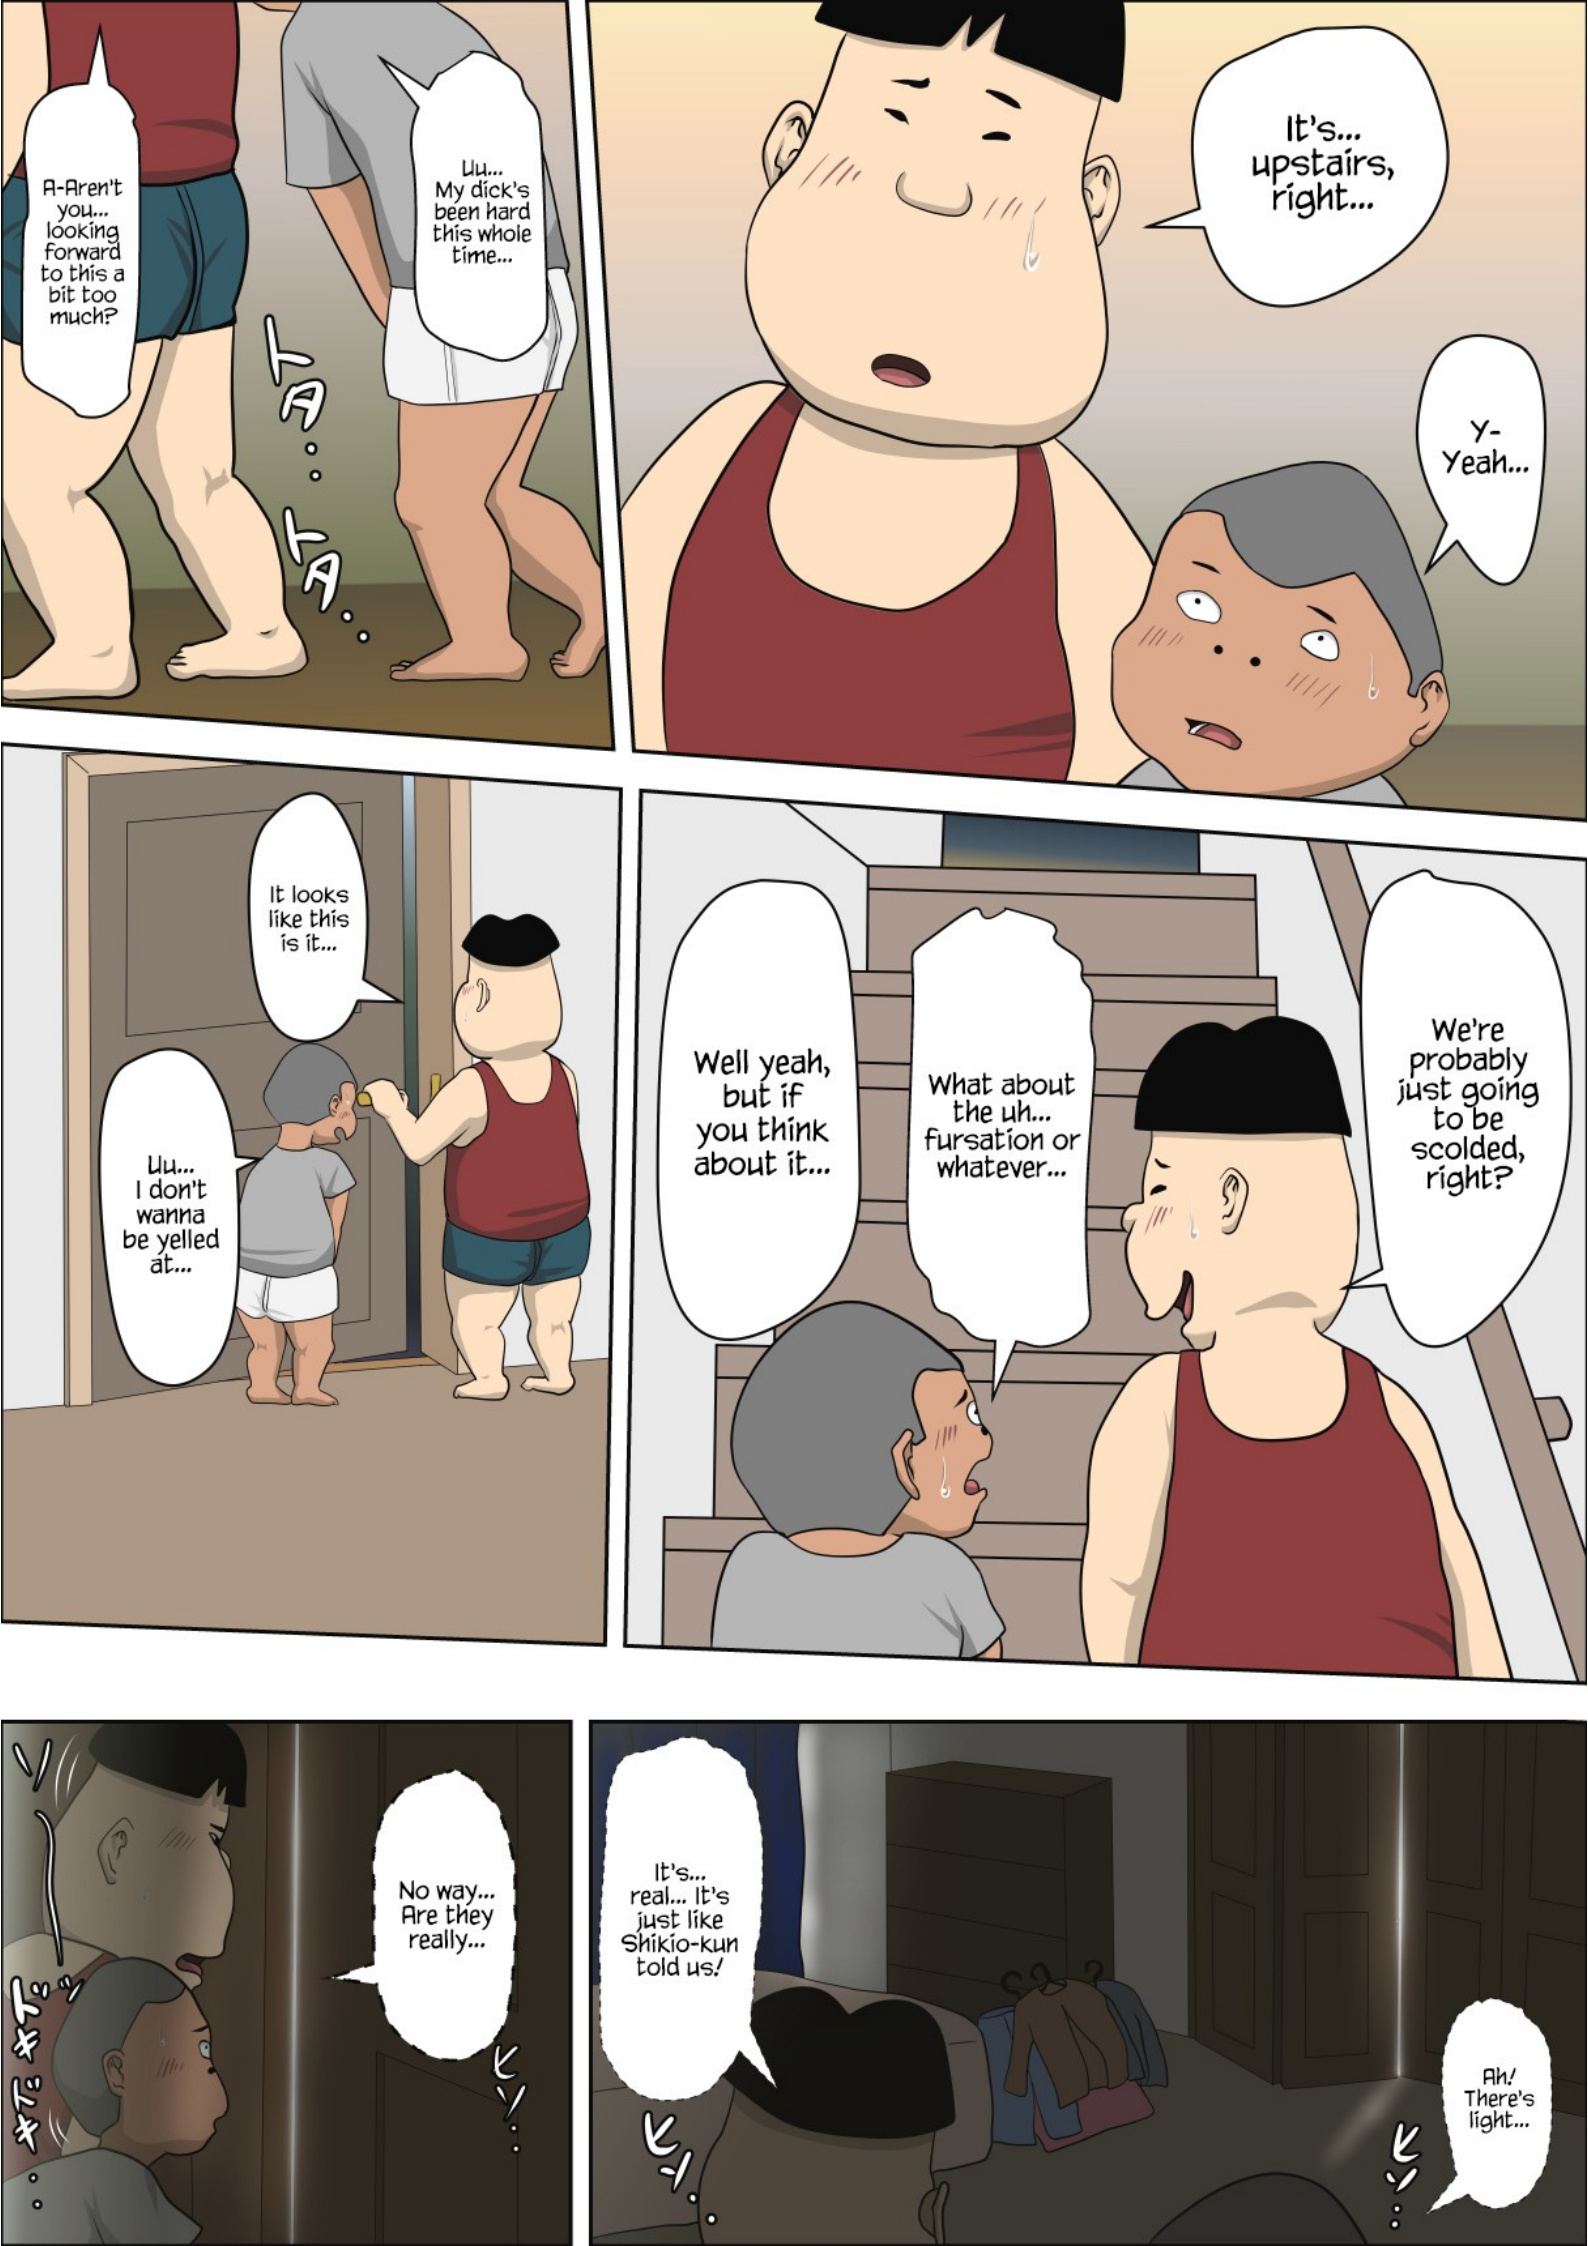


So... she's really...
Ah... Ah...
ボソ...
はぁ...
はぁ...

They won't understand anything you're saying...
I brought some more!
Those two are just normal kids, so...
トン。
トン。
Hmph... It doesn't matter how much you entice them!
We're gonna play hide and seek now, so... Why don't you join us...?
もん。
Heh... Heheh...
ズズズ。
Ha... Haha...
Ah, Oba-san, we've been waiting...
もん。
ギュウ。
ゾク。
Al-right...



It'll be fine... besides that... Make sure you hold up your end of the deal...
Gehehe... You have a place to hide prepared, right?
This is so idiotic...! Those two are normal kids, just like Haruto... They're not interested in women yet... On top of that, I'm the mother of a friend they've known for a long time, so there's no way they'd look at me like that!
Shikio's plan is to play hide and seek in pairs of two... First, Shikio and I will hide inside a closet, where... he's going to start teasing me, and Gonta and Shoukichi are going to peep...
Count to one hundred.
Wha- What do you mean... This is the only one we had!
Ohoh, a lantern! You already know~
Here...
And the flashlight?
This is fine, isn't it...?
Whoa, that's perfect!
Hmph... This'll all end soon... The real problem is if this kid's actually going to delete the videos...
Kekeke... Ready! Heh...
Keke... I know, I know... Though, that's not gonna happen...
You're going to delete those videos too!
Wai-Wait! If they really find us without peeping, then it's all over!
Gehe... Well then, let's get right to it...
One more time!



A-Aren't you... looking forward to this a bit too much?
Uu... My dick's been hard this whole time...
トタ..トタ..
It's... upstairs, right...
Y-Yeah...
It looks like this is it...
Uu... I don't wanna be yelled at...
Well yeah, but if you think about it...
What about the uh... fursation or whatever...
We're probably just going to be scolded, right?
