Shō, the dirt balls you prepared are so tasty~

The god of the Earth-worm is worshipped here.

Prefecture O, Village X, the Sekiryū shrine

Mimi-sama, make me Big! Chapter 1

This little girl that only I can see

Great, then I hope you will hear my request!

is Mimi-sama, the Earth-worm god.

Please make my penis big once more!

What, so you can boast before the other brats again?

This way! This way!

Hey, wait for me.

He was a brat just a moment ago and now he wants to go to Tokyo to do it with a girl.

I guess they would make fun of him if it's small.

...so it's to have more sex appeal ...

H a a !?

PLEASE!

I'm not that little boy anymore!

Well, in celebration of my eighteenth birthday I plan to go to Tokyo and get rid of my virginity.

It would be bad if we were seen like this.

Thank you, Mimi-sama!

Though we've done this lots of times before ...

Hmhm. All right, then go ahead and pee on me.

You're the only one who sees me.

To any other people it would look like you were just peeing standing up.

Hmm, I guess that's fine for my outer body.

Mh... it's hot.

Ok, I'm letting it out now.

Come on, if you pee properly I'll make it stay big for a whole month.

I was thinking, why does my penis grow when we do this?

Let's get some inside my body now.

But what I know for certain is that my power increases with pee.

I don't know, this has always been my power...

Is it really ok to see her like this?

Well, look.

しゃあ

I can change my body when I use my own pee.

I will definitely make it small for you again.

But your clothes could get dirty in the process so please remove them.

Eh! What are you doing, Mimi-sama!?

What! Ah ah~ Ehm, right, yes.

You have a point there.

That's impossible! I'm not sexually interested in little girls!

ふふふふ

Better get inside the shrine before anyone sees that member of yours...

How's this, Mister Impolite?

Eh! Mimi-sama!?

ムフムフ

The parts I covered like this became plump.

It became so irregular

Mh! Mmm~

This is bad, let go!

Isn't the balance off?

Eh ehehm.

I'm hitting your pussy!

Are you really fine with this, Mimi-sama?

My ass, too.

Doesn't it feel good?

Haven't you said you couldn't get excited with a little girl?

Is that so? Looks like it became erect.

Kh...

when it gets pressed with such soft boobs.

WAIT!

Hoho, and my private parts are even softer.

Hmhm.

Let it all out!

Cover me with lots of cum.

When I think about it, the last time I had an affair was about a hundred years ago.

Ah, no. Mimi-sama, I think I'm going to...

What choice do I have.

But... it feels really good.

It's pretty erect compared to your statement.

Hm..., well, I feel good too.

There is even some getting into my asshole. ♡

Mhmm.

That's some amazing force.

Oh ♡

Hoooo ♡

Spurt it on me ♡

Uaa.

I'm letting so much out.

Can it be you are a bitch god?

Ehm, Mimi-sama.

Huaaa.

After a hundred years, sperm still stinks so much ♡ ♡

How is it?

Did your member get small?

Shrink

Yes. But only a little.

Shrink

Yes, I see ...

Well, then you have to cover me more.

S n n n f f f

Actually, in the old times I had sex with the people that could see me.

They were all nice people.

Un♥real - I love cat ears

Ecstasy Z - I came with a stick

But how come you know the meaning of "bitch"?

I just had a quick look at a porn mag that was dropped here...

O U C H !

You cannot call a god a "bitch"!

Yes, that's it.

Ah... is that all.

I do this only so that you don't get laughed at by the girls in Tokyo.

Mhm! So Mimi-sama wants to do it with me too...

No, that's ...

Hard to imagine that they all had sex with this small Mimi-sama.

No, when we had sex I changed into my adult form.

So the people from the past were all lolicons?

I mean big like this.

I need a ritual for this, but yes.

What a wild stick.

Eh!? You can become an adult?

!!
You're
so sexy,
Mimi-
sama!

More
important,
what do
you think
of this
body?

Can
you
not
spit
a bit
less
force-
fully?

Well,
fine.

It-it
came
out of
my
mouth
so
quickly.

I can't
say that it
tasted so
good I
wanted to
drink it.

I want
to cum
from a
titty
fuck.

Hhm,
all right.
It's been
a long
time for
me too.

It's
because
your sexual
preferences,
that were
mixed in
through
your saliva,
reached me.

Well,
that's
how it
goes.

Your
hair
grew
too
...

Jackpot!

We have to
make your
member
smaller
first, it
won't fit
even in my
new body.

L-like
this I
can
finally
get rid
of my
virginity.

Do you want to put it in so much?

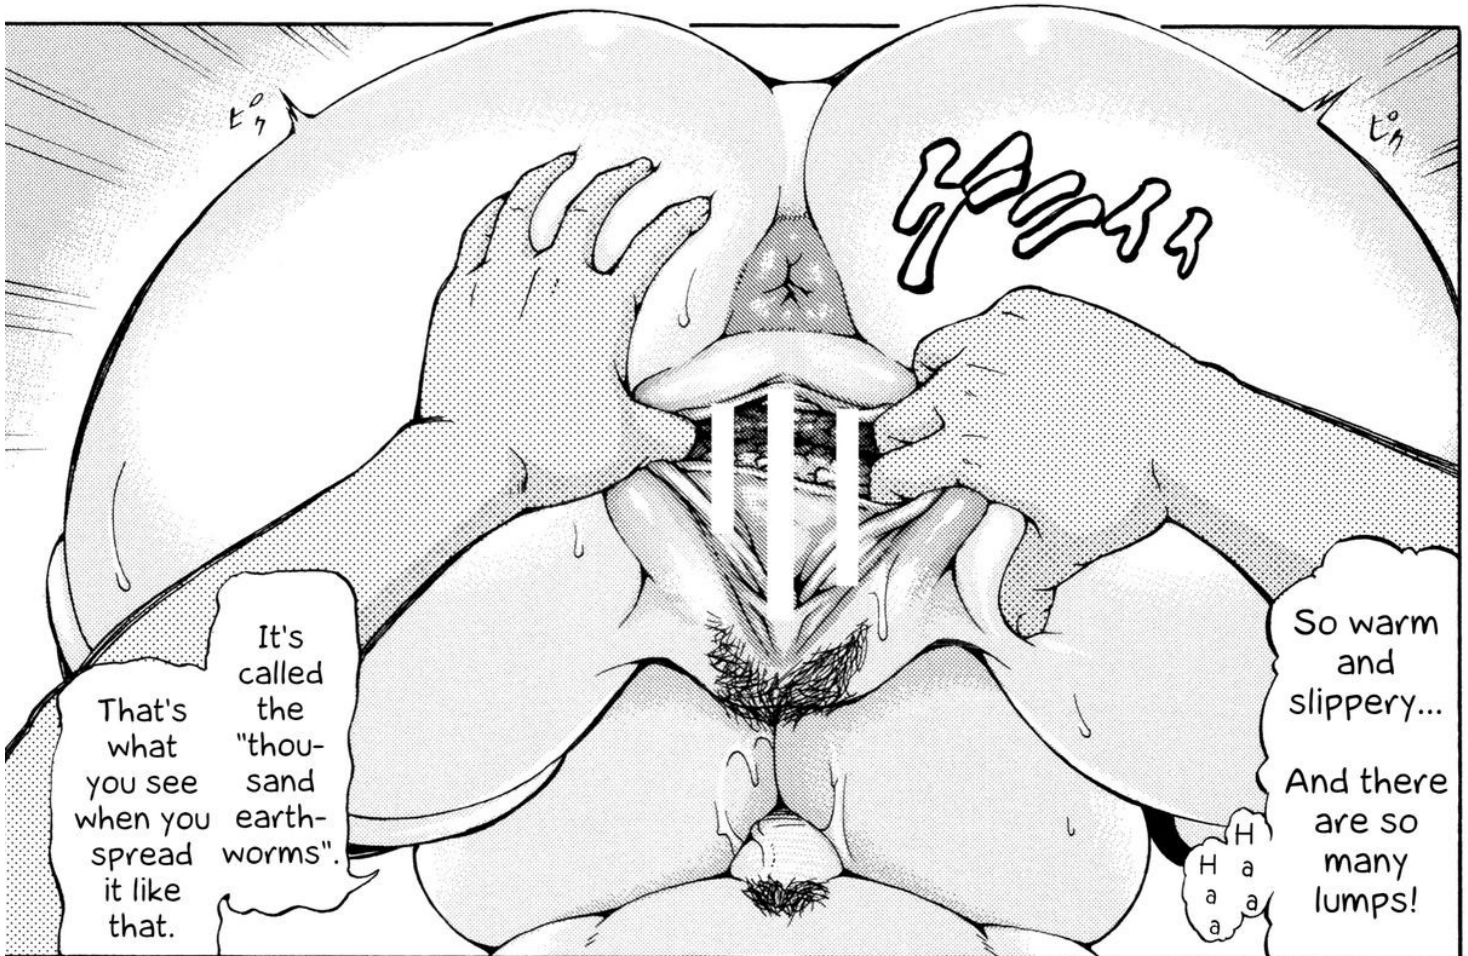

An adult pussy, looks like it's overflowing.

and pussy hair

It really became big again.

Yes, but your titty fuck feels good too, because they're so soft.

So much is pouring into my womb!
♥

You don't have to tell me.

See, I get it.

Ehm, is that bad?

So you're saying your pussy comes before my penis?

That's because ...

I want to feel Shō's member more.

Ugh!

Despite my penis getting smaller,

your pussy feels as tight as before.

Ah

Even though you won't let go of my penis?

It's only because of you.

No, I'm not a bitch.

Your face became so lewd too.

No, I like that you are like a bitch.

Because you're talking like this I want to cum again.

Mhm, then go on.

Hey, Mimi-sama.

continued having sex until my penis was back to its old size again.

Mimi-sama-a-a-a ♡

Like this, Mimi-sama and I

Make my womb full with your sperm.

Because I was penetrated so much by your member,

I'm so loose now. ♡

H a a ♡

Haa

Many hours later

Ah, it popped out.

In the end, even though you got rid of your virginity, you still behave like a child. ♡

Mn ♡

Uwah.
A loose pussy is sexy too.

It will go back to normal when I return to my little girl form.

But it made it wide open, is that okay?

But before that we need to get the sperm out me.

Is it ok when I tease your pussy like this?

Mimi-sama, you love Ōya tuff stones, right?

It's enough if you show me the pose without actually producing it.

And it would be even better if you can show me in your adult form...

I hate that idea!

Y-You are mean to me...

You said you can't withstand the delicious crispy sensation.

Then I give you these dirt balls decorated with Ōya tuff stones*.

*Ōya tuff stones: Soft stones collected in Ōya, Utsunomiya city, Tochigi prefecture

But, do you hate to touch my pussy with your mouth?

Well, that might be true...

Mimi-sama can adapt her body's form to the liking of her partner if she gets sprayed with the mixture of her urine and her partner's saliva.

I will let you drink my pee.

...okay, I will change into my adult form.

Great! But can you please pee in this cup?

It shouldn't be necessary to pee directly into my mouth, right?

ぽかぽか

Well, I guess this is fine in its own way.

I-Is this what is called "cosplay"?

But the measurements don't really fit?

Woa, almost too sexy. It suits your adult form very well, Mimi-sama!

So pretty! And cute! And sexy too.

It looks like you don't really seem to see me as a god.

I know from porn mags what maids really are.

...Okay, but only the pose, Master.

I'm so happy that I can see a pure maid even though I didn't go to Tokyo.

Mimi-sama, thank you! And now, please show me how you produce the dirt.

Eh...

What did you just say?

Will you do whatever I desire?

Yes.

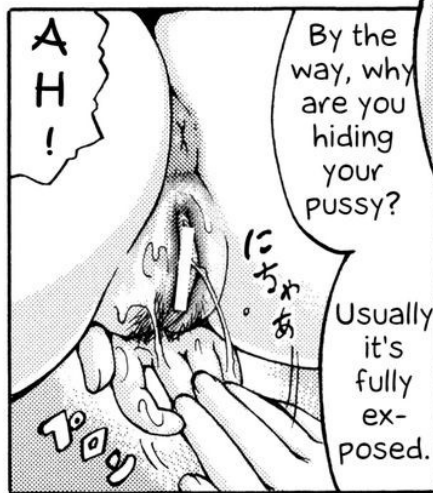

I will.

Look, this is my pose for producing dirt, like you wished for...

What shall I do next?

They are female servants that fulfill the desires of men.

Hmm... she's not really right, but I'll stay silent.

By the way, why are you hiding your pussy?

Usually it's fully exposed.

Well, then let's get even more perverted.

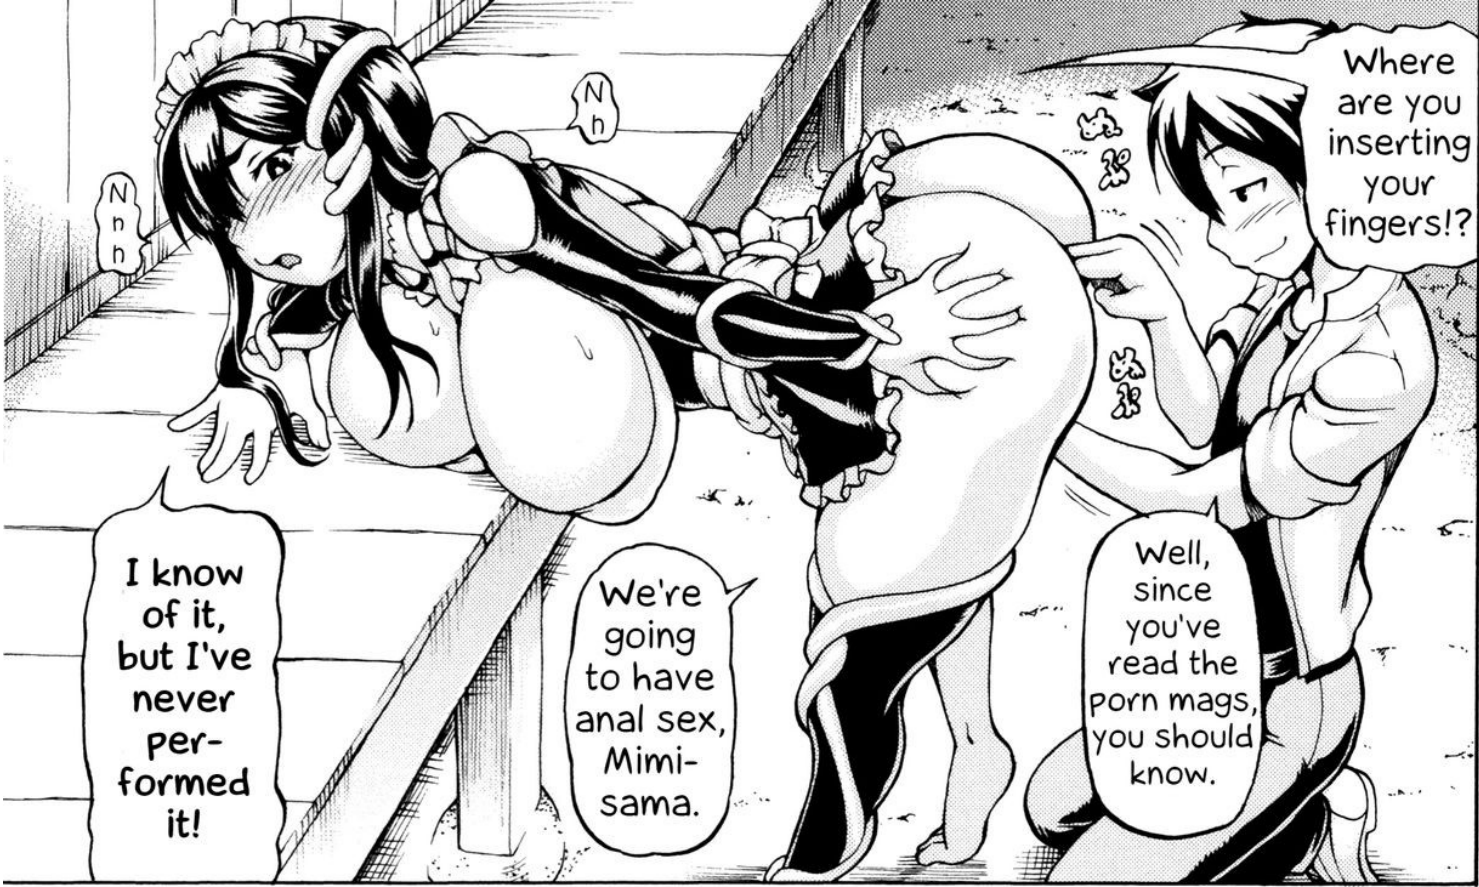

That's strange. You only looked at it...

Am I becoming more and more perverted?

Ha? I haven't done anything yet,

how come it is already wet?

Where are you inserting your fingers!?

Well, since you've read the porn mags, you should know.

We're going to have anal sex, Mimi-sama.

I know of it, but I've never performed it!

Great! That means I am your first!

Shō... Master, but it's your first time too.

You see, since you produce lots of dirt with this,

I can easily insert three fingers in this sexy asshole.

Nn, don't dig into it.

It's different from your pussy, right?

Ah, sorry, it felt so good, I unconsciously ...

There are no lumps here,

but it should be really fluffy deep inside...

Hy a a !? This is...

It is, but that's fine.

...how come?

Huaa,
my
intestines
are being
spread
apart!

Aah,
because
of my
erection I'm
split peeing.

Please
make
it big.

I
endured
it for a

time,
so I
can pee
a lot
now.

Anal
sex!?

More

antly,

what
happens
when you
pee inside
me...

But
when I
ejaculate
it comes
out in a
huge
load, I
wonder
why not
now.

I'm inside...

But as my

small...

It's ok.

Because you penetrated it with that fat penis.

H a a a

What!?

W-What are you doing!

But your pussy got soaking wet...

That's not-

Mimi-sama, can you feel it already?

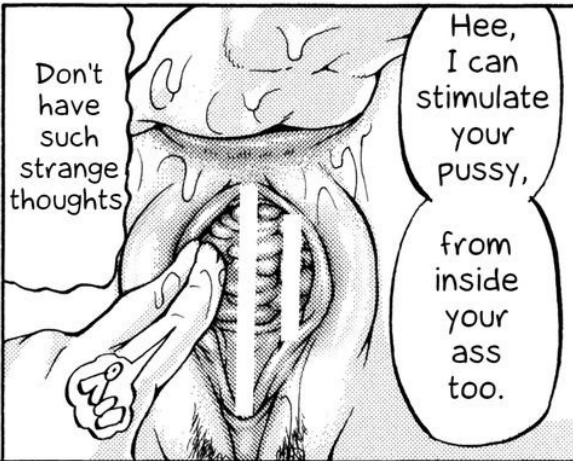

And I can tease Mimi-sama's weak point, her womb, like this too.

That's 'cause you're bending your fingers from inside my intestines.

The lumps came out!

Don't have such strange thoughts

Hee, I can stimulate your pussy, from inside your ass too.

Well, I'll do that later. Now I want to see you cum like this.

H-Honestly ...

with my ass and my womb ...

But you said you wanted to make me a bitch that can cum through anal alone...

This feels better than only anal, doesn't it?

Didn't you?

Ah! This, how does it affect girls?

Ah, what's that!?
My clit...
Aaah!

The sensitivity will rise too.
There's no punishment better fitting for her.

Her clitoris...
Her clit will become big.
Just like a penis.

My clit became so big!
You did this too, Mimi-sama!?

It's too sensitive.
Even the touch of cloth is painful.

It will stay like this for one week.

If you learned your lesson, you can return to Tokyo now.

Whoa ...

I think I will forgive you.

...Maybe I overdid it a little...

I'll also change your clit back to normal.

Damn!!

My plan to make her go home quickly backfired.

Eh!

By me?

Impossible.

It's so sensitive, I can't even wear pants like this.

I can't even walk, so I can't go home.

I need to be comforted by Shō until it turns back to normal~

...

...

yeah.

For real?

Eh...

you really did it with Mimi-sama?

Well, we did even more...

Ah, I get it now.

That's why Shō had that huge cock.

But don't you hate it when you get sprayed with semen?

Yes

Eh?

So a man would spray you with his semen?

Ouch!

Spray me with lots of your love juices.

I'm here.

I love Mimi-sama.

Because, not as a god but as a woman,

What!

I didn't do anything...

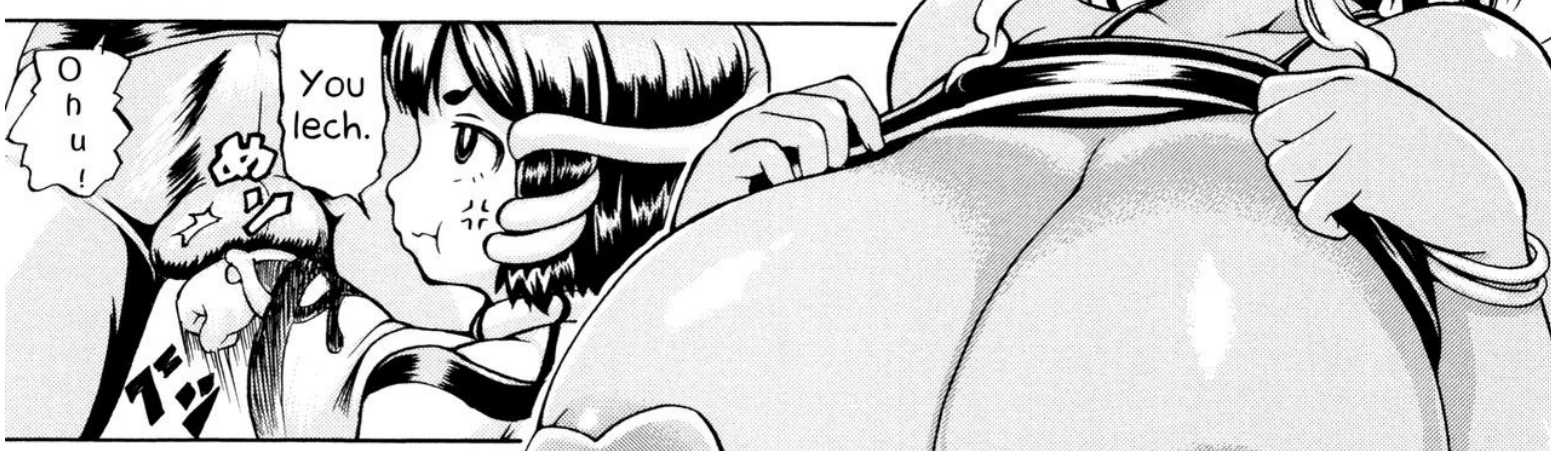

Maybe... my heart may have been stolen.

That's bad!

She's a god!

You'll get cursed!

I won't curse him!

Is it really fine?
Well then...

Come Shō, tease my pussy.

I'm totally sensitive when I get fingered.

Then I guess I should hurry and ejaculate.

What an amazing clit...

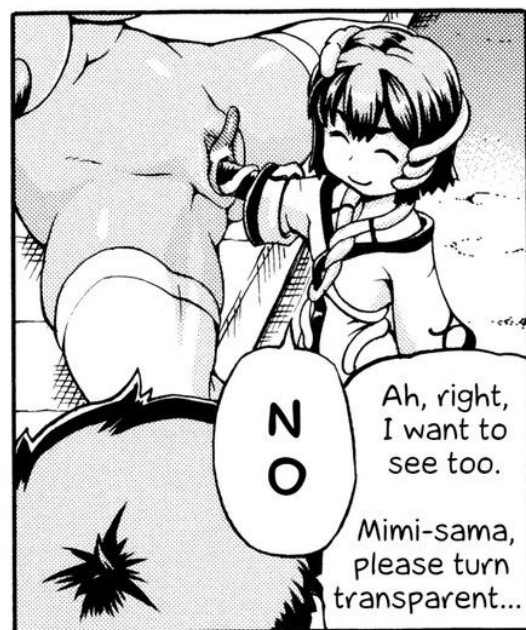

Well then, Mimi-sama, how much love juice do I need to cover you with to turn my clit back?

Hum, I guess it's enough when you cover my breasts completely.

Ah, yeah.

I'll do that.

NO

Ah, right, I want to see too.

Mimi-sama, please turn transparent...

Nhhaa.

Is this Mimi-sama's arm?

What's with this pussy!?

Even for a little girl my whole arm went inside too easily!

I. Said. No!

Since you're transparent, my womb is on display ♡

... okay.

There, there's my G-spot, you're hitting my G-spot ♡

Yeeeah, you're so good, Mimi-sama ♡

Hey, Toyoko, aren't you going to cum at any moment?

I know, I know.

If you touch it right now, I could become incontinent before I ejaculate ♡

But don't touch my clit.

Your womb seems to have come down.

Aren't you about to cum any second now?

Cum...
I'm cumming!

Just a little bit should be fine.

Huaaaa, my portio* is hitting my G-spot.

Ah!

But you're also stimulating my clit like that.

*TN: Portio - short for "Portio vaginalis uteri", the portion of the womb that is inside the vagina.

She's right.

If you need to stick it inside, then stick it inside me!

But, I can't stick my fat dick inside the small Mimi-sama...

N h y a !
It's fine by me.

What the hell are you doing!?

Sorry, I can't endure it any more.

Is it because of Shō!?

Though you couldn't see me all this time...

What!? I can see Mimi-sama!?

What in the heavens!?

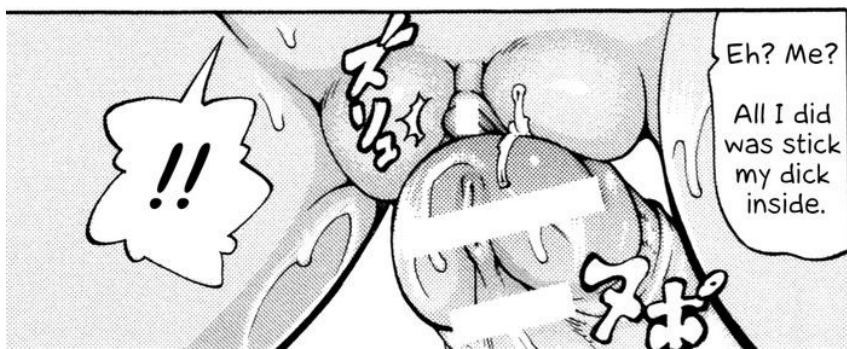

W a a a

Then you should've endured it just a bit longer.

Don't cry!

U g h

Eh? Me?

All I did was stick my dick inside.

Huh!

This small Mimi-sama can become big?

I'm sorry, that I didn't wait for you to become big Mimi-sama...

I'll pull it out now and endure it.

Hhm !?

It is because you peed on me while your clitoris was turning back...

I guess.

Whatever.

I guess the method to turn it back is the same as before.

I'll explain it to you.

Hhm, I wonder what would happen with a boy?

Unbelievable, have I become a futanari?

Because my clit became like this you have to take responsibility.

You have to teach me everything.

Hey, have a look at this.

It's the first time that it ever became like this...

What is that ...?

...properly mix it with your saliva.

ふんふん

H m h

You only have to spray it on my body.

Are you really fine with fellow girls?

Toyo-nee is bisexual.

Okay, I get it. We'll make you big first,

and when I cum inside, my clit-dick will turn back.

Ex-plain-ing

Heh?

Eh, is it also fine when I cum inside?

You get big when we do this...

Shō can do these amazing things all the time.

Huaaa,
my pussy
is
spreading
because
of your
dicks
♥

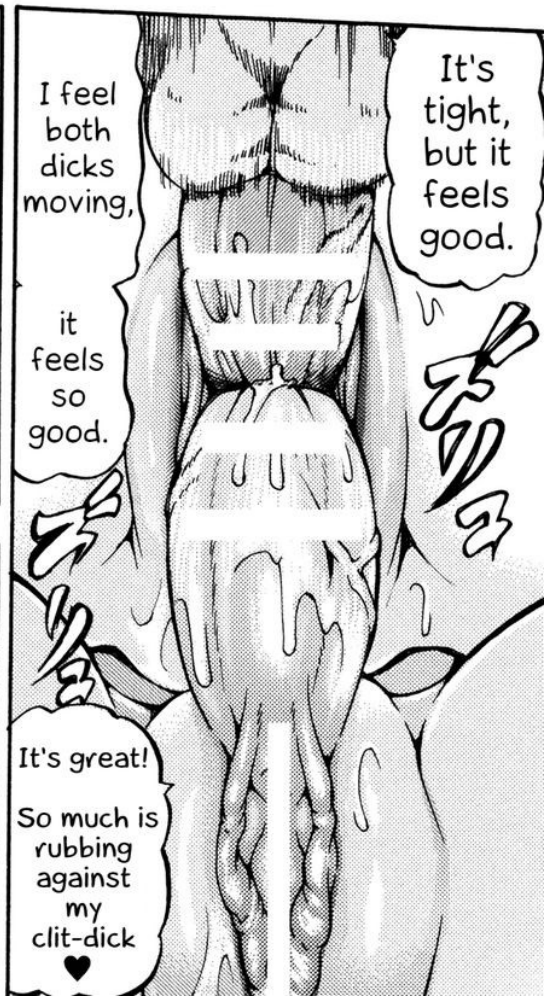

But my
pussy is
impatient.

Can we
alternate?

I'd like to
have a dick
here too
♥

You can
keep it
inside me,
Shō.

If you
want dick,
I have a
substitute
for you...

I feel
both
dicks
moving,

it
feels
so
good.

It's
tight,
but it
feels
good.

It's great!
So much is
rubbing
against
my
clit-dick
♥

Eh,
those
things
can
move?

My present for you.

Wow, it's tentacle play!

Me too, Shō... kun

Let's cum together ...

Mimi-sama, me too...

I've never been tormented like this.

This is so great, unbelievable ♡

It wants to come out.

I think I'm gonna cum!

I feel something welling up in my dick ♡

It's
cumming
out
♥

So this is
semen
ejaculation
♥

Ahiii
♥

We're
cumming.

Me and
Shō too
♥

At any rate,
I'm starting to love this.

And that's not only because of the dick or my tastes.

How come your dick is still hard?

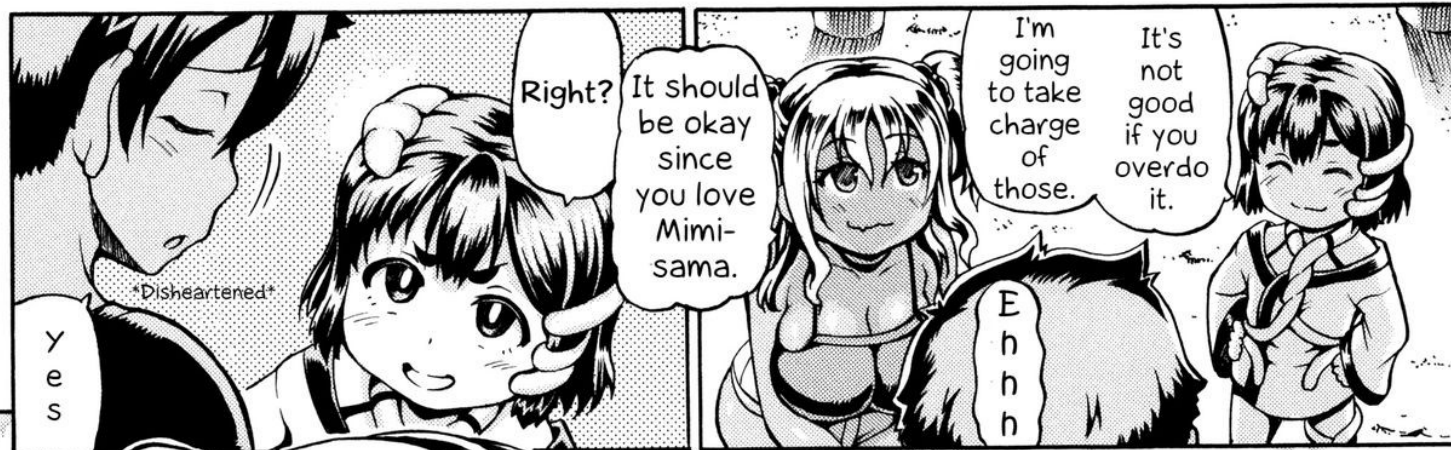

Can you make me another clit-dick, Mimi-sama?

That doesn't matter to me, as long as it's you, I'm excited.

Do you even like my form when I don't have big tits?

Isn't this what kids would be wearing?
