

I can't masturbate!!!

But what's most frustrating of all is that...

New Japan Hospital

It's been ten days since I've been stuck in this hospital after breaking both of my arms.

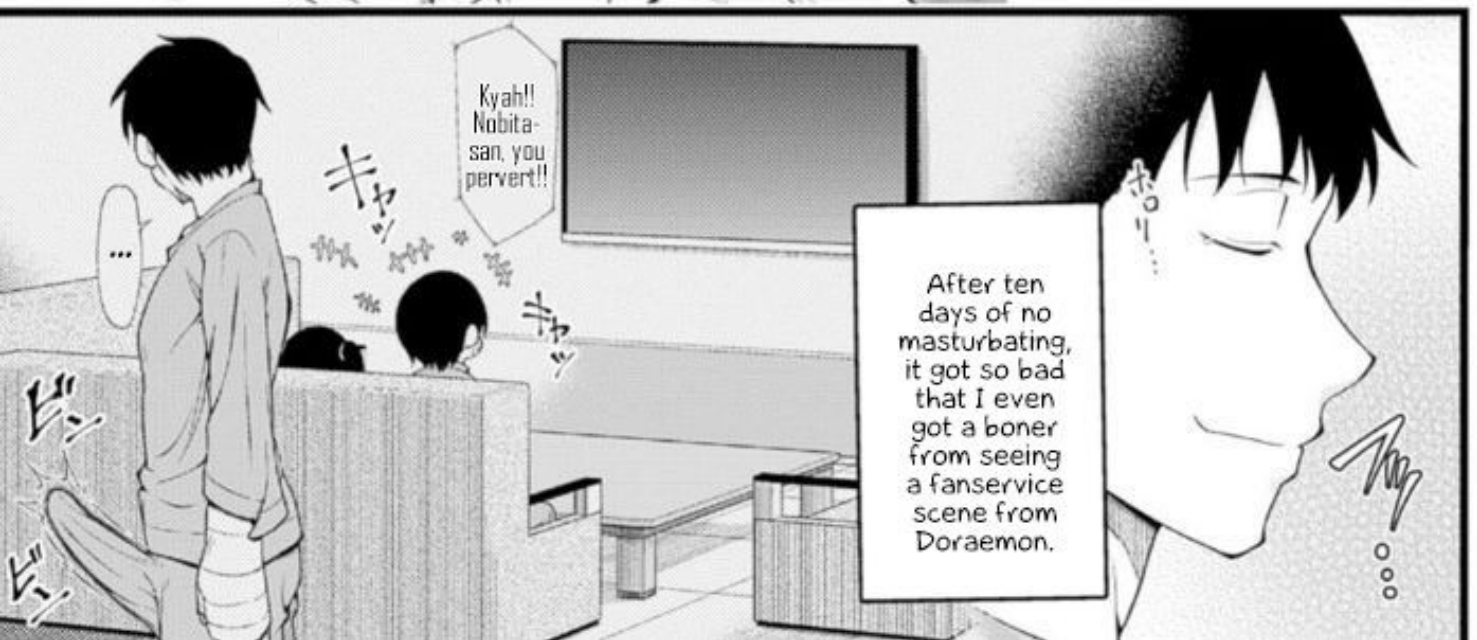

Scanslated by Hennojin

I can't even eat or use the toilet by myself with my arms like this.

My days are being spent just sitting here doing nothing in complete boredom.

After ten days of no masturbating, it got so bad that I even got a boner from seeing a fanservice scene from Doraemon.

Sorry for the wait, Takagi-san~

Beep

Thinking about all this reminded me I needed to pee...

I'm busy, so hurry up and get it over with!

The only saving grace of this hospital life

is that the nurse who tends to me is an old woman in her 60s, so I don't have to suffer in shame.

makes my boner shrivel up instantly...

Man, just thinking about how that hag's going to continue touching my man parts

Excuse me!

ががが
ラララ

You mean Moto-miya-san?

W-What happened to the usual nurse?!

She hasn't been feeling well since yesterday, so she's going to take a week off-

I'm her substitute~

おは

A serious hottie showed up!

Wait! Time out!! Hold on a minute!!

All right, I'll be taking off your pants now~

おは

Now, now, no need to be so embar-

おは

It's not healthy for men to hold it in for so long~

Besides, you won't be able to pee like this.

I help out with this kind of stuff every once in a while, you know~

There we go.

...Wait, what?! Whaaat?!

What do you think you're doing?!

Seri-ously...?

Not at all! By all means, I'd like to leave it to you!

Or would you prefer for Motomiya-san to do it instead?

Just think of it as a light massage.

You don't need to be so nervous~

Let's knead them up~

Your balls have gotten so hard~

Ufu fu~

Okay!

Then I'll do my best to let you shoot out as much as possible!

はっ

Urgh?!

グッ

Don't worry, I'll give your penis plenty of love soon enough.

Ufu fu~

I have to massage them to let them know that you're going to be cumming soon~

That's because it would be too much stress on them if you were to suddenly cum after so long~

...Why are you messing with my balls so much...

Huh?!

I'm going to...

I'll move onto your dick then...

Ufufu, it's all right~

I was just a little surprised

Aha to

かあ

I-I'm very sorry! I got it all on your face...!

Yum ♡

you tell me when you're going to cum next time, okay?

But make sure...

Wow! Amazing!!

You came this much just from your balls!

...Thank you very much.

All right! Let's get right to having you shoot your stuff out!

The Second Day

You asked for me to come in today too, huh?

I'm so happy!

Excuse me~

Ufufu, you were just so cute yesterday, Takagi-san,

I couldn't help but feel like teasing you a bit~

I can even see your butt-hole~

Wait...

What's with this posture?!

It's called Chinguri-gaeshi~

I wasn't asking what it's called!!

This is super embarrassing!!

Whoa?!

Nom

It's just as I thought~

W-What do you...

Uwah!!

T-That's dirty for you to be licking there!

Y-You're using your hands like you were yesterday...

Nnah!

I've barely licked your balls, and you're already this hard~

The balls are your erogenous zone, aren't they?

You're letting out such a girly voice, it's so cute~

y-
You're
wrong,
that's
not-

She's...
messing
with my
balls
again?!

Ghh!!
This is...
seriously
way too
embar-
ras-
sing...!

But I
can't
help
but...

The more
your
butthole
squeezes
down, the
tighter
your balls
start to
get~

I can't
believe
you'd get
off from
something
like this...

You must
really be
a huge
masochist,
huh?

シュー

あははは

シュー

シュー

シュー

Let's have you shoot out some more tomorrow too~

Ufu fu... Well done.

KISS

The Fourth Day

She was no less than an angel to me after my days of no masturbation, but...

Wait, wait!! What's with that device?!

This is a massage machine usually used to send electricity for those that have back pain,

but it'll be all right, I'm sure it'll feel really good-

So you've never tested it out before...?!

The Third Day

Your sperm is telling me that it really wants to come out~

...Can you really hear it saying that?

Of course~

Since then, she's continued to come by to help me every day.

The Fifth Day

You were so energetic today too!

I was starting to get exhausted being ~~squeezed dry~~ relieved every day like this...

What do you mean by something...? Don't tell me it's something bad...!!

I injected something into your balls so that they'd liven up~

Are you sure you're okay with it going inside you?!

I really shouldn't be doing this, but...

Today, how about we...

Ufu fu...

have you cum from raw sex?
♥

There's no way I'd be able to hold myself back after seeing this wonderful cock...

F I D D A

**His raw
dick
that's
been
waiting
for so
long!!!**

**Takagi-
san's
thick,
fat
dick!**

**It's
inside
!!!**

**It's
banging
against
my
womb!!!**

**It's
reaching
all the way
inside my
pussy!**

**Does
it feel
good
for
you?!**

**Takagi-
san...**

**How
does
my
pussy
feel?!**

**I've
never
felt
some-
thing
so good
before!**

**I... feel
like I'm
already
going to
cum...!**

The sperm inside your balls

is practically begging to splash into my womb!

Amazing! Your balls have expanded so much!

Urgh!

I-I can't cum...! Let go, please!!!

You need to make me feel good, too!!!

ALL RIGHT THEN!

I'm at my limit!! I need to cum, please!!!

CUM AS MUCH AS YOU CAN...

So let's...

have you cum one more time. ♥

You won't be able to pee like this...

yet you're still so hard...

You came so much...

Those days without masturbation are going to continue once again...

This is the last day that nurse is going to be servicing me...

ほいほい

The Seventh Day

Sorry, I need to use the toilet...

What is it, Takagi-san?

Oh? You want me to rub it out for you, huh?

Excuse me.

I'll ram her good today!!

But thanks to that weird drug she put in me yesterday, I feel rejuvenated.

Do you think you could do something about it for me?

Oh, thanks for coming. I've actually gotten all hard again today~

Didn't realize she'd only be gone for six days.

aaaaahhhh! It was just a joke, so stop! Please! Aaaaaa aaaaaa aaaaaa aaaaaa aaaaaa

No, no, no, no, no!! I was just kidding, wait!

かば

All right! Let's get it out for you!!

Geez, I just finished recovering, and you already feel like troubling me, huh?
