AMAZ-
ING!
This is the first time I've ever seen a genie in a lamp!
キラッ
キラッ
キラッ
Hey, are you even listening?
Ama...
02
So they really do exist!!
The name's Lute!
Let's get along, Jamal!
...Alright then. Now, tell me what it is you wish for.
What's up with this kid...?
Looking at him, he seems poor...
And it doesn't appear as though there's family around...

...
What is?
ぽじっ
Ah, y'see...
I had this image in my mind that genies were all old men with long beards.
ストン
But you're so cool and beautiful, Jamal!
I probably know what he wants already.
あいっ
But this is kinda surpri-sing.
サラッ
03
And it's also the first time I've ever seen such beautiful hair...
Sorry for touching it so suddenly.

Nnh... My wish, huh...
None of that matters! Just tell me what your wish is already!

No, no! It's just smalltalk!
...Is that your wish?

Why not tell me of all the places you've been?
More importantly, I've been living alone for so long that I've been bored. As a genie, you can use magic, right?

He cares about something more than just a wish? How troublesome... But if it's to move on, I'll do what I must...

Whenever someone like you is lucky enough to call upon me, I appear to grant their wish.
You may ask that, but,
I have been trapped in this lamp for hundreds of years due to a curse.
Yeah!
Places ... I've been?
わくわく
As a result, I don't remember the varying places I've been.
How many years?! Always in that lamp? That's such a terrible curse!
Not even a genie can break it?
...Only one thing can break this curse.
Until someone wishes for that, I cannot truly exist in this world.
The person who summons me has to wish for my freedom. That's the only way.
It's unlikely to happen, but it's my only chance.
フッ

You're the only human I've ever spoken to about such a thing.
Why are you consoling me?
I already decided what I want.
ぽしっ
06
For you to be free...
That's my wish!
ドゴ
!

How foolish...
You know there is no undoing this wish...

You don't really have to thank me or anything.
With this, you're free, right?
つん つん
プス…
プス…
But surely...
there is something you want as well?
Like money? I don't really want to be rich or anything.
And I'm in good health, too.
ぽっ
ぽっ
He's scraw-ny...
ふんっ
I'm stronger than I look!

You've probably made so many different people happy by granting their wishes.
Well, now it's your turn to be happy, Jamal!
Being confined in such a small lamp...
Your powers made things hard, didn't they?
Because even though I live off the bare minimum, I've still got work, so I'm still alive.

Ah, hey...
...Feh.
Just don't regret this.
...What is he thinking, just looking at me and saying something like that?

He already left, huh...
I still wanted to talk a little longer...
Guess that's it, then. I've gotta get to sleep so I can wake up early...
.....
ばさっ...
"Now it's your turn to be happy"...
That's the first time anyone's ever said that to me.

And that's normal. But he...
Is he different than all the other humans I've met?
Up until now, all the humans who have found me change their tune...
once they realize what I can do for them.

しかぁ～～…
He's the last man I'll ever serve, so I have plenty of time...
ズアッ
No, no, he must have some kind of ulterior motive!
I won't be deceived!
...I'll get to the bottom of this.

ベロッ

Jamal?!
Why're you still here?! Even though I freed you...
I'm here for my own reasons.
What the hell is wrong with you?
しんみり……
Oh, I get it. You were in that lamp for so long... that you don't have any place to actually go to.
N-No, that's not it...
Sorry, I didn't really realize that'd happen...

Hey, listen when I'm talking...
Oh, your hair.
That reminds me, when you got your freedom, your hairtie disappeared.
I know it's not the best substitute, but...

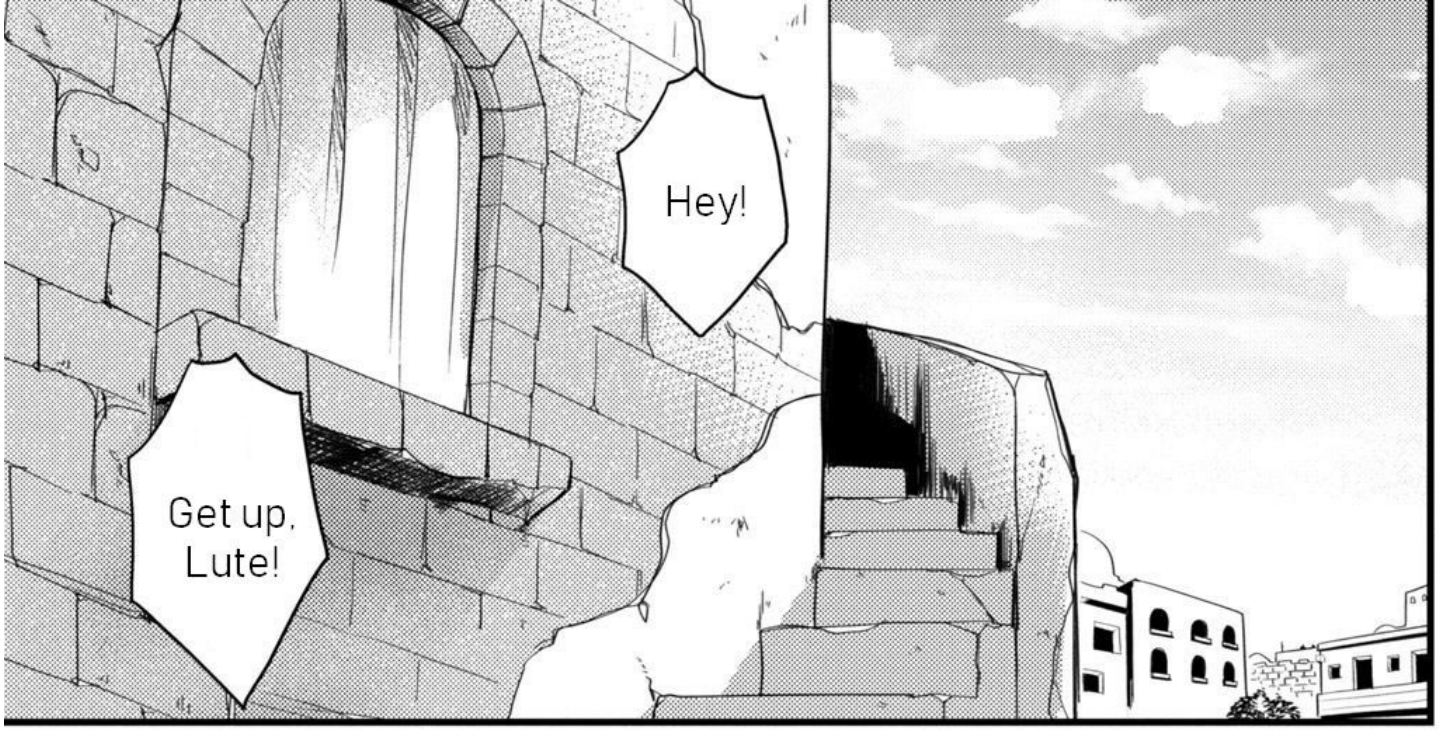

Like this?
It's fine, it's fine!
Jamal, come close for a second!
Come, come!
What is it now?
ボッ
...and there we go!
All done!
You've got such beautiful hair, but it'd be bad if something happened to it because it was loose.
So there you go.
ぽっ
...Why is he so friendly toward others?
フワッ
...Feh. My hair can be any way I please because of my magic.

Yeah, I guess so, huh.
Ha ha ha
However, this hairtie is another thing I've received. I've come to return the favor.
...I say that, but it doesn't exactly suit my tastes...
Of course, you WERE the one to free me, so...

Anything's fine, so just tell me your...
Hey, Lute! What oils are you selling?!

I told you not to worry about it~
You're so sincere, Jamal!
Ghh! I won't be played by you!

Ah, shoot! I forgot I said I'd do some work carrying barrels...
Jamal, you seem like a handy guy, so help me out!
But don't use any powers, or else you'll surprise everyone.
Hey!
I'll think about my wish while I work!
Woahh~!

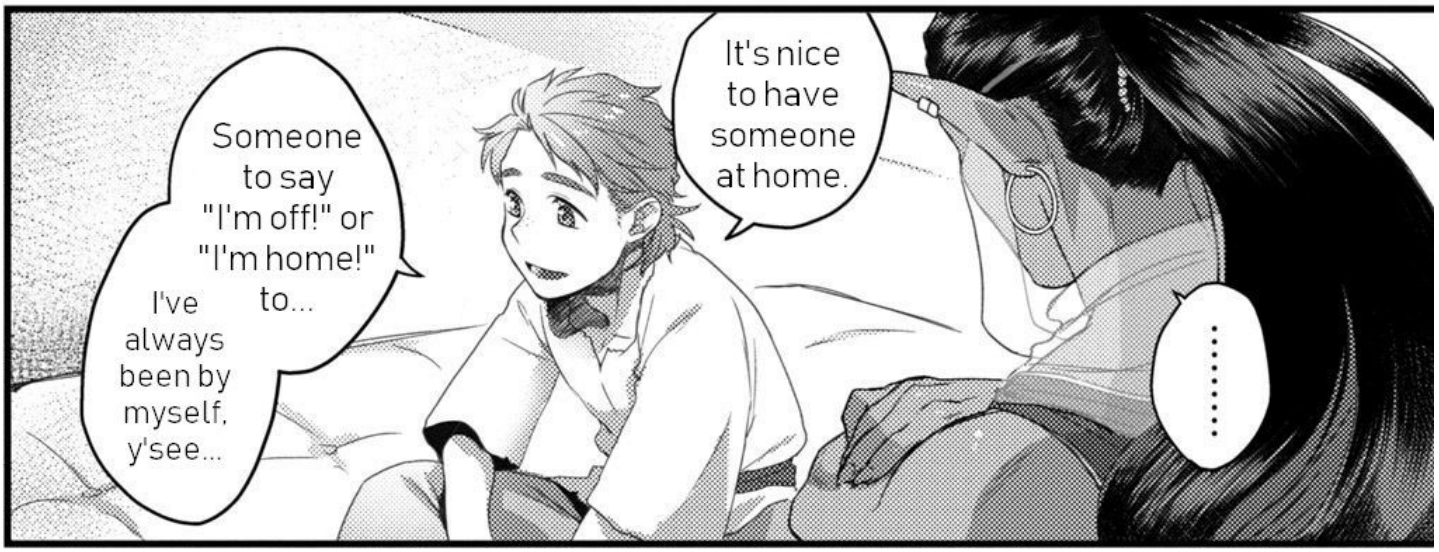

Hey!
Get up, Lute!

Take it easy, we've finally got a day off!
ゴロゴロ...
Why're you raising your voice so much~?
イラッ

You still have not decided on your wish!

.....
I've been living with you for long enough. You keep saying you'll think on what you want,
so shouldn't I have an answer by now?!

Well, once I tell you, you'll up and leave, won't you?
...Yes. And what of it?
It's too bad, then, that we weren't together for long.
I've had a lot of fun with you by my side, Jamal.

It's nice to have someone at home.
Someone to say "I'm off!" or "I'm home!" to...
I've always been by myself, y'see...
.....

This is the first time I'm admitting it, so it's kinda embarra-ssing.
...I see.
If only I could grant this wish...

ガシッ ガシッ
Well, it's not that easy, y'know?
I mean, how do I date someone while I live like this?
I don't think there's a person out there that'd be okay with me.
コクッ
Nod!
Wait, so you can't create a family for me?
.....
Have you never been with a woman before?
Well, you've certainly lived a pure and innocent life thus far.
は——!
Like for example, a princess or something!
I've never dated one, but maybe I could!
プーン
プーッ

I cannot fulfill this desire of yours.
However, I can help you grasp the family you seek in another way.
So, as to repay you...
I'll teach you.
20
"Teach" me?
How to properly carry out a romantic relationship with someone.
Lute, remove my veil.
Aah, okay.

21
Jamal... You're really beautiful, huh.
ぽけー
...That's fine.
First, try kissing me.
Eh? Uh.
O-Okay.

You can't just do only that to the one you love.
?
You must do it like this.
Nnhah?!
あーっ
Nnn
Nnh...
Nngh
Fuuh
...Y-Yeah. Let me try...!
Well? Think you can do it?

Nnmh.
Nhh...
Nnhn
Nnhm
Nnh
Hah
...
Nhah?!

Ah? Whuh...?
Don't be afraid.
You use this to copulate.
Ahh!!
Jamal, that place...!
Aaahhh!!
J-Jamal, y-you're amazing...
Aahh...!

Nnhah...
Next is my preparation. Don't be intimidated.
Wha...?

Ah...!
...Between men, this hole is used during sex.
For women, they have one more called a vagina.
When you're erect, you put your penis in it.
O-Okay!
ところで
ポタッ

Nnh.
Lute, I need you to put your drool on mine.

So I need to loosen it up...
As of right now, you can't.
It seems so narrow, though... how am I going to enter...?

Don't just look. Try it yourself.
Okay!
Amazing, it's spreading so much...
You've already got two fingers in...
Uuu... Kkh...
Ahh, hah...!
Wow, incredible...
Nnh hhh!

Sorry, did that hurt?
Kkhh...!
T-That's enough, take it out!
Oh, it's spreading a lot more than before. Now I can put in 3 fingers!
I'm fine... Now lay down on your back.
Look closely now...
Ah, it's going in... Ah...!
O... Okay...

Kkh
...
Ah, Jamal...!
S-Sorry, I'm already going to...!

S-Sorry I couldn't hold out ...
No, it's alright.
Uhhgh !!!
Kkhh!

Get it?
If you do this with a woman you love...
you can make a family.
……
Nnh... If you put your semen in a vagina, you can produce a child, and...
Nnha?!

All I want is someone who loves me, and would stay by my side...
I-It's not like I have to have kids...
Hey! Lute?!
Nnhh... Out of all the men I've ever met, I have never seen one as kind and gentle as you before.
You're a good man, Lute.
I guarantee this.
30

Jamal! Become my family!
What on earth ...?!
Woah?!
I don't want you to leave!
Having you by my side... has been so much fun! I've been so happy...!
I told you! I can't make a family for you!
Kkhh!!
Aa hhh ...!!
It's supposed to be YOUR turn for happiness, Lute!
Even though you can't make kids because you're a man... If you become my wife, you'll be my family!

For you, who's so kind, who helps everyone, who gave me freedom...
I want to make you happy...!
Uugh... Dammit...
Try to under-stand, Lute... Ah...
Nnhh!!
Ah?! Why are you...?!
D-Don't grab it like that! I-I can't cum...

If you want to give me happiness, Jamal...
L-Let go of me...!
Aah, I can't...!
33
Listen to my wish!
Ohhh!!
Ahh!! Hhhi!!
S-Stohp it...!
Lute, t-that placshe ish...!

I love you, Jamal!
You're what I want!
キュウ…
Kkh...!
I want to be with you like this every-day!
I want you to be by my side!

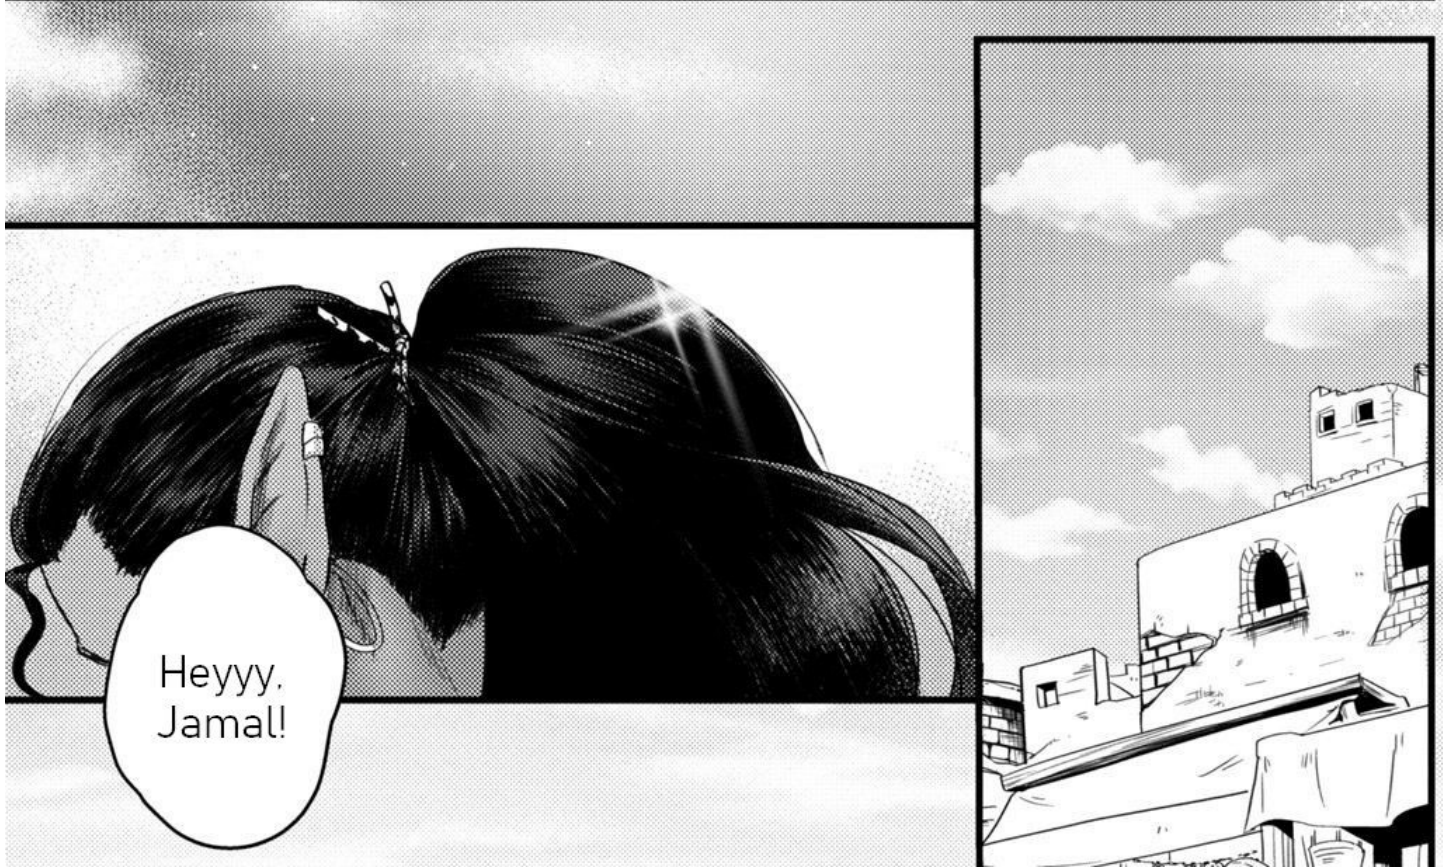

I'll stay with you! I'm not going any-where...!
Because I love you, as well...!
Find happiness in me, Lute...

Hyan!
Aah, Lute!
Ah!
I'm so happy, Jamal...!
I feel so good, Lute...!
Ah!
Nn noh!
Aah, I can't...
I-I'm cumm-ing, Lute!

I told you that you could relax at home!
What?

What-ever, just give it to me!
I told you it's fine.
Honestly... All you ever do is worry about other people, not yourself...
Hehe!
It's funds for our marriage!
Idiot!
You're pretty riled up today, Lute!
What's that? Gold?
Yeah! We need to collect some money right now.

translator's note

i translated lute's name as lute, but as it's spelled ルト (ruto), there could be a chance his name's ruto or something, since that's an actual name as well. lute just felt right though.
