I'm not
saying that
we shouldn't
have sex
until we're
married,
but...

But we still
haven't gone
that far
physically.

It's been
eleven
months
since I
started
dating
Hiroki-san.

A good girl
that raises her
hand when
waiting for
traffic lights.

"Live a
clean and
proper
life".

Was always the class
representative
throughout all her
years in elementary,
middle, and high school.

My motto is
essentially
to

They're on
vacation
in Hida.

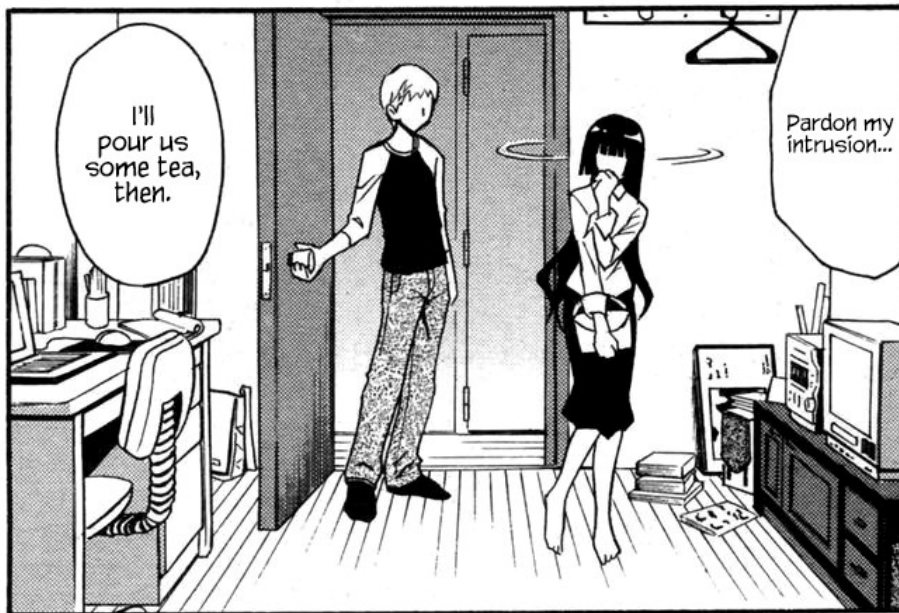

Oh, my
parents
aren't
home
right now.

How about
you come
to my place
today?

...Oh?

Maybe I
should...
I haven't
talked with
your mother
much lately,
after all.

I'll
pour us
some tea,
then.

Pardon my
intrusion...

I know you
have no
intentions
of going to
that level,
Momo-chan.

Huh...?

I don't
have any
cushions
available,
so feel free
to sit on
the bed.

The
bed...?!

The...

Marriage!!

...Or maybe that's too soon.

Hiroki-san... So you were planning this all along!

I'll gracefully dodge all your advances!

I'll take you on.

Fu... Fufu fu

Very well, then.

Momo-chan... We can do this, right?

No, not yet, we can't, Hiroki-san...

How about that! There's no way he'd be able to get past that!

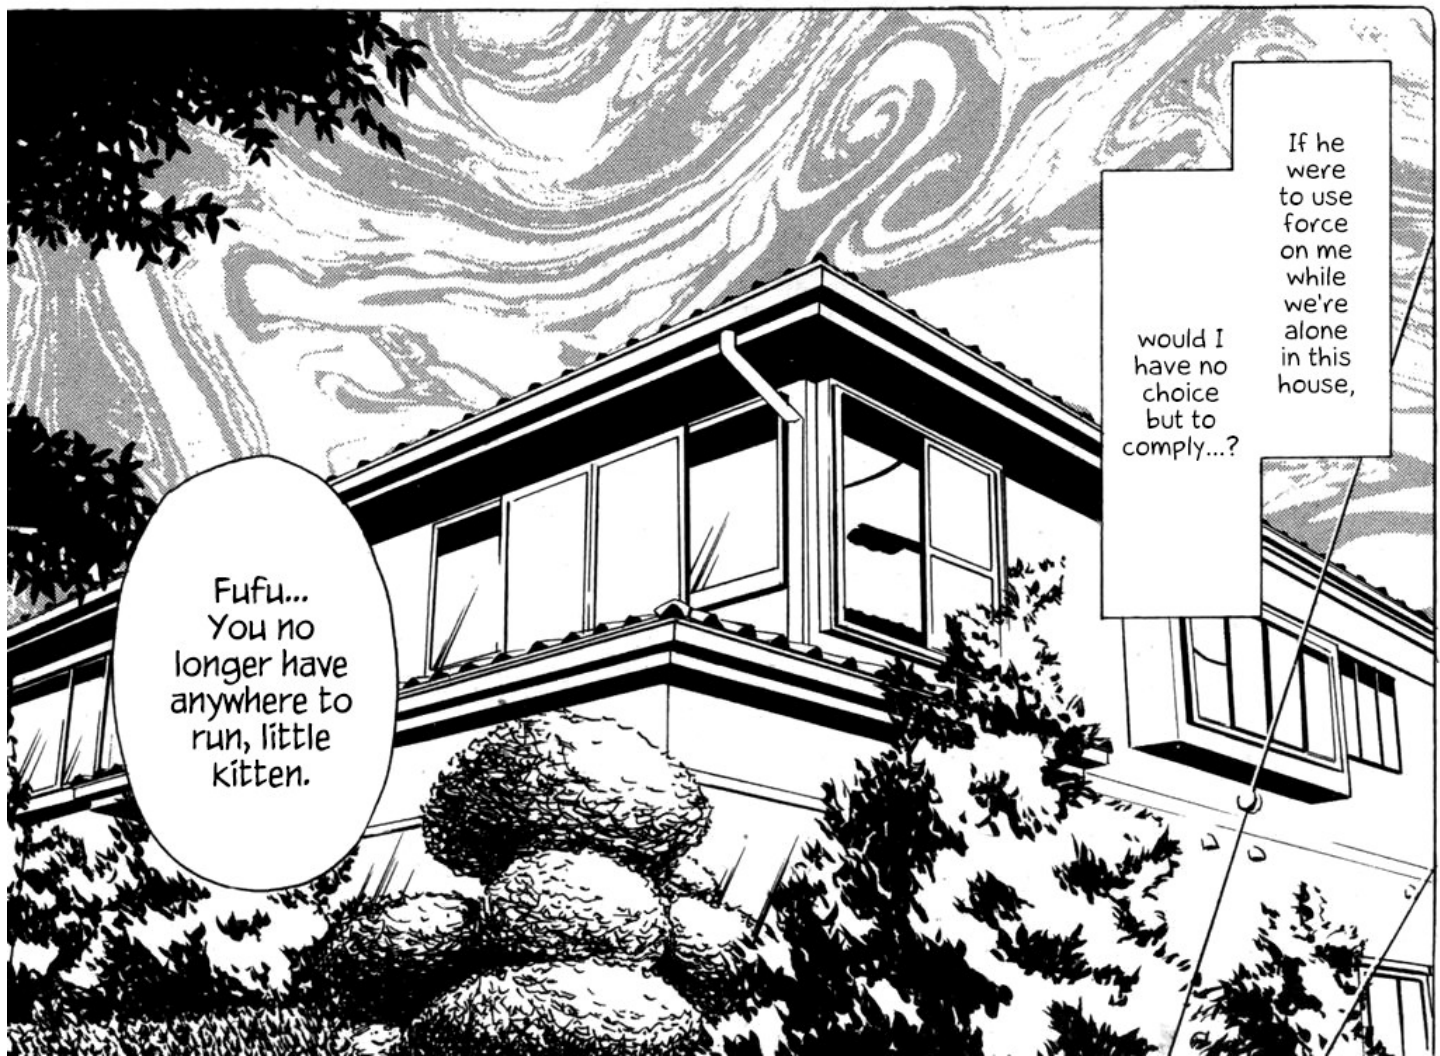

That's exactly why I want to treasure our time together...

I love you too, but...

But I really love you!

暴発イグニッション

Fufu...
You no longer have
anywhere to
run, little
kitten.

would I
have no
choice
but to
comply...?

If he
were to
use
force
on me
while
we're
alone
in this
house,

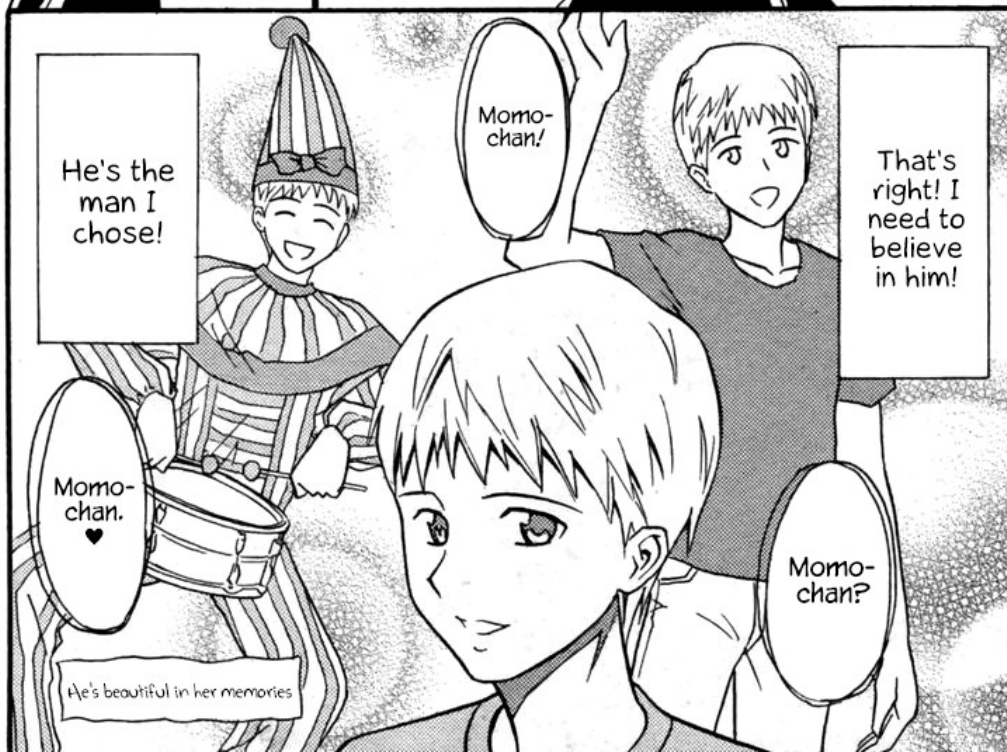

Blame
your own
carelessness
for putting
you in this
situation.

You
waltzed
right into
a man's
house...

200000!

He's the
man I
chose!

Momo-
chan!

That's
right! I
need to
believe
in him!

Momo-
chan.
♥

He's beautiful in her memories

Momo-
chan?

Hiroki-san
would
never do
something
like that.

Wait,
I need
to calm
down...

Sorry
for the
wait.

that I
truly
love.

He's
someone

Momo-
chan?!

I'm
fine...

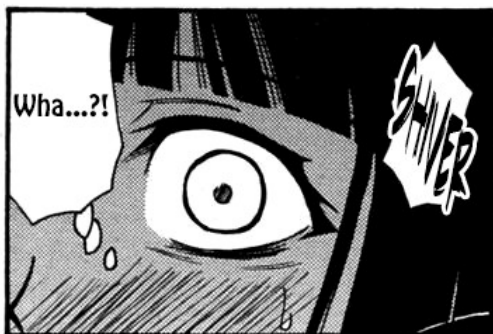

Urgh...

Why'd you
trip over
yourself
all of a
sudden?

A-Are
you all
right?

...
W

?!

I had no idea Hiroki-san was so skilled...

I got like this just from him holding my hand...

H-How could this be!

I've... I've never suffered such humiliation before...

You're not having a seizure... right?

Are you okay?

Oh no... he's looking at me. He's looking at me while I'm so embarrassed...

Can I go for it?!

Could this mean that she's giving me the OK?

Her legs are wide open!

getting so hot?!

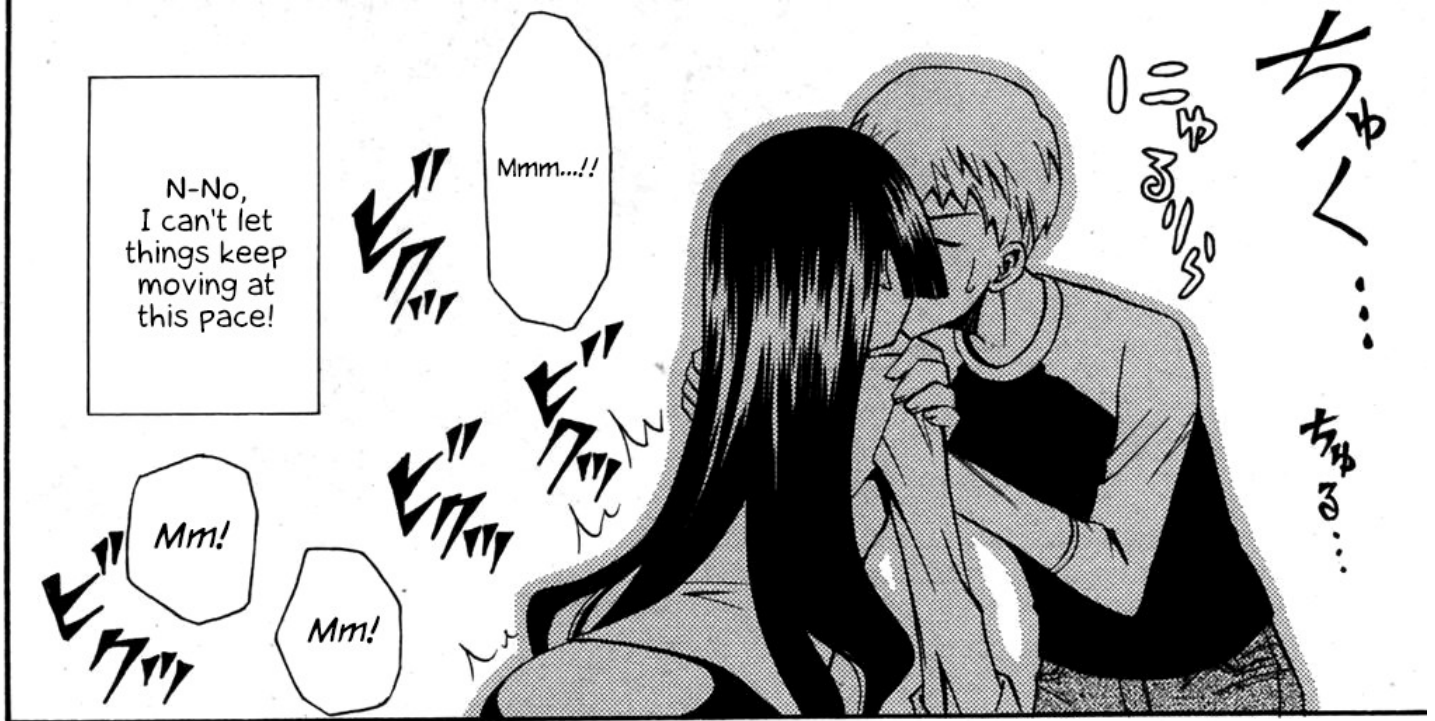

But why is my body...

To heck with it, a guy's gotta have guts!

Squeeze

N-No,
I can't let
things keep
moving at
this pace!

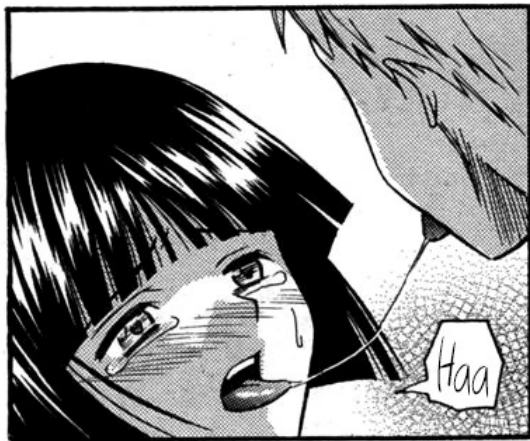

Mmm...!!

Mm!

Mm!

ちゅく...

I need to
hold my
resolve and
protect...

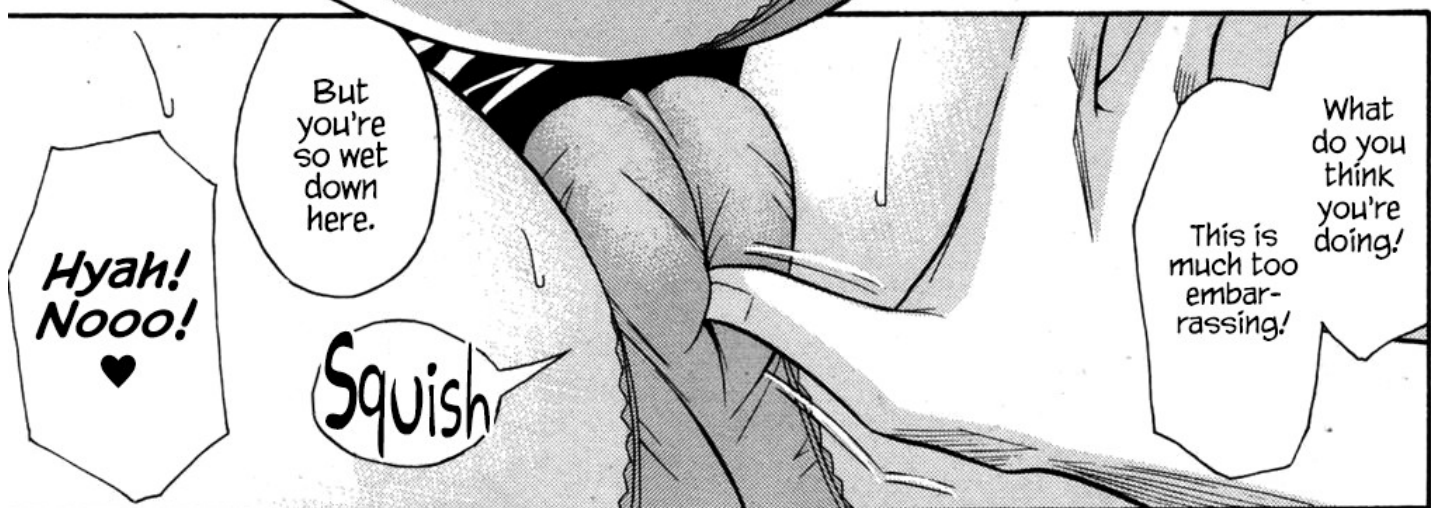

What a
horribly
lewd
kiss...
♥

Y-
You're
the
worst!

Kyah!!

You're
so cute,
Momo-
chan.

Hyah!
Nooo!
♥

But
you're
so wet
down
here.

Squish

What
do you
think
you're
doing!

This is
much too
embar-
rassing!

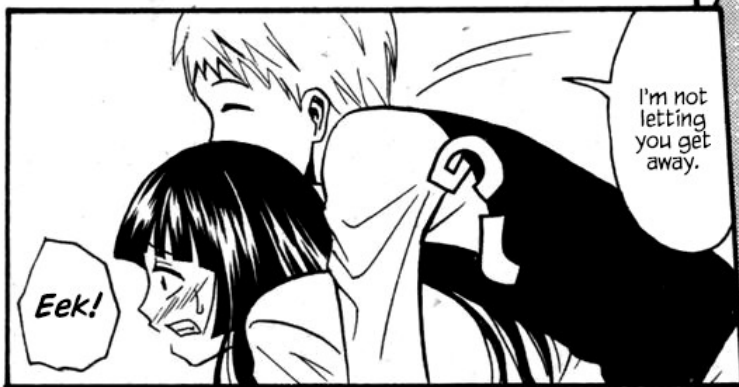

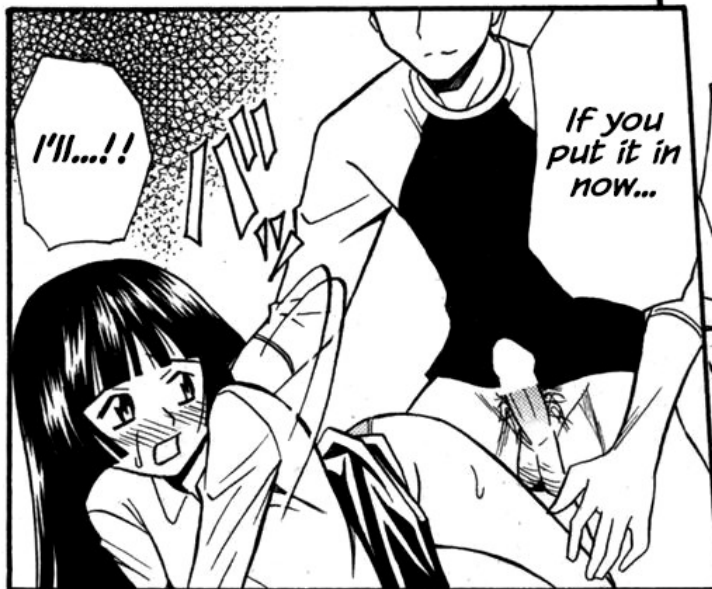

I'm
starting
to feel so
strange...

Ahh...
I'm...

Hngh!
