Might
as well
buy some.
Not that
we'll be
using
them!

SO WE'RE
NOT USING
THEM...

On Twitter,
there's this
popular boobs
challenge right
now, but if you
time it right,
isn't it pretty
easy?

YEAH, I BET.
YOU'RE BRAVE
ENOUGH TO DO
IT AT WORK,
AFTER ALL.
NOW STOP IT.

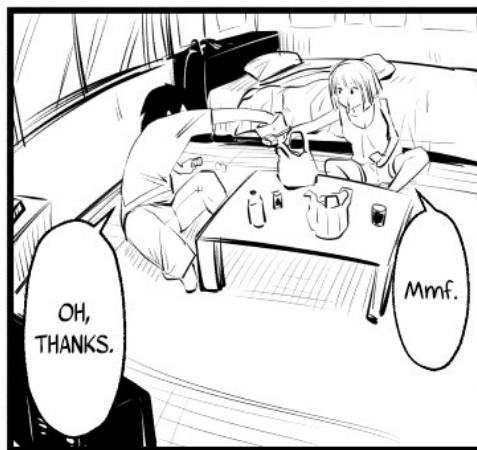

What about
a challenge to
see if I can keep
them out all the
way back?

HOW
ABOUT
NO.

Figures.

Three panels of a manga strip. In the first panel, a character with short hair is sitting up in bed, looking thoughtful. A speech bubble says, "One of the mysteries of man...". In the second panel, the character is still sitting up, looking slightly more awake. A speech bubble says, "As usual, he never wakes up on the first alarm... Oh!". In the third panel, the character is sitting up, looking at a small object in their hand. A speech bubble says, "Oof... A dream about being late to work... But I'm good at getting up." The character's name "イヨ" is written vertically on the left of each panel.

All right, let's test if he can cum while sleeping.

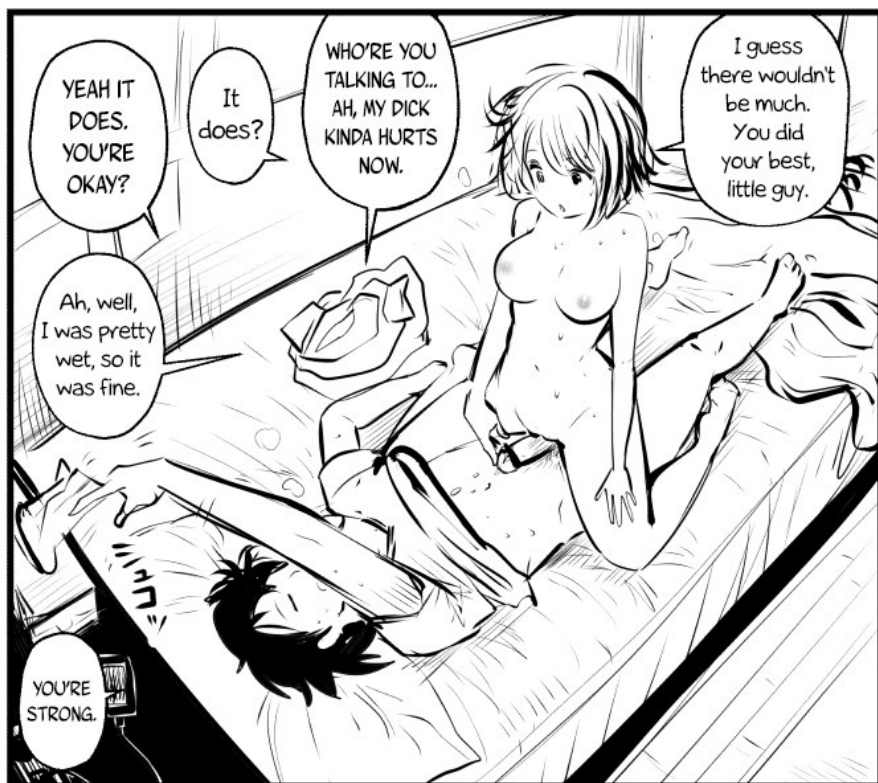

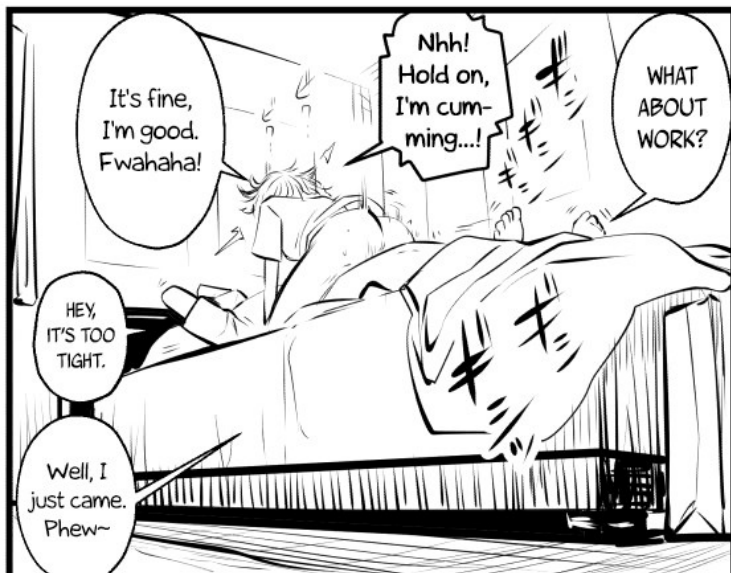

Still not waking up? I guess not. This is fun.

Hmm... It looks like it's at full mast at first glance, but maybe not.

HUH? WHAT?
 Oh no! What a failure!
 Let me cum once.
 OH... OKAY?
 PHEW... HUH? WHAT ARE YOU DOING?

Ahh,
work
sucks~

2024

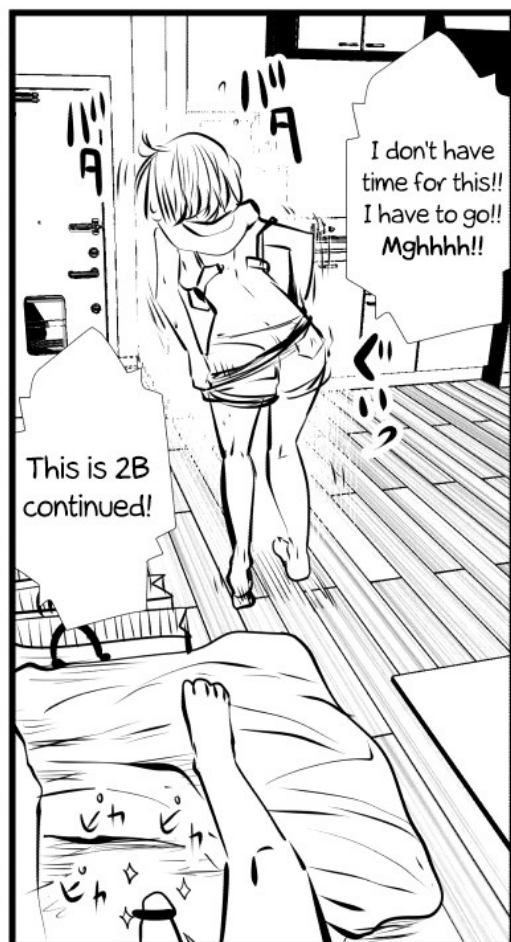

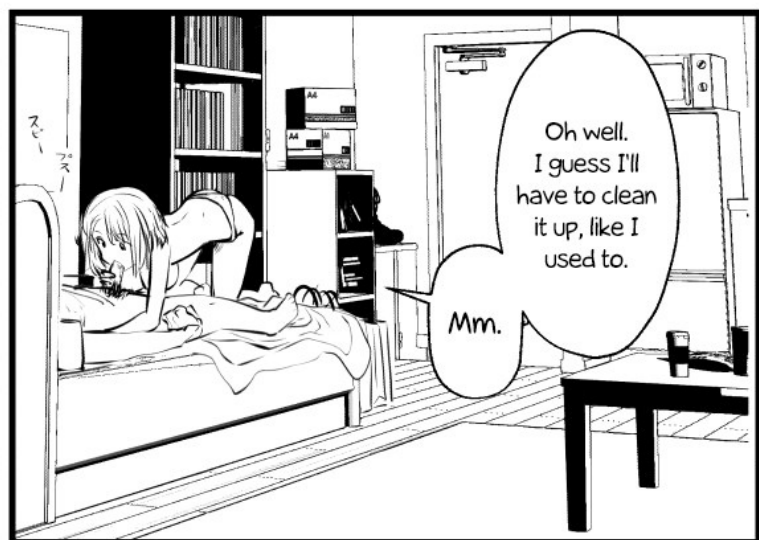

Huh, that's
really weird...
I'm sure this
is because of
a lack of sex.

I suppose
I'll have to use
my friend's body
until I get a new
boyfriend.

And french fries,

Would you
like access to
the drink bar
with that...
No, under-
stood.

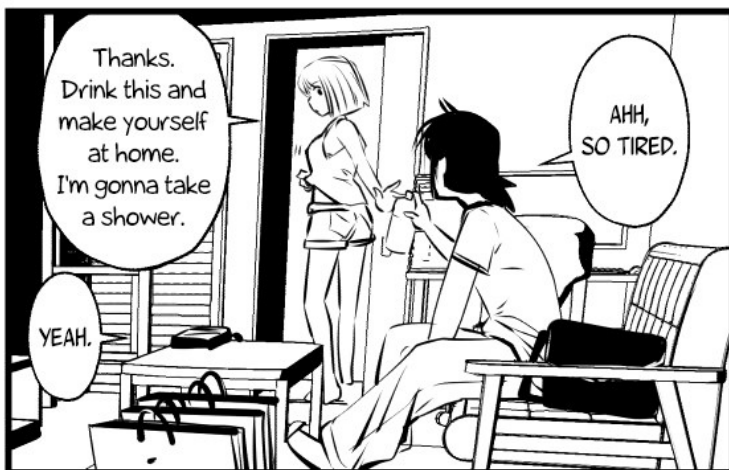

"Is that correct,"
while I'm not
wearing panties...
This is fun, ahaha.
I wanna laugh
so hard...

Alright,
it'll be no bra
and no panties
for the afternoon!
I'll basically be
serving them
naked!

The city really
is quiet at midnight.
Well then, let's go!
The balcony really
is the best place to
do it during the
summer.
