I made a Twitter account, and my first post was a wip for the cover of this book...

Nice to meet you, I'm Suzune Rai.
This is my second time doing it at this
venue, so thank you for having me.
Suzune Rai-san, I think you don't
draw nipples very good!
That can't be...
I don't draw them that bad...
Maybe I'll tell you how I feel another time...

**NIPPLES ARE AA
(ADMIRER BY ALL)**

I know, it's lame...
Good thing my fanbase isn't global enough
to see that horrible pun...
So, do you guys like nipples too?

*A COMMANDER WHO
JUST HAPPENED TO PASS BY

I think I did pretty well with this book!

I kept putting this off for a while because
I didn't like how the original draft looked,
but now it's finally complete...

You don't say! Are you sure?

I-I'm too modest to release a book with
armpit sex in it...

No, I'm not into that kind of lewd stuff...!

Now, what should I draw next...
Make sure to follow both my Twitter
and Pixiv for further updates.
