Yes, exactly.  
Using the header  
for a customer

waste of time.

I DID IT!

TAE-SEMPAI.

No, it's just as  
Ima-kun says. We  
have to streamline  
our processes.

Now  
that's  
not true.

Man, without  
Tae-chan our  
department  
wouldn't  
function.

...Fine.

Well then...

as payment for that...

Today let's do it like this.

...you really are picky.

OP

If you keep doing this, then I won't be able to become a bride...

sigh

No! I'm saying that you're like a marshmallow, I could keep playing with you forever ♡

...So you're saying I'm like a saggy old woman?

Sempai, your body is so soft, and full, and yet so smooth. It's the greatest ♡

!!

I'LL NEVER LET YOU GET MARRIED.

Why not!?

squish

No! Kissing is not allowed!!

So, when I first asked if I could touch your bare breasts, why didn't you refuse?

I didn't think it would escalate to this...  
Plus...

You're fine with hugging while naked and sleeping together, why not kissing? I don't get it!

We've been living together for half a year.

DOING THIS ISN'T OKAY, BUT KISSING IS EVEN WORSE!

you're Cute...

STOP IT!

Should I call you Mama?

NOTHING!  
IT WAS NOTHING!

JUST THINKING THAT WHEN I HAVE A CHILD IT'D BE NICE TO HAVE A DAUGHTER LIKE YOU!

What was that!?

たえちゃんとしみこさん  
EZO

OH, GIVE ME A BREAK!!

YES! OF COURSE!

You're thinking of "slipping up" and calling me that at work, aren't you!?

OH! I GET IT! YOU'D PREFER "OKAA-SAN"!

...Say,

Eh-umm, if you're saying that, then... we're already-

We live together, sleep in the same bed, hold each other naked, that sort of stuff, right?

OF COURSE! IT'S ABSOLUTELY A DATE!!

And doesn't that mean this is a date?

EVEN WEARING A TRACKSUIT, THE MOOD IS NICE...?

.....

You don't wear a tracksuit to a date.

Miko-chan, who are you to call me a snob?

Sempai, are you the kind of snob who thinks a person's worth is determined by their appearance?

What?

...So,

It's a view bath. Please don't lump it in with something so cheap.

the room comes with an installed bath-

So that's how a bath like this works...

In this darkness, if you move even a little, the image won't come out cleanly.

**YOU WERE PEEP-ING!?**

I tried taking pictures from over there beforehand, and faces were indistinguishable even with a 500mm.

It's fine.

Plus, then I won't be able to see your body.

I'M FINE WITH JUST GETTING THE STUFF THAT'S LEFT-OVER AT THE SUPERMARKET ON THE 15TH!

I HAVE LEONIDAS TOO!

I don't need something fancy like this...

How much was this?

I missed my chance to buy this last year.

This could probably stand for days, right?

Well, maybe you're right.

I never thought there'd come a day where I'd be making something like this in Tokyo.

Haah...

It's a door.

What's with that door?

For now, the shape is done...

RUSTLE

But it won't last too long.

WHERE'D YOU GET THAT FROM!?

I think a kotatsu will be nice.

It's fine. It's not much fun to stay inside for more than two or three minutes anyways.

We can't just leave it open.

Now give that back to Palette-chan

Miko-chan, I can tell you're trying, but it's not normal to put a kotatsu in a snow hut.

It was 500 yen at the used goods store.

And for snacks, we have these.

Right, right?

It's pretty reasonable!

This is fine.

Hey, Miko-chan, you did it.

1500 YEN FOR A BURGER IS A LOT!

That's not so much. A burger's about the same, right?

Don't these go for over 1500 yen apiece...?

I want to give you the very best.

If you ate it, it wouldn't be going to waste...

Then let's split it. So we don't waste it.

But I'm no Meiji or MOS, so I have to do this to show my feelings.

No going wrong with those.

For me, Meiji chocolate is fine, and I like burgers from MOS.

Pssh

They just touched a little!

I thought it'd make you happy...

Then why'd you ask me to-

No need to hold back!

WAIT... WHAT ARE Y—

I'M SORRY, SEMPAI!
