コンテンポラリー・イナカ・クルーズ

作: **チグチミ**

IT WAS HIS FIRST TIME SEEING A FRESH ELEMENTARY SCHOOLGIRL FROM THE CITY.

Still 5th graders... shouldn't dress like that...

Well, it still seems like she really wants to enjoy herself... right?

THE THOUGHT OF THAT TIME WITH HER SUGGESTIVE SMILE MAKES ME HARD.

Japanese uses a slang similar to 1st base to home run to describe how far you've gotten with a woman. They use A to D with A being kissing and D being pregnancy.
