That's right!

The futanari sex industry special magazine has a request for reviewers! This job is a great chance for you to spread your wings, Senpai! That video was also aiming at this!

You were really anxious during your first time, after all.

I may have exaggerated a little, but isn't it fine to go and have some fun?

Argh, don't butt in!

If you don't want to go, Kousaka, then I wi-
MNGH!

Character Introduction

Kousaka Akira

Captain of the Swim Team, Third Year.

She might look like a cool sports girl, but she's actually brimming with sexual curiosity. Natsumi's indecent proposal confused her at first, but she ended up accepting it. Before she met Natsumi, she hadn't even masturbated (with either part), but she fucks Natsumi at least three times a day now. A female virgin. No longer.

Kamiyama Aoi

Futanari Clubhouse Prostitute (21)

She's the number one of the futanari clubhouse. She joined because she wanted to do more lewd things with other futanari; she's a pervert through and through. Her boss gets mad at her from time to time for handing out extensions on her own. Other futanari feel the best when they're rubbing dicks with her.

Saitou Natsumi

Swim Team Member, First Year.

She loves dirty things, but she loves her Senpai's cumming face the most; she's a little sadistic. She tries to keep being sadistic during sex, but her compatibility with her Senpai's dick was so high she ended up falling for it. She always has her antennae stretched to search for any sexual content that will make her Senpai happy.

Isozaki Ayame

Infirmary Teacher (26)

She is incredibly frustrated because it's been a year since she broke up with her partner, but she always plays the part of a composed adult. She uses sex toys of her own making to take care of her overflowing lust in private. If she had to choose, she prefers futanari.

Afterword

Greetings, this is Kiyose Kaoru.

I drew a story about the futanari specialized sex industry this time.

I wanted to express that kind of world for just a little longer.

The summer Comiket is next, huh?

Well then, see you again in the next book.
