Hello!

Before starting reading, please **be aware** this is **only one of the chapters** of « Dragless Sex »!
I don't know how things are going for the people translating this manga, but I couldn't help myself when I saw that wonderful story (@¯ρ¯@) (which is not related to the other Dragless Sex stories).
My translation may have some slight errors, but nothing that would change the meaning of the story.

Aaaaaaaa I'm getting raped by all of Masumiiii!

Haa...

…Because it obviously arouses me…?
Only you!
Why do you have to look at pictures of me when I was smaller…
Today's sex too gave me goosebumps …
Today's sex too was the best, right Masumi-chan
Fujio
and
Masu-mi
Huhu
This face too is cute.

Fujio was 4 when Masumi was born
Their parents were neighbors
They both grew up happily.
Mmh ...

Being close is one thing, but it was not the same as with our parents.
You're really a perv…

Look, look! Masumi-chan around 2 years old.

Have you noticed there are more pictures in the room?
...If I've noticed ...
At that time I had snuck into your house and brought it.
Cuute
Too
cuuute
As expected, you cast a glance at me and I became a fallen angel···
You've never been an angel···
...By the way, wait.
Even though you really looked like an angel around that time...
After doing it, it becomes sticky···
oh

The 4 year old Fujio offered his first love to the newborn Masumi.
At that time, I just borrowed it from your house.
Give it back, you thief!
Ok you were sneaking in,
but how come the pics of me were in your house?
Eh, no way.
His long years of persistence bear fruits
As to imprint him, he *persuaded* him,
Then, he *persuaded* and *persuaded* Masumi as they grew,
They were both happily disowned.
...
You're bad.

A miracle-like dainty…
You can do whatever you want to me…
…
Anyway, I should take you to the ophthalmo-logist.
You've been cute, beautiful, handsome and angelic ever since you were a baby…
To me…
I love these hair so much that, one by one…
I'm gonna shave.
No! Don't!!! What a waste! If you don't need it let it grow!
Aa…
I feel like I might end up eating them…
Haa..
Haa..
……
Can I pull it out? Can I pull it out?

HEY
How long are you gonna cry, it's annoying.
Eh..
……So you really were crying…
Enough
That's it! That's what I'm talking about, you're an idiot!
Huh?
… Masumi

For Masumi, it's only about imprinting,
and brain-washing,
and you're mistaken.
Today too, I've suddenly came to my senses.
In the end, you're apart from me…
……
Actually …

Even only I,
in the end, was holding this fear …really…
……
I like this side of you too
Wait, are you listening Masumi-cha
Hm.

ドン
ドン
wait, what is it, what is it? Was it a Jumbo slot machine? Lotto? Scratchcard?
…it's a heavy breakfa…
a turkey...

Our first (hard and deep) kiss, first fellatio, first penetration, first thrust.
Please die.
The anniver-sary
No way! I could never forget our anniversary!

What is it really…?
Hmm …?

I continued to feed you with my meals.
You let me be by your side before that.
and cohabiting, doing an anniversary now somehow …
For 6 years we've been living together
トン
…For human cells, it's roughly been 3 months but,
T/N since cells regenerate fast (´ᗜ`)
cerebrospinal fluid included, then it's almost been a 6 year period, and everything has changed.
…Today, it makes exactly 6 years.

Those muscles
... Hm
and skin and hair
and bones and blood
represent the things I molded.
I've had fun throughout those 6 years.
Don't you think my Love is considerable, Onii-chan*?
* onii-chan is a childish way of calling his older friend

Нии..
Нии..

If I am reborn I want to become your red blood cells…!
Well.. As expected that's a bit repulsive…
Ha..
Ha..
No! Rather, I want to become! Each cell that forms you… The blood running around until the depths of the depths of your body… I am envious…!
Ca.. carrying out such a project by yourself…! I want to shape you too…!
It's cunning…!
Well…
What do I do, my erection won't stop…!
Shaping that body for you, really…

By the way, is it okay if I keep the semen of this rubber?
That's too much!!
Trash
SFX: bright smile
I understood you too like me from the bottom of your heart,
so from now on, I won't be prudent, I'm going to express the Love I have for you.

Composition presentation
Theme « dream for the future »
« My dream for the future »
My dream is
to marry my neighbor Masumi-chan.
Day duty .....
Marry him and always be with him.
Meet with nobody else, only look at Masumi-chan,
only think about Masumi-chan,
A world with only Masumi-chan and me,
and for ever, ever and ever,
I want to live happily with him.
You Fujio, again…!

No matter how many times I tell him, he only writes such compositions about Masumi-kun…
Well… Isn't it just being close friends?
It's cute right?
Even though he already turned 10? And still it's only this stuff…
Somehow it worries me…
Hey, hey, you're over-thinking it.

Ma
Mi
Su

Hehe
Fuji-onii-chan
You came here in secret again? Aren't you gonna get yelled at?
That's because lately my mother is strict.
…hey, today, Masumi-chan already said good night to his papa and mama?
9:12

Yes, I'm about to sleep.
ゴロ〜
Huhuhu I'm glad.
Today too, I will be the last person Masumi-chan saw.
Sleep after you've seen me ok.
You can't think about anyone else.
…I want to become an adult quickly.
When I grow up, I'll marry Masumi-chan
and we'll live together …
And then, I,
when Masumi-chan wakes up, I'll be the first person he sees…
So…
When I wake up… The first person I meet even before my mother…
is Onii-chan… So…
Everyday I see Fuji-onii-chan in my dreams.
…It's okay

Today too…
I'll be meeting… with… Onii-chan…
It's… fun…
Fujio and Masumi
…… … God …
Fujio was 4 when Masumi was born.
They met as next-door neighbors. Later they—
Thank you very much …
Thank you very much …
…Thank you very much for letting me meet Masumi-chan …

You're annoying
Leave
SFX Waaa
うわ
That's what's annoying, and disgusting with ya!!
あああああ
That's harsh Masumiiii!!! Why are you saying such cold things! Even though I was so looking forward when you'd come back from school as I was masturbating while looking at your album, I ejaculated the moment I heard the sound of your bicycle and then hurried to come to plaaayyyy!!
That's weird … Even though you used to look like such an honest and cute angel…
They peacefully grew healthily—

はぁぁ
Oh right! Today I brought you a gift!
… anyway
Everyday you tell me I'm bothersome, but today you said it in another way.
What are you saying …
And even now. You're cool and tall Even though you're a student your sex appeal is real…
うっ うっ うっ
……
What are you saying! Today is the anniversary of when you appeared in my dream and welcome me in your home for the first time!
……
Today, is it the anniversary of the first time we held hands? or of when we first took a bath together?
What's this?
Fingerprinting kit
指紋採取セット
……
To begin with, why are you offering me a gift for that?…
Quick, open, open.
わく わく わく
ガサ ガサ

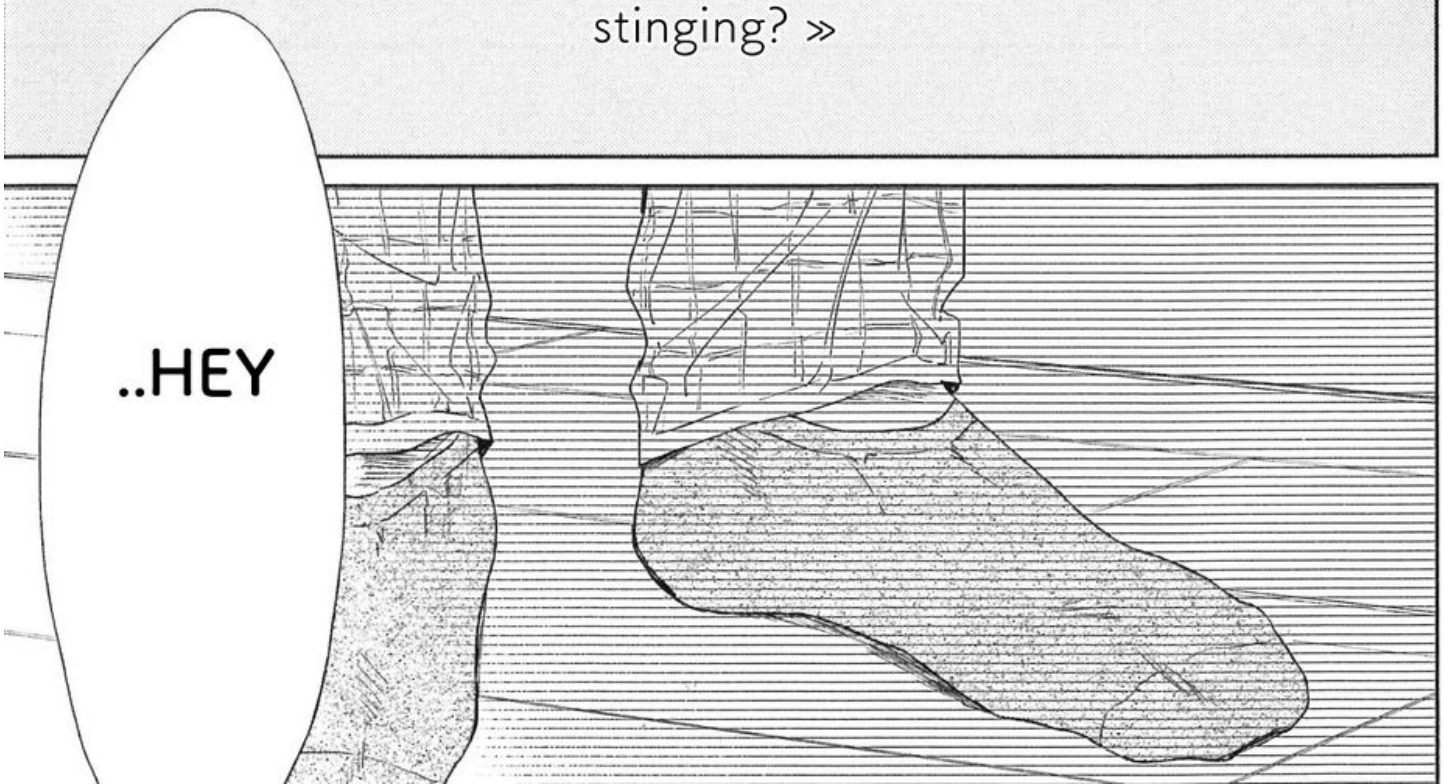

SFX: that's a scenery!
絶景だぁ～～？
by the way, I've removed all of the fingerprints but yours!!
I did it in my room too, I applied it and turned off the lights and the room changed when it went dark.
By doing that your hundreds of fingerprints will sparkle like they are covered in a starry sky, it's so exciting…!
You can see the traces of what you've touched!? The places you've touched will remain vivid and you can identify them, don't you think it's cool!?
I mean … Why fingerprints …
That's awesome! When the light is put on the places where you apply the fluorescent powder the fingerprints come up!
I absolutely want to enjoy this emotion and climax with Masumi-cha
ピンポーン
The 4 year old Fujio offered his first love to the newborn Masumi.
Even though I tell you each time! Today too, don't you you ever come to my house!!
You, you're always disgusting!

Remove the data until now.
Oh, but wait..
Eh, that looks scary. Wait, he's a man lol, isn't that bad lol
He was in the same middle school as me so I can tell you, he's shady.
This guy, ever since he was born he's been followed by a guy from the neighbor's house.
… shut it
tch
Morning after morning, that's a calamity huh.
Eh, what's that, a stalker?

What would that guy do if he was told you now have a girlfriend?
You're normally popular, you've even been confessed to before.
Wow, that looks bad!
So you're the type to friendzone guys?
But that's because he's so persistent it's baad.
However if you say you have a girlfriend..
Masumi, isn't it stinging?
Ah
Welcome home Masumi-chan

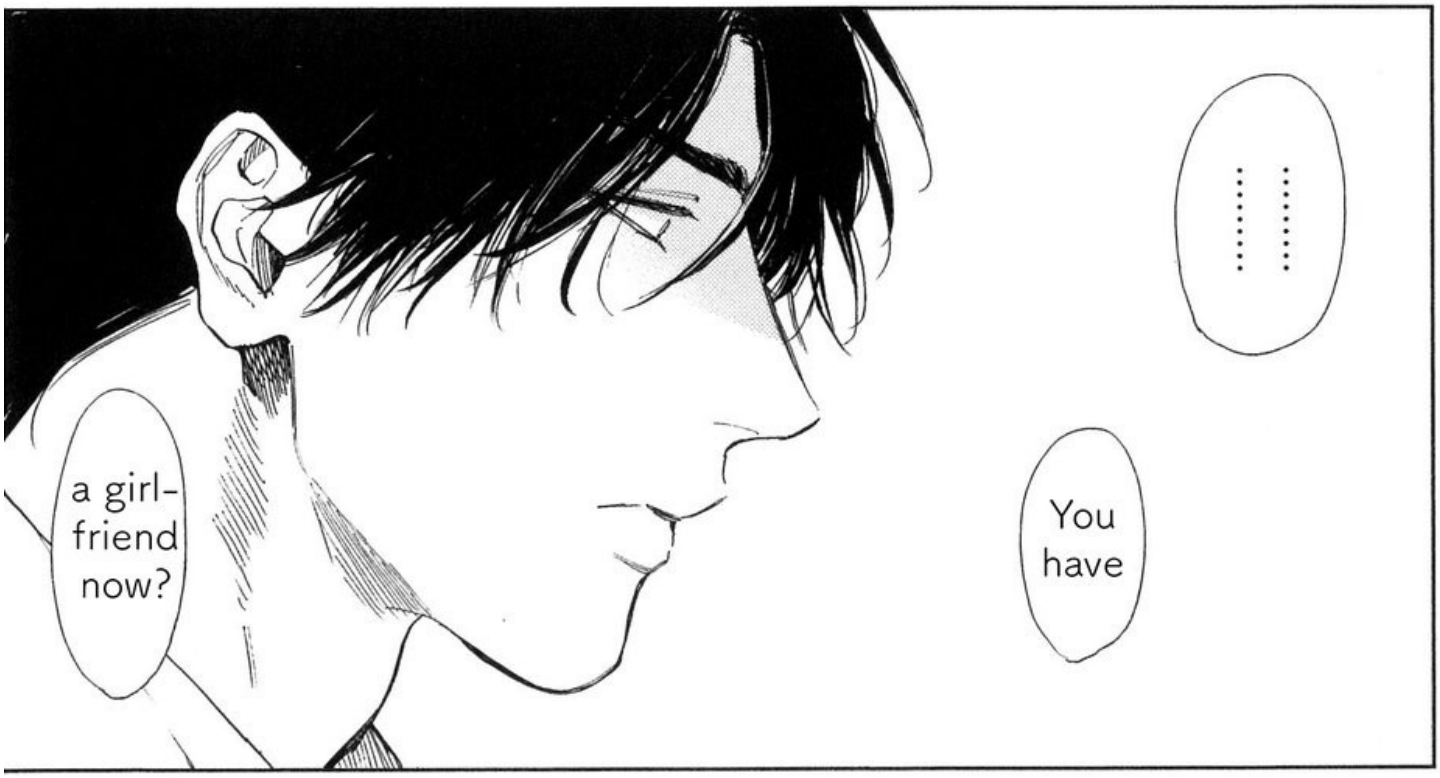

« Masumi, isn't it stinging? »

I have a girlfriend now.

Eh?
.....

a girl-friend now?
You have
.....

.....
What
?
—did you have sex?
.....
What are you saying…
Hm?
Do you use a contraception ? Ah, you're still in school.
But it'll be good when you graduate from high.
I think it might be early but I'm young too and I think that's alright.

So…
Because if you have sex, you'll make kids right?
« He's so persistent it's baad. »
Ma-sumi ?

You… What's that…
…Don't fuck with me.
Don't you like me?
…Don't fuck with me Fujio!!
…I like you.
I Love you.
Since Masumi was born, always,
Always, always, always
I've Loved Masumi to the point of being odd.
