FALL ASLEEP,
SATISFIED.

IN THAT DARK

Yumiko-san spots the bulge.

We've invited Yumiko-san here today!

Part 3 in the series, "Netorareta Hitozuma to Netorareru Hitozuma" has finally arrived!
How did you find it?

Yumiko: Right, this time rather than myself, Shinozuka Ayumi-san was the main heroine.
I did sort of have my turn towards the end though...

Don't undersell yourself, you played an instrumental role in the story!
It was with your guidance that Ayumi-san ended up being NTRed after all.

Yumiko: That wasn't my intention though! The chairman didn't plan on doing anything
to Ayumi-san either, he just wanted to... umm... at night... with me...
(Yumiko turns red and stumbles over her words)

How did you feel when City Councilor Nagata made his entrance?

Yumiko: I was surprised! I hadn't heard about it, and was wondering if was
some kind of foreshadowing or something. You know, like, "Why is he here?".

That came straight out of left field didn't it?

While having dinner, Mr. Nagata asked you to pour him a drink.

At that point there was a scene where you glanced down and looked shocked. What was going on there?

Yumiko: That was... umm... down there... Mr. Nagata was....

Down there?

Yumiko: H-He had an erection....

Was it throbbing?

(Yumiko nods sheepishly)

How did you think Mr. Nagata was going to get involved in the story?

Yumiko: Umm... Well, let's see...

It's.... a little embarrassing to admit, but I thought maybe I was going to be the heroine
again this time around. That's why when Mr. Nagata made his appearance I thought
maybe the Chairman and Mr. Nagata were both going to do, umm... perverted things
to me that night.

Were you perhaps hoping for a threesome where the two of them would spitroast and take turns violating you?

Yumiko: No, I wasn't ><! I just thought maybe that was what was going to happen.

NISHINA YUMIKO-SAN (31)
HOUSEWIFE

If the story were to continue, what kind of developments would you like to see?

Yumiko: Let's see... I like happy endings, so I would like to see everyone happy. I hope I stay on good terms with Ayumi-san and my husband, and since Mr. Nagata is a bad person, I hope the police get him.

Mr. Nagata had said that he wanted a piece of you too. How do you feel about that?

Yumiko: I mean... I guess all I can do is wait and see how the story unfolds....

So you're not against it?

Yumiko: That's not what I meant... I'm just saying whatever happens happens.

I see. To wrap things up, what do you think lies ahead for you, the chairman, and your husband Hiro-kun?

Yumiko: It'd be nice... if the chairman continued chairing the neighborhood association like usual. Hiro-kun and I are in love, so no problems there. I hope things stay the way they are.
