Character Introduction

Ichinose Ayano

2nd Year student. Three Sizes: 91-60-90

The daughter of a politician. Her mother left when she was young and her parents are currently separated. Although she has friends, she doesn't have anyone close she can rely on when in trouble, so she handles problems by herself.

In a secret relationship with

Hasegawa Ryouta (33)

A Japanese language teacher and Ayano's lover. Started dating Ayano 4 months ago. Has a gentle personality and isn't a jerk to others, inexperienced with girls. Isn't good at waking up early and goes to work with bed hair and sloppy appearance.

Misaki Rei (26)

An English teacher. The academy director's son. The youngest among the teachers, and popular among the students in an all-girls school. A kind teacher who's sociable and friendly to everybody but...

Accomplice

Nanase Hina

1st Year Student. Three Sizes: 84-58-85

Has a carefree personality and whose motto is anything's fine as long as it entertains her. Breaks the school rules sometimes, but acts like a good girl in front of her teachers so she's not recognized as a black sheep.

The story so far.

Ichinose Ayano, a refined lady who goes to an all-girls school. She's very attractive with excellent grades, but she has a secret: she's been dating her Japanese language teacher Hasegawa. However, the English teacher Misaki discovered their relationship. She was blackmailed and forced to be treated like a plaything. Being separated by the wall of their student-teacher relationship, Ayano couldn't even hold hands with Hasegawa during a date. Even though Ayano is happy with Hasegawa cherishing her like that, her mind was suffering thinking that her body is already defiled despite Hasegawa not laying his hands on her. On her way home, she was taken by Misaki into an uncanny Cosplay bar. Making her wear an indecent costume and was forced to drink, so under the influence of alcohol Ayano once again did it with Misaki.

BUT THEN AGAIN... I DRANK TOO MUCH WINE THAT I HAVE FAINT MEMORIES BUT...

To be continued on Obscene Lady 5.

Afterword.

Hello, Crowe here.

Thank you very much for getting your hands on the 4th book of the Indeki no Reijou series. This time it turned away from the main series, this feels like one of the omake (bonus) books that I give the Indeki no Reijou EXTRA (long edition.)

The truth is during Summer Comiket I planned this one to be the 2nd book to be released (in Winter Comiket) but after going through 28 pages it became quite complex, so without making me ill and making this the latest book for Winter Comiket, the 4th book doesn't have Hina showing up in it...

Sorry for everyone who were looking forward for her part. She'll definitely show up in the 5th book!

Also, it's the first time for me to draw Yukata, I actually bought a Ryokan (Japanese inn) Yukata for both men and women and experimented for a bit, it's quite difficult to actually capture it. Since it's a stay in an inn, I made some variations for Ayano-chan's hairstyle. But in the end, I didn't know how she'd look like without the braids so I reverted it back in the second half...

I think the next book will be longer~ So I'll take some time to generalize it for a while. I would be delighted if you look forward for the 5th book.
