Red-Eyes!

Central to this system of seniority that permeates the world, is, of course, the world,

must still show respect for those that come before them.

In this world, the length of one's career matters greatly. Even the strongest of newcomers,

You need to respect your seniors, you know?

As a maid of the Hyakkasou, you're still a beginner!

Hazing.

The rules, you say...

Hehe...

As the senior maid of the Hyakkasou, it falls on me to teach you the rules.

My, my. Does the famed Blue-Eyed Rakshasa so brazenly bully the new recruits?

I am the master's slave woman, after all!

I can get this much done before breakfast time!

I'm not some mere maid!

As expected of such a famously unrefined, quick-to-anger appearance obsessed woman!

Ugh...!!

Th-then, what about yourself!?

Like how you should break the legs of the dinner table, and smash up all the plates? Or tear up the dust covers when doing the laundry? Or strike the master with your broom when sweeping the garden?

Ugh...

What about me? ...

I've been doing my job seriously and properly.

But of course.

Even though you came from the same world as me, you're so good at being a maid...

You can handle all the housework they throw at you, and you act so proper...

Guuh...!

This perverted masochist...

...  
...  
I am  
...

The master's ... his...

Ohoho-hoho!

Jealousy is a bad look for you!

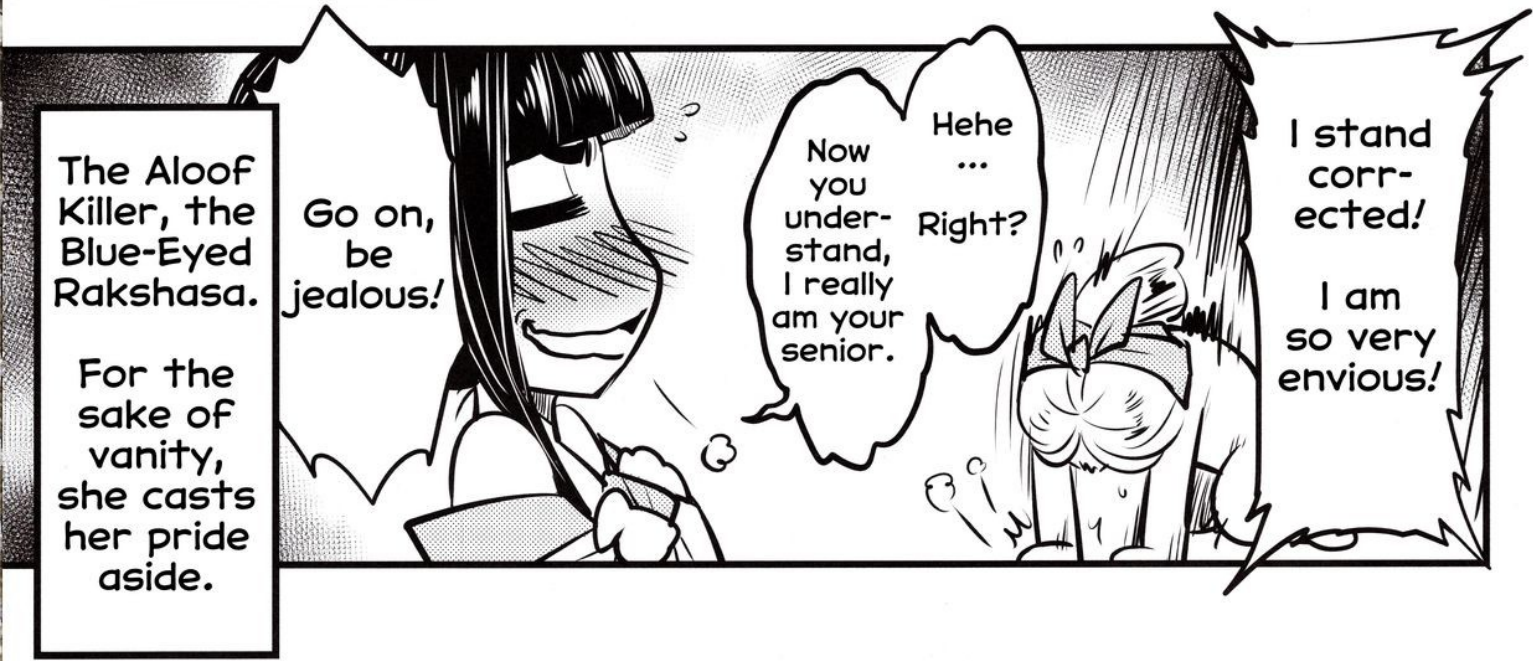

Come now Blue-Eyes! You act so proud, but what work can you even do?

Go on, tell me!

bedroom attendant...

Bed...

The Aloof Killer, the Blue-Eyed Rakshasa.

Go on, be jealous!

Now you understand, I really am your senior.

Hehe ... Right?

I stand corrected!

I am so very envious!

For the sake of vanity, she casts her pride aside.

What's going on?

Hmmph. I heard all this commotion.

I have come here to observe and learn from my senior's expert technique as she takes care of the master's god-like vigour.

And at night ...

She always takes away my used chopsticks, and steals my underwear from the laundry. I'm too scared to even imagine what she does with them!

She's always trying to touch me, all day, every day!

My stomach ...?  
No, who cares about that!?

Eeh!?  
How cruel!

What, you can't get over the fact that she almost cut your stomach open last time!?

There's no way I can do it with this woman. She's terrifying!

I don't mind that you're being so assertive, but...

I have the mistress' permission! What's wrong with a three-some!?

Shut it!

Are you feeling alright?

Pu  
hi  
hi  
hi  
hi  
hi  
hi  
hi  
!?

My lord, please allow this lowly and obscene servant to receive your royal fluids!

Meat Toilet

Mm... Toilet, toilet...

I left it right there...

Huh? Where did my bedpan go?

Hehe! Give me back my bedpan!

I was assigned to toilet duties, after all!

Wow... She really did it...

This is sexual discrimination!

Quite whining! Two assertive women have come here to devote their bodies to you! If you don't do it, you're not a man!

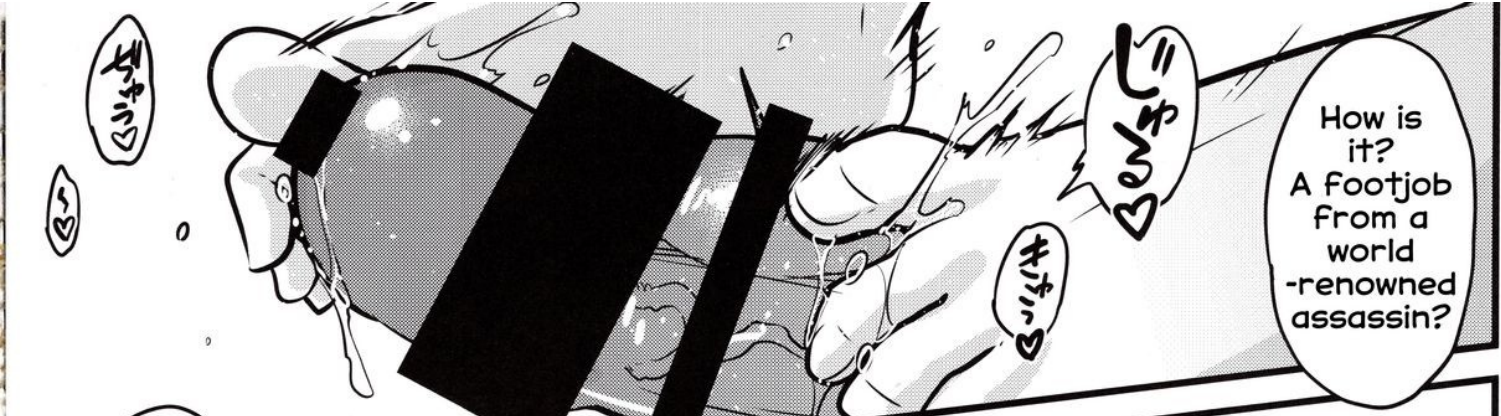

No no no! She's a serial sexual harasser!

Isn't it strange to bring her into the victim's bedroom and ask them to make up!?

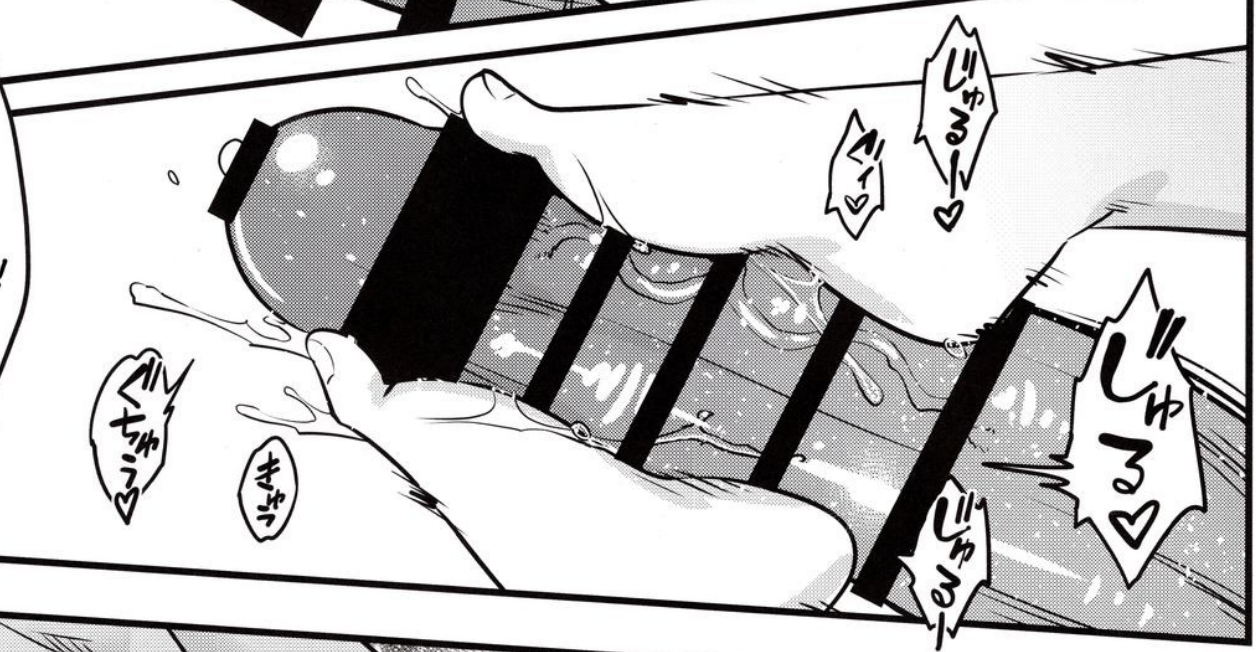

Well... Red-Eyes apologised already, so why don't you take this chance to make up with her?

How is it?  
A footjob from a world-renowned assassin?

This little pig's become so meek!

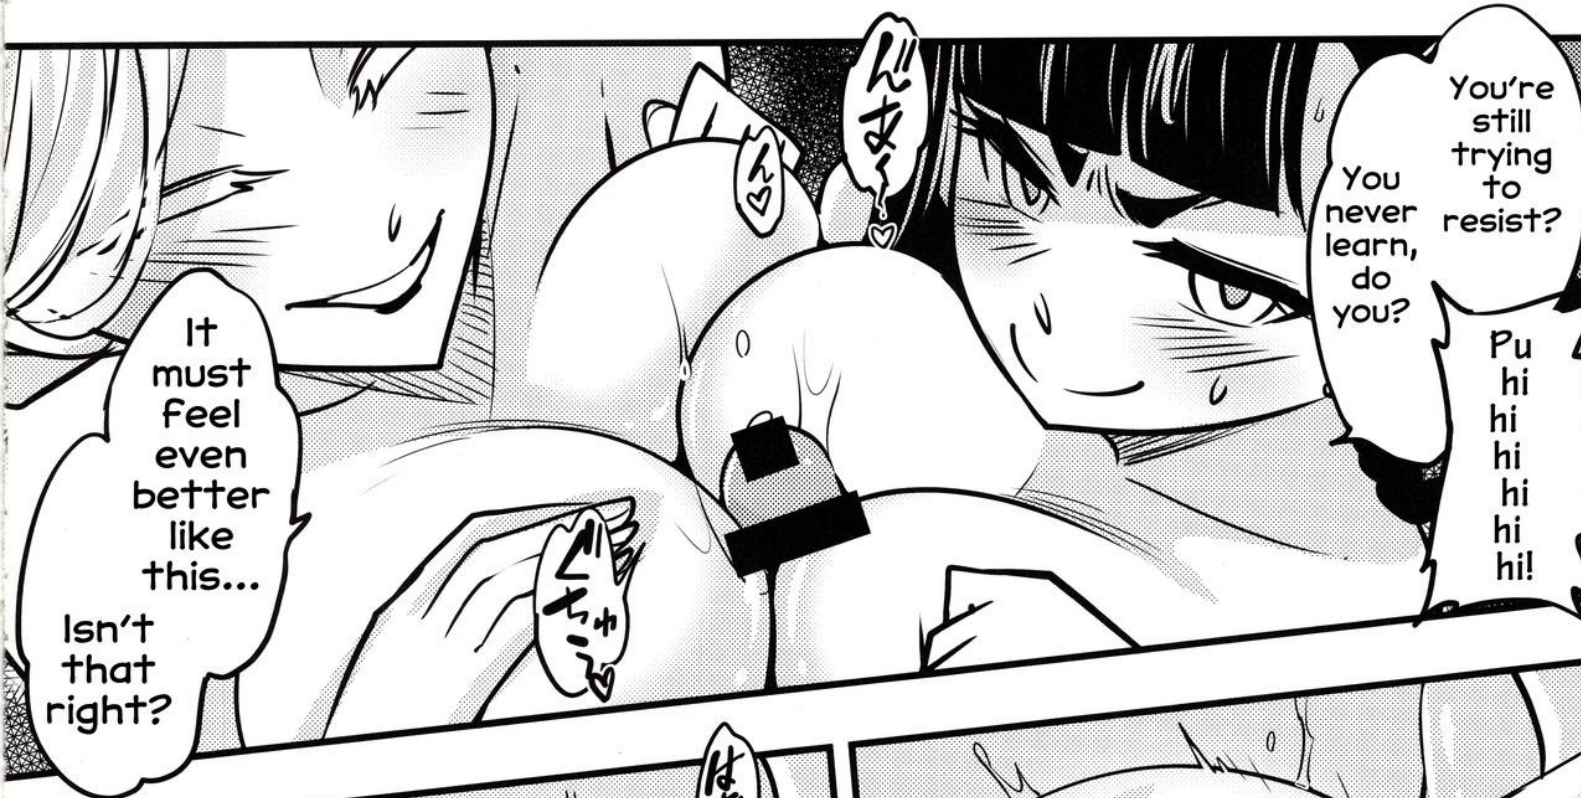

Finally, it's my win!

Aah, this is it ...  
Stepping all over the man who has defeated me so many times...

It feels so good!

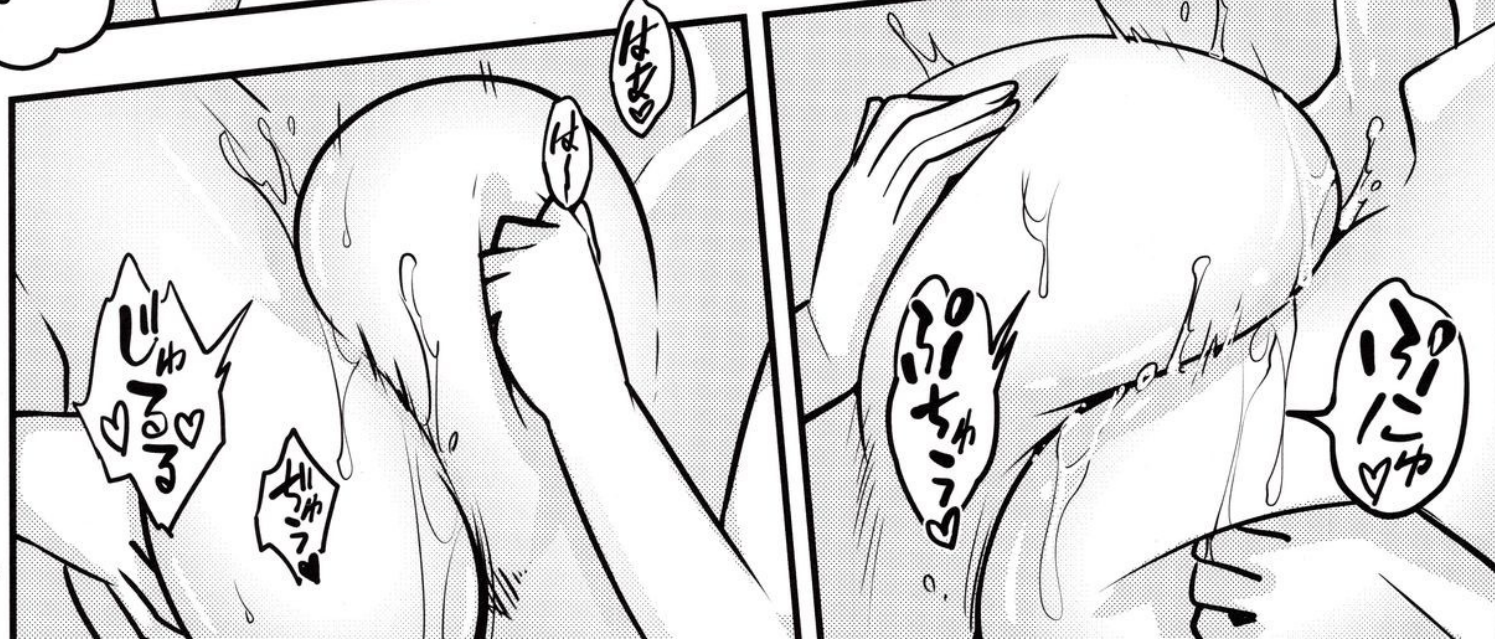

It must feel even better like this...

Isn't that right?

You never learn, do you?

You're still trying to resist?

Pu hi hi hi hi hi!

Coordinated Assault!!

How about this?

The Rakshasa and Yaksha's ...

I-I'm... going to...

This filthy pig's burning hot semen!

Nnaaaah!

It's decided!?

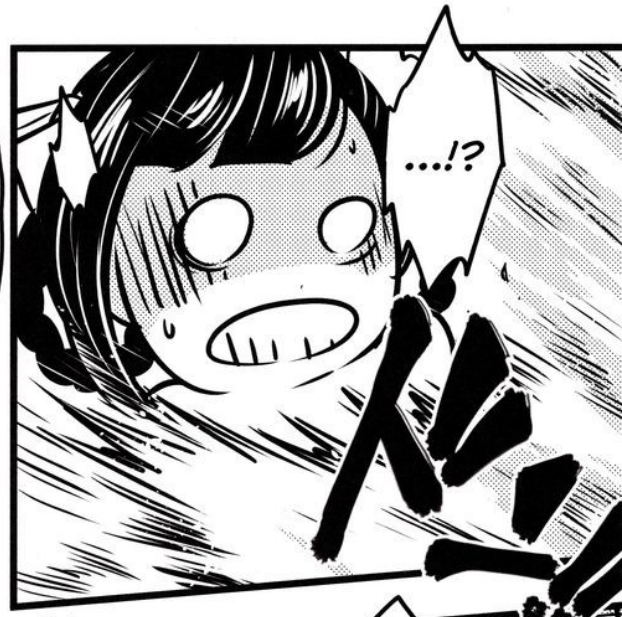

Ha...  
Haa...  
With  
this...

Going  
so far  
as to  
rape me,  
just because  
you were  
thinking  
"I want  
to win"!

Now  
I'm mad!  
Botan-chan,  
don't get  
carried  
away  
like that!

...!?

Red-Eyes!

Let's do  
one more  
joint  
attack  
and...

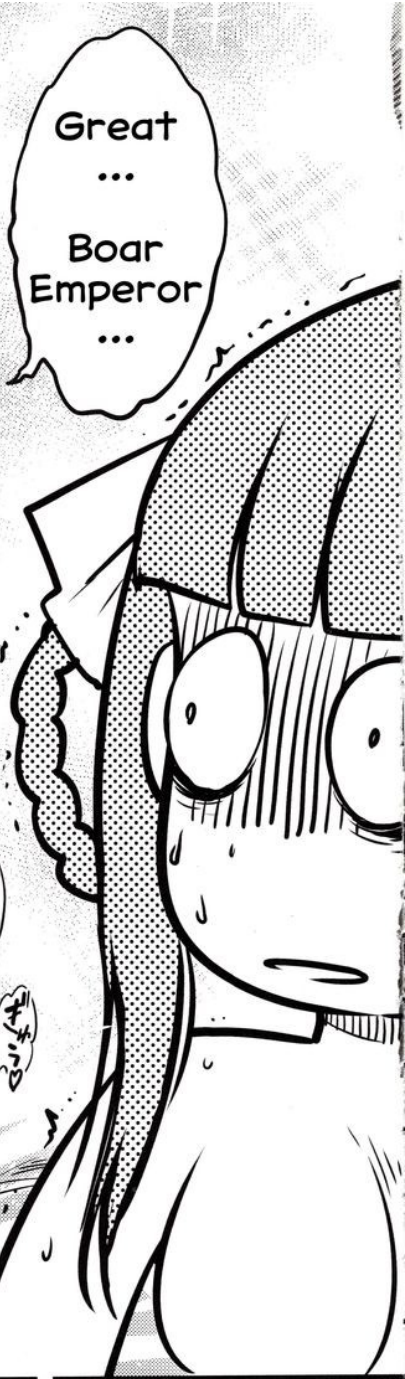

Hmm...  
Seems  
he's not  
so easy  
to  
defeat..

Huuuh!?

That's all it took to do her in!?

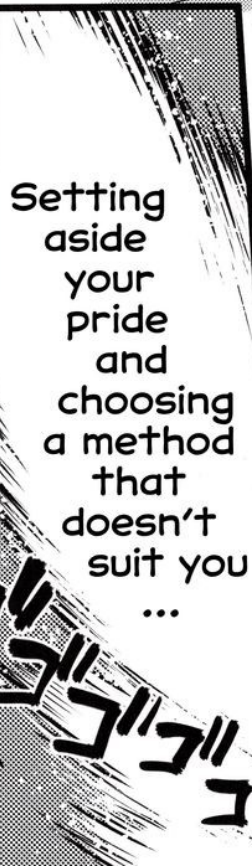

This damn masochist ...!

Great ...  
Boar Emperor ...

After all, Botan-chan...

Setting aside your pride and choosing a method that doesn't suit you ...

「お前、馬鹿だ!」

Led astray by that sow's taunting ...

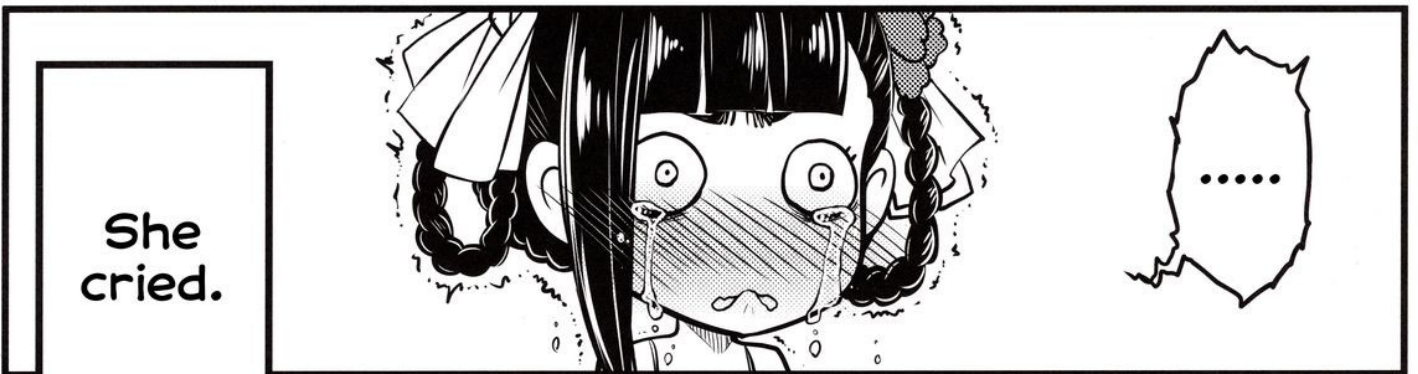

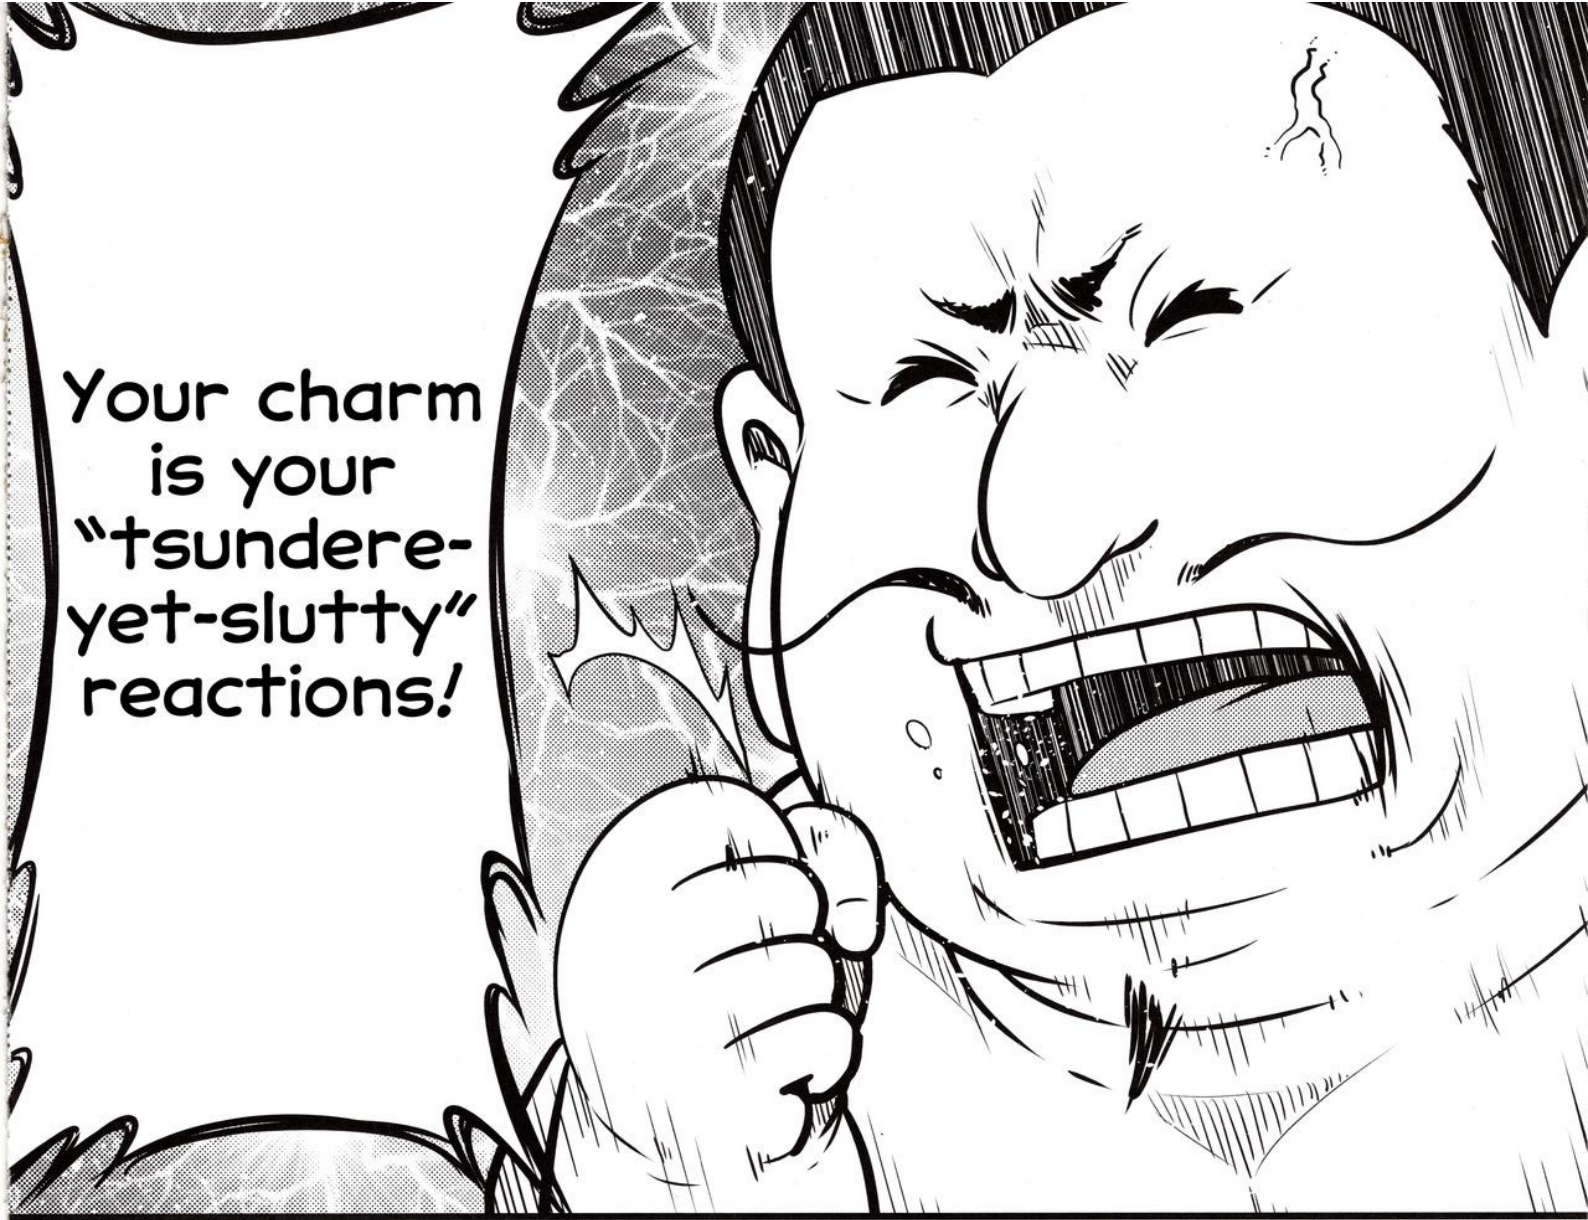

In the first place, the bedroom's no place for winning and losing.

"If I can't beat him alone, maybe the two of us can together?"  
What's with you?

That kind of thinking's for the weak and pathetic.

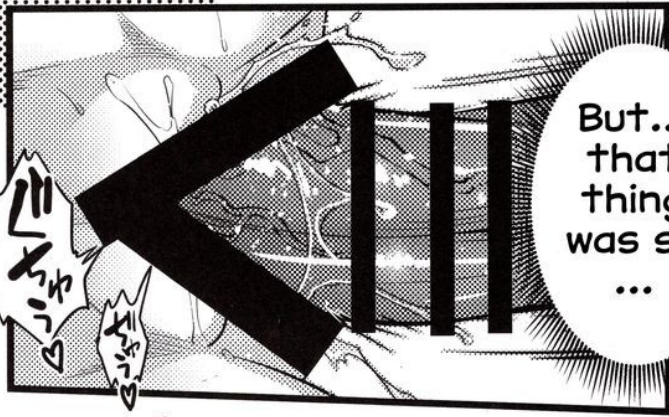

Your charm  
is your  
"tsundere-  
yet-slutty"  
reactions!

She  
cried.

After coming to her senses, she entered a state of self-loathing.

Uwaaaaah!!

But... that thing was so ...

Why did I do something so shameless ...

Nnhii-iiii-iiii!!!

You raped me just to make me do this, didn't you! You knew my patience would break eventually!

Hiii-fuiii-iii!!!

How's this, sow? This is what you wanted, isn't it?

This  
perverted  
woman!

At  
this  
rate,  
you  
really  
will  
become  
my  
toilet!

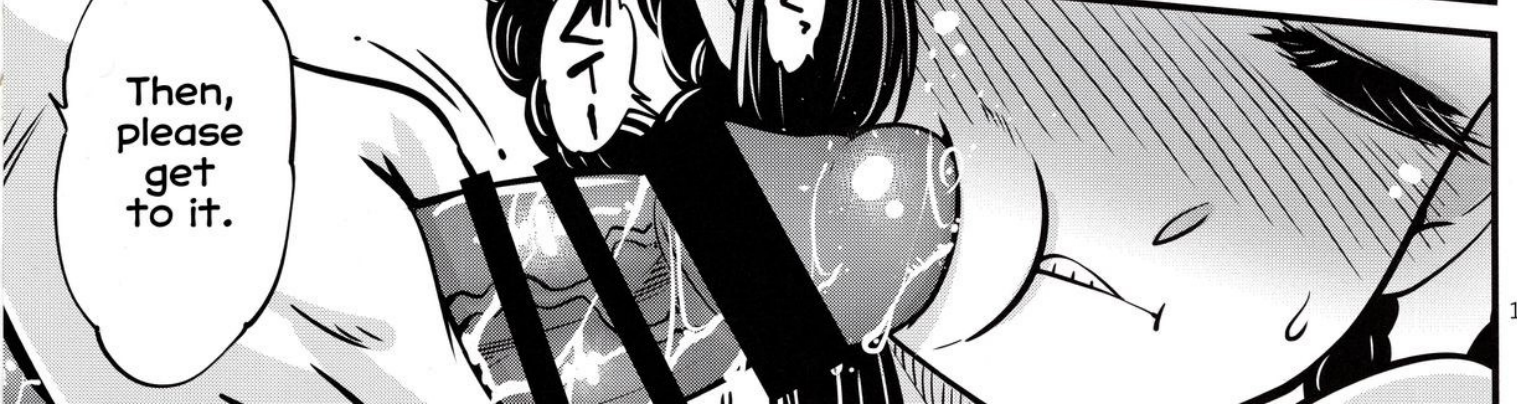

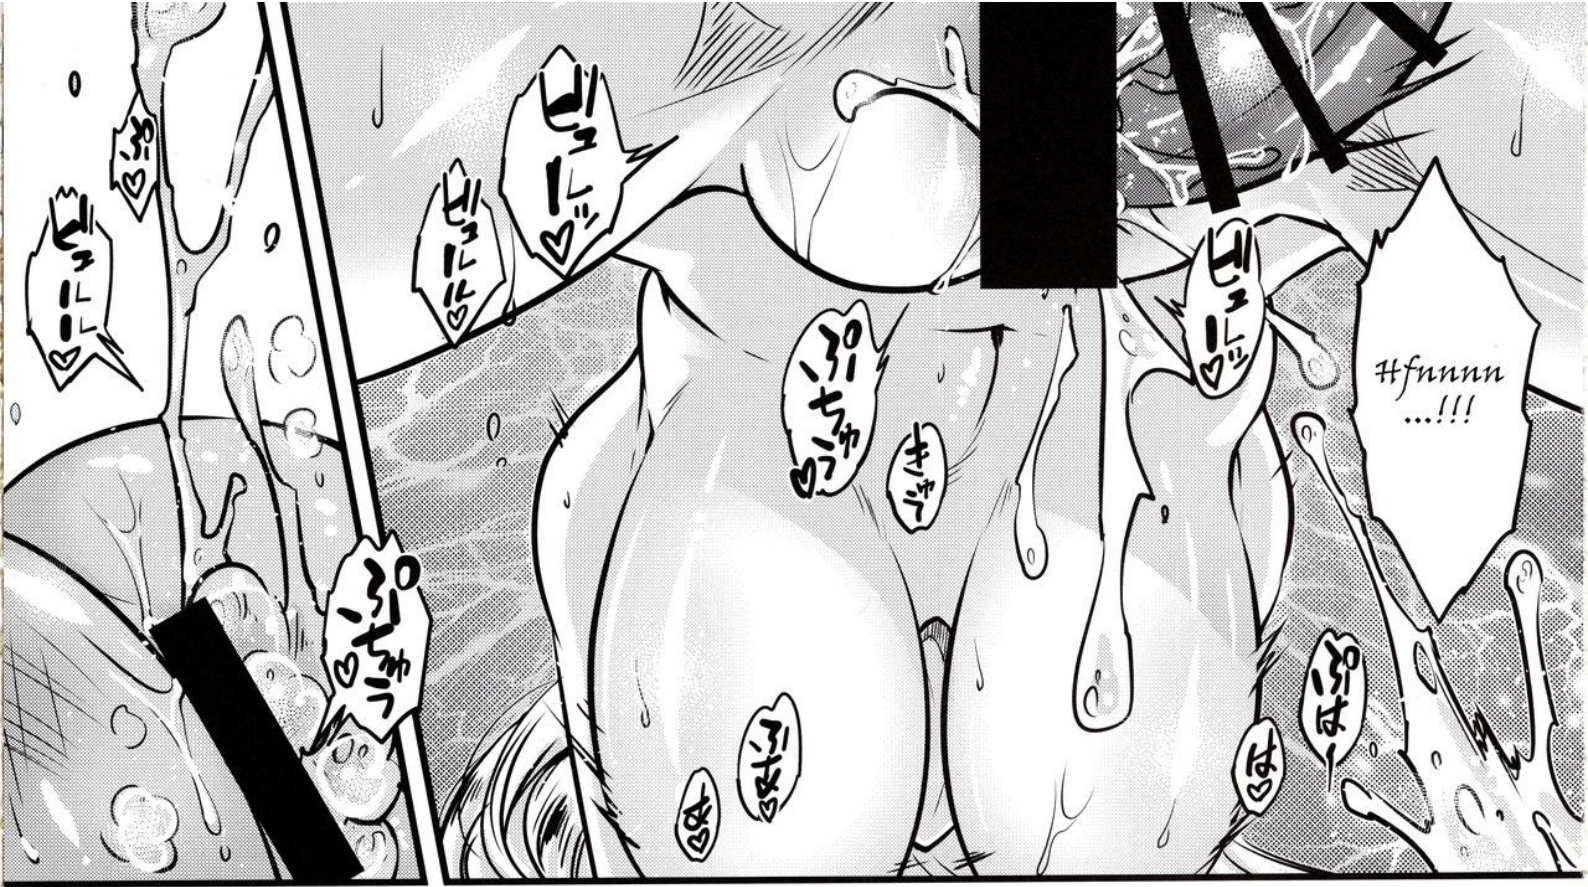

Is that  
what you  
want!?

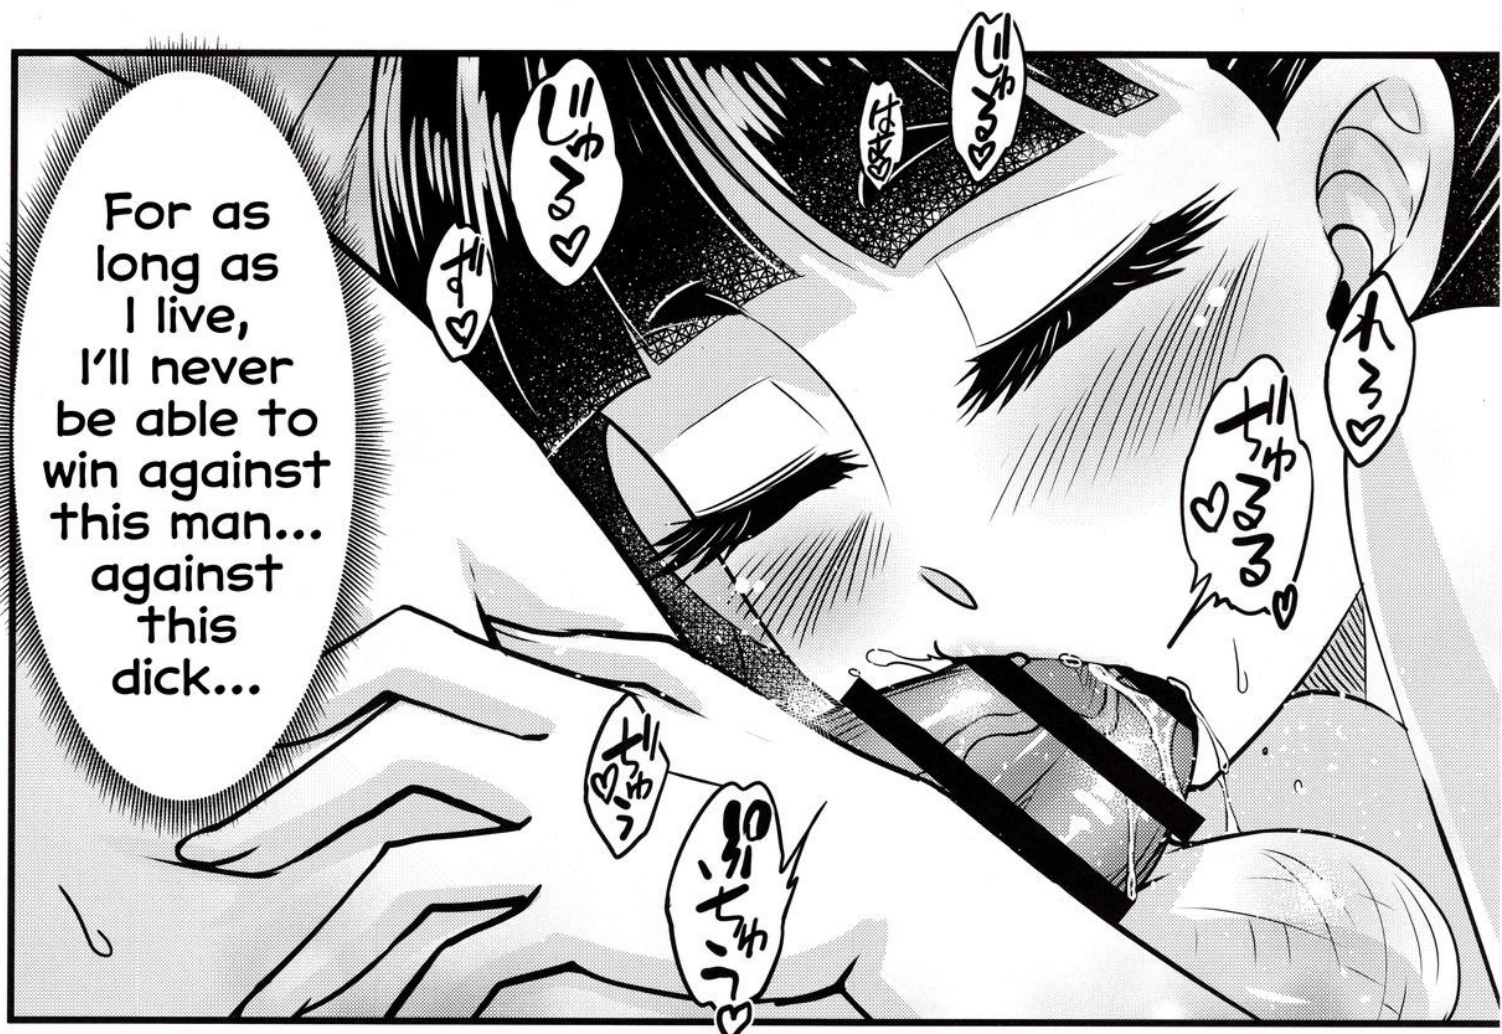

He's  
never  
done it  
like that  
with me  
before...

Does  
it make  
you happy  
when I  
slap  
your  
ass!?

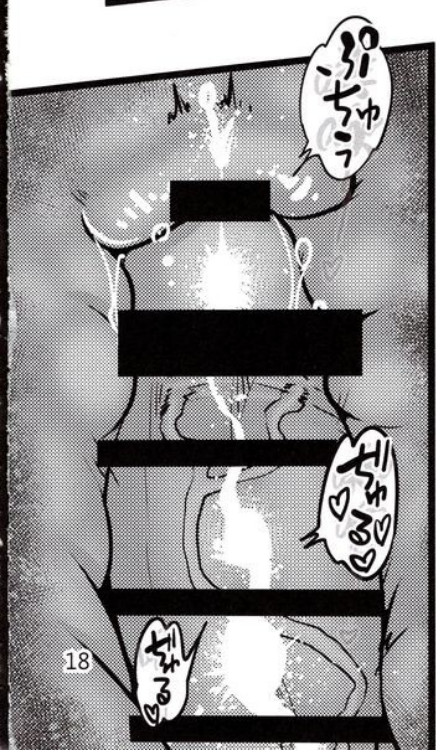

Could  
it really  
feel  
that  
good  
...?

Red  
-Eyes  
has  
reached  
a new  
level of  
obscenity!

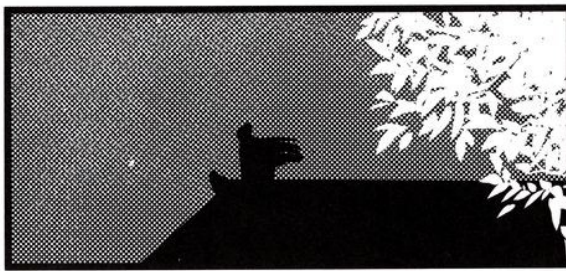

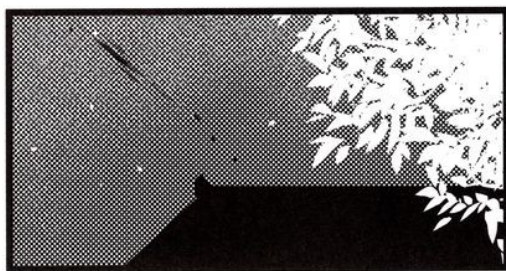

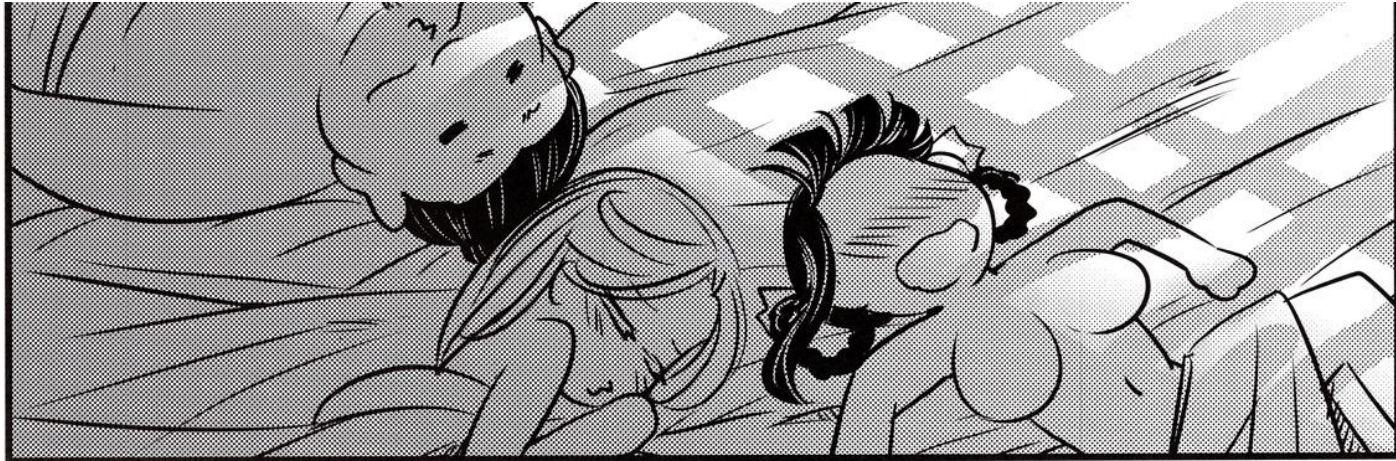

This must be the place...

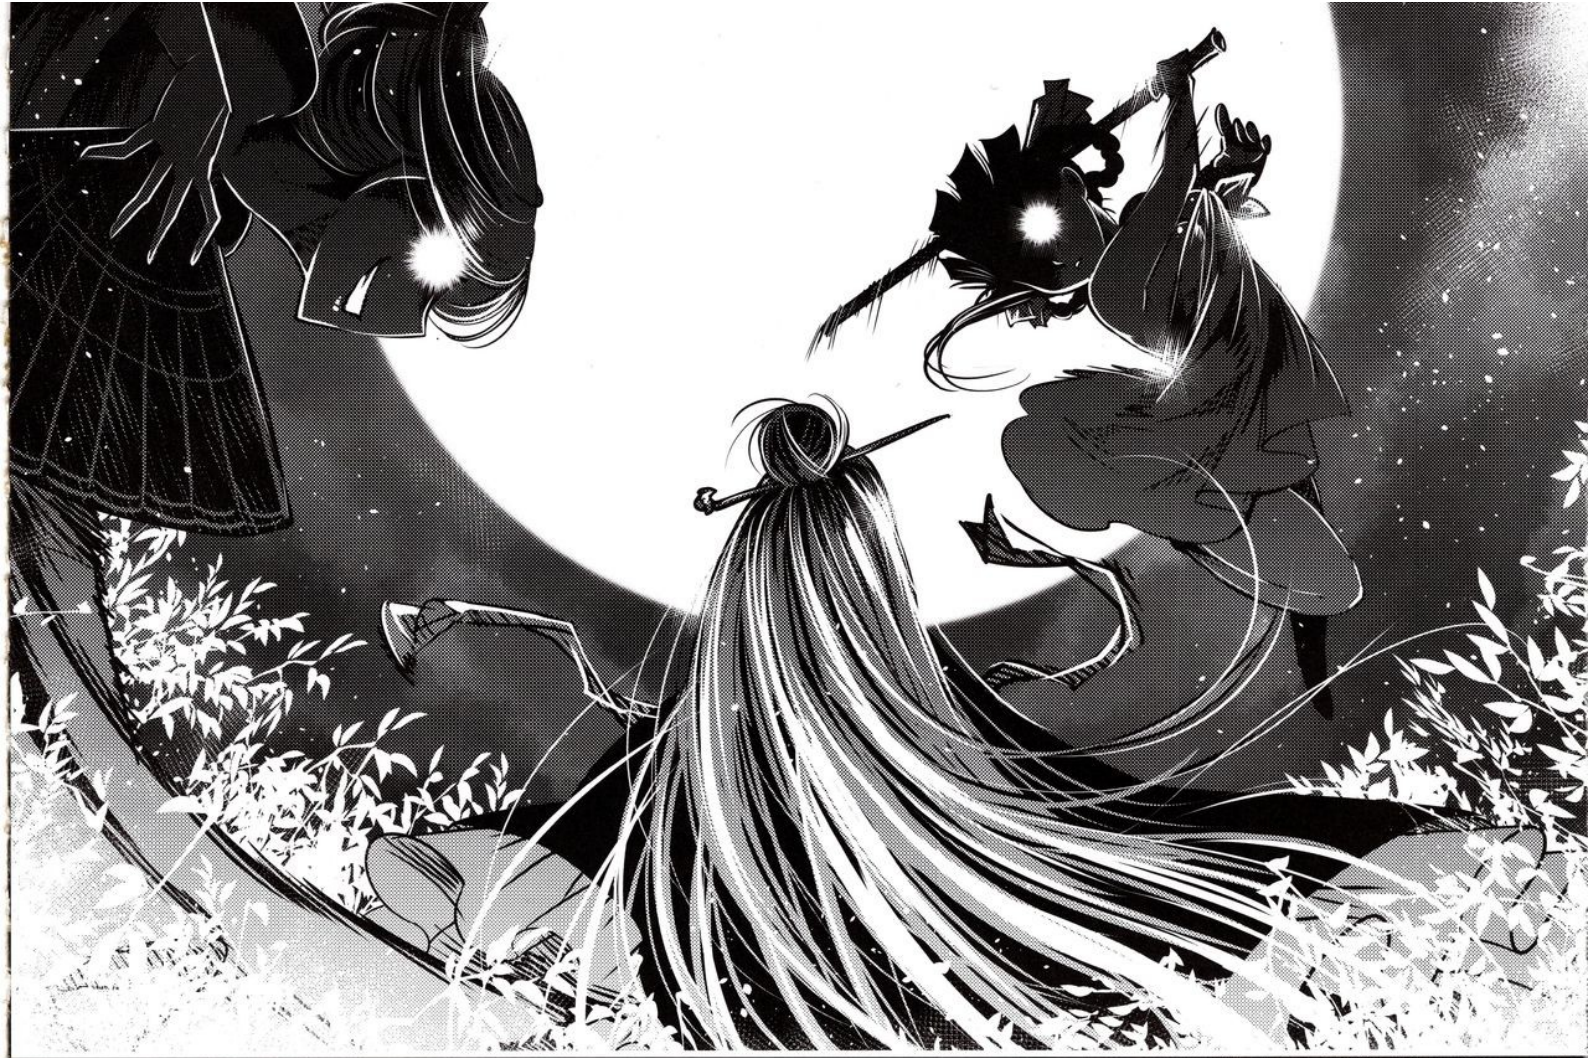

The lair of the rumoured Demon from Hell.

The Hyakkasou.

タッ!

Guwah!

Too simple.

Overcommitting to a single attack can leave you unprepared for unexpected circumstances!

A faint.

A weak-willed and indecisive attack can give your opponent an opening to counter!

Geh!

To think that rumours of your terrifying power and villainy have spread across the world, to the point that they've started calling you demons...

Over-confidence leads to recklessness.

Over-thinking leads to hesitation.

It can't be...  
That person...

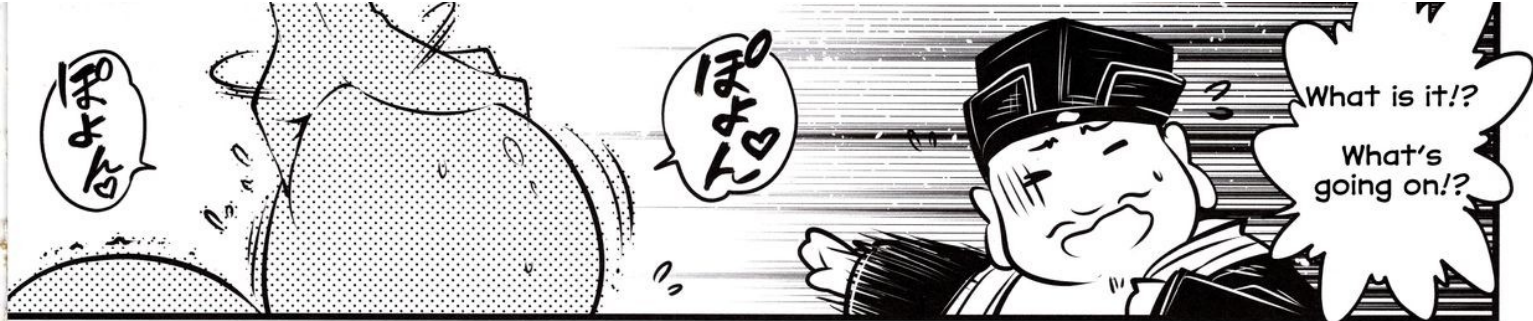

わわ!

Hiiiiiii!!!  
That hurts that hurts that hurts!!!

The only thing about you that's grown is your tits!

Really...  
If it was just your fighting ability that had atrophied, that would be one thing...  
But it seems your minds have rotted too!

Uwah ...!

ほよほ

ほよほ♡

What is it!?  
What's going on!?

Thanks for looking after my girls.

Hey!  
You must be the master, I assume?

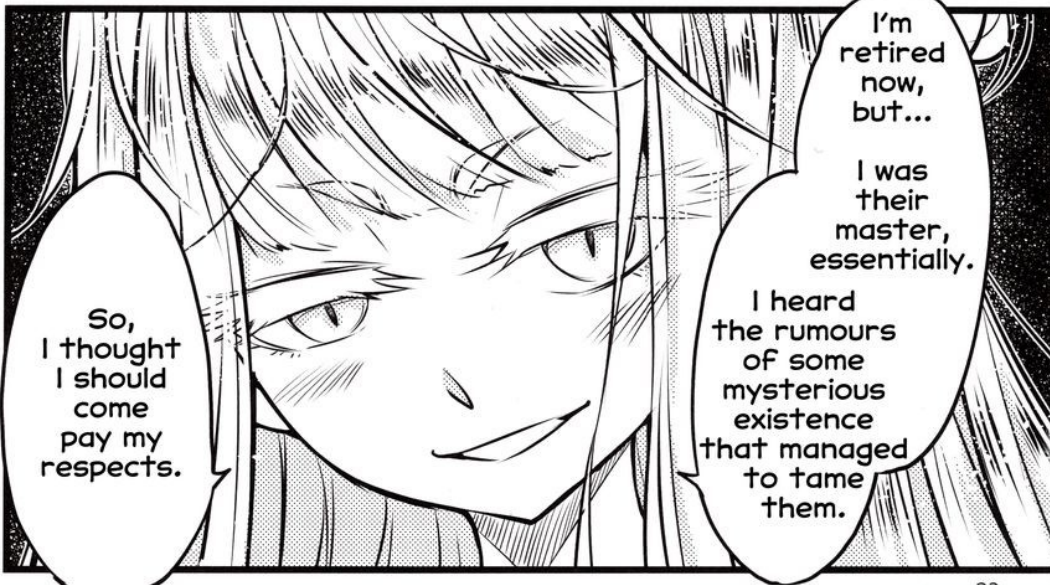

わわわ♡

次回！精風淫雨！！

Oh, is that all?  
Just a parent coming to visit their children at work...

END

So, I thought I should come pay my respects.

I'm retired now, but...  
I was their master, essentially.  
I heard the rumours of some mysterious existence that managed to tame them.

Next  
time,  
a  
bubbling  
power  
emerges!

力のバブル化が起こった!

Q:  
If even  
the  
Rakhasa  
and the  
Yaksha  
working  
together  
can't  
bring  
down  
the Boar  
Emperor,  
what can  
be done?

A:  
Call on  
someone  
even  
stronger  
than  
those  
two!
