# FOREWORD

Thank you for  
picking up this  
magazine! I'm  
Hanya.

Last time, we left off  
on a life-and-death  
situation which we will  
continue this time  
around. To be honest I  
kind of got ahead of  
myself with the plot.

I was [satisfied] at first  
but that [satisfaction]  
grew further away as  
time passed...

I then felt it was  
[lacking]. Truly I wasn't  
[satisfied] anymore.  
Contentment breeds  
complacency. It's with that  
mindset I dedicated myself  
to giving 120% every day!

...Am I getting my point  
across? Maybe I'm  
babbling.

I digress, please  
make your way  
to the main  
story of S3.

Sis-Sis!

My little brother who used to be so small,

I can't believe seeing my body would give him such a huge boner...!

Maybe it's because he's drunk,

I know my body isn't lacking in charm or sex-appeal but it isn't normal to look at one's older sister with such a lustful gaze.

Still, it's just a reaction. It's not like he actually...

That cute little brother who grew into such a fine man is looking at my body...

IT'S TIME  
TO SHOW  
ONEE-SAN A  
WORLD OF  
PLEASURE!

Uh...  
Hah!

Hnn!

Kuh!

Ah...

I WAS  
CAUGHT UP  
IN MY OWN  
FEELINGS AND  
PRETENDED  
NOT TO  
NOTICE I WAS  
CLINGING TO  
YOU TOO  
HARD...

AND I KEPT  
MAKING  
EXCUSES  
TRYING TO  
SHIFT THE  
BLAME!  
I'VE BEEN A  
HORRIBLE  
OLDER-  
SISTER!

...IT'S

SAID!

...AND YET,  
HERE YOU

GIVING ME  
MY FIRST

THANK

# AFTERWORD

- A smiling Inko-chan trying to reunite Onii-san and Big-Sis really shows off how strong and kind of heart she is... I'm realizing I don't show this side of her enough. ➡
- While in the midst of character construction and plot construction I've had to ask myself [Is this the sort of story I want?] I wonder about things such as [Does this dialogue suit her?] or [Is this a good reaction for him?]. I can't help but keep second-guessing myself. Inko-chan's constantly twinkling eyes and positivity help keep me steady. I've told myself [Jeez... just go with it...] when I decided to have our pair of siblings give into lust with each other. But maybe that was a bad move considering they're siblings? So much second-guessing. As expected these comics really should just focus more on Inko-chan having fun. Recent story developments have convinced me of this.
- I wanted to draw Inko-chan with a pony-tail ➡ But these works are so small I wasn't able to fit it into the story. I drew it anyway. Normally when Inko-chan cooks I like to put her in a naked-apron but since Big-Sis was here I felt it would be inappropriate. Naturally it goes without saying that she was still going commando.
