FOREWORD

Despite this being called Nightcrawler Inko-chan, today's main star will be Big-Sis.

Thank you for picking up this magazine!
I'm Hanya.

Inko-chan is my personal wish fulfillment girl that's meant to instill a sense of [I wish I had a girl like her.]

I want Big-Sis to instill a sense of [I wish I had an older-sister like her.] Though it's subjective if a sister whose main trait is her overwhelming little-brother complex is a good character. [To be honest it might not be the kind of thing you should want in real life...]

It occurs to me that some may not have picked up on Big-Sis' overwhelming charm yet, I aim to rectify that this time for sure.

...Do you wanna see?

Are you so eager to fall in love with Big-Sis(?)

← Then please make your way to the main story!

AFTERWORD

- So everyone, do you consider Big-Sis to be the ideal older-sister? From the start that's the kind of sister I've wanted to craft. I made her beautiful, diligent, and kind-hearted. I made her stylish with large breasts... and most importantly of all I gave her a [Little-Brother Complex]. With all these characteristics I hoped to craft an ideal female character. And lastly (I made her to contrast with Inko-chan), it was an effective way to highlight her shortcomings. After all, shortcomings are part of any girl's main charm! I feel I've done her justice with S2-S4. However I still plan on continuing the "S" chapters, I'm not done trying to craft the ideal older-sister! ...Though I'm not sure how well I'm doing so far. Hopefully she's someone's ideal type.

- The end of 2018 is approaching. I don't plan on going to the next Comiket. I need to be focusing on finishing up some manuscripts I'm working on. Though I imagine most my time near the end of the year will be spent playing Pokemon and Dragon Quest Builders 2. This year my Doujin group was able to put out a total of 7 Doujinshi. It'd be nice if we could put out as many next year. I hope you'll enjoy what we release! I look forward to seeing you in 2019!
