Did you really think you could defeat me?

...THE MATCH IS OVER!!

Heh... Filthy half-blood.

Long ago, the Legendary Sorcerer Souther said...

THE WINNER OF THIS YEAR'S GRAND MAGIC TOURNAMENT IS...

UNBELIEVABLY, THE FIRST-YEAR FRESHMAN, ELIOTT~~~!!

Naturally.

"Chastity and Pure Blood"

Those were the only conditions required to become a Great Sorcerer.

Good Job Elliott!

So cool~!

For his prize, the winner will be granted the right to a "Summon".

Elliott, please come forward.

Oooh...

And this first year's Magical Power is insanely high... I wonder what he'll end up summoning...

Who the hell are you?

Last year, the winner summoned a six-armed Demon, and they say someone even summoned a Dragon, once.

What's summoned during this ceremony depends on the Sorcerer's strength.

Huh?

Now then, what sort of creature is he going to summon?

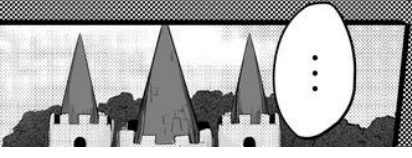

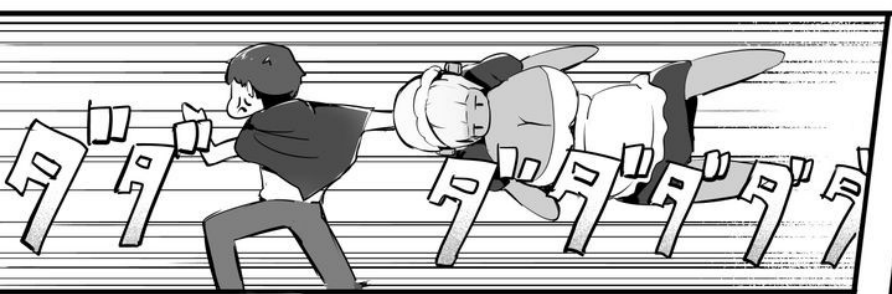

Come forth!!

My Loyal Familiar!!

Answer my call...

And now...

That night...

GANYA

!

...What, you're still cleaning?

Tch...
You really can't do anything without being told, huh?

Still, her body's way too erotic...

アハハ

Everything about her is just way too damn big...

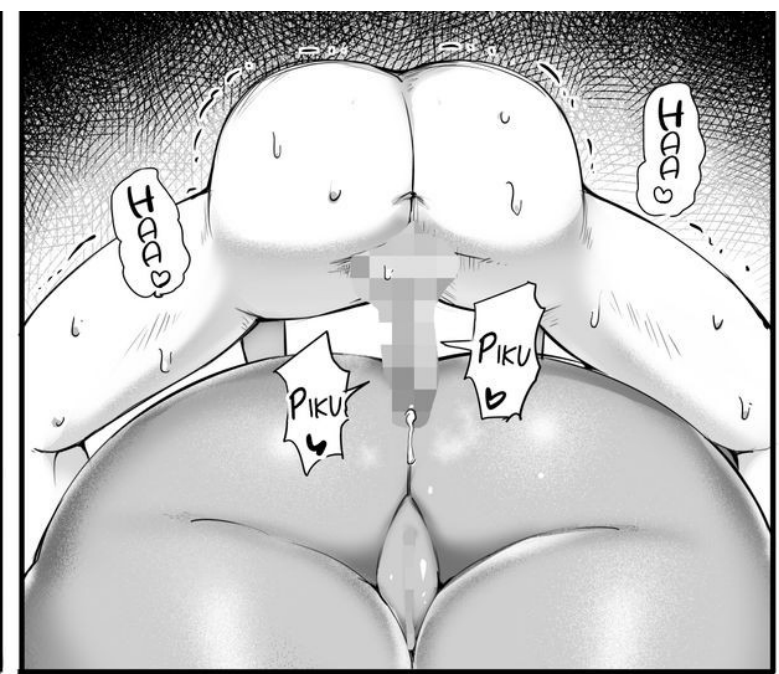

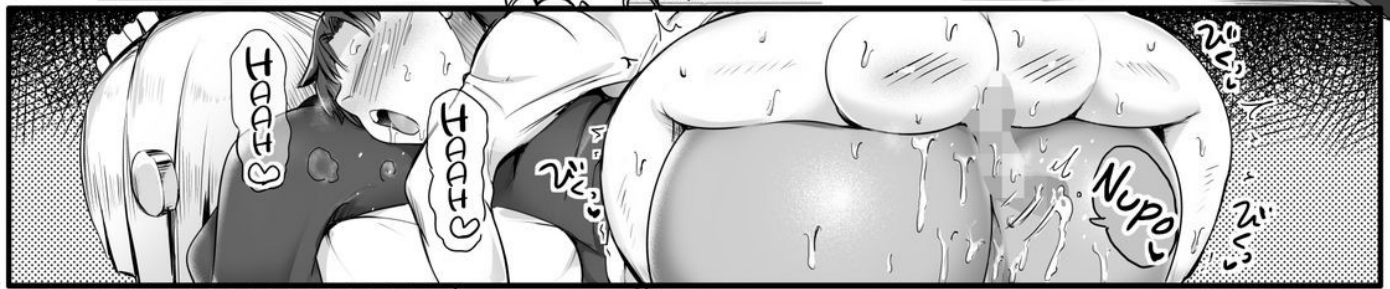

Goshujin-sama?

~Practical Magic Class~

Everyone, please pay close attention to Elliott's example!

Today, our top student, Elliott, will be giving us a demonstration!

Yes Ma'am!

At this time, he only felt a slight unease.

Huh? Wasn't that a little weaker than usual...?

Must be my imagination...

But...

The Tournament Champion's not to be taken lightly, huh...

Ooooh~ As expected of Elliott!

So Cool

I'm going to drain both your stupid semen and your Magic Power.

Your wee-wee's worth less than a piece of trash♥

My strength... is leaving me...♥

Just had to use her p*ssy to take away all my Magic Power~~~!!!

PLEASE FORGIVE ME

This is... A joke, right!?

She's stealing it... She's sucking it all out...!!

This stupid Scrap-Golem, whose only redeeming trait is her body...

Shoot out all your stupid semen for me~♥

Now, the Master-Slave relationship has been reversed.

PEW~♥

He was always looking down on everyone, so maybe that will teach him a lesson.

Hahaha...

Hasn't he been slacking off ever since he summoned "that thing"?

That's right, I haven't seen him around at all recently...

Seems like Elliott's been missing a few lectures lately.

...Did you hear?

~Baby Contract~

In exchange for this pleasure, his body will become more and more sensitive, until he's in a constant state of arousal.

This contract allows the "Baby" to cum from the tiniest amount of stimulation, so long as it's given by his "Mommy".

Oh my, again?

Such a hopeless boy ♡

Aaah~ Mommy... ♡

Let me go ♡ I'm gonna leak again... ♡♡

BIKU

BIKU

AGUUUUA

Even when she cleans...

Before long, he'll be unable to live without his Golem-Mommy...

He becomes weaker and weaker, as his whole body turns into an erogenous zone.

As he continues to lose to her soft butt and breasts...

He leaks, stuck in his Mommy's breasts...

Hih
