Afterword

This is Takamiya.

Thank you very much for buying "Emuken 2 Danshi Yonin Warikan Ecchi!" on this occasion.

The four boys from my previous work meet again and do various things. How did you like it? This time it wasn't an examination, so I was able to focus on the interactions between the four boys and drew a lot of that. However, I was uncertain all the way till the end whether I should make them have sex for real. I thought it would have been fine to just have them go with the large sex sleeve till the end, but since I had kind of established hints of the pairings (Shuuta X Yuusuke) (Haruki X Manato) in my previous work, I ended up having them do it for real.

Personally I think that the (Haruki X Manato) pairing has more potential depth to it, whereas the (Shuuta X Yuusuke) pair's chances as lovers or in dating are, well... That's the vibe I get. But it's just a feeling so I don't know how things would turn out if they actually started going out.

Now then, I look forward to your continued support should there be a next time.
