My feelings

toward Sensei are...

DOES IT LOOK NICE?

HAJIME-CHAN,

THIS IS SEN-SEI'S ASS HOLE.

Without even a speck of interest in the vagina right in front of my eyes, I found my breathe taken away by the part of her connected to the dildo.

Ah!

Sensei had become one with the dildo.

After taking in a dildo with a width of 6 cm and a length of 25 cm,

First period; the enema.

VERY GOOD.

AS A RE-WARD, I'LL SHOW YOU

U-USE BETWEEN 50 AND 100 ML NORM-ALLY, UNDER-STAND?

UNLESS YOU'RE AIMING FOR THAT KIND OF KINKY PLAY, A LARGE WATER ENEMA ONLY RUINS YOUR RHY-THM.

You must lube your fingers up well.

Lubing up your anus itself is also effective.

Second period; loosening the anus.

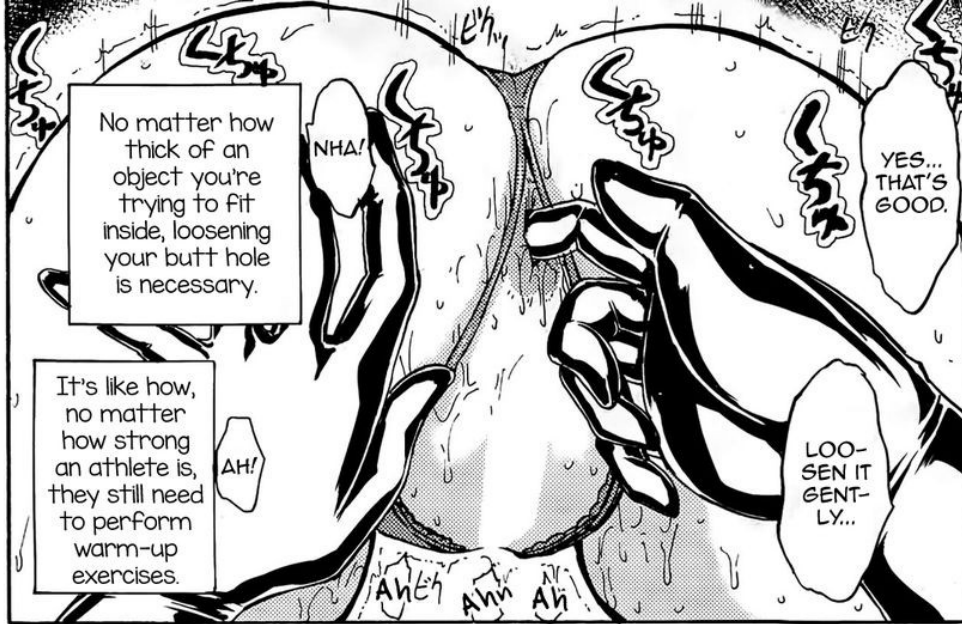

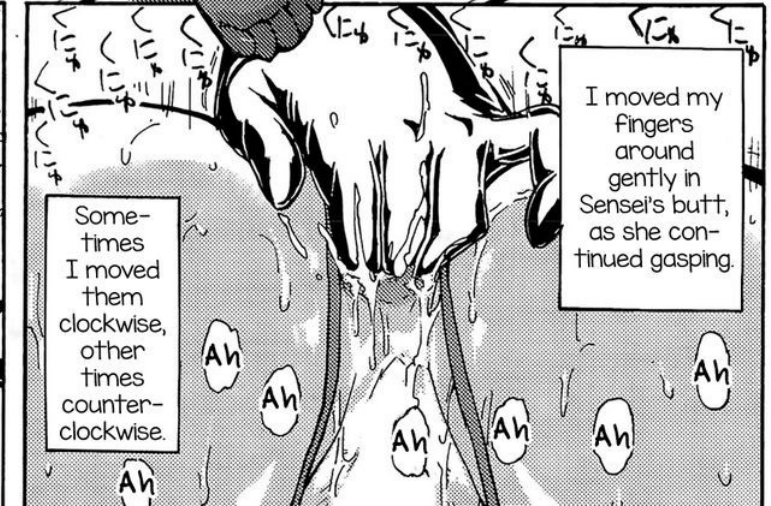

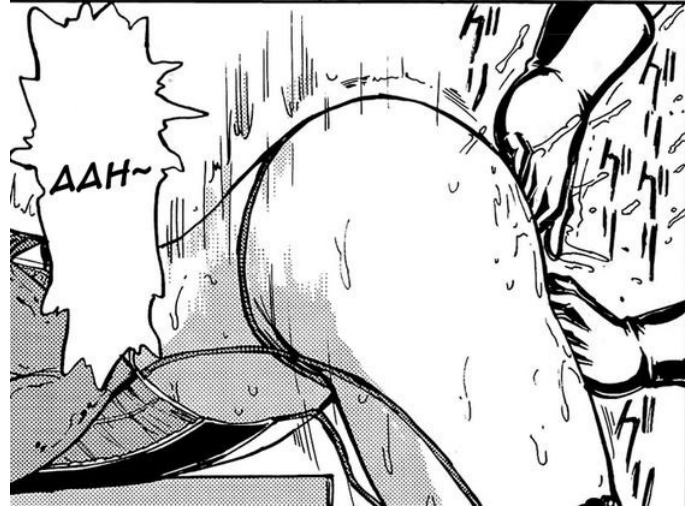

It feels good...

IS INSIDE ME...

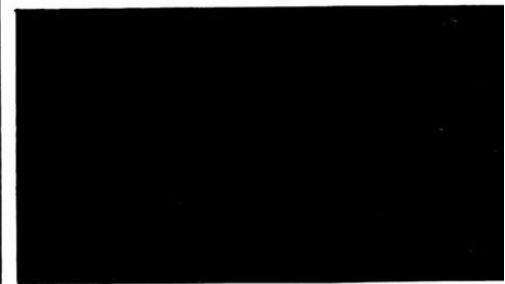

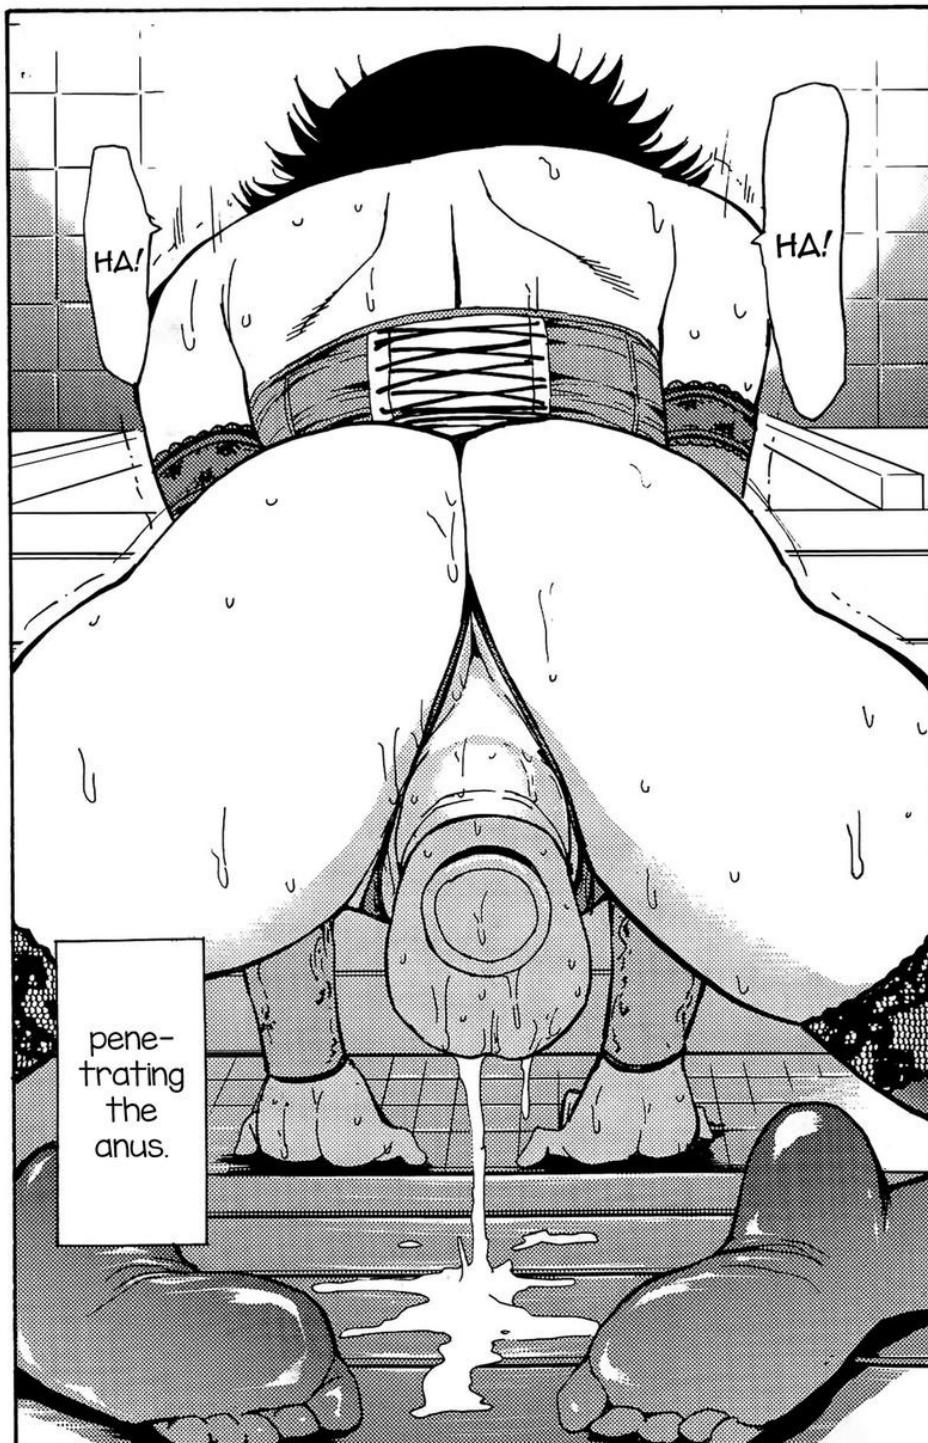

HA-JIME-CHAN'S FINGER...

Sometimes I moved them clockwise, other times counter-clockwise.

I moved my fingers around gently in Sensei's butt, as she continued gasping.

IT'S
SO

IT?

COULD
NEVER

Sensei, bending herself back-wards,

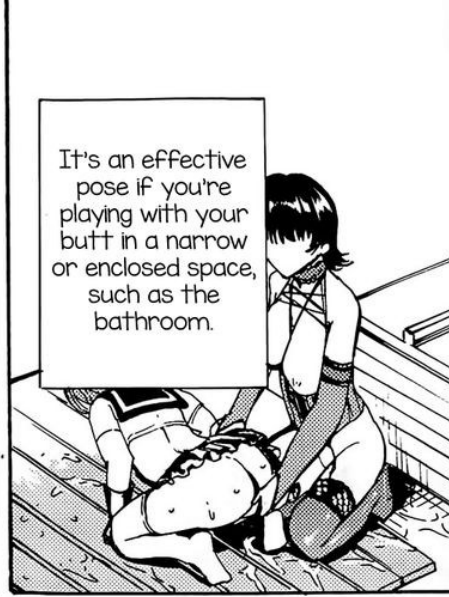

If you're doing it alone, you may crouch while leaning against a wall.

Doing this for long periods of time will make your legs go numb. Be sure to do the occasional stretch.

In a wider space, you can lie down on your side.

It's an effective pose if you're playing with your butt in a narrow or enclosed space, such as the bathroom.

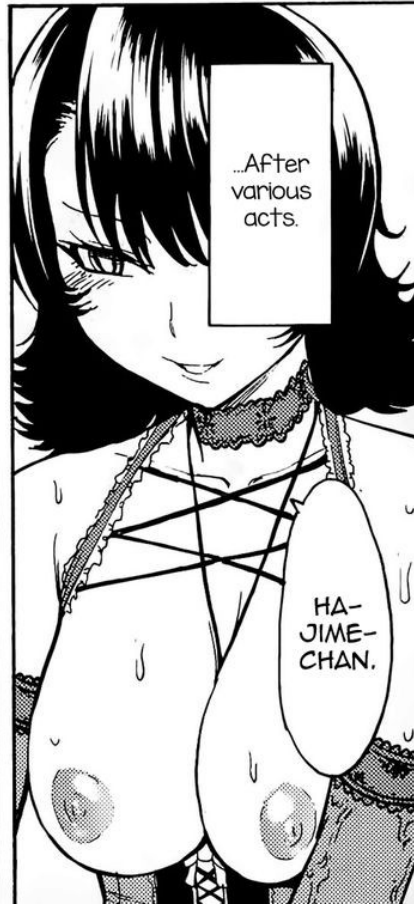

but these stools are good for frontal washing, but not good for loosening the butt.

Perhaps because the flesh on your butt puts pressure against your anus,

Surprisingly, these shower stools with a u-shaped hole in the middle are not good for anal play.

Having my butt and dick both orgasm at the same time

sent a piercing pleasure up my body so intense that it could've killed me.

APPARENTLY THIS CAN'T EVEN COMPARE TO THE PLEASURE OF A DRY ORGASM.

What in the world is a dry orgasm like...?

A DRY ORGASM IS EVEN BETTER?

THAT WAS ALREADY SO GOOD...

...NO WAY...

Because you don't ejaculate during a dry orgasm, you can continue orgasming for a long time, or have multiple orgasms in a short time period.

Dry orgasm.

It mainly refers to an orgasm achieved by stimulating the prostate.

The entire body convulses, and, with limitless fluid leaking out of every hole, you go insane with the pleasure.

The pleasure doesn't compare to an ejaculation.

In Japan, it's known as an "enemagura", but that's a term specific to Japan.

Globally, it's generally referred to as an "Aneros."

It's called an Aneros.

Comments: Nice, lengthy story from a popular artist. It would've been better without the lightsabers, but oh well. There were quite a few instances with long words (in English) in narrow bubbles, so I did some verticle text bubbles despite the fact that I don't usually like doing so. Better than breaking every other letter in a word.
