竿つきハニーと同居生活

6話

What is with you?! I've had enough of this!!

You're always screwing around with random women!

You don't stop to think about how I feel at all, do you?!

I don't care anymore!

I'm sure there's a more suitable woman for you out there somewhere, right, Ken-chan!?

W-wait, Riri!!

Go!!

Are there that many women that are more attractive than me...? What am I supposed to do about that?

Why won't he realize how I feel...

If I were to get rid of this chest, I could always marry a woman and live a normal life...

Women...?

This is a boy's school, you know?

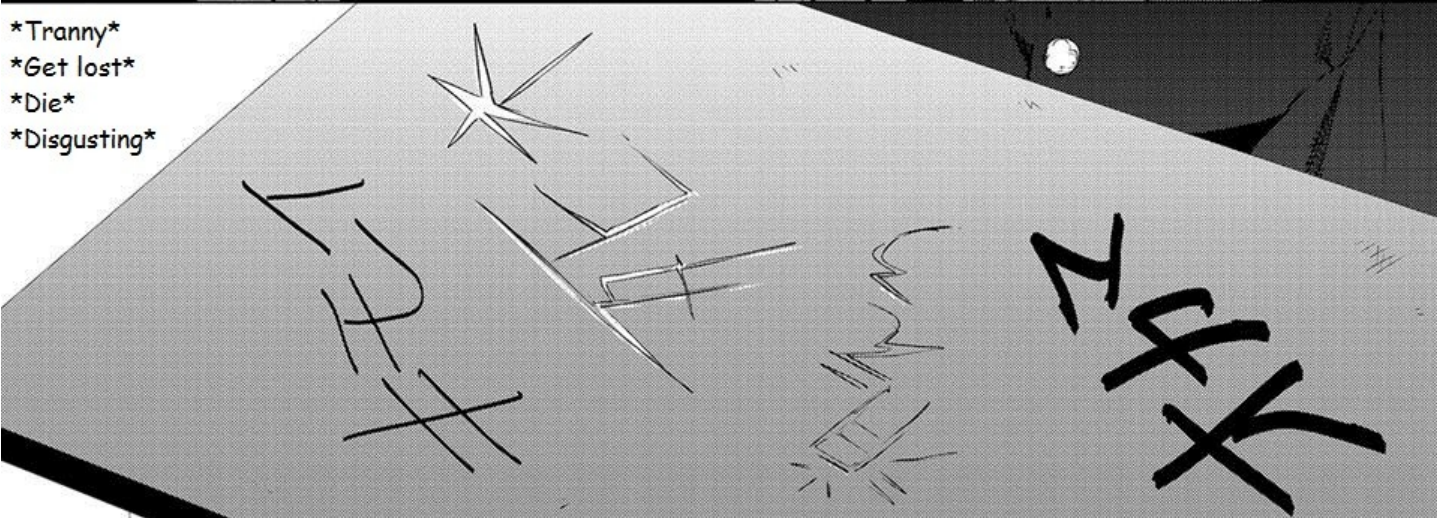

He's gross.

He's totally weak and delicate like a girl at least.

Yeah, this guy is a tranny for sure.

Go back to being a man...

Tranny
Get lost
Die
Disgusting

Huh? Hey lady, are you all by your lonesome?

Just the thought of going back to that...

No!! I can't do that... Any thing but that...

I wonder if those things weigh as much as cantaloupes.

And her tits are huge, too! Hey, what cup are you, lady?

Eh?

Oooh~ Aren't you quite a beauty.

That's what I was saying, idiot! lol

I'd say these are water melons!

Kyaa!

What do you mean? I'm just trying to weigh these things, for science, of course!

Spot on, I'd say. Those are def melons, LOL

N-no, sto-!

W-what are you... H-hey...!

I can't
escape!!
I just can't
shake them
off!

You must
get stiff
shoulders
with these
puppies.

Am I
right,
lady?

I
had no idea
I was this
pathetically
weak...

Are you
listening!?
I told
you to
stop!!

Well
then, why
don't I check
what kind of
fruit she's
working with
down there.

Down
there!?

**DON'T
TOUCH
ME!!**

Get
your
hands
off
me!!

St-
STOP!!

WOAH!!

Whaa-
No
way...

It's a man!!
I'm telling
you it's a
tranny!!

What?

This
bitch is
packing!!

What's
up?

I
knew
it...

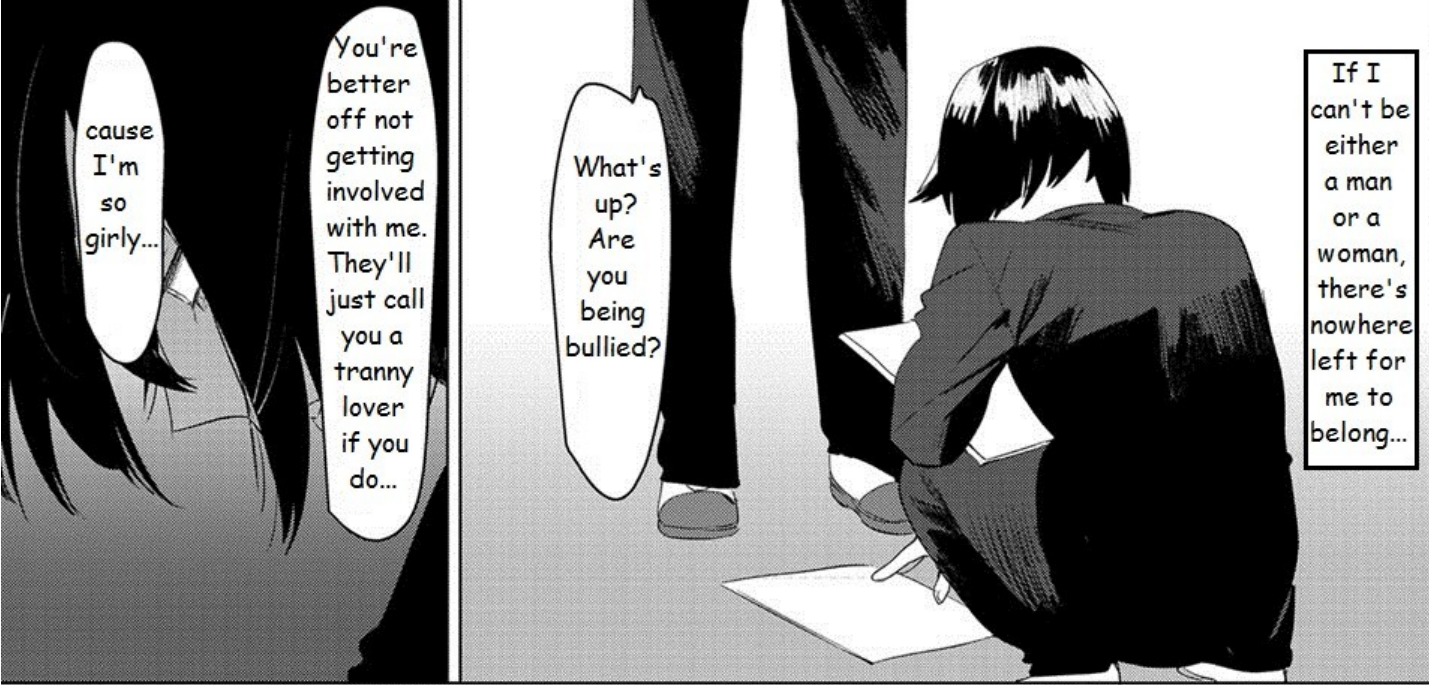

Makes
me
sick.
lol

Trannies
are no
good.

I even
touched
him...

Had I
known from
the start
I wouldn't
have
bothered...

cause I'm so girly...

You're better off not getting involved with me. They'll just call you a tranny lover if you do...

What's up? Are you being bullied?

If I can't be either a man or a woman, there's nowhere left for me to belong...

Hmmm. That doesn't particularly bother me, though.

I like that about you.

Besides, you're way cuter than any girl I've seen.

Eh!?

Ah...

Ken-
chan...

That's
right. Back
then, Ken-
chan gave
me the
courage
to change
as much
as I have
till now...

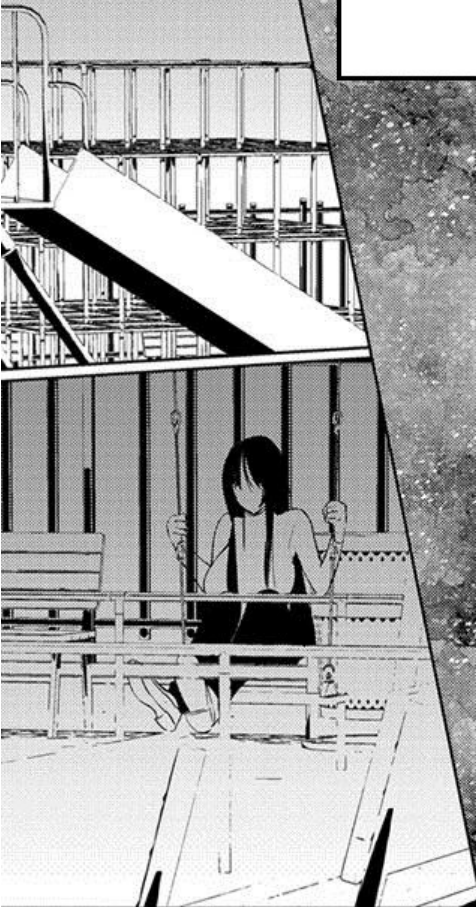

and
yet...

Ken-chan has
accepted
trans-girls
like me
without
any kind of
discrimination
in his heart...

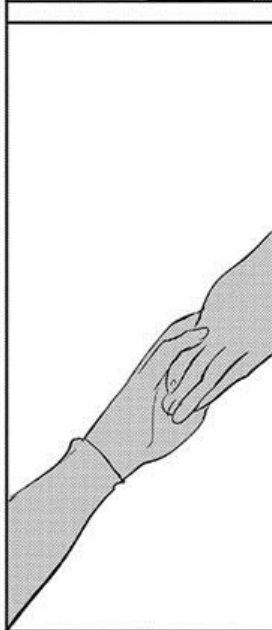

The
only
one
that
doesn't
under-
stand
anything
is me...

I
didn't
even
notice
that
kindness

Yo,
beautiful,
are you
all by
your
self?

Even
after all
those things
I said...
You really
are too
kind,
Ken-chan...

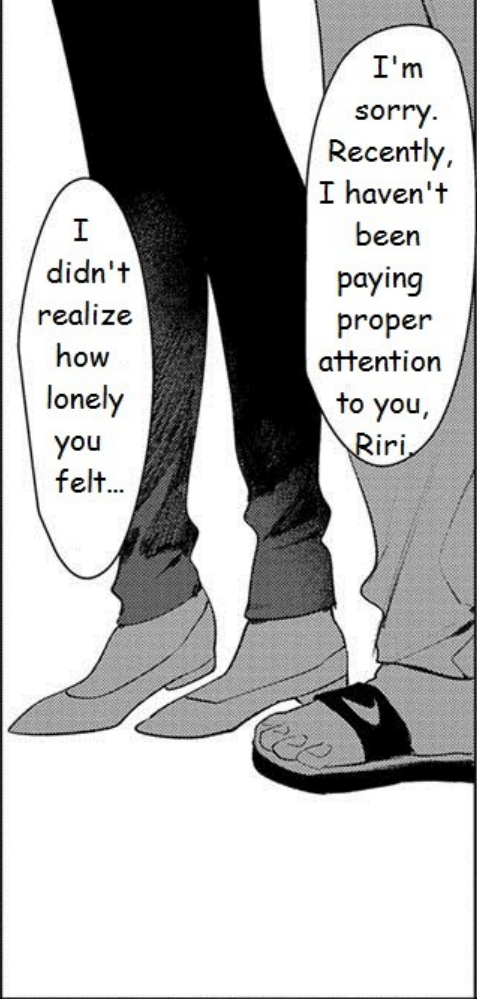

Some
how...
I knew
you'd
come
for me,
Ken-chan.

It's
cold
out.
Let's
go
home,
Riri.

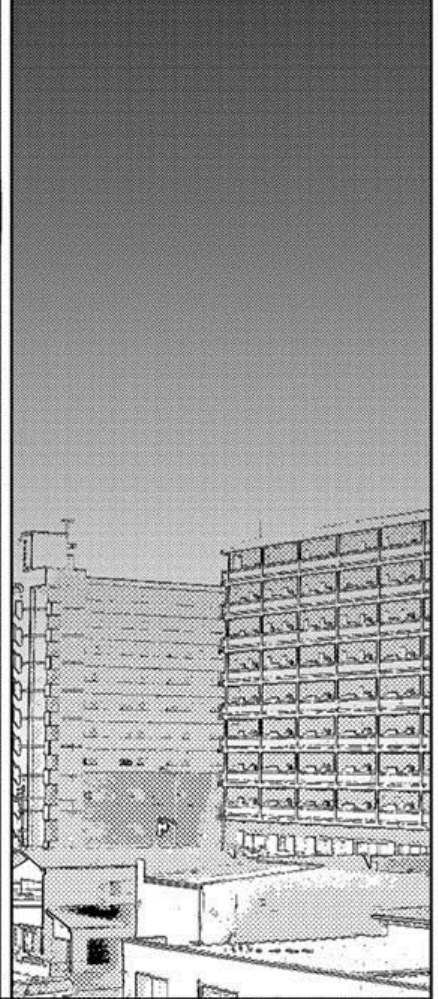

...cause
I'm an
idiot.

I
didn't
realize
how
lonely
you
felt...

I'm
sorry.
Recently,
I haven't
been
paying
proper
attention
to you,
Riri.

I've
heard
this
before...

YAY,
BOOBIES!

Well?
I bought
this outfit
for your
sake,
Ken-chan.

That's
right,
because
Ken-chan
loves
boobies
so much!

Oh my,
your naughty
dick is already

I'll just help myself
to this sausage
sandwich.

I get it,

don't you?

Being licked down there is making me want it like crazy.

Give it to me.

OK

Too?
So there's
other
positions
you also
like. I see.

Ah!
From
behind

♥

I love
doggy
style,
too!
♥

Members of the Ass-Pussy Exploration Squad never rest in our mission to find the prostate G-spot!!

Your cock is rubbing the inner walls of my ass as you penetrate deeper and deeper inside me!!

Ah! This is good, too!! ♡
I can feel your cock all the way to the base!

I'm yours to do with as you please.

Hey... I'm fine if we do it in a position you prefer better Ken-chan...

I
can
feel his
pleasure
resound
through
my whole
body...

Ah...

How do you like it, Riril?

Are you feeling good?

What's with you all of a sudden ...

It feels amazing!

Ken-chan...

I love you.

I LOVE YOU, TOO!

I mean, of course ...

I can't tell with just that...
♥

About how much do you love me?

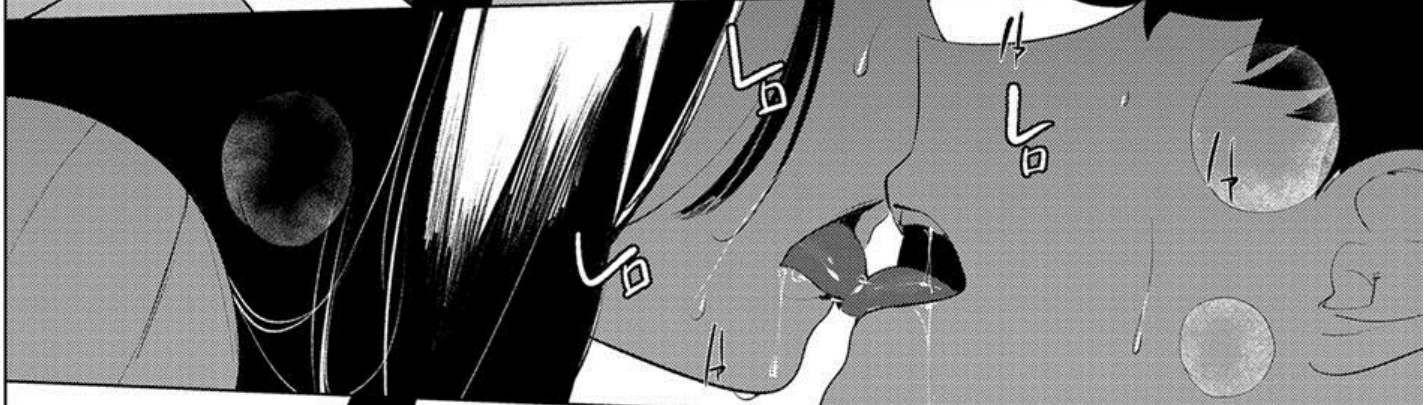

Hmm...
A whole lot, maybe.

Don't say that...

Even without saying it out loud, it's still reaching me loud and clear...

Yup~
I'm
just
getting
started.
♥

Can
you
keep
going?

Yeah,
I only
came
a bit,
though.
♥

Did
you
just
dry
orgasm
??

Ken-
chan,
you
really
are
lewd.
♥

Tonight
we're not
stopping
until we've
thoroughly
exhausted
every last
bit of lust
in our
bodies.

Well...

Even if I
say that,
I'm being
incredibly
lewd right
now my-
self...

You're
the
best
woman
in the
world!

Of all the
women
I've met
until now,
you're
number
one,
Riri!!

Haa~
I'm
so
happy
♥

Riri...

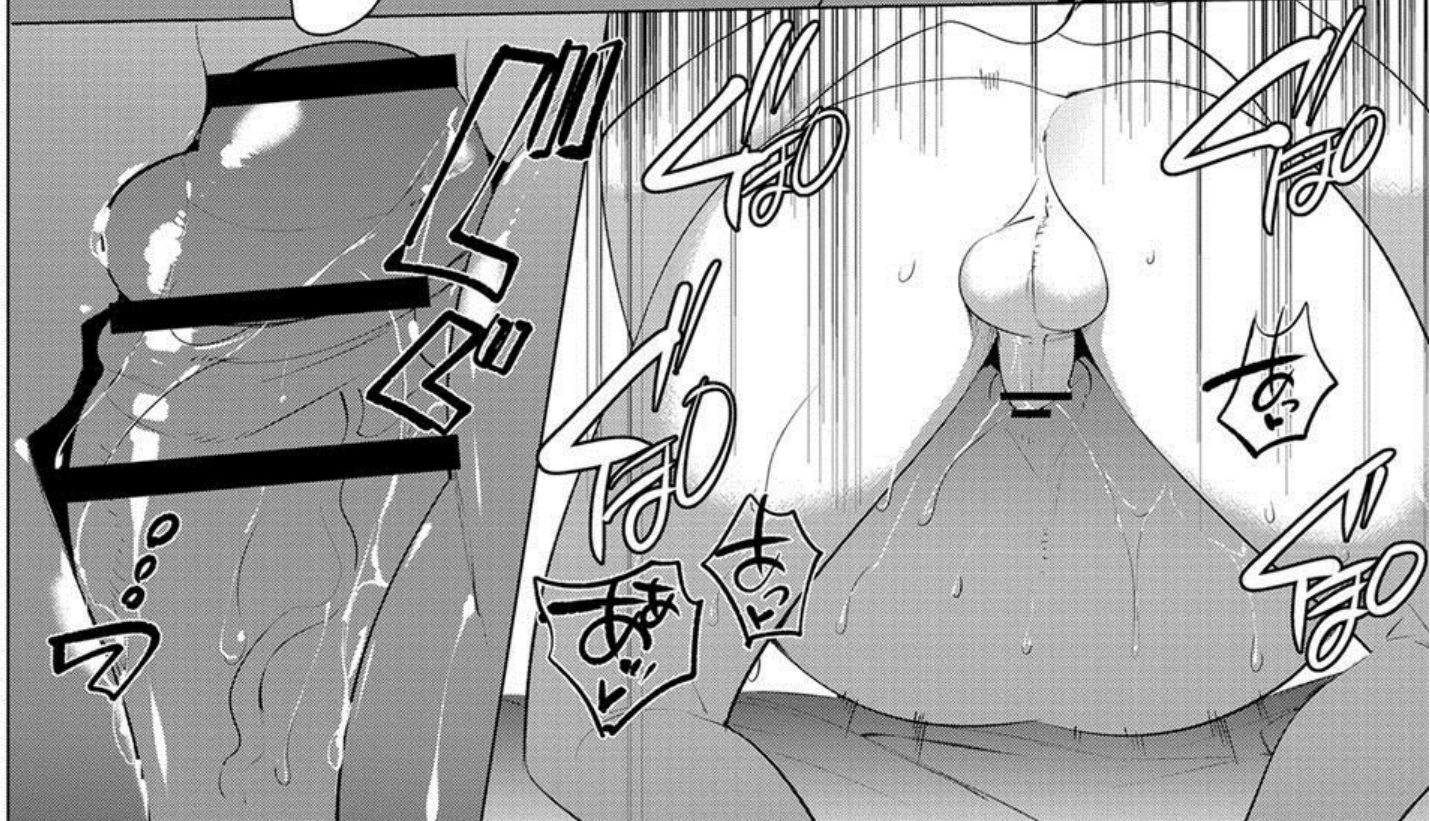

Ken-
chan!

Ken-
chan!

I'm
about
to cum,
too...

It's
OK,
do it.

*Aaah!
*Cumming!

I am broke after all...

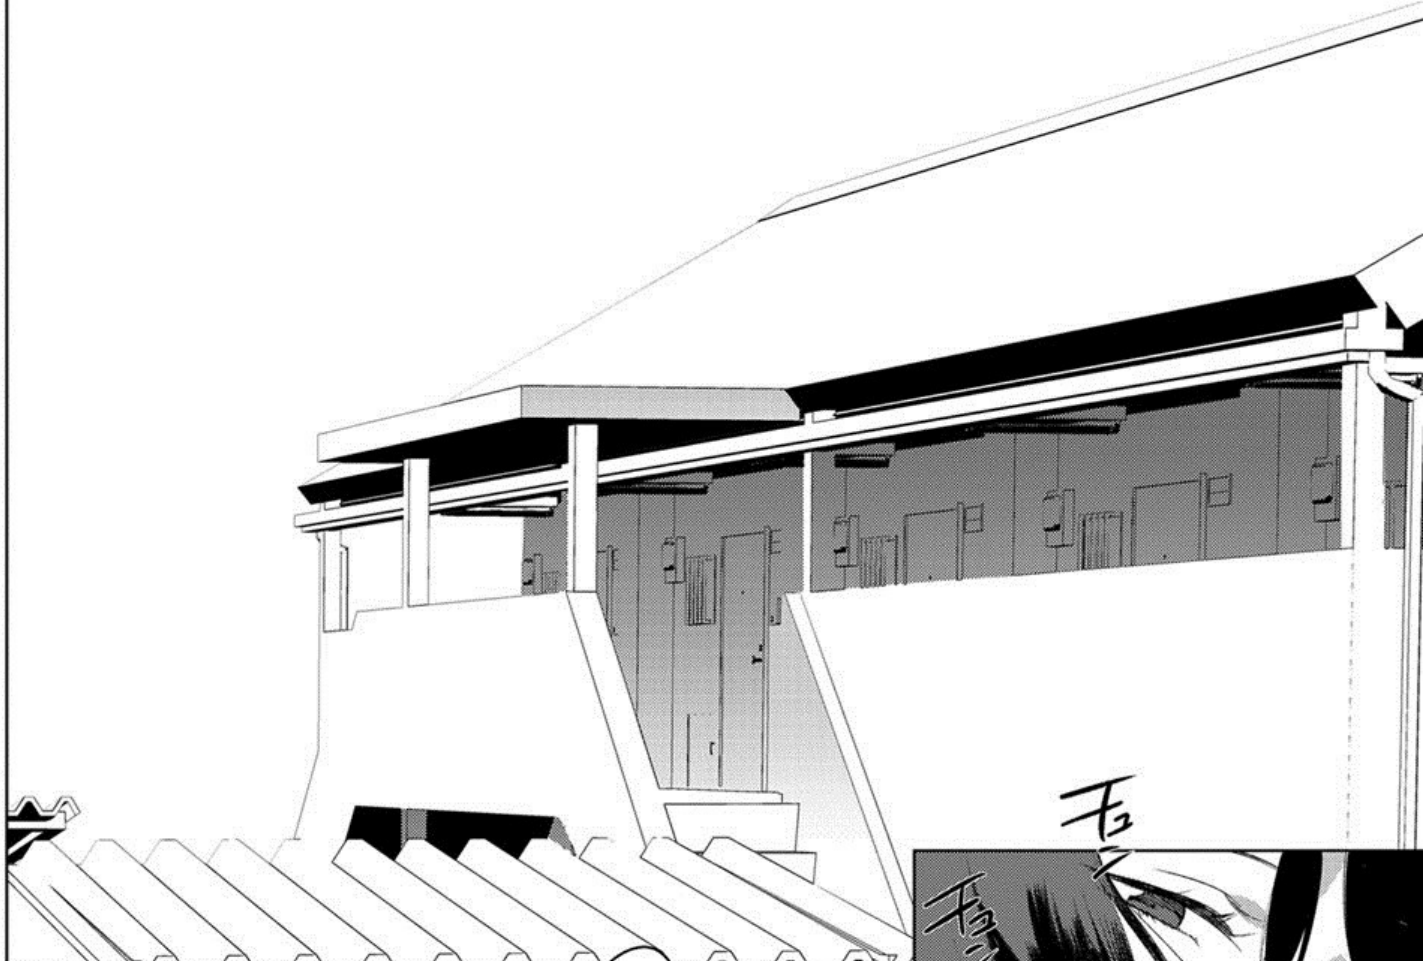

You'll have to save your money for it.

Yeah, let's.

Hey... next time, let's go on a trip, just the two of us...

Yeah

Right now, I'm truly happy.

Huh?
Ken-
chan?

door opens

Huh?
Oh...
about
that...

Ken-
chan,
where
were
you?

I
really
slept in
this
late in
the day.

mm...

Go on our trip, I mean.

Right, about that. Why don't we just do it right now.

Just last night, right before bed, you promised you would save your money so we could go on a trip!!

About what?? You were at the pachinko parlor again!

Eh?

You won them at pachinko ??

I won these resort tickets. With this we can go.

What is this?

What's so funny?

Heh heh

Heh heh

If that's the case, I can overlook it this time, but from now on, no more gambling, ok?

Heh.

I can't tell if you're being strict or lenient...

...but you're funny.

I know!! If we don't prepare quickly, we'll lose the daylight!

No gambling when we get there, either!!

Well then, since our vacation has been decided, let's get ready now!

Yeah

Look, Ken-chan!! I put on the complimentary yukata. How do I look?

Mhm, It looks good, Riri.

Could you try saying that to me and not to my ass?

You'll just end up needing another bath after we build up a sweat anyway.

Geez! We still haven't even been in the onsen yet!

Me,
too,
Ririll!
I'm
cumming!

AH!
It's no
good...
I'm
about
to cum!!
