HEGO (tomihoro)

The state of the cock is a cheese burger♥

y... yes♥

You make me crazy♥

Do you feel that the cock is wrapped in the vagina?♥

Is there such thing as U spot!?!?

At the same time it stimulates the U spot between the clitoris and the urethra♥

Now the cock moves from G to AG ...

So, gently swing your hips♥

Some people have pain ...

There are many women who say that this place is the best feeling

However, very delicate

If you're only committed to the vagina, you'll be hated by women♥

So next touch my boobs?♥

Wow!?

How do you touch my boobs?♥

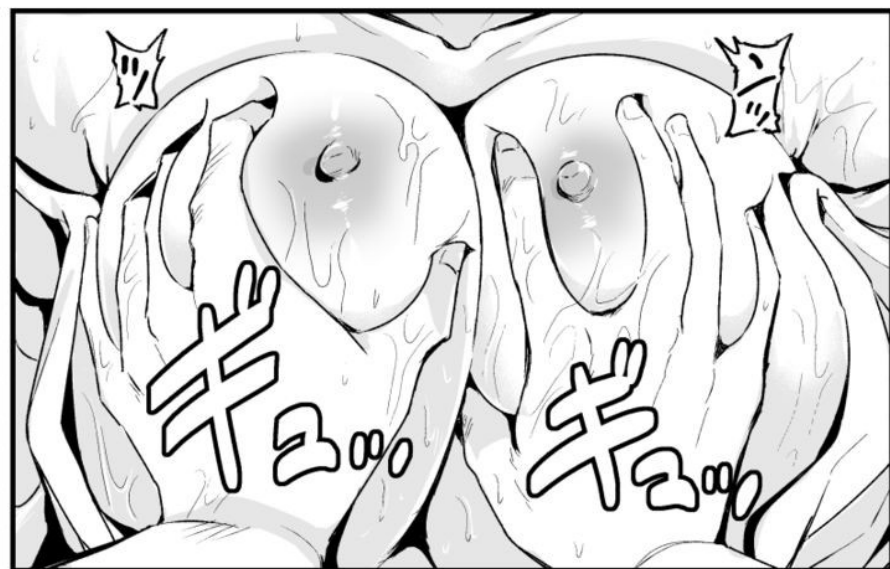

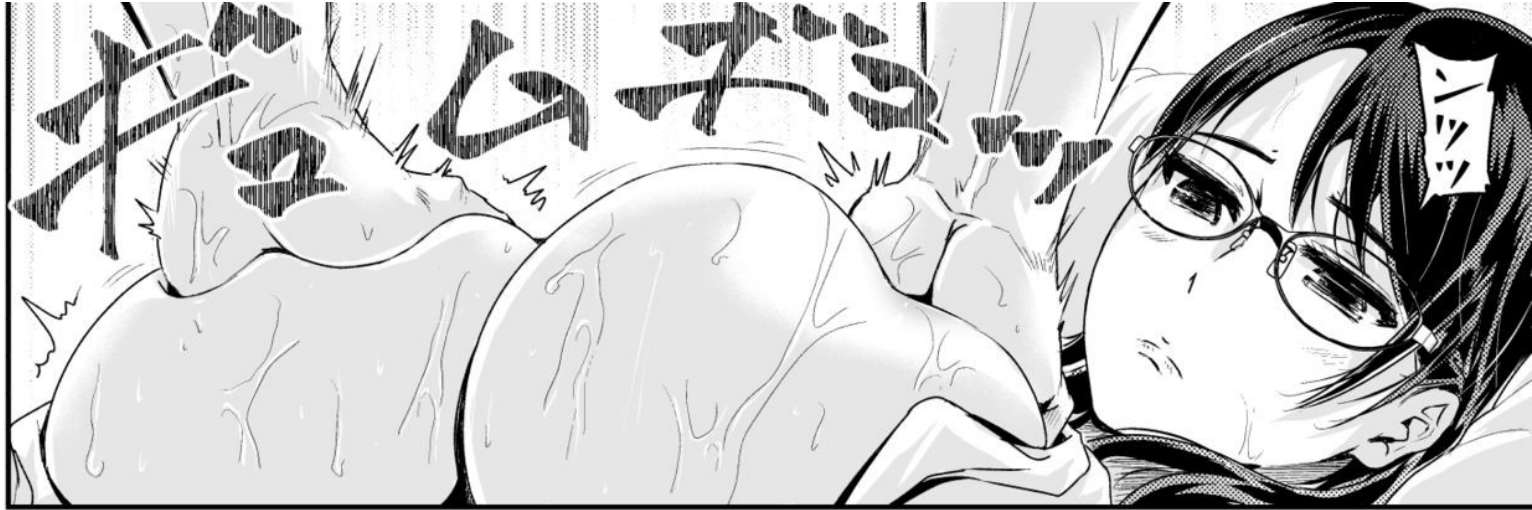

The woman who became sensitive is the whole body becoming a pussy♥

is...

Is this!!

mm!!

This place
is called
the Spence
mammary
gland

I touch the
under bust
so as to
wrap from
the bottom
of the tits
♥

How to
touch the
correct
chest ...

Spence
mammary
gland !

Tits are
not so
sensitive
regardless
of their
size

There are people
who often
misunderstand
that the sensitivity
is better in the
case of small tits ...
that is a big lie

Really
!?

However
...

So, just rub
strongly tits
are not
comfortable

Contour
...
gently ...
so ...

yes!
I feel
good
♥♥♥

Because
this Spence
mammary
gland is a
place where
nerves gather

Girls feel
regardless
of the size
of their
tits♥

if you can
touch here
gently ...

place
!?

If women's
tits feel
good ...

Next where
does the girl
want you to
touch?
Touch it♥

And touch the areola around ...

Carefully ... close to the nipple ...

Do not touch the nipple yet ...

When this happens ... Women's thoughts are ...

The inside of the woman's head ... will melt more and more ...

And continue all the way this state ...

Because it is good to make me a toy

Please do not bully so much ♡

I will do whatever I want you to do ♡ ♡

So early ... I want you to touch the nipple ♡ ♡

Please touch all my tits, nipples and pussy♥

To hard work reward all you want...

It becomes thinking that♥

Did you understand?

ok! Well, today's study is over♥

yes yes!

YES!!

YES!

An The swing of the waist is good♥

It is already the limit

I more feel good
Once you have patience more♥

Still no good♥

Ms. Kodaka I ... no more ...

I'm feeling too good ...

put up !!

I want Shige's thick sperma tozoon♥

Shigeru who is putting up with is very cool♥

Thus it is ready to accept the sperm of Shige♥

Ah I feel good there♥
Sige's cock is hitting my womb♥

It feels good and the uterine cervix is opening more and more♥

can not say hello,”

Absolutely this rubber
is ... used when
having sex with a
woman you think
is important

You also
think so
Shige

When we
receive life,
our human
beings
die last

So we have to
live so as not
to regret
this time
now
