My wife Kuniko's hobby for western dressmaking surpasses the level of a hobby

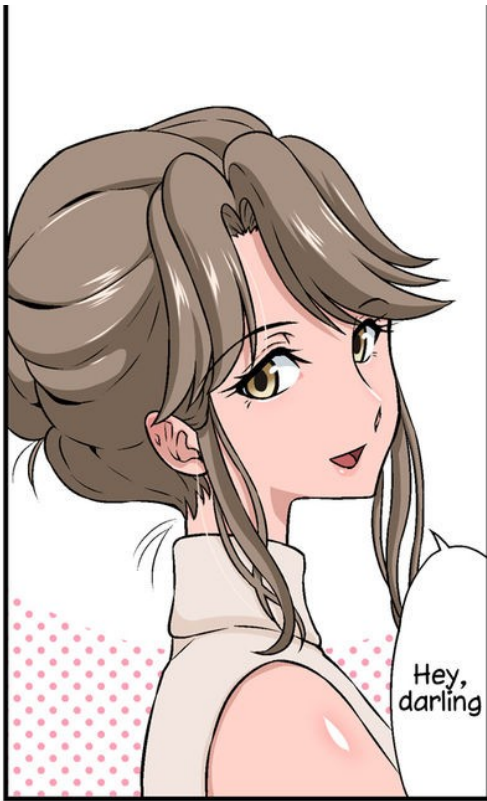

Q = A

her photogenic pictures in her blog and social media are steadily growing her market

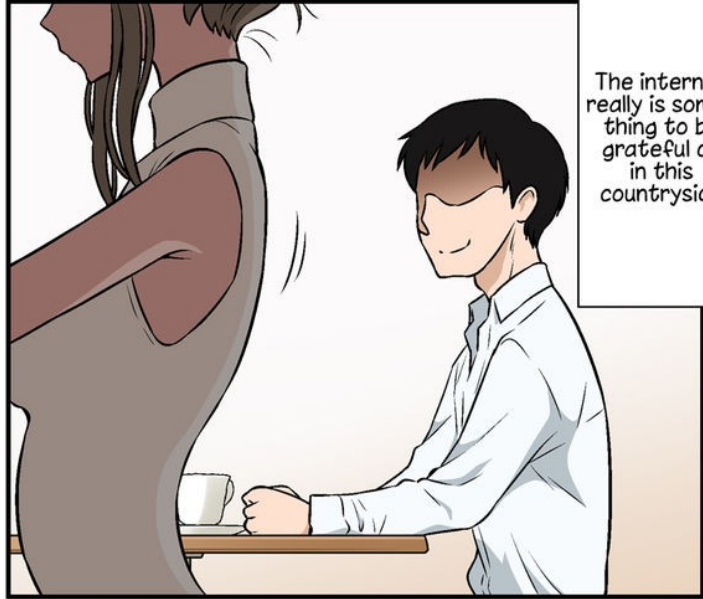

Her wholeheartedly crafted feminine attires are enough to

Gain her fans from all over the country

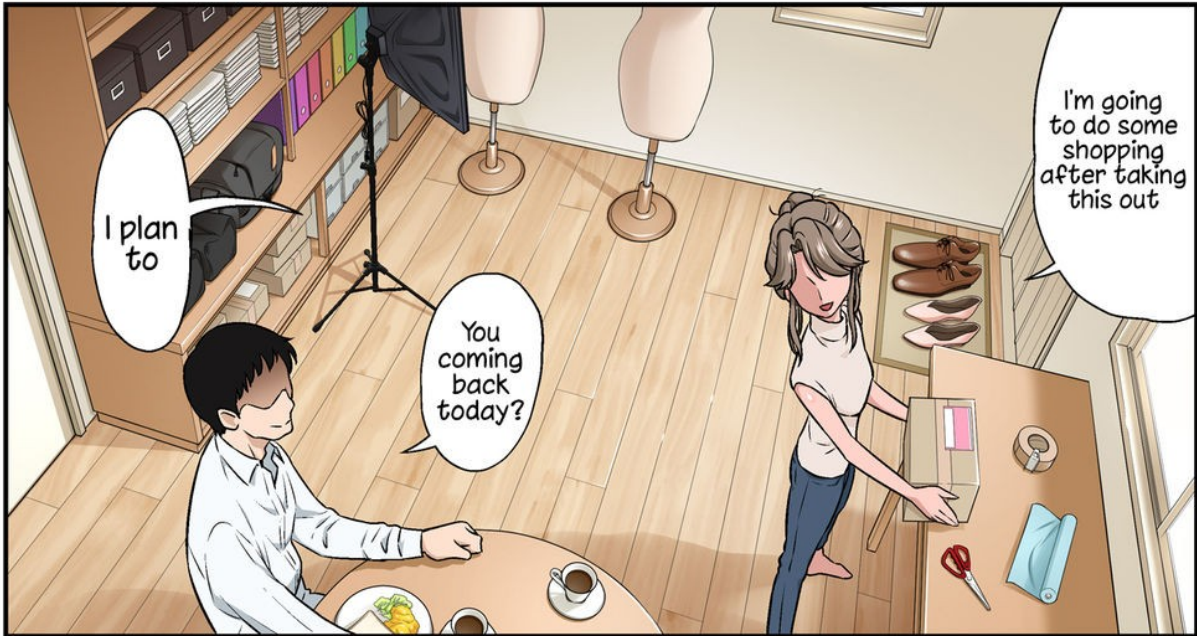

Hey, darling

The internet really is something to be grateful of in this countryside

I plan to

You coming back today?

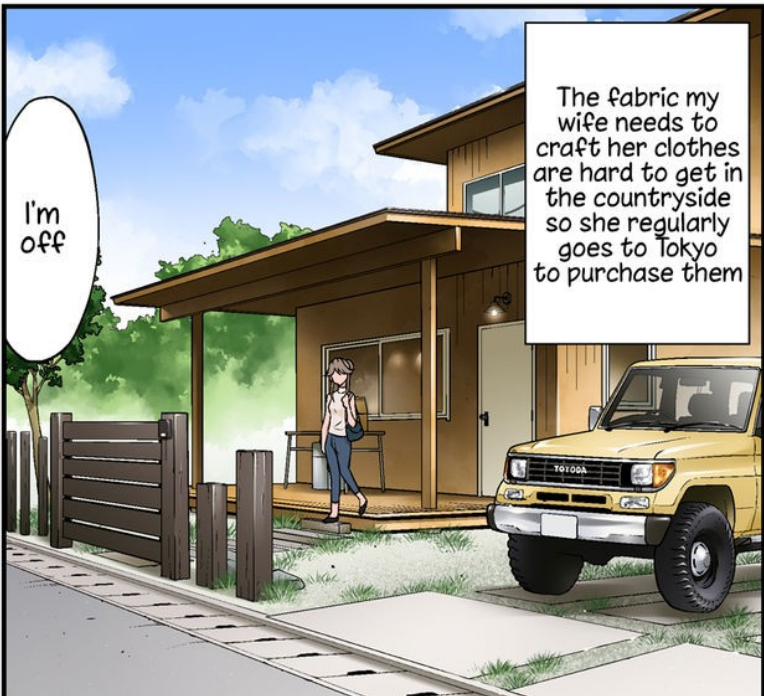

I'm going to do some shopping after taking this out

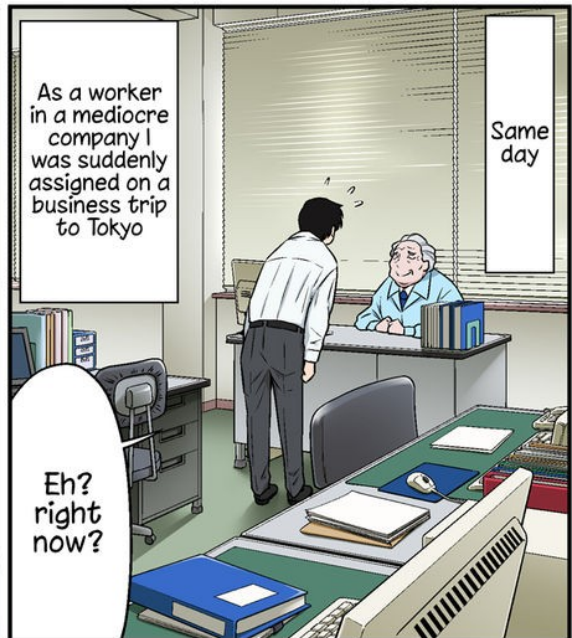

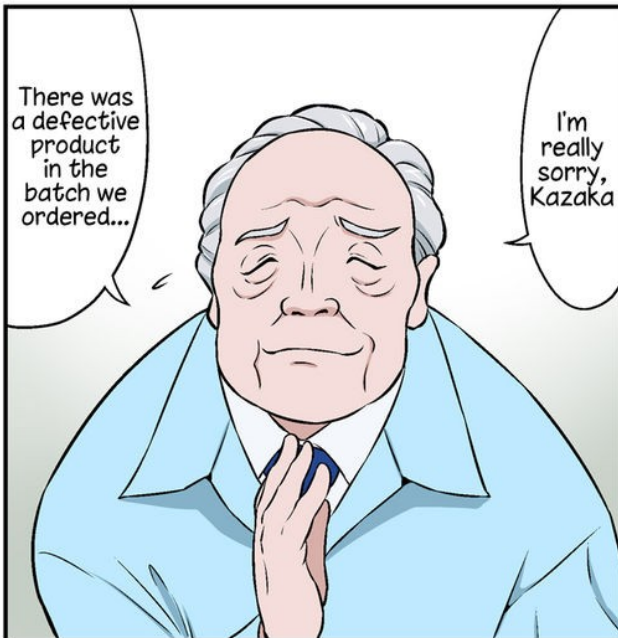

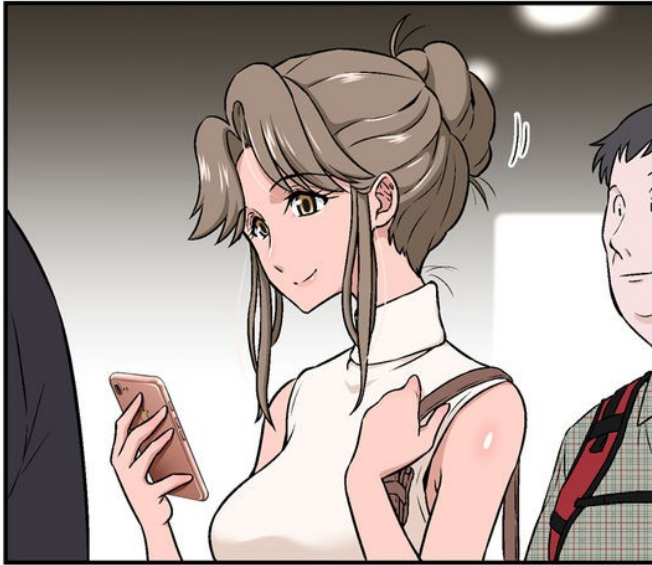

It's far enough to be able to barely go and come back on the same day

It takes 3 hours to reach Tokyo

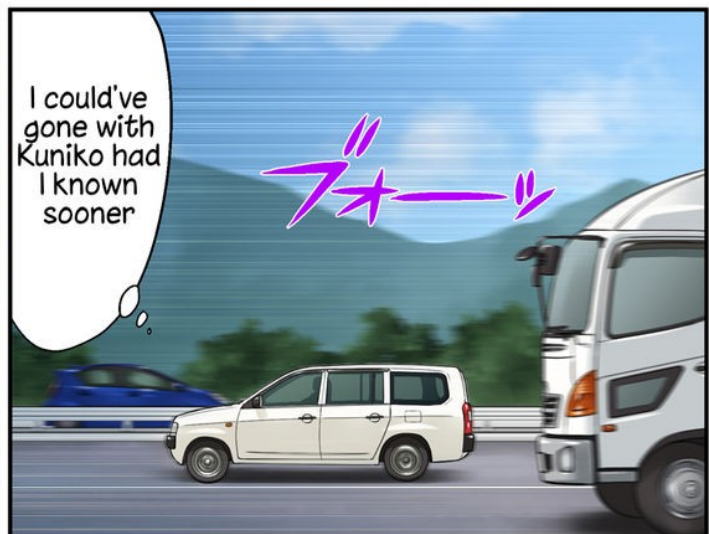

I'm off

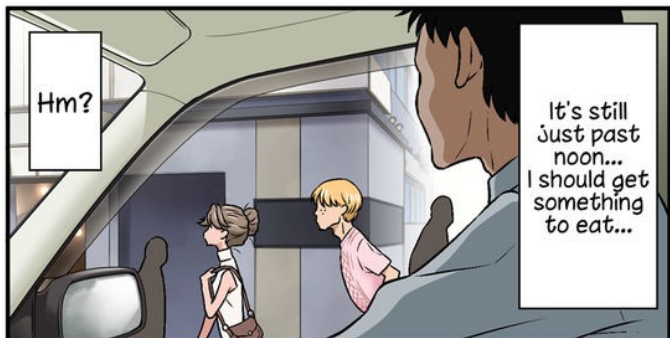

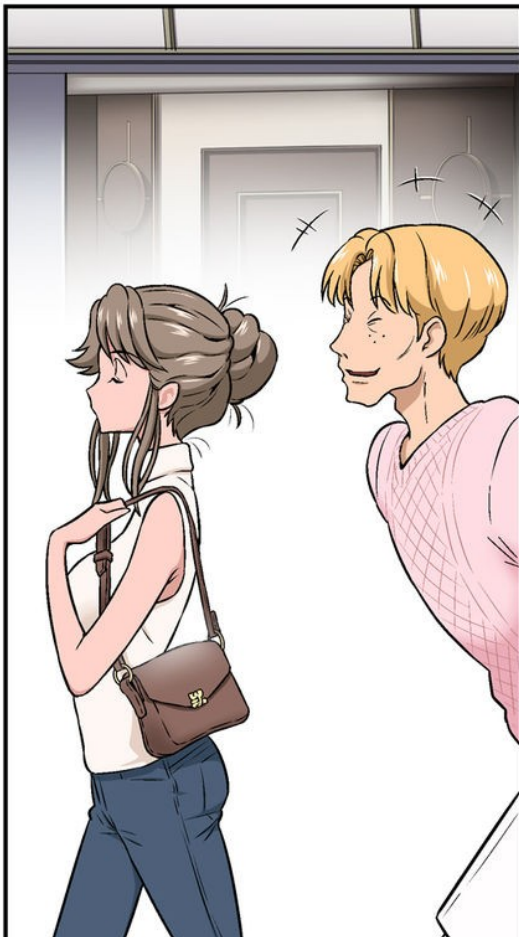

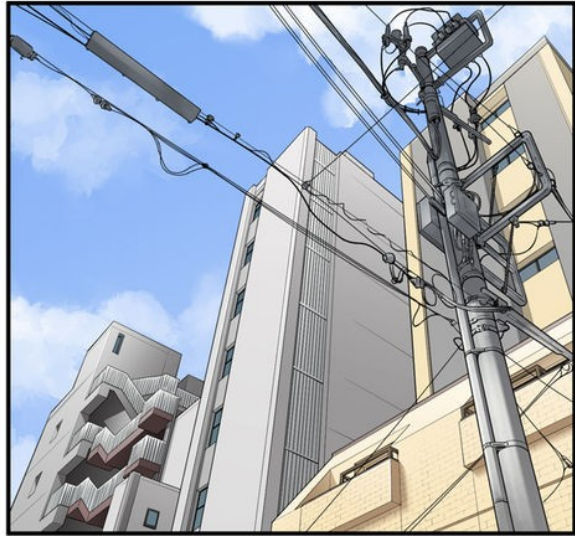

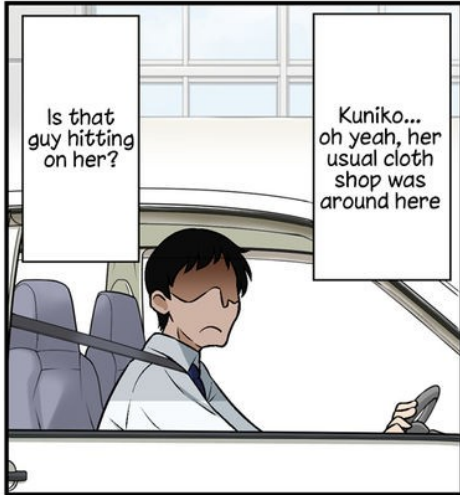

The fabric my wife needs to craft her clothes are hard to get in the countryside so she regularly goes to Tokyo to purchase them

05

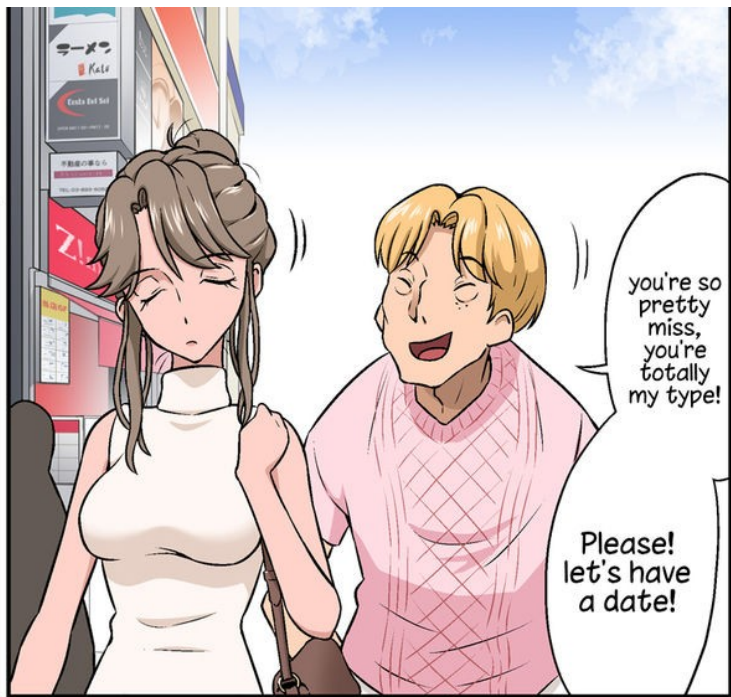

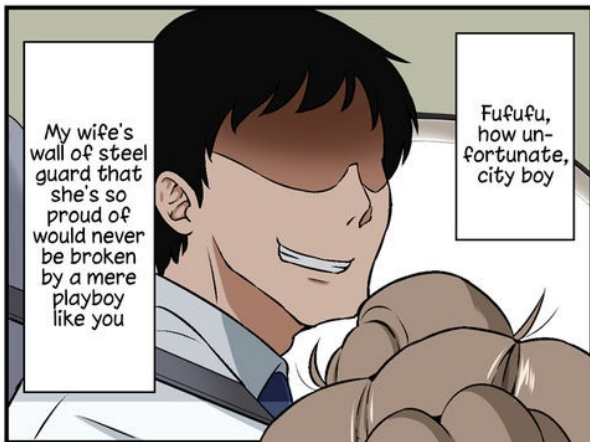

Is that guy hitting on her?

Kuniko... oh yeah, her usual cloth shop was around here

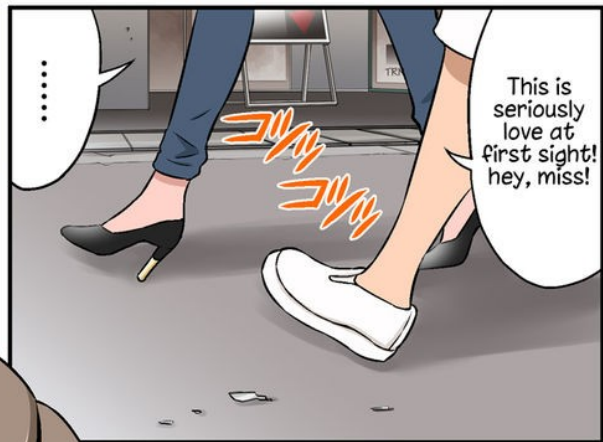

you're so pretty miss, you're totally my type!

Please! let's have a date!

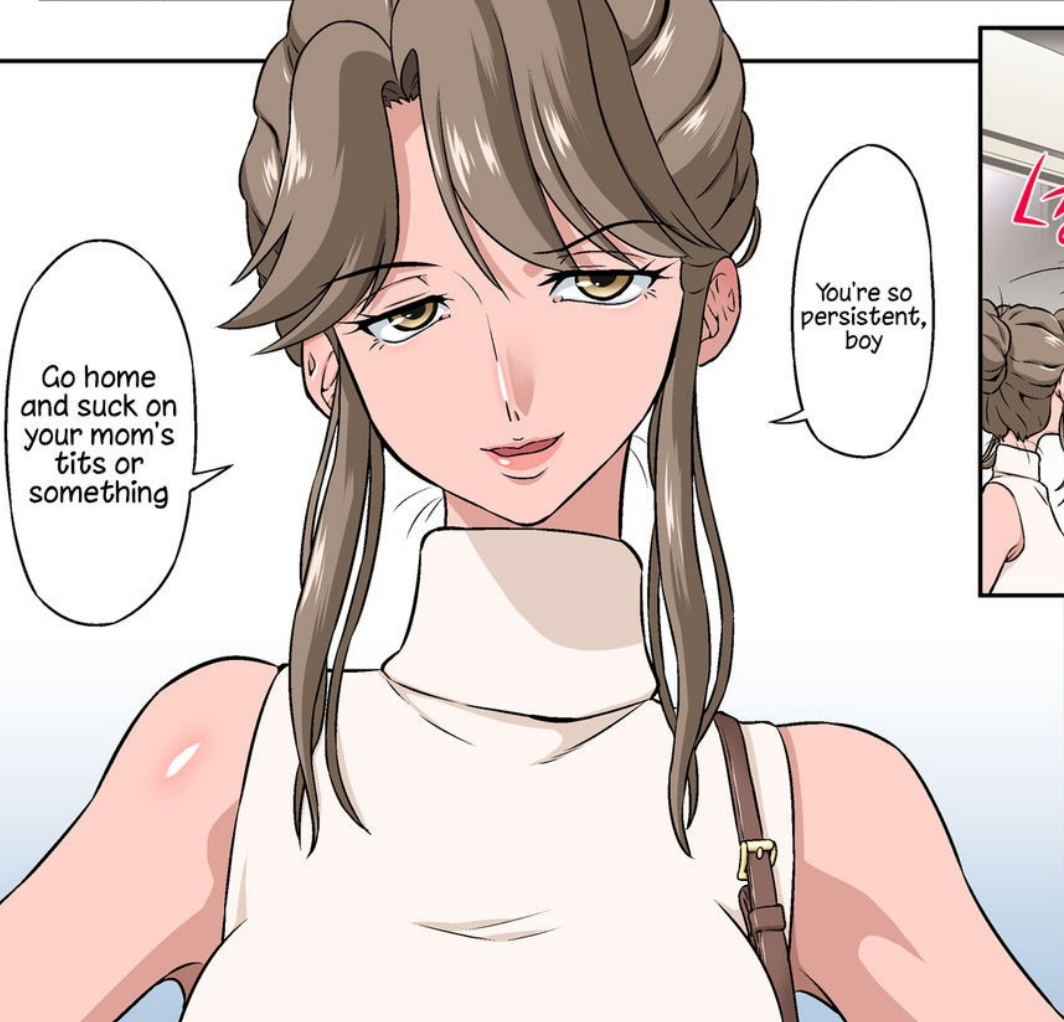

My wife's wall of steel guard that she's so proud of would never be broken by a mere playboy like you

Fufufu, how unfortunate, city boy

This is seriously love at first sight! hey, miss!

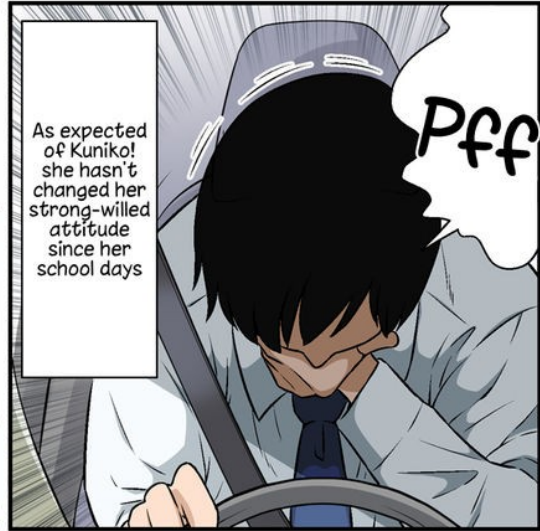

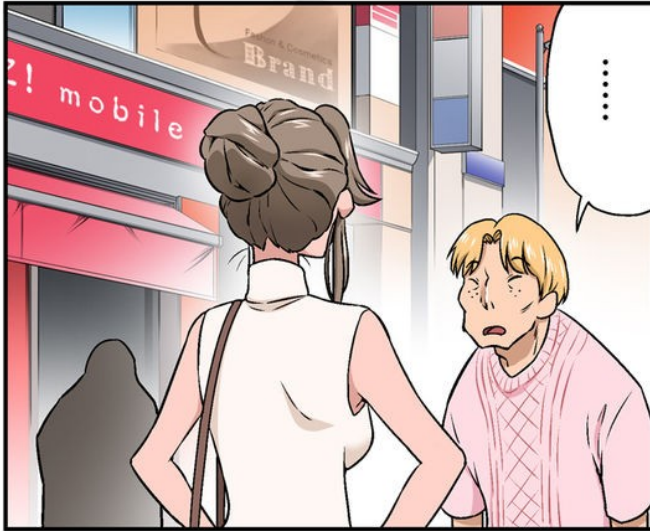

Go home and suck on your mom's tits or something

You're so persistent, boy

Hey, miss...

As expected of Kuniko! she hasn't changed her strong-willed attitude since her school days

Pff

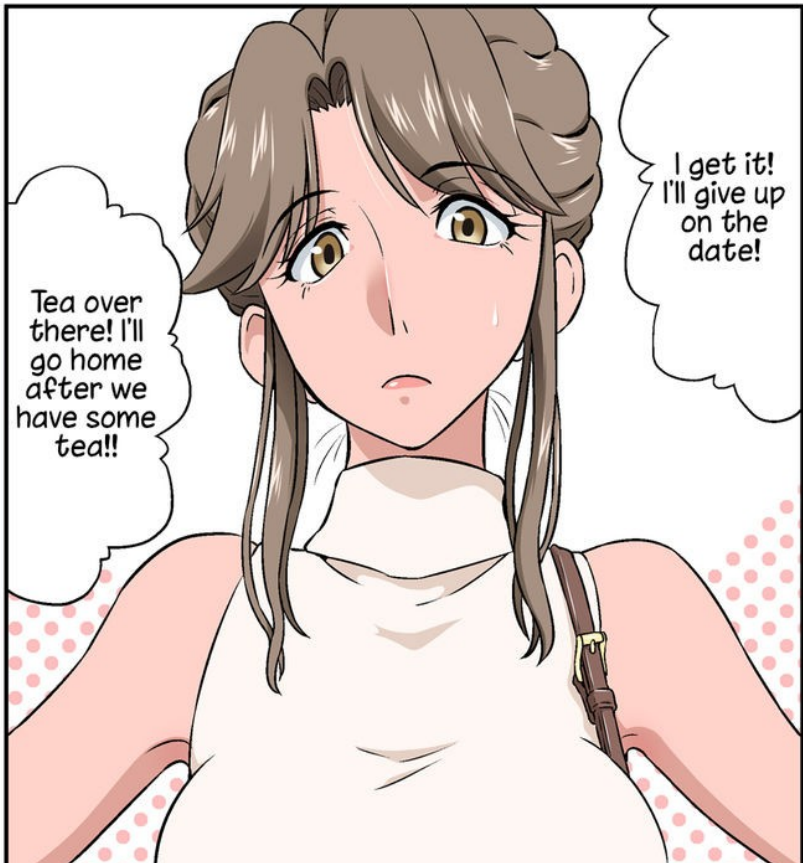

That really gave me an electric shock just now!!

Seriously!? Are you serious, miss!
You're the best!!

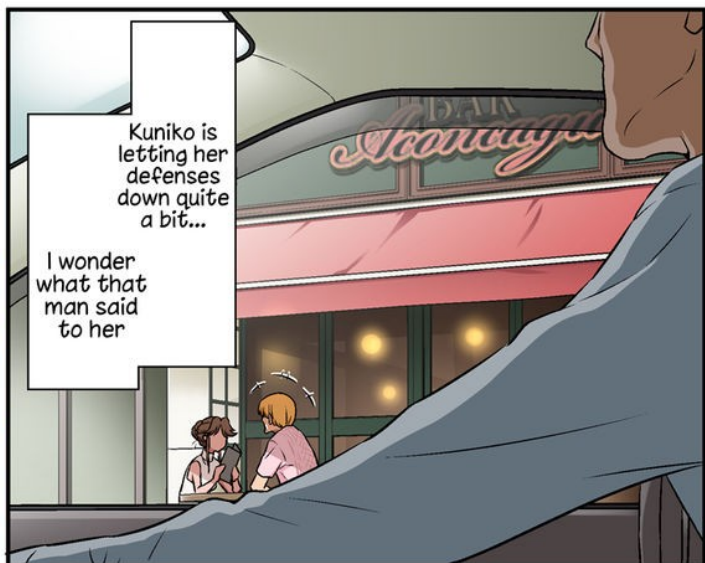

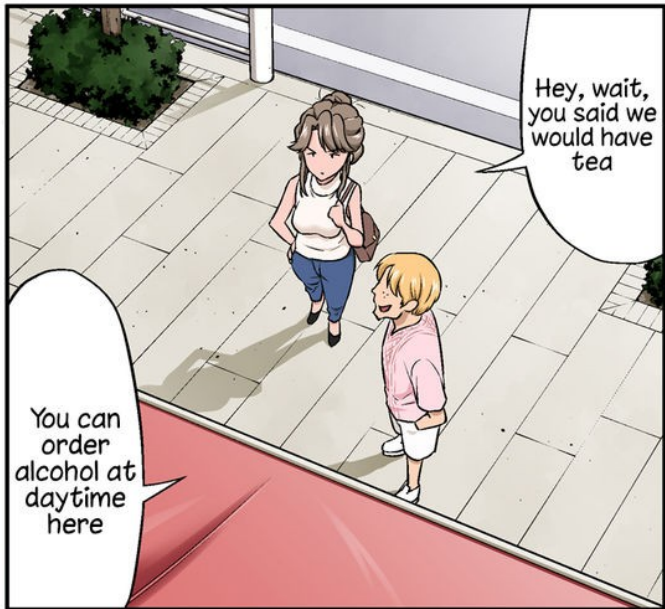

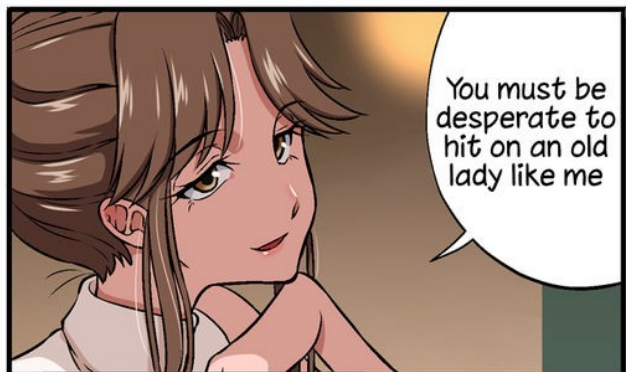

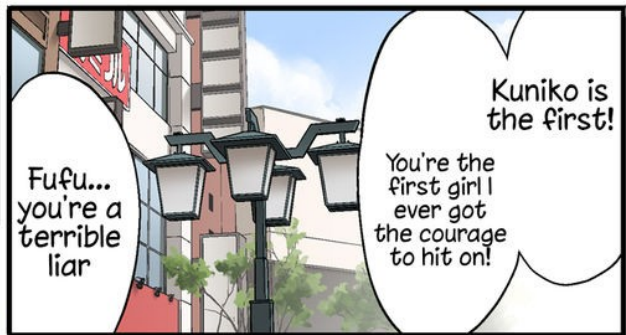

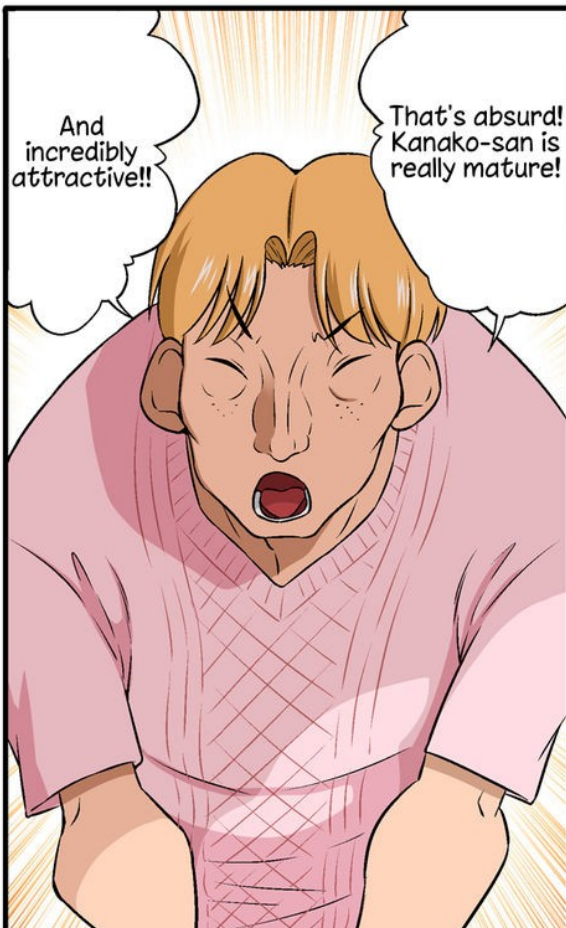

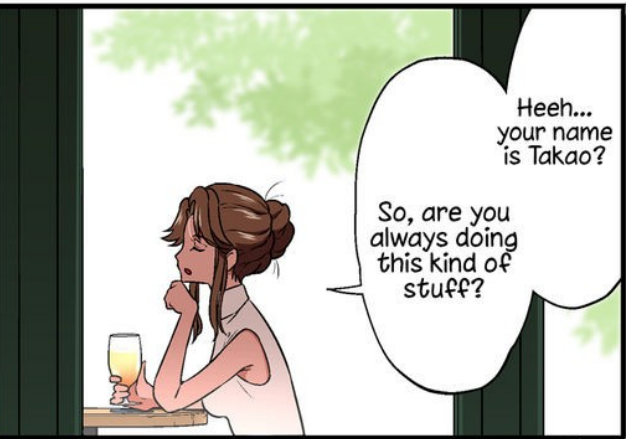

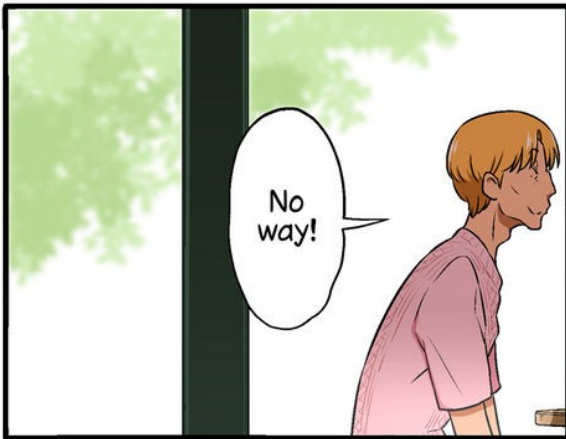

Eh?

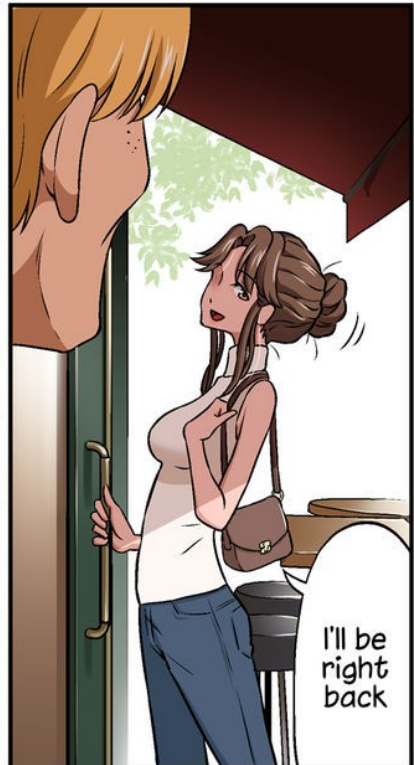

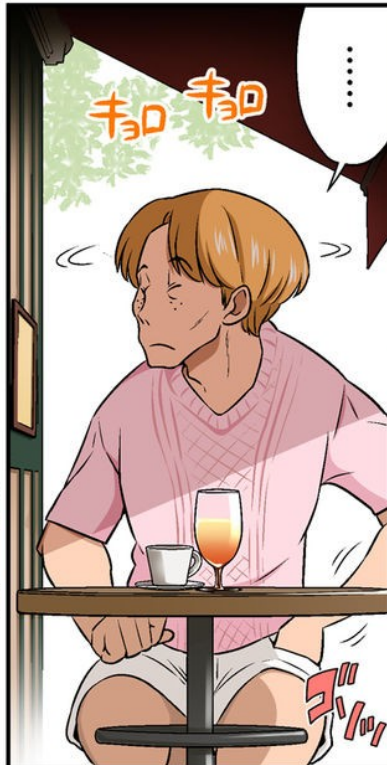

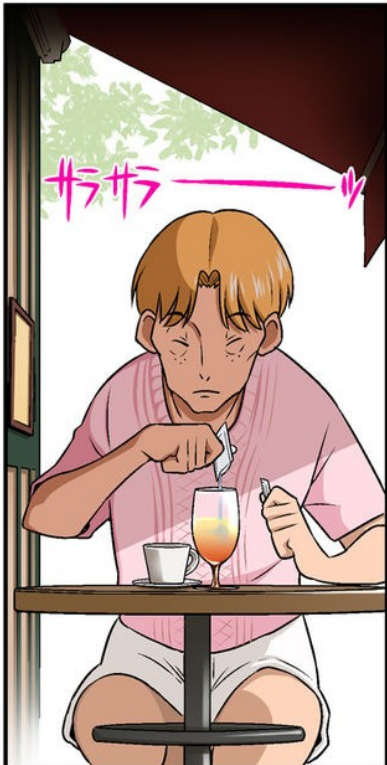

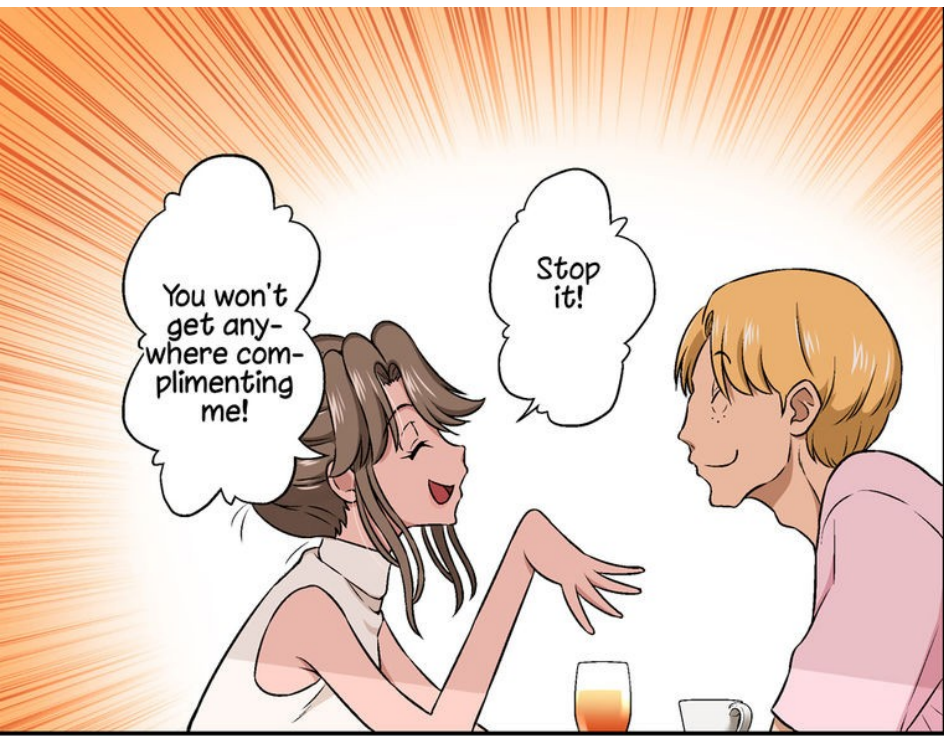

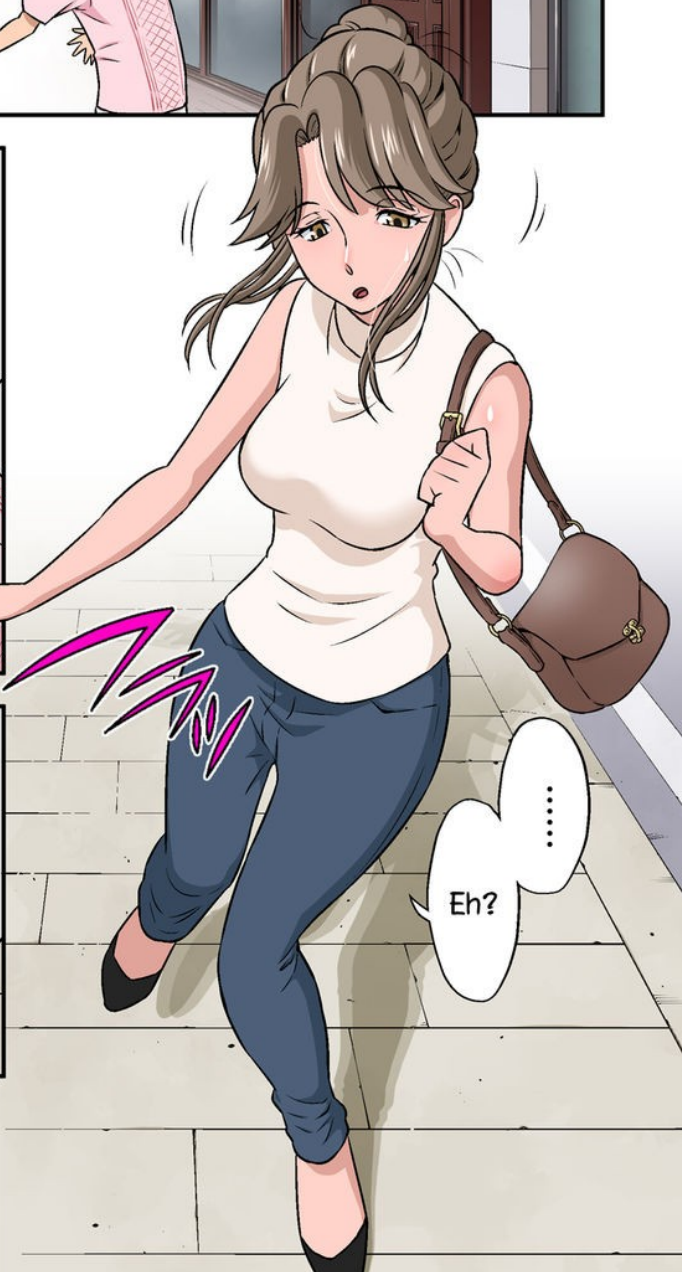

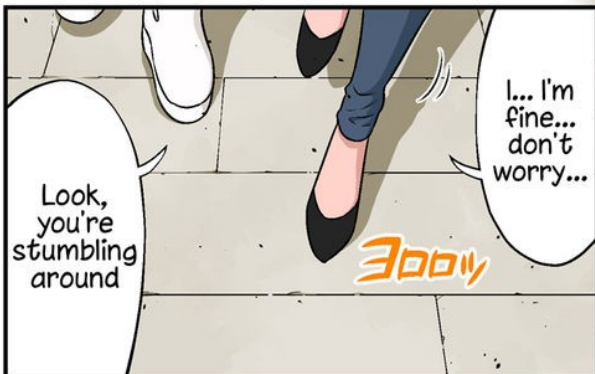

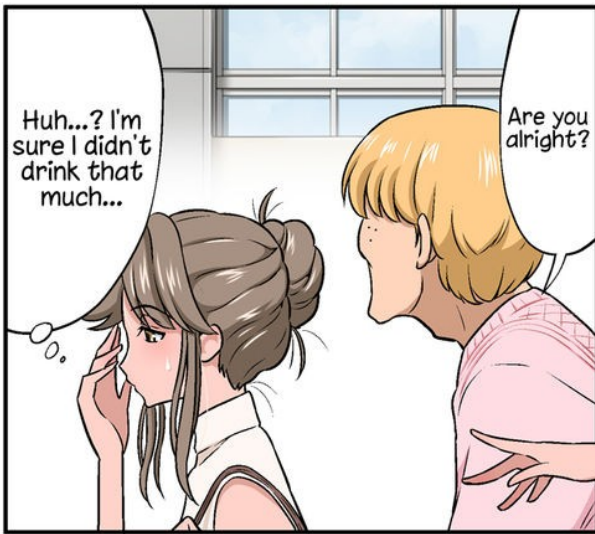

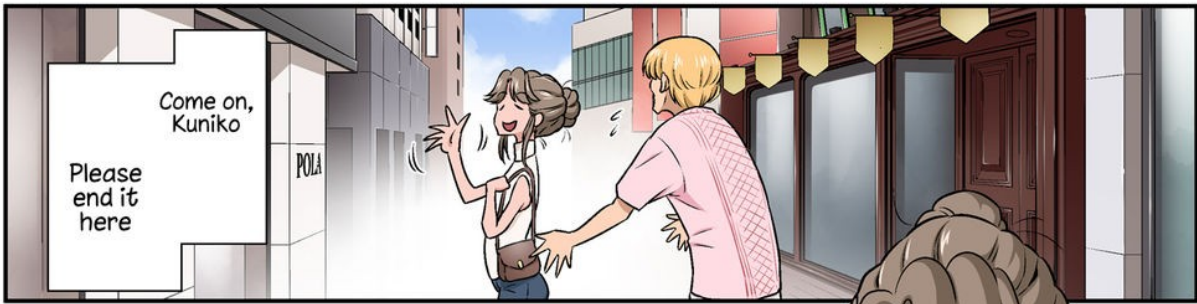

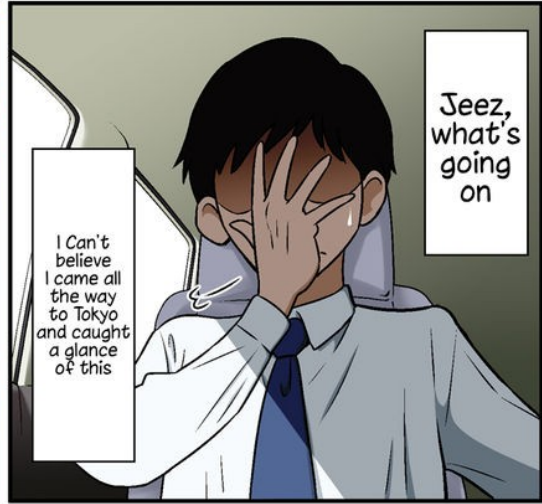

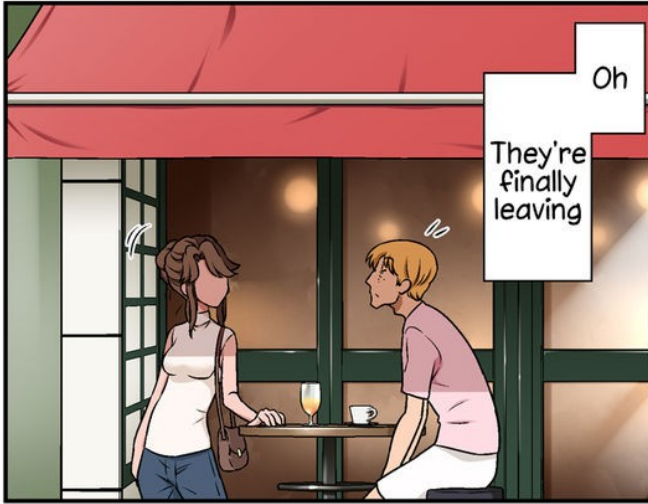

Tea over there! I'll go home after we have some tea!!

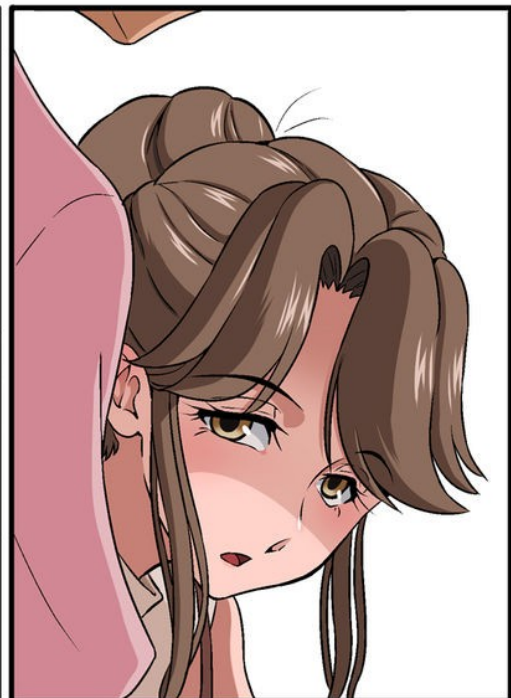

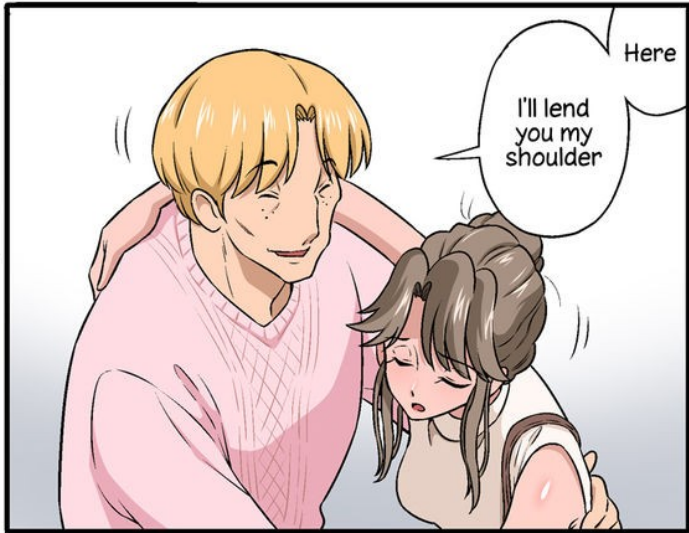

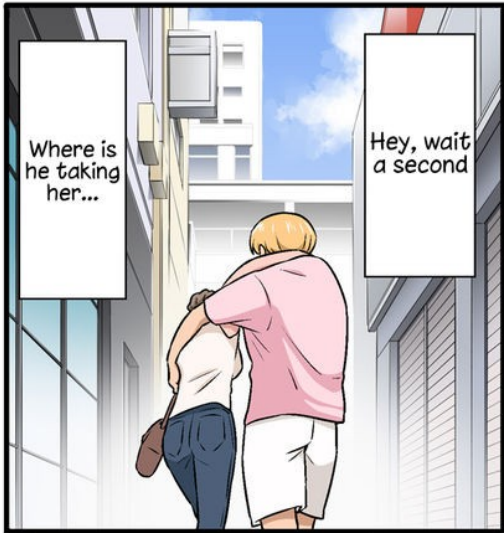

I get it! I'll give up on the date!

My wife...
there's no
way Kuniko
of all people
would...!

She must
have fallen
in his trap
or some-
thing...

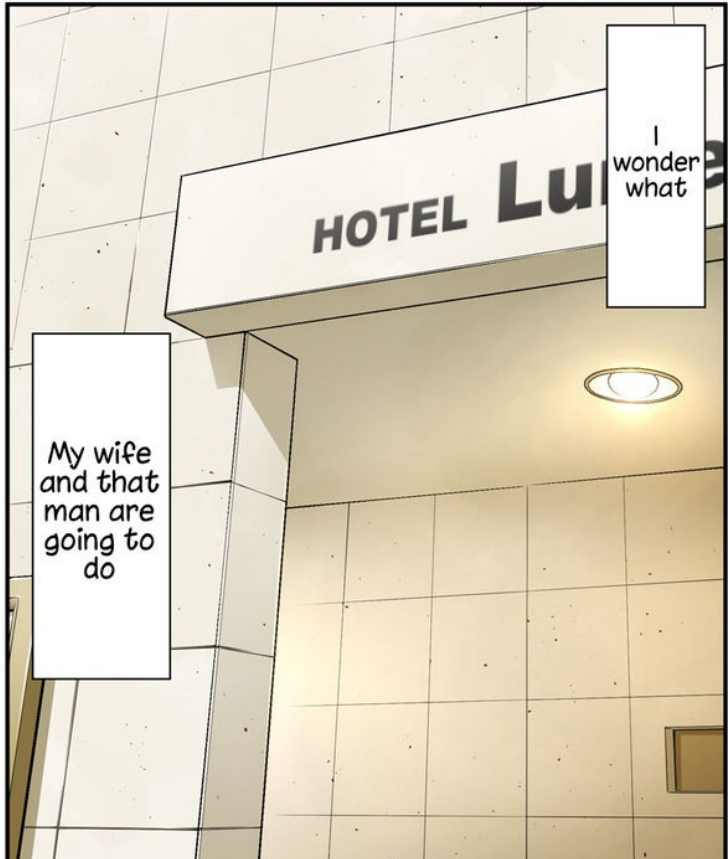

What is
going on

But, an idea
on the back
of my head
came to
surface

I have
to stop
him...!!

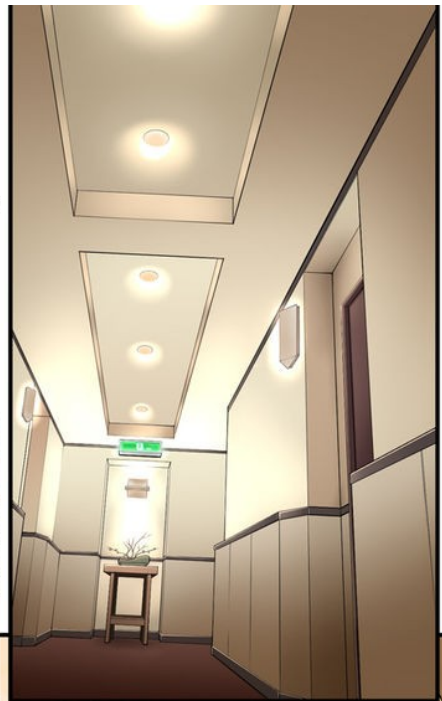

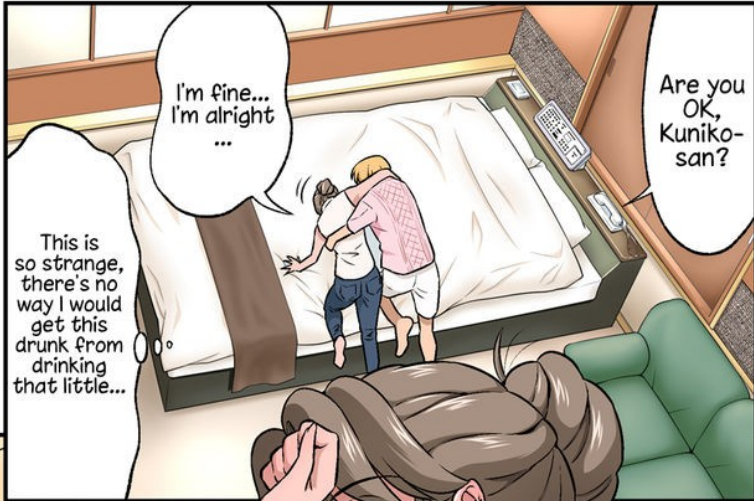

The next
thing
I knew

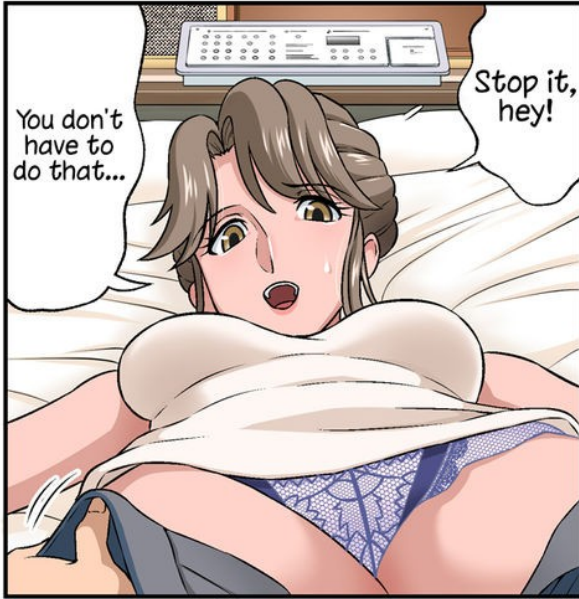

I was in the
room next to
theirs

My wife

man are
going to
do

I
wonder
what

I didn't know

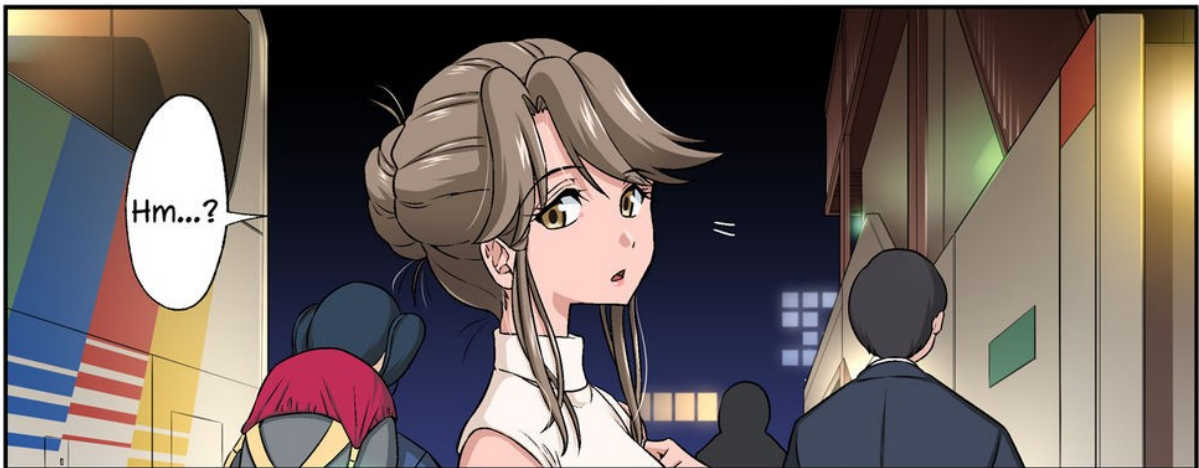

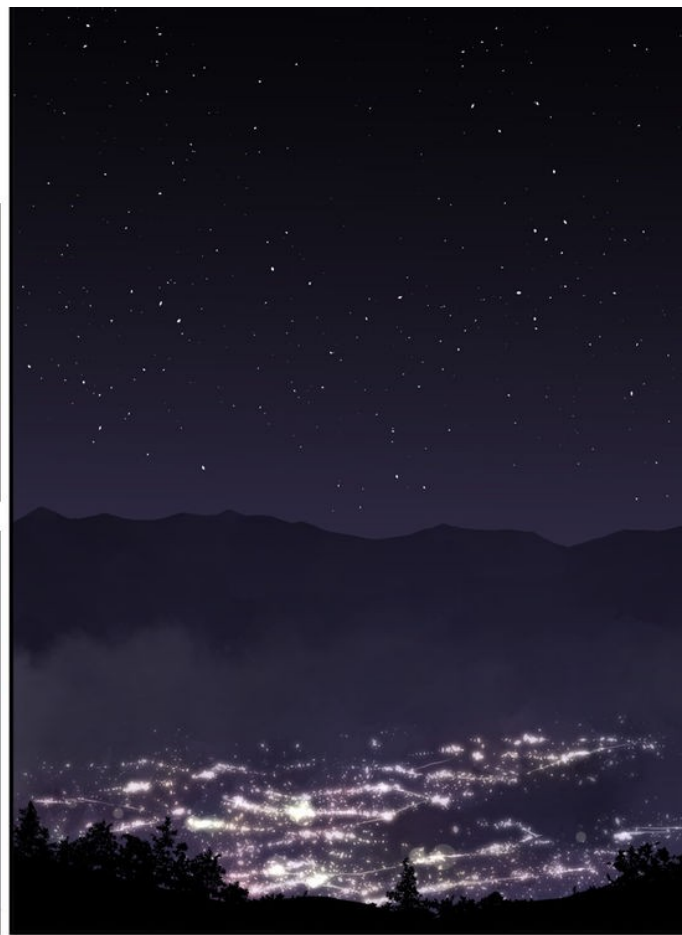

My wife's moans are filling the room

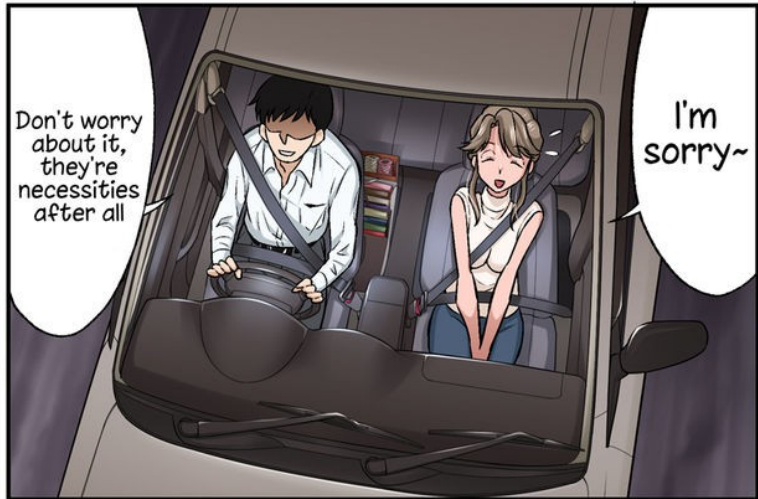

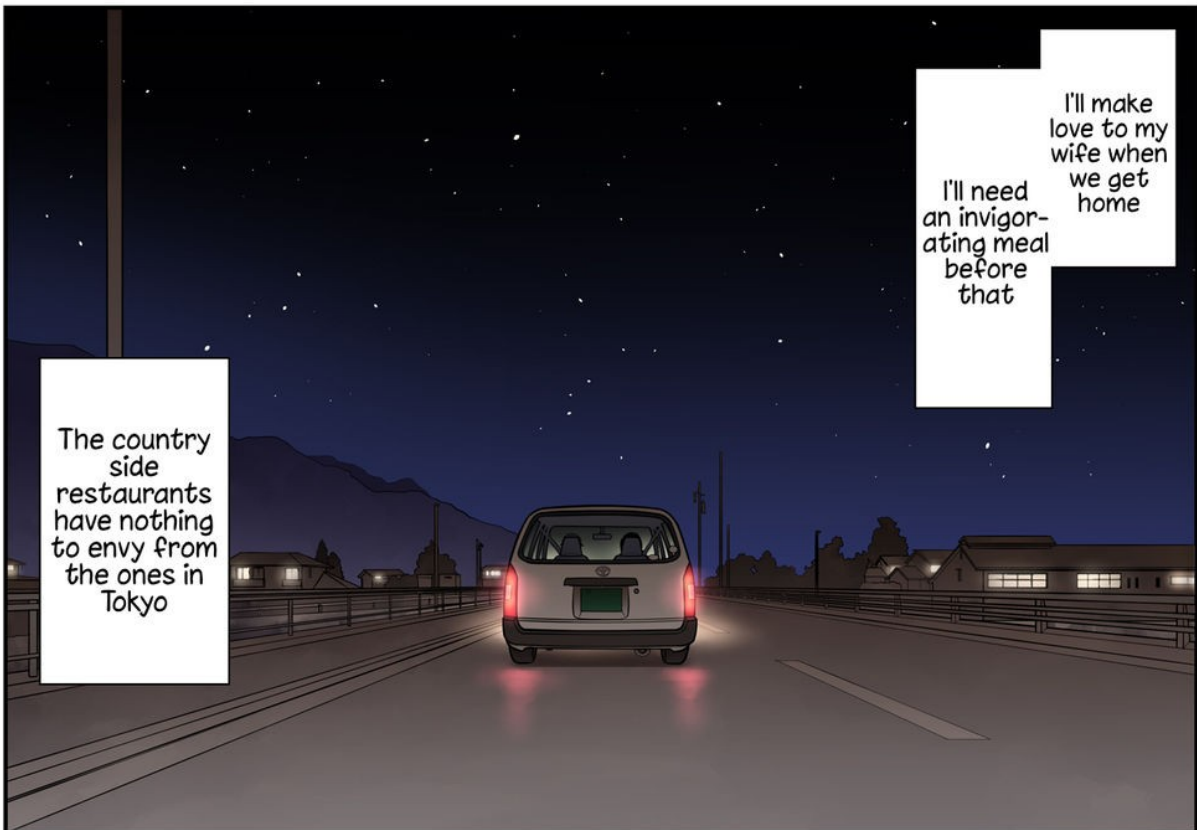

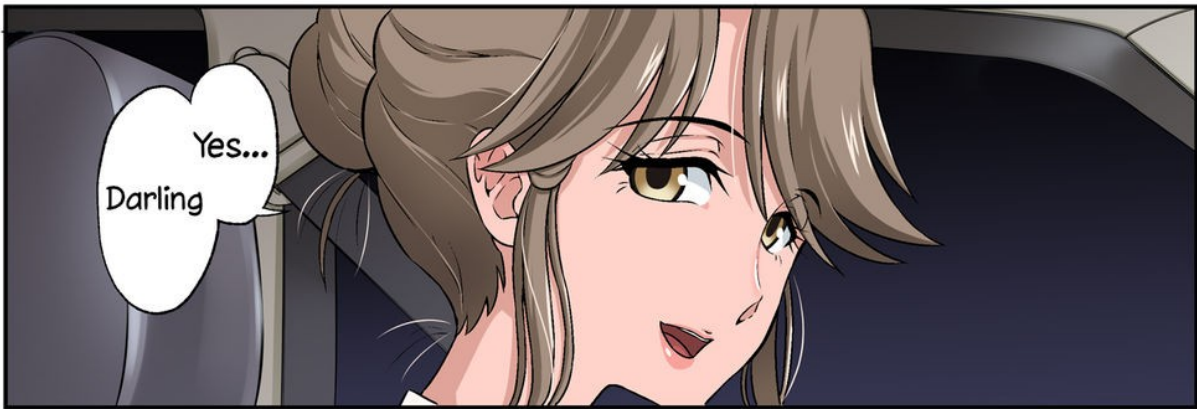

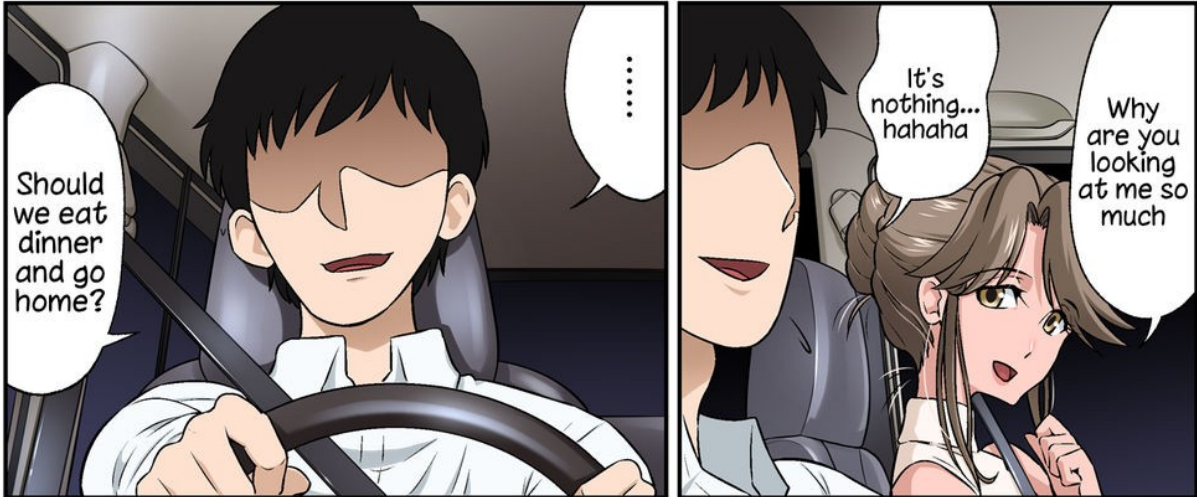

That Kuniko could have such passionate sex like that...

Maybe I didn't know anything about her

I've known Kuniko ever since high school but

Post-Script

Thank you very much for your purchase as always.
This work's heroine, Kuniko-san, is pretty arrogant, and I focused on making a little drama.
Due to that I spent about 15 pages before any erotic content happend...
I wanted to make the readers emotionally attached to her beforehand.

Personally, drawing Tareme was extremely fun.
I feel like I know a bit how Maetel feels.
No, that's wrong, the feelings you understand are of Reiji, right? Tetsuo.

Anime I watched recently

- SSSS GRIDMAN
- That Time I Got Reincarnated as a Slime
- Sword Art Online: Alicization
- Goblin Slayer
- Rascal Does Not Dream of Bunny Girl Senpai
- Jormungand
- Zombieland Saga
- Himote House
- At the theater: -Okko's Inn
- Golden Kamuy

I'm looking forward to a lot of anime this year.
The ones I specially like this year were
GRIDMAN, Okko's Inn, Sagrada Reset, Gun Gale Online, The Eccentric Family 1.2, Hi Score Girl, Dennō Coil
I'm so happy that I get to see so many magnificent works every year.
I pray that next year we will get splendid works too.
I will throw my money at them for it!

Furthermore, about the next work, I've been thinking that I want to draw something bigger.
Like a full family corruption story.

Then, please treat me favourably in this 2019 as well.
Please don't forget to be prepared for natural disasters.
Take care.
