# あとがき

This is my third Manga

I was thinking that after I wrote three manga, I'll be get used to work on manga and release more manga easily and I'll be professional manga artist...haha

...that was my plan but it wasn't that easy in reality...

And I was like...damn...

I wasn't sure I can be ready by "Fuyukomi" since I lost HDD from my PC  
I was so nervous at that time

## And couldn't be ready by that time...

※Now 2019 winter (it's about a year ago)

And this winter, I learned how serial Manga artists are legend

I really thankful to name initial  
S, H, K and I also really appreciate to people who worked for me  
And thank you for choosing this Manga and reading  
till the end. Send you love from Shotamama.
