Hi

Will you always be with me?

You really are the worst~

I don't know who you are, but could you go awa-

Eh?

You're unbelievable, Onii-chan ♥

How cruel
How heartless
can you be?

But I came in a plane!
An airplane!
A single middle school girl rode an airplane just to see her big brother!

It's bad enough that you didn't come to pick up your adorable little sister.

I could get attacked by someone at any moment.

It's dangerous for me to walk around an unknown city at night.

Well, yeah.

It's just junk, right?

I'm fine.

Just wait in the hall for a bit.

Ah.
There's a bunch of junk lying around, so I'll go clean up.

This is weird.

If he has something he's that desperate to do, he'd be better off quitting college.

Man, college is full of interesting people.

Yeah.

Yeah.

And it's one thing to box them up but now he's throwing them into trash bags?

hair

Yeah.

Isn't that guy incredible?

So I was thinking.

He does have a woman's possessions.

Onii-chan.

Oh yeah. You want to ride a bike?

Those are super fun to ride.

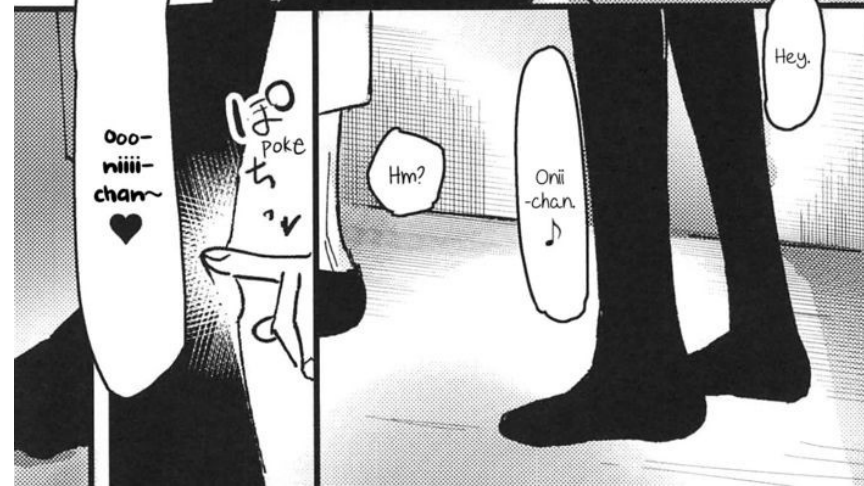

Does this mean...

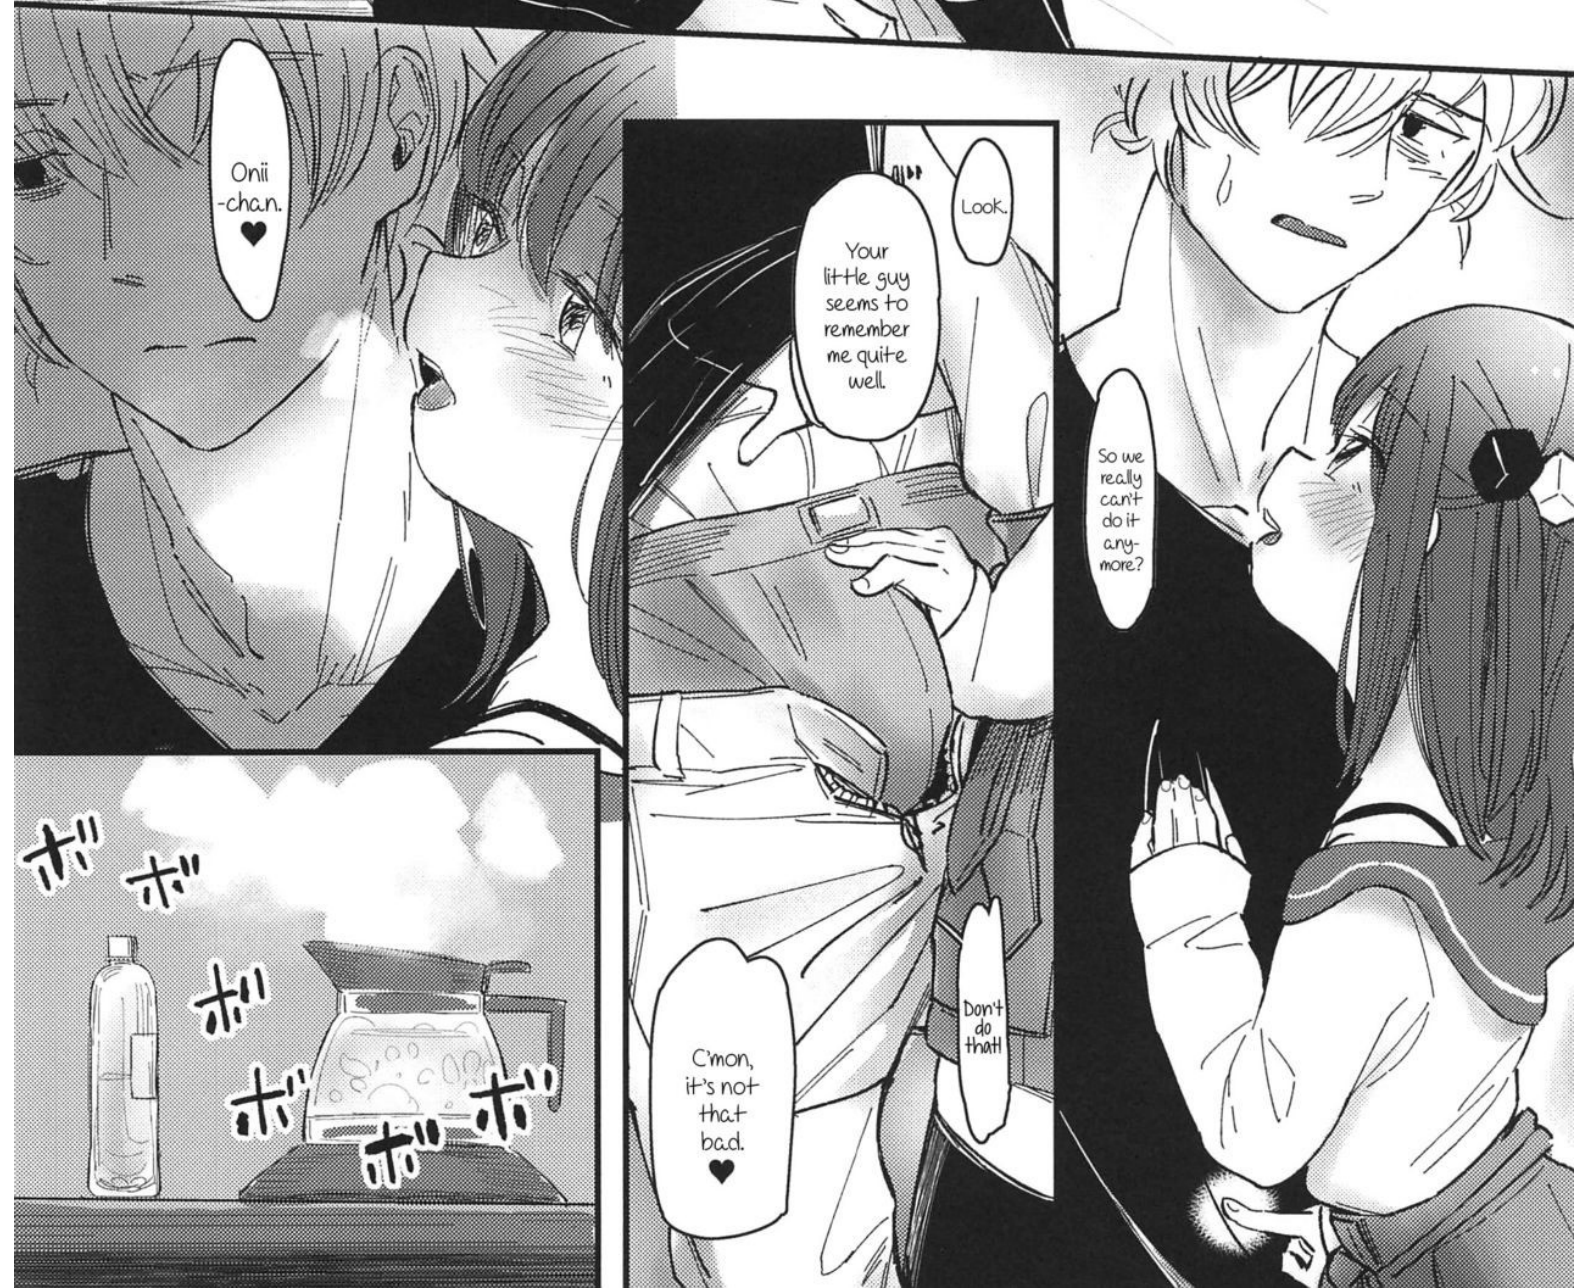

He doesn't seem to want to hide anything.

Hey.

This is your overseas vacation after all.

How about we go somewhere tomorrow?

What's not right about this?

You damn little pervert!

Didn't you want your blood-related brother's cock all along?

Please don't...

...be like this..

This is not...

...right.

Onii-chan.

You keep saying this is wrong, but your pussy's squeezing me pretty hard!

You're getting off on this, aren't you?

Oh no...

I'm gonna cum again.

He's thrusting...

...so roughly...

Nn

This isn't...

...what I...

Huh!?

So you just don't give a shit about my feelings do you!?

Are you
mocking
me?

If you
don't
want to
do it, stop
inviting
me so
much.

You
don't
give a
shit as
long as
you get
off.

You
really
like
doing it
anyway,
don't
you?

That's
not it...

I don't
wanna
hear
it.

I just
want...

Don't
worry,
I'll get
you off
real
good.

This is
strange.

Even
though
I need
Onii-chan
to be
himself...

You
suck
at
lying.

But
it's
true.

You just
came
a bit
earlier,
right?
Your
pussy
really
squeezed
a lot.

Stop
com-
menting,
you
dummy!

That's
right,
I love
him.

Onii-chan,

I just want you...

...to feel good...
♥

...matter anymore.

Onii-chan...

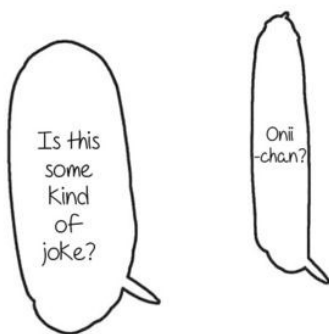

That doesn't...

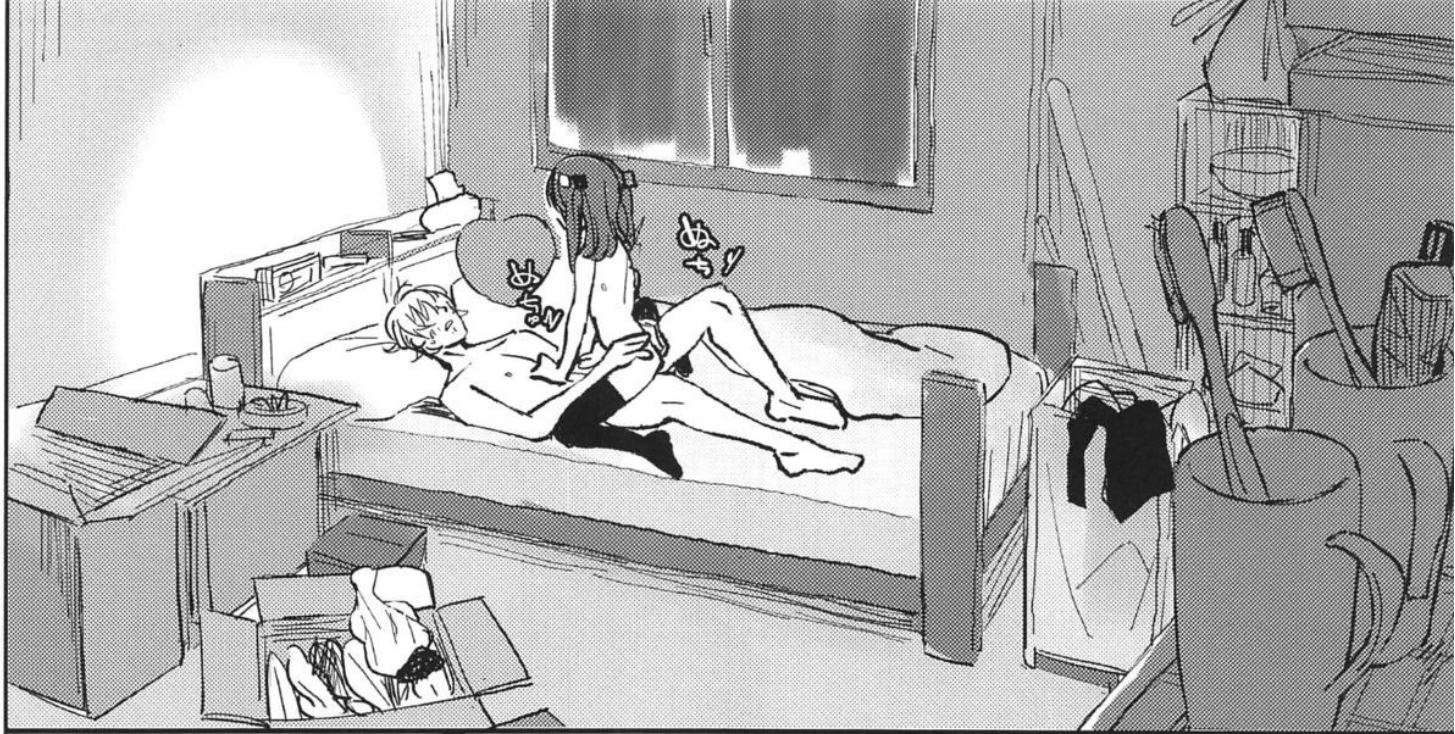

Hey, you came again too.

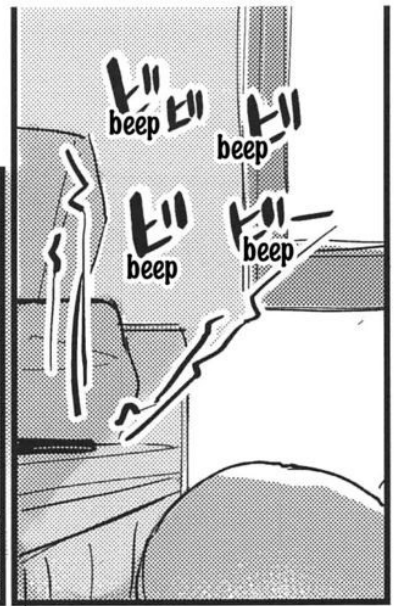

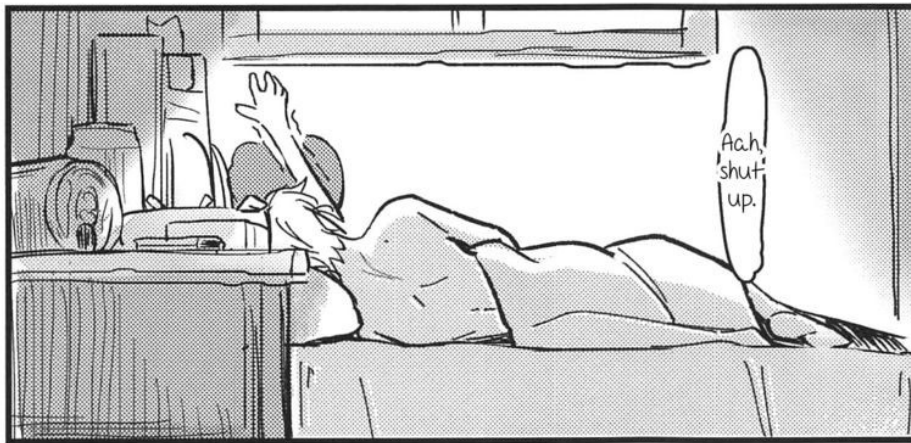

You're thrusting so hard.

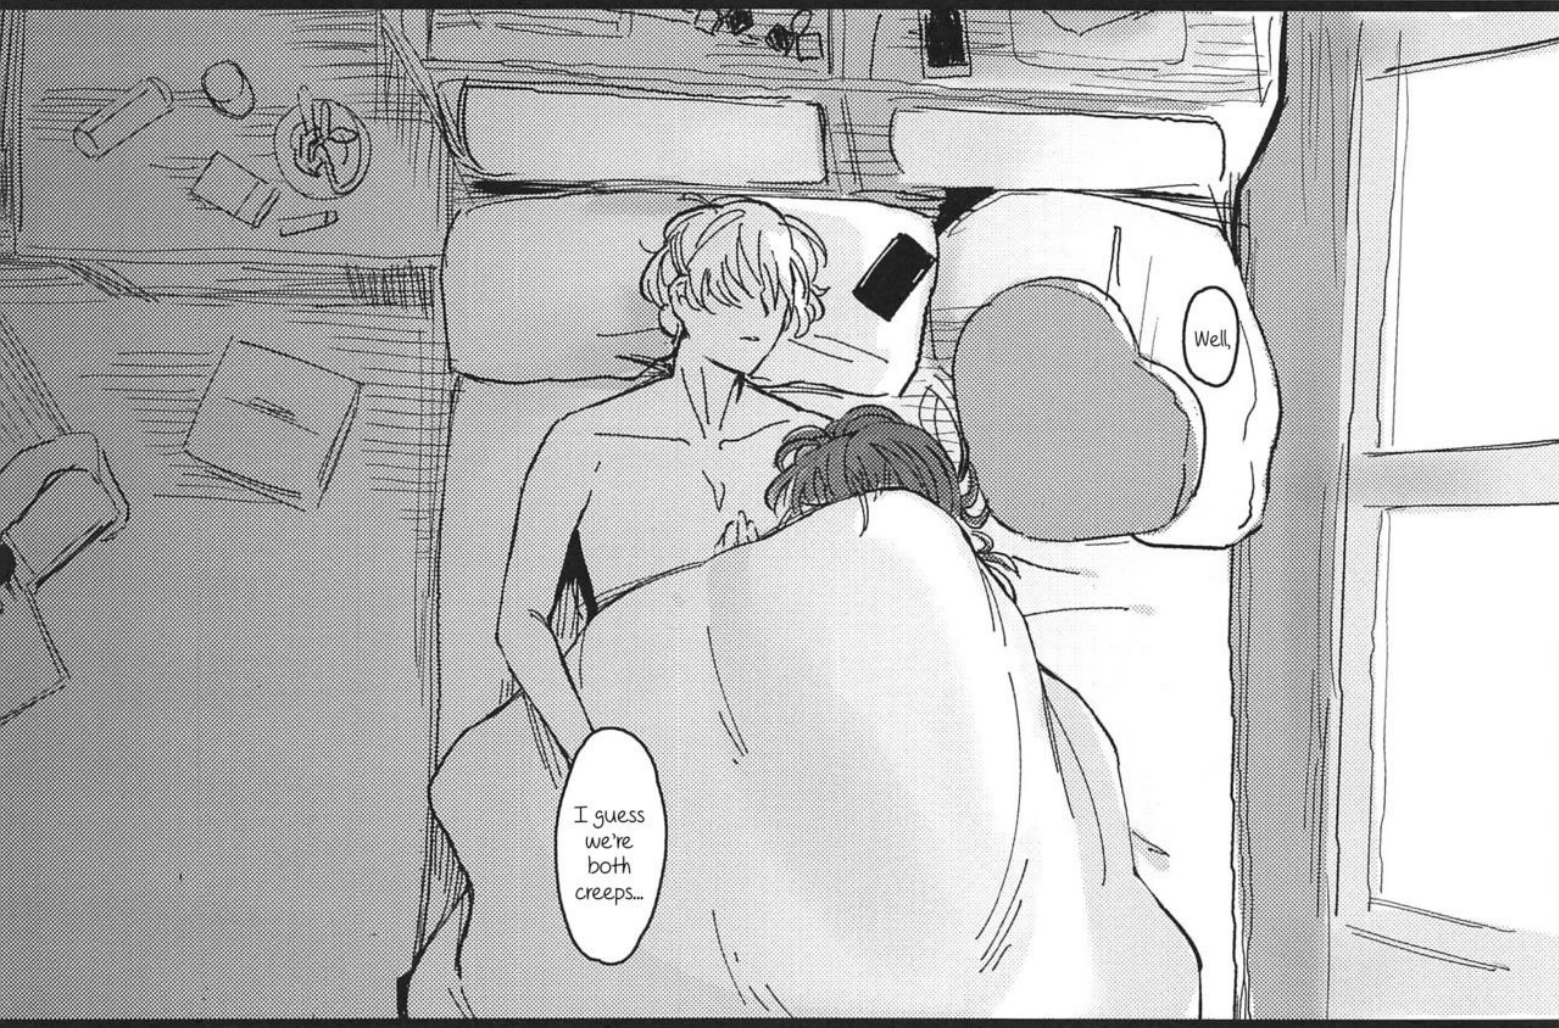

Onii-chan,

Hi, I'm Daki Makura.

This book is a first for me in many ways.

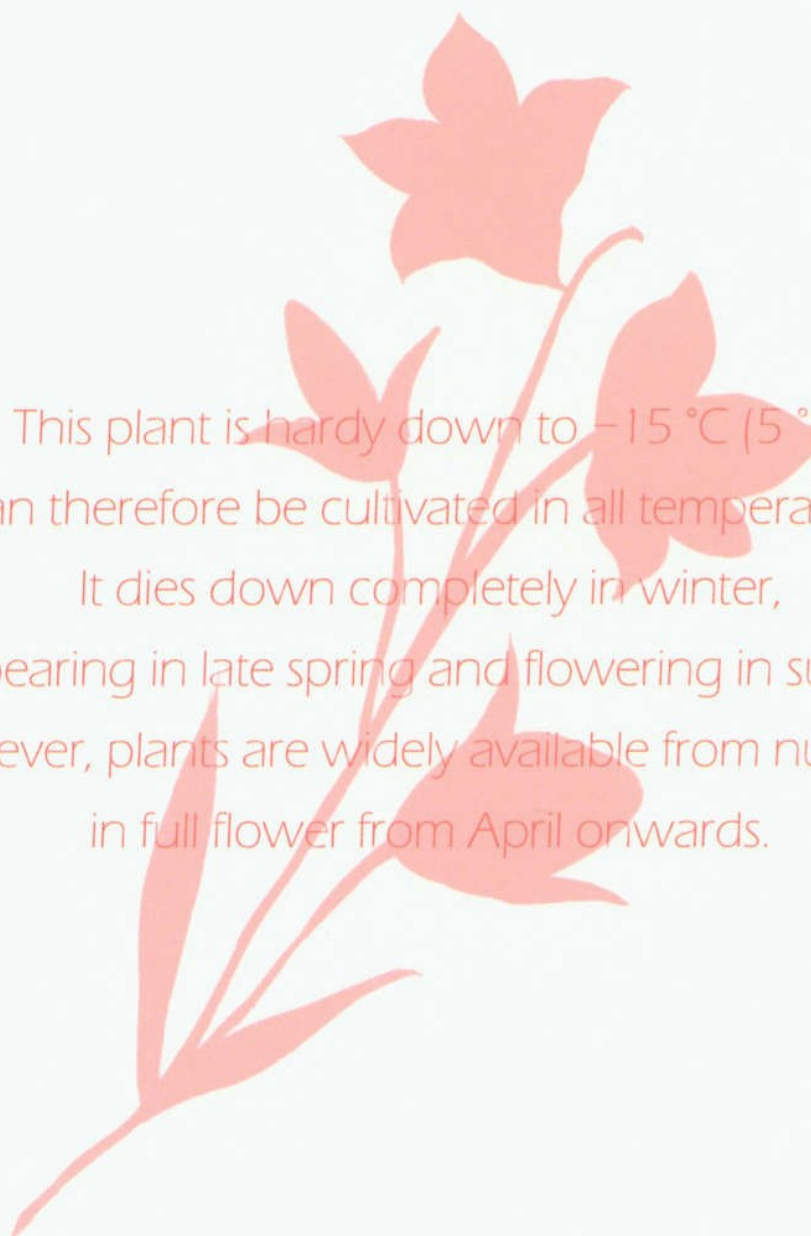

It was a real mess making this. I can't even count the number of times I've changed the lines and character names. For now at least I completed it so that's something to be happy about. I'd like to write more but the only words that come to my mind right now are words of gratitude. Thank you so much for reading my manga.

Also, I'd love to hear your thoughts and criticisms, so if you have the time, please leave a comment!

You can leave your thoughts
and comments here.
I look forward to it.

It dies down completely in winter, reappearing in late spring and flowering in summer. However, plants are widely available from nurseries in full flower from April onwards.
