Huh? We don't need those...

This is an all-boys school, after all.

Oh.
By the way, I heard that a group of girls from a neighbouring school would be coming down to act as our cheerleaders.

But in this harsh world of ours, other unexpected obstacles can also crop up.

I can't believe we're finally here.

Only one week left...

Up-and-coming Soccer players can have their whole future decided by the outcome of certain important matches...
