Afterword

Hi, Shiba Nanasei here.
Thank you for buying this book.

We're in the Reiwa era, with the Tokyo Olympics coming up, and adult magazines are disappearing from convenience stores, so I ended up with this kind of setup. I was once an innocent young boy who would sneak a peek at the adult section, myself, but I do wonder whether kids these days actually still do that. Smartphones exist, after all. Personally, I'd like for them to feel some nervousness.

I began with the intention to write a sweet and flirty one-shota book, kind of like the works of Arearee-sensei, who I deeply respect, but once I got started, I ended up with a suspicious onee-san toying with the shota... How did this happen?

I got excited while I was drawing and the onee-san's boobs started growing bigger and bigger. I guess that's fine in its own way.

I used whiteout-style censorship, with convenience store eromanga in mind. I suppose there will be fewer chances to see this sort of censorship over time.

I wasn't always someone who draws manga, so this time I drew an original manga by myself for the first time. It felt pretty fun.

Well then, bye for now.
If we get a chance in the future, see you then.
