Oh,
okay...

Are you
leaving
already?

Yeah.

I want
to get
settled in
to living
alone.

Don't
worry, Akkun!
I'll come home
to visit every
month!

Are you
going to
be lonely
without
your big
sis?

And with that, my university life took off.

See you later!

Hey, I'm not a kid anymore!

Ha ha ha! Sorry!

Well, I'm not very good at making friends...

On the whole, things are going fairly well.

Hey there, you got a sec?

Wanna grab lunch!

That was boring.

Sure, where?

Ew, anywhere but there.

So there are times when I feel a little lonely...

Just the uni cafe?

Well, how about...

Why did I agree to come here?

What the hell!

Dude!

A mixer.

Hey you!

Wow! Really?

I guess? Oh my! That's up!

See, isn't he hot?

Ah!

Knock it off!

I don't belong here.

I'll make some excuse to leave.

Excuse me...

Are you okay?

Oh, uh... Thank you.

Whoa!

カ

This is... wrong...

Well, leave it to me! I'll give you the best cherry popping you could ask for!

Aha! I had a feeling you were a virgin.

Don't be silly, everybody does it!

Really...?

Is this normal?

I gotta say, you're real skinny without your clothes on!

You need to eat better!

Akkun! I'm back!

It feels like we're still reviewing high school right now.

Oh? R-really? Do I look weird?

Yep.

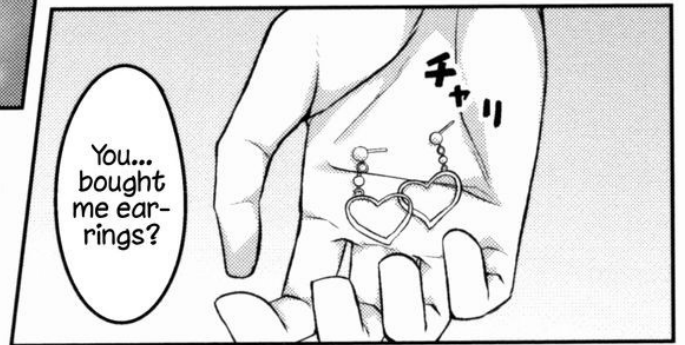

To show everyone that you belong to me.

That reminds me. Here, put these on.

...Thank you!

You... bought me earrings?

No, really, not here...

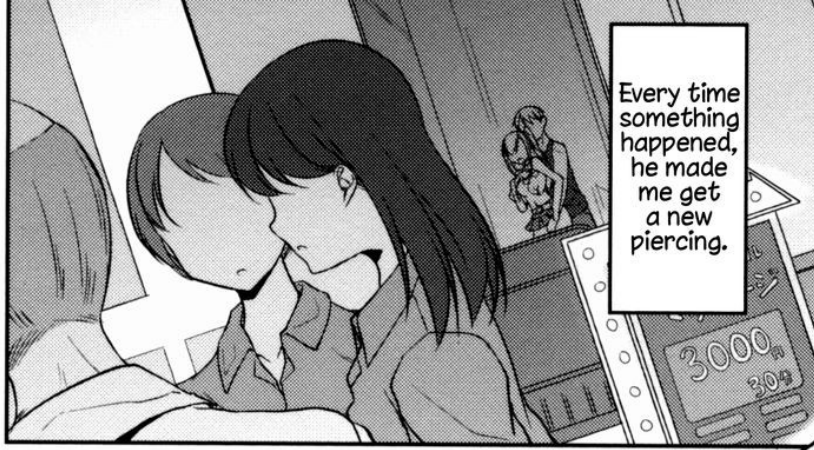

But that wasn't all...

You worry too much.

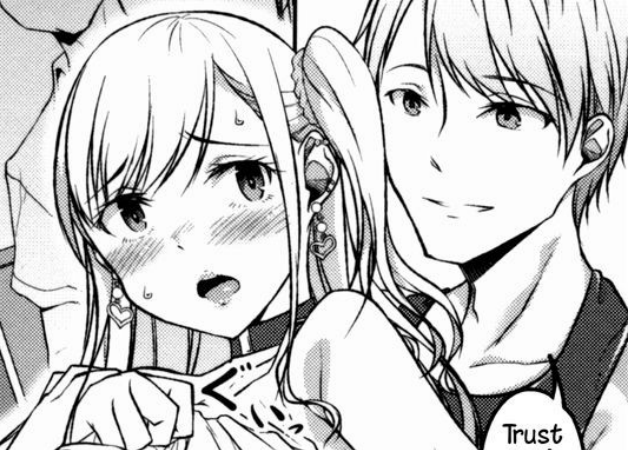

Since then, my appearance has gradually grown bolder in accordance with Yuu's requests.

Like how to dress and do my hair...

He seems to prefer girls on the flashier side...

Every time something happened, he made me get a new piercing.

Trust me! You'll love it!

At first it was just my ears...

ツル...

チリッ

I SAID NO!

...but lately even my nipples and belly button...

Your new nipple piercings suit you so well! It'd be a waste not to show 'em off to everyone!

Yeah, this is perfect.

I'm so glad I asked that place.

'Cause, you know, most clinics in Japan have limitations on breast implants.

Course, that drove up the price, but this size was just too funny to pass up.

Y... yeah.

Seeing him this excited about my breast enhancement is a little... upsetting!

Aren't you happy now that you can finally give me a proper tit job?

I feel like he cares about these implants more than me...

Great, your tit jobs are awesome now!

Aww, gonna cum.

Shiori, your boyfriend is gonna get jealous if you let this toy make you bumgasm so much, you little slut!

So, which one's better? The toy or my dick?

My dick, right?

Well, I can't let myself be outdone!

How on Earth did I end up doing this sort of thing?!

You're way tighter than normal!

Oh shit, that's nice!

Ah

Ah

I haven't visited home for quite a while now...

And I don't even remember the last time I went to class...

I can hardly tell what's what anymore.

I wonder what Akkun's been up to?

Ooh, it's gaping open!

Looks like you'll do just fine.

Now, let's take a look.

About that surgery fee you were asking about.

Huh...?

You're joking!

I already sorted out everything with the shop, so you don't have to worry about a thing.

You'll be selling your body to pay for it.

Kaori is the pseudonym I go by at work.

These tattoos and the newer piercings were all options my shop offers to clients.

The girls that work here aren't allowed to refuse any customer requests.

We must obediently go along with whatever play they desire.

Mr Nonomura normally has a very gentle nature, but...

Ah!

Squeal for me!

C'mon!

Ah!

Ah

Ah

Ah

I bet you open your legs for every loser on the street!

...Fuckin' nympho slut!!

Sorry!

And on top of the violent sex, his relentless verbal abuse is extremely hard to bear.

Ya god damn shameless whore!

I'm sorry!

Bitch

You stick these fuckin' gaudy ass rings in your nips!

I'm sorry!

How many dicks have you had up that grotty cunt of yours, huh?

Well?! Spit it out!

I don't know!

But no matter how cruel he is, I can't say a word.

Hah! Sounds like your parents need a slap around the ear!

Where'd they fuck up to raise such a despicable tramp, huh?

I just have to grit my teeth and bear it

if I want any hope of repaying my debt.

Uhu uh...

Tell me!

Are my toes tasty?
Delectable?

Wha...?

Oi.

I went and took up smoking after I started working here.

Your opinion doesn't mean Jack in this place. Don't you forget that.

All your regulars are looking forward to it too!

But...!

I still haven't paid off my last surgery...

Pfft, you'll make that back in no time!

Besides...

...Yes sir.

I... don't know where I'm heading...

I'm back.

Akkun...
I'm scared...

And it's terrifying...

At some point Yuu's friends began to use my room as they pleased.

Now I don't have a single place where I can find respite.

Welcome home!

Oh, hey! Cumdump's here!

Uh... sorry.

I told you you'd be fucking these guys when you got back.

What took you so long?

Hmm.

Um, Yuu...

You're gettin' 'em even bigger? That's fuckin' awesome!

But... I don't know if I should...

Whoa, for real?

I was told I'd be having surgery done on my chest and bottom next week...

Thanks, babe.

And off it comes!

Huh? ... okay...

Anyway, you're keeping everyone waiting.

I mean sure, why not?

Oh wow it's late

I got shit to do. Later. Have fun.

Is that all you have to say?

Is that it?

What is?

I gotta say though, it's kind of a shame.

Down The Drain - Part 2 - End

We could get the surgeon to give her cow nipples too!

Fuck my pussy more!

Then I don't care anymore. About anything.

The impregnation option is pretty pricey from what I hear.

What's a few bucks?

You've gotta spend money to make milk!

That's the spirit, gentlemen! Let's dream big!
