Hey.

Argh.
Way too many enemies.

So it seems he's got summer vacation all the way until September.

Onii-chan enrolled in an overseas college.

Although I guess it doesn't count as summer vacation since it starts from the graduation date.

He's been spending every day on gaming and his part-time job,

so it feels like we haven't gotten much of a chance to talk.

It feels like we haven't spent time together like this for a while.

What do you want?

Are you alright?

SNAP /ピッ

Ouch!

Well,

it helps fill up my day, so it's fine.

Ehehe...

If you're not that interested in the club,

why do you try so hard?

Man.

You look exhausted from your club work.

OwOwOw...

But he's still a bit annoying.

I know he really cares for me.

I-I'm not like that...

That's always been...

Yuzuha, when people expect things from you, you always can't help but push yourself to meet them.

...a bad habit of yours.

Yeah?

Hey, Yuzu.

Eh?

Wha-
wha-
wha-
what's
happening?

Eh?

Anything
wrong?

You're
gonna
do it
now?

Not
really...

But I'd
like to
at least
take a
shower...

What's up with you all of a sudden?

But I do!

I dunno.

I don't mind.

I guess I just want to sleep with a girl.

Wait...

Aah...

..don't get... that...

I really...

Aahh...

Do you like it when I play with your slit?

You're just as easy to get off as ever.

What a kill-joy.

Don't ask Yuzuha that...

Dummy...

It's normal for me to be a bit surprised. We haven't done it in over half a year...

You're being weird, Onii-chan.

Not in the mood today?

I'm putting it in.

Suit yourself.

Well, I don't really mind it like this either.

It should be easy for you to get a new girlfriend.

Like say, a co-worker at your part-time job...

Hey, Onii-chan, why don't you go out with other girls anymore?

Wouldn't it be more convenient for you?

For many reasons...

It's just that...

Guh...
L400,
000,
00h

Hey, are you listeni-

He's thrusting faster and faster.

We don't need to get all worried about the details.

And he's putting so much force into it.

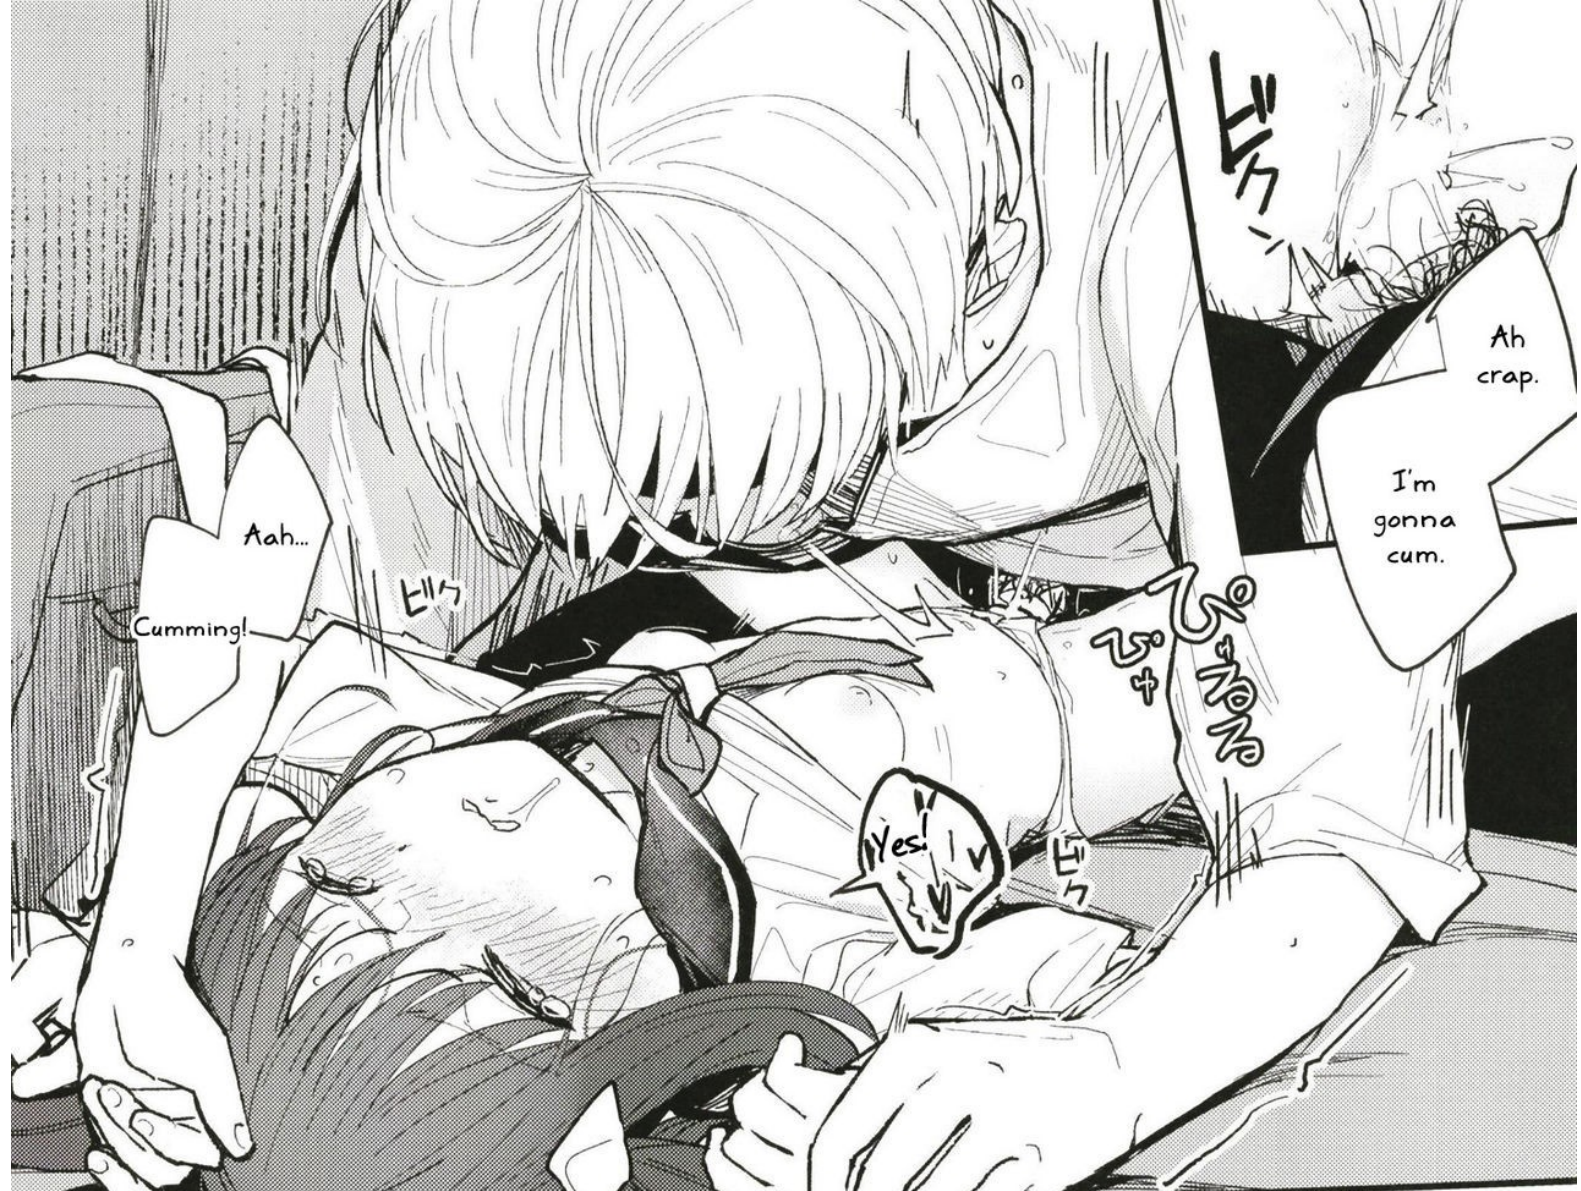

If we can feel good, nothing else will matter.

He's tearing into me.

Isn't that how we've always lived anyway?
The two of us that is.

Ah
crap.

I'm
gonna
cum.

Aah...

Cumming!

Eh

Yes!

Yes
+
Yes
+
Yes

Eh

Aahh...

Yuzu...

That
felt so
great...

Ah...
Haah...

It really
did feel
amazing...

But
Onii-chan
is
strangely
excited
today.
It's a bit
annoying.

haa

ha

I
wanna
take a
shower.

Huh!?

...?
Where
are
you
going?

You perv!
Trash!
Rapist!

You
really
should
consider
a girl's
feelings
more!

Did you
seriously
just say
that?

That's
not
what I
meant...

Well,
whatever...

It's
been a
while
since
we did
that.

Oh, then
how about
we bathe
together?

Come on, I just wanna shower.

aah

Why are we doing this again?
Is this your idea of revenge?

ちゅるる

Geez, you're so cute.

Your future husband is gonna be such a lucky guy, Yuzu.

mn

Ah...

Whoa...

mn

Guess this isn't so bad.

ちゅるる

Aah...

Crap...

sput

ha

Geez, just how old do you think I am?

Onii-chan, you big jerk.

Haah...

.....

Don't get the wrong idea. I got this... uh... prescribed to me from the doctor... so...

The pill...

but I've been taking it for over a month now. That is, er...

I wanted to tell you this earlier,

You don't mind another round, right?

My bad. I'll go fetch a condom.

Umm...

Don't worry, Onii-chan will listen to you later. We can take this one step at a time.

Gee, you should have told me that I didn't have to wear it from the start.

Don't tell me... You're so into it that you can't talk right anymore?

There's no need to push yourself so much.

Every time I think that I might never get to do it with Onii-chan again...

Every time I even consider moving on from this relationship...

...my head gets all messed up.

Aah

Mh

Ah

Aahh

Ah

Aah...

I mean...

Aahh...

Uuohh...

Oh man, I'm totally out of ammo now...

とほおー

Totally.

Seriously?

Ha
Ha

..Yuzu?

Oh well. Guess I'll clean up.

She must have enjoyed the hell out of it.

She actually fainted?

This book was meant to be more of an extra chapter kind of thing, so the main story hasn't really progressed at all. The next one will probably be a more serious story. Please look forward to it. Thanks for buying my book!
