Needs to be **Scolded!!!**

CIRCLE:

Brother

A college kid.
Unbelievably lame. From his fashion sense to his stupid hobbies, everything about him is so embarrassing it even makes ME cringe. Don't act so cocky just cause you're "kinda" good at sex. Don't even touch me Creepy Otaku.

Sister

Teen school girl.
Absolutely Annoying.
Just 'cause she has a "kinda pretty" face doesn't mean she can act like an ass, yet she always does. She even steals my snacks with no remorse. Grow the hell up Dumbass.

Character Introduction

I told you to get me the Soda-flavor, didn't I?

I have a sister.

She's popular at school for her fairly pretty face-

Hey dumb ass-

Having an IDIOT like you as a brother-

Jesus christ...

...But if there's one...

GRIT!

Plus she's an elite, top of her class on both grades and sports-

So she's the favorite child in our family.

You had ONE job you idiot...

Are you brainless?

What? You have something to say?

FLAT!

It's that-

One TINY little thing I could criticize her on...

Go get me a new one- The right one!!

Go and get my ice cream ...NOW!!

Don't just stand there dumbass!!

SO GODDAMN **ANNOYING** AND **A PAIN IN MY ASS** IT PHYSICALLY HURTS MY BRAIN.

She is just-

Ever since we were little-

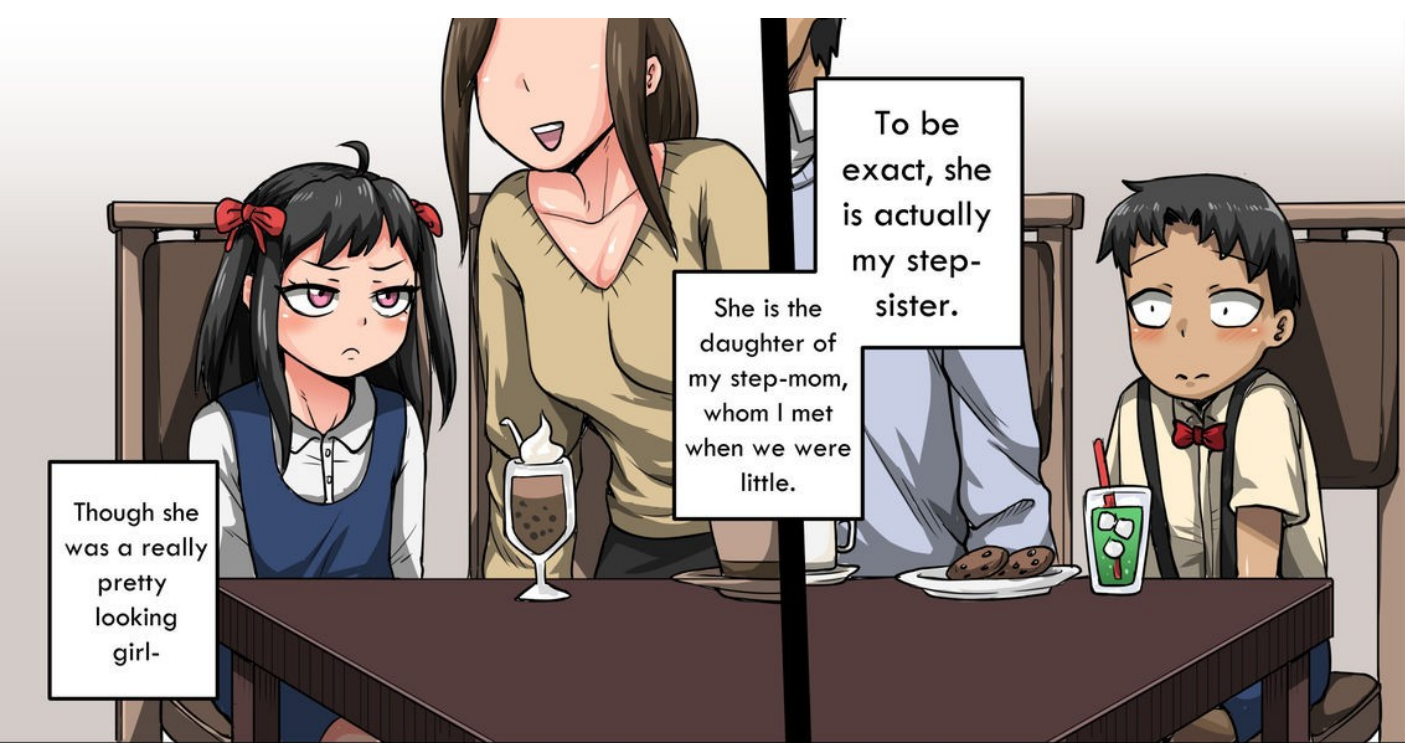

Even I feel embarrassed for you!!

Is just the **WORST!!**

She always knew how to press my buttons.

God... Just looking at your dumb face makes me wanna throw up...!!

UGH...

Though she was a really pretty looking girl-

She is the daughter of my step-mom, whom I met when we were little.

To be exact, she is actually my step-sister.

I don't want a brother like him! He looks dumb!!

No!

Y-YUINA!!

Who...

I knew the moment I met her she would be a monster on the inside.

AHA HAHA~

I'm SO telling dad WWW

LOL Is this score for real?

Always looking down at me, even to this day.

Even after we started living together, she never changed her opinion about me.

Geez you don't even know that?

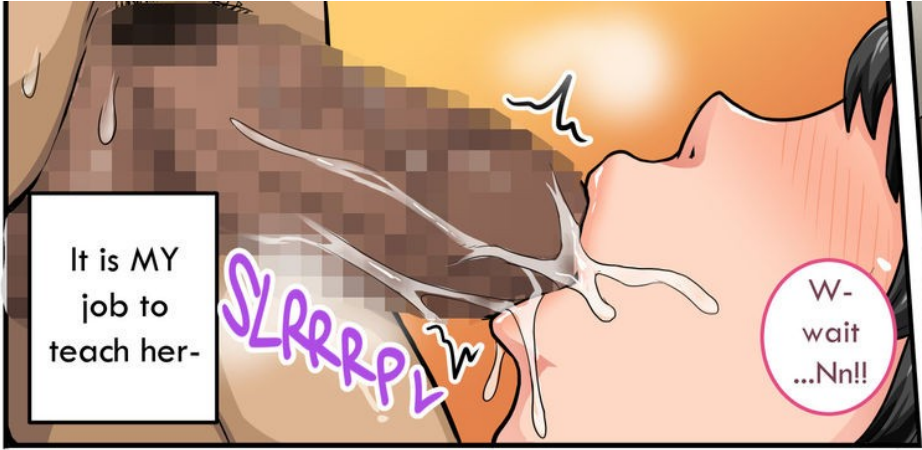

How stupid ARE you?

Are you seriously gonna freak out over a fruit? God...

What? So I ate it So what?

OMG stop Staring at me you creep...

Always over-defensive-

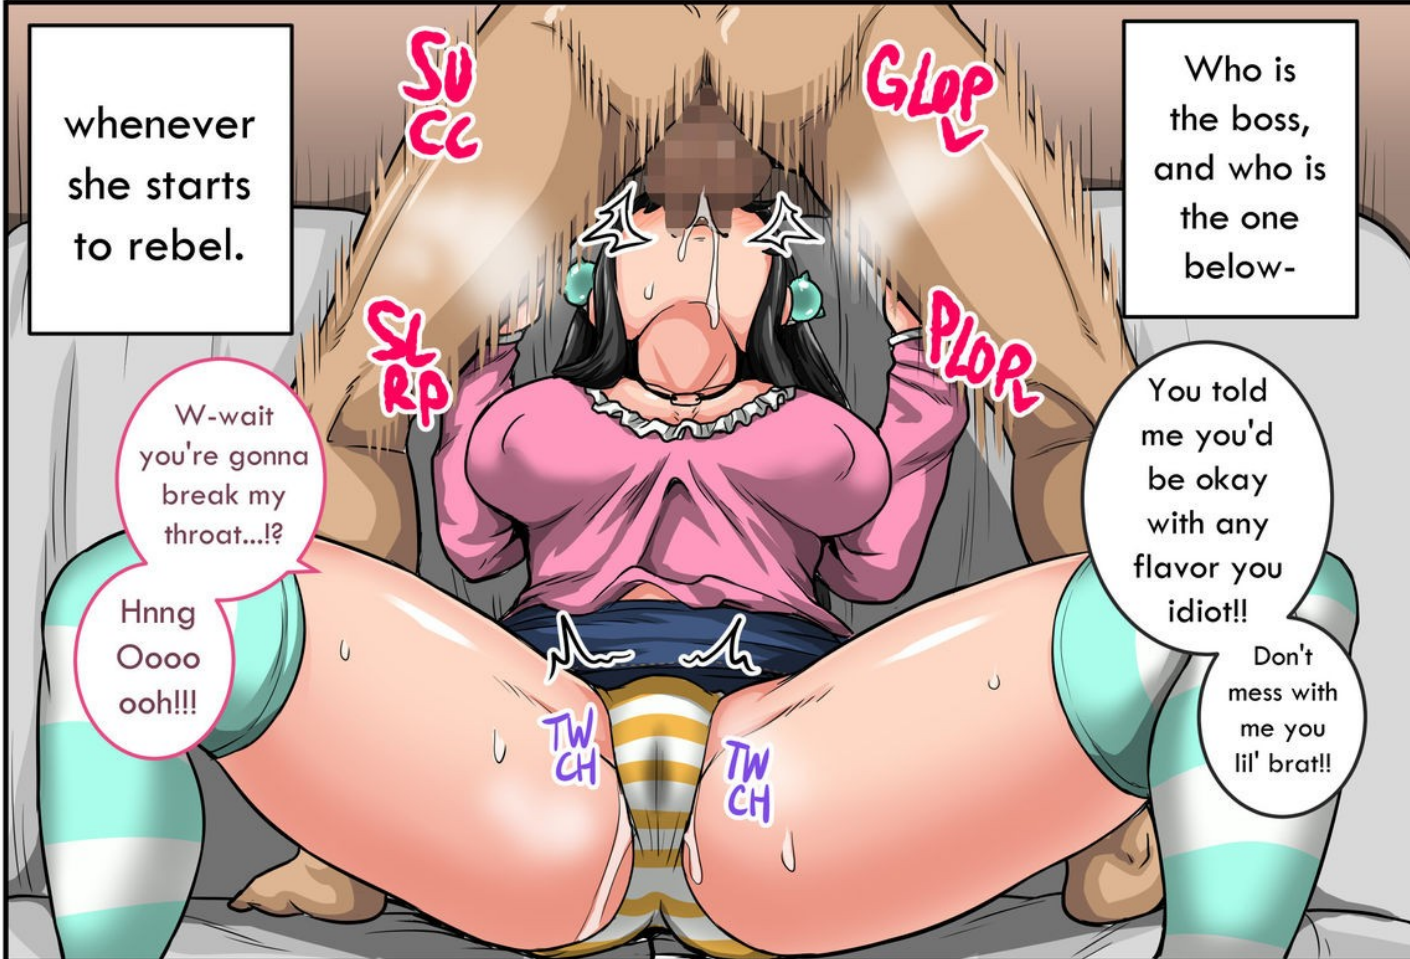

It is MY job to teach her-

W-wait ...Nn!!

Mn!?
Nnph!!

So as a good brother-

whenever she starts to rebel.

Who is the boss, and who is the one below-

W-wait you're gonna break my throat...!?

Hnng

You told me you'd be okay with any flavor you idiot!!
Don't mess with me you lil' brat!!

That day,
little sister
also lost her
virginity★

I asked her what she was doing, and she said "I can't look at you shaking like a dumb idiot anymore so I'm warming you up", while moving her hips. This was the first time my sister ever did something nice for me, and like her warm pussy, I felt my heart slowly melting with happiness... but hey sis-

It's been a long time since I've caught a bad cold.

Due to the brisk room- While my body was shaking

My sister started taking my clothes off and put my dick into her vagina.

Can you...give me my blanket back? Every part of my body except my penis is freezing for christ sake...

Afterword

At first this series was just meant for a light doodle I could play around with, but after I have gotten so much love from my fans from Twitter and PIXIV,

I have gained confidence in making a manga of Annoying Sister!!

This work was really fun for me, because I get to draw two siblings just fight constantly and solve every conflict with sex. If this comic goes well, I would like to make a sequel, and perhaps even make a book out of it in the future...

If everything goes well I mean lol.

Thank you for your support everyone!

I will try to comeback soon with a new manga for you all!!!
