Now where

Maybe
here?
Oh guess
not...

Even
though
she's my
friend's
mom,

Her body
is the hottest
thing I
have ever
seen.

Only
until I
get into
the school
I'm aiming.

See ya
later

You sure
are serious
with those
grades~

It's just
one test
today, so
pretty
soon.

When
will you
be done

Oh dang,
gotta get
to cram
school.
Gonna be
late to
class.

Lost

I can't wait any longer.

Not when you're wearing this kinky under-wear~

Oh no...

Hyah!?
A-Akira-kun!?

Thwip!

W-wait ...

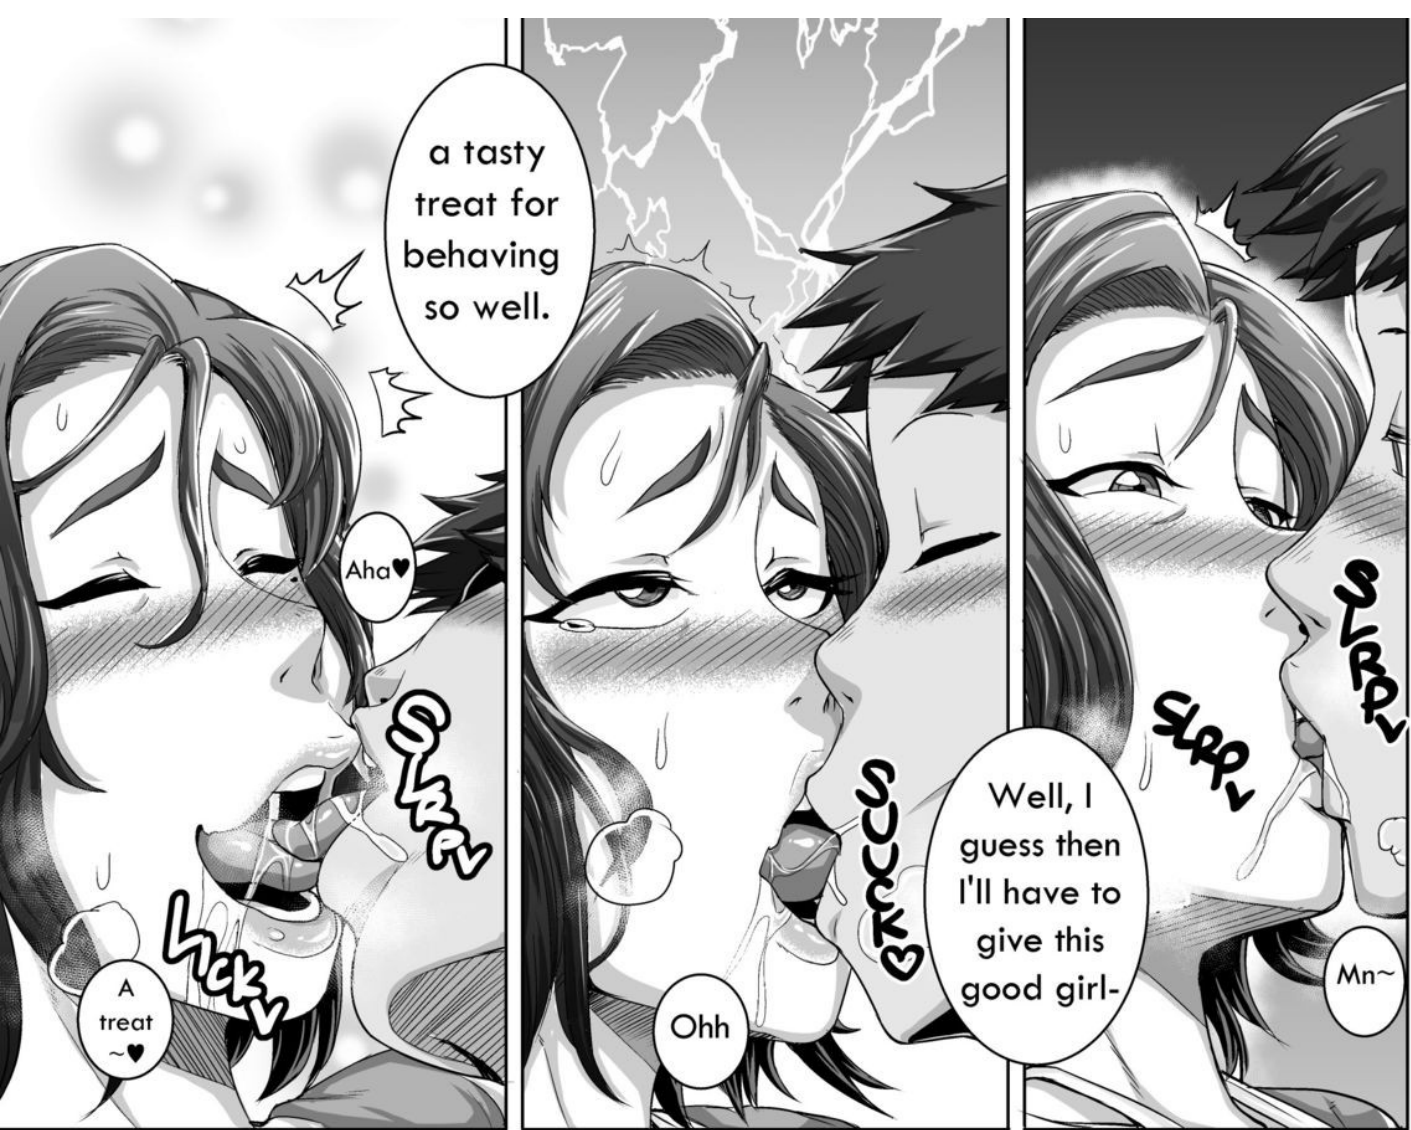

Ken-chan might still hear us... ♥

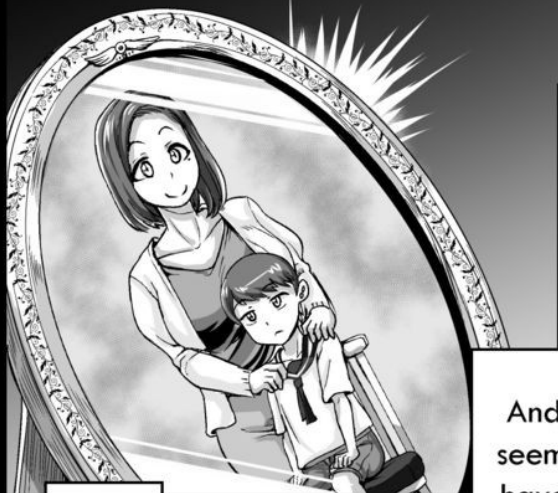

Hehe, did I say such a thing?

B-but you told me-

If I don't wear this, you won't have sex with me...
♥

I learned that she retired after she got pregnant with Kenichi.

And he seems to have no clue about it.

So I told her about the book-

And as a condition to keeping the whole thing a secret from her son-

WHOOSH

When I found Naomi-san modelling for an erotic magazine.

I was looking through a pile of old books in my house-

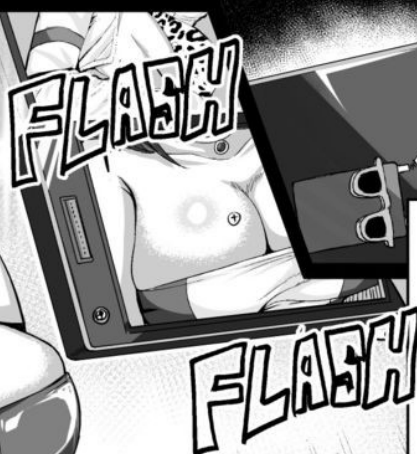

恋がしたいの
お兄ちゃん♡

Of course, it was a one-time-only promise...

...But I had no intention of stopping.

I asked her to be my personal erotic model!

TW
CH

So
event
-ually...

While I
was filming,
I forced my
body onto her,
and made her
promise to be
my sex-friend.

And even
started
begging
for sex
on her
own will.

At first
she seemed
resistant, but
after a few
times, she
started to
enjoy it-

Grip

And to
keep this
a secret
from
Kenichi-

When I first found out.

The one thing I should've done-

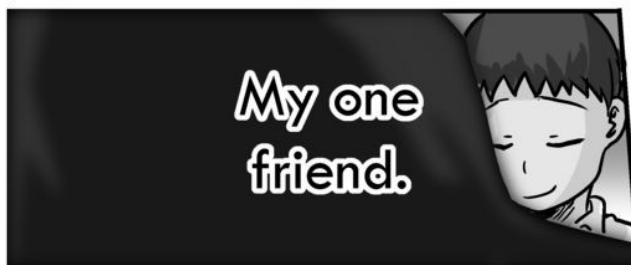

GRIP!!

The one thing I was scared to do-

Because of the fear of losing-

My one friend.

One thing I can do.....

I heard from your mom man. Did something happen to you?

This is the one thing-

I need to do.

Oh, and a hard pass on going to any "singles parties".

You're gonna need to wait.

Yeah. But I lent my classnotes to someone else.

Wow... Kenichi kun...

I heard you never lost once on that game?

Haha haha ha!!

No dude I'm not here for any of that~!

Hey, are you Akajima Kenichi?

You're No.1 in our school right?

I too, am a pretty hardcore player myself!

So how 'bout it? You wanna go a few rounds? Loser pays for lunch!

It's fine mom. I'm not a kid anymore.

I don't need you there.

... Okay.

I'll help you clean your new room, and do some shopping together!

...Hey Ken-chan! How about I go with you!?

What?!

K-Ken chan!!

Well, I'm gonna go now.

It's getting cold mom. You should go back home.

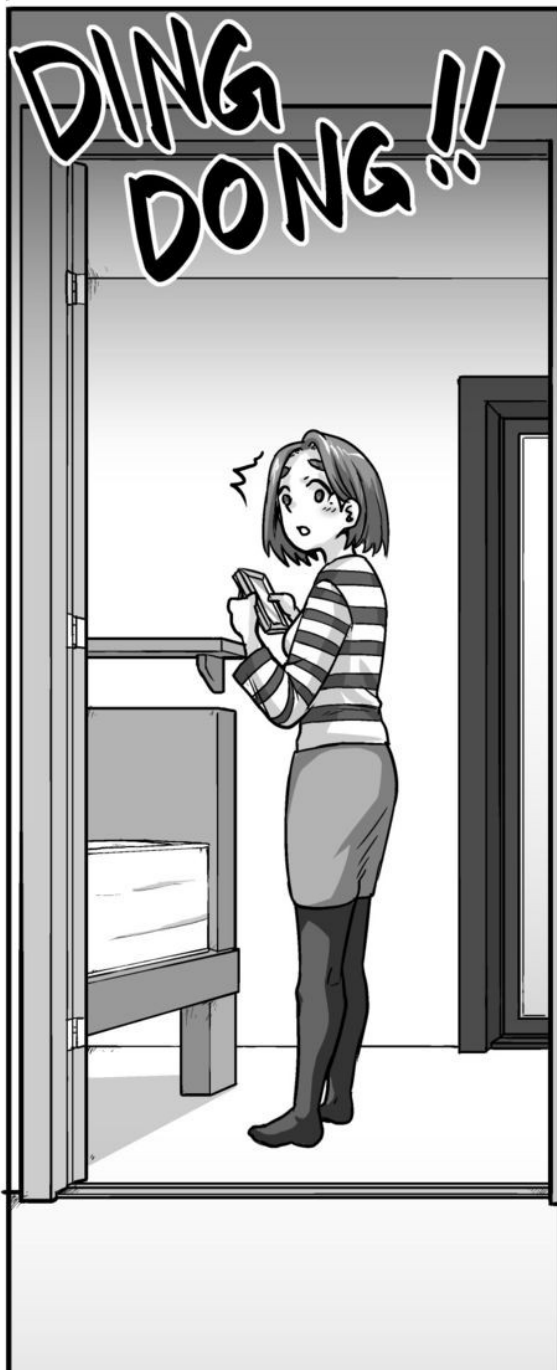

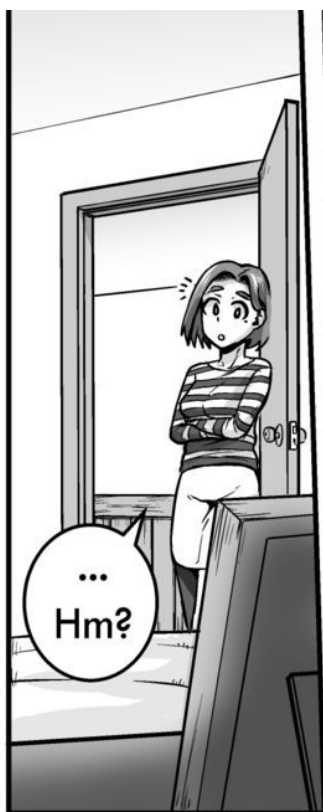

Call me any time!

Call me if you need anything ok?

...

I promise I'll drop everything and come see you!

I mean,
all I've ever
seen him do
is play games
with me-

*One of the best
Universities in Japan

That is
amazing...

So he
really got
accepted

How...
do I
look?

wore it
as you
told me.

Akira-
kun...Let's
get right
into it...
Feed my
lower lips-

I was so ashamed, I couldn't even see his face...

I couldn't say anything.

I found out he knew about us... for awhile...

That night when Ken-chan passed out-

Even when I saw him leave today-

I wasn't sad. I was ...relieved.

After fighting with you...

And even after he came back hands bloody-

I am...such a terrible person... just...the worst...

And then when this ring fit right into my finger, I couldn't be any happier...

Why
Ueno...

Answer
me...
Ueno!!

Why did
you steal
the one
family I
had!?

I thought
we were
friends...
You said I
was the best
friend you
ever had...!!

I trusted
you...
like a
brother...!!

But
why...

Why did
you have to
choose my
mom...

Thought of her as just a one night thing.

I too... at first...

I just couldn't ...

SMIRK

But after that first fuck...I didn't want to stop...

You got... a ring!?

Wha... you...

...But when she started being clingy and unreasonable-

But when I realized I always forgave her, sometimes even getting excited-

Normally, I would get tired and dump her...

No matter how much I did it with her, it felt new and fun.

And since she did chores and made good food, I thought she was very convenient.

I didn't mean to betray you...

You just... weren't in the picture anymore.

GRIT

Whether she was your mom, sister, aunt or even your grandma...

COME ANY TIME, AKIRA-KUN

It didn't matter anymore.

I love "Her".

GLARE!

I'm in love with... "Naomi".

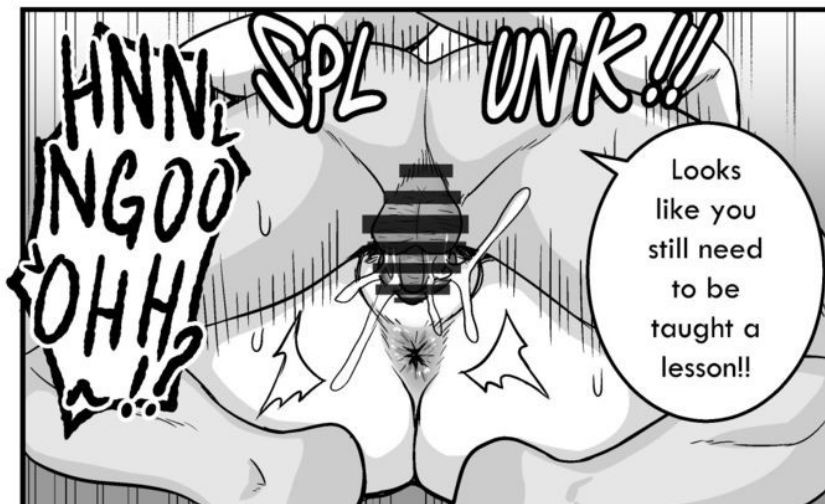

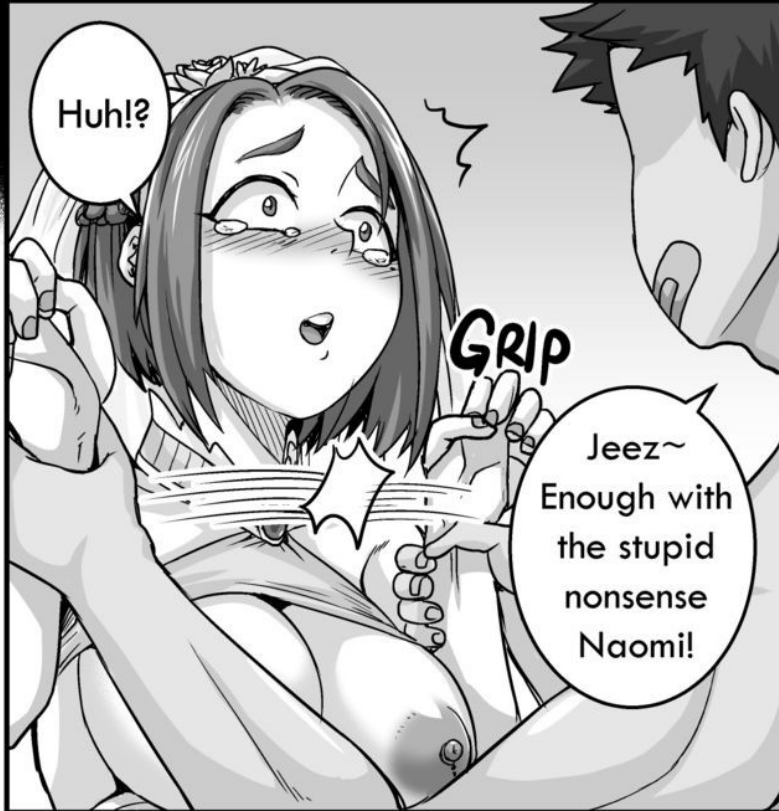

DON'T FUCK WITH ME!!

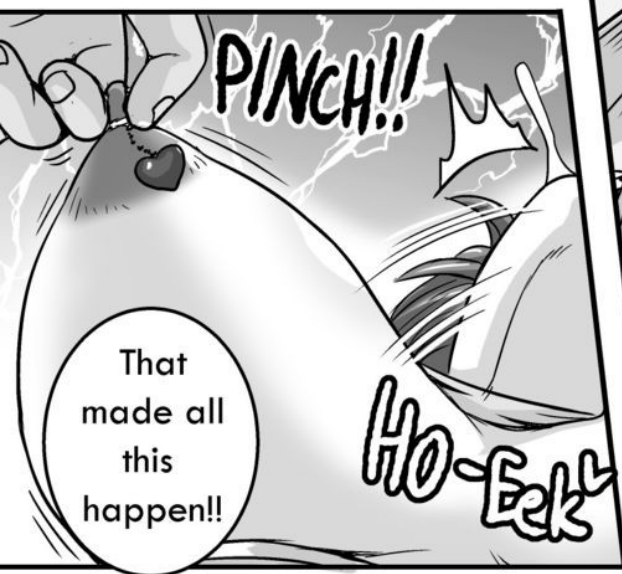

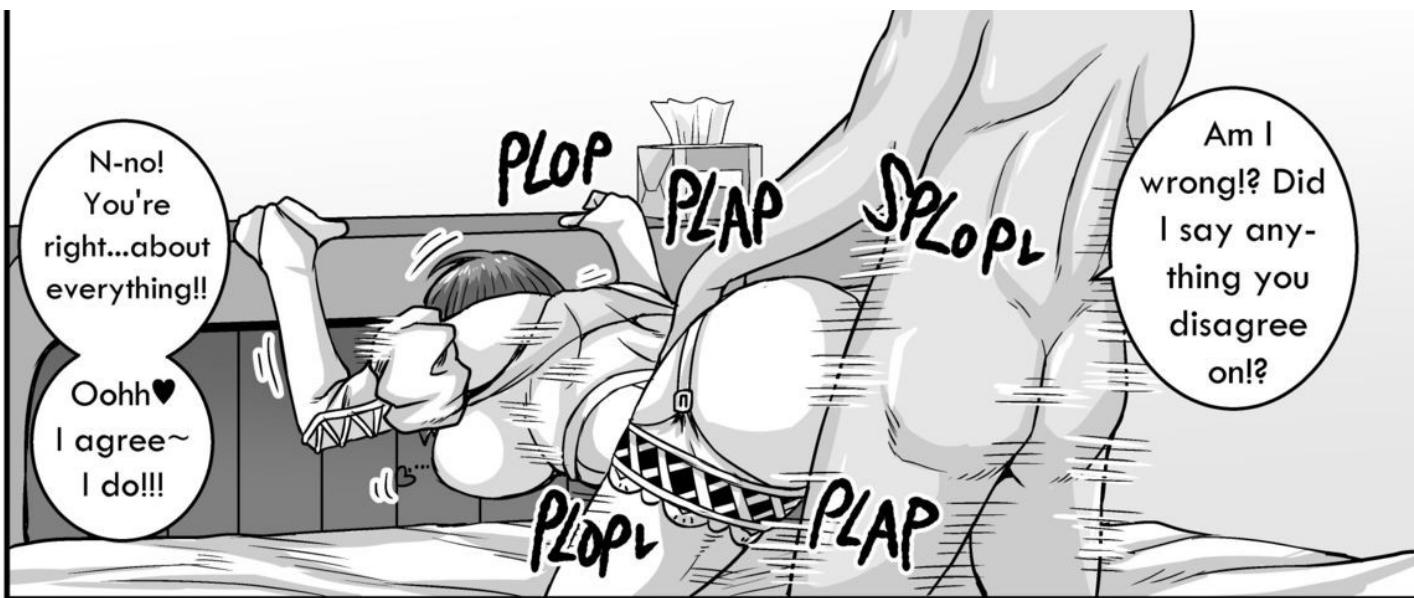

I thought, "Shit, I think I can no longer-

Live without her in my life anymore...!!"
