original girls love comic by peachpulsar(mira)

Her and I
are kissing,
like we do
every day.

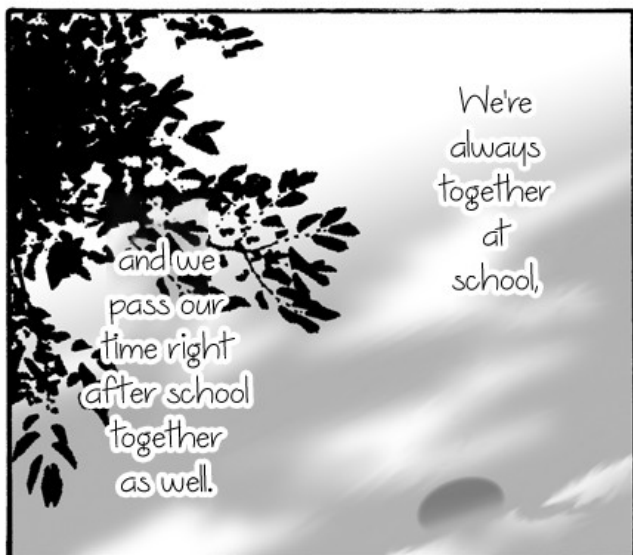

However,
this isn't
love.

Be-
cause
we're
friends
with
each
other.

Runa.

There is a
distance, a range
there that I

can't
approach
any
further.

The sight of her
retreating figure
glimmers, and it's
dazzlingly bright...
and distant.

The defenseless
hem of her skirt,
blowing around
in the wind...

For
real?

For
real

Every
day.

I'm going to
a prep school
starting to-
morrow,
so I'll
be
going
home
soon-
er!

Oh,
that's
right!
Yuuka~
I forgot!

Huh?

About
what?

I can
like I
always
have.
I can
tutor you
with the
school
stuff,

But then I
feel bad for
always robbing
you of all your
time after
school, Yuuka.

You have your
own studies
to worry about.

I mean,
we do have
exams to
think about,
so my parents
told me to
go. Since I'm
dumb.

I'm
kissing
her,
but she
really is
just a
friend.

might not
be a good
thing, you
know? That's
what I've
been
thinking...

Playing
pretend
romance
forever

.....

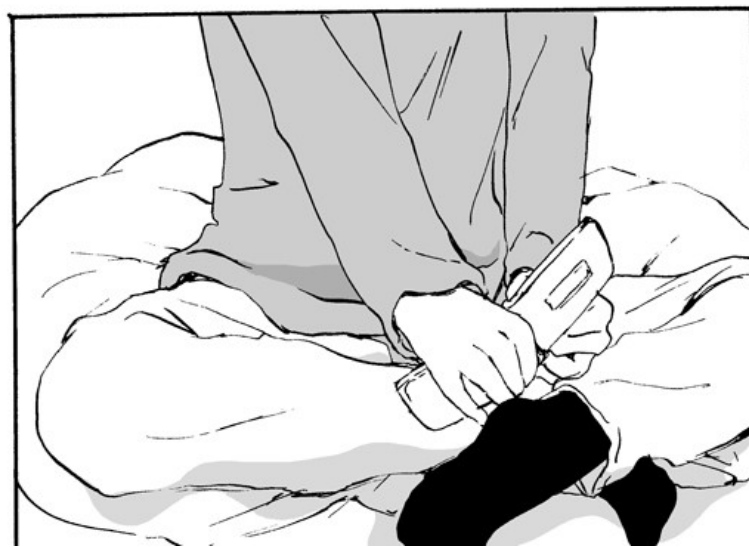

I also think...
we should stop
kissing and
stuff.

So she
didn't
need
to go to
a cram
school.

She said
before that
she'd only go
somewhere
that she'd have
zero chance
of failing to
get into...

Teaching
you helps
me re-
member,
though, so
I'm fine.

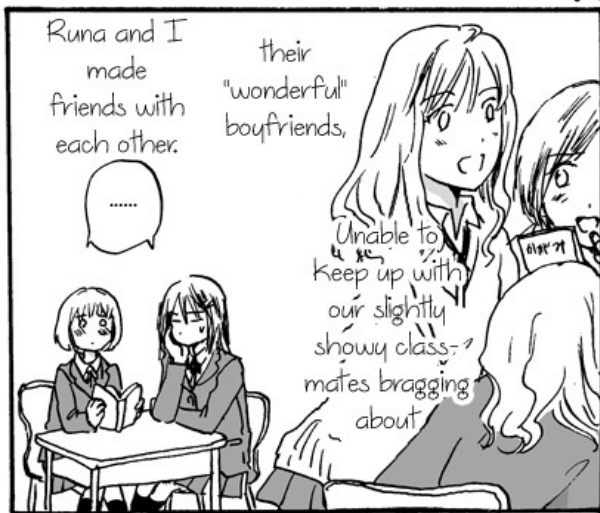

Mhm...
But,

Sure
thing.

issue
at hand

Oh, so
that's
the real
Oo

Runa and I
made
friends with
each other.

their
"wonderful"
boyfriends,

Unable to
keep up with
our slightly
showy class-
mates bragging
about

Runa,
have you
ever
kissed
some-
one?
No?

What!?! Huh!?

and she
was childish
looking, and
just very
cute.

When I
first met
Runa at
our school's
entrance
ceremony,
she was
shorter than
she is now,

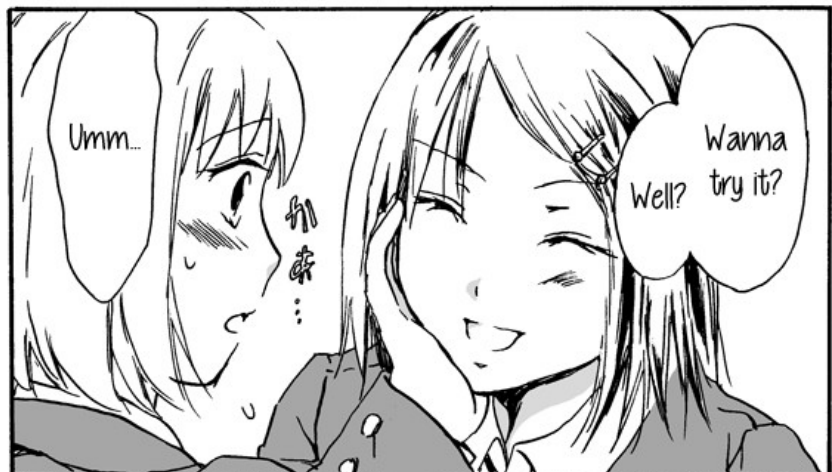

(Even
though it
was my
first time
kissing as
well.)

taught
Runa
all about
kissing.

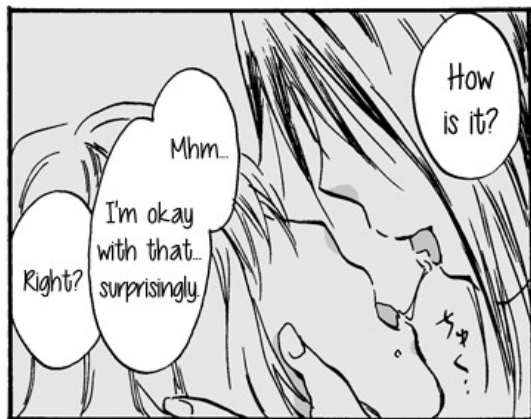

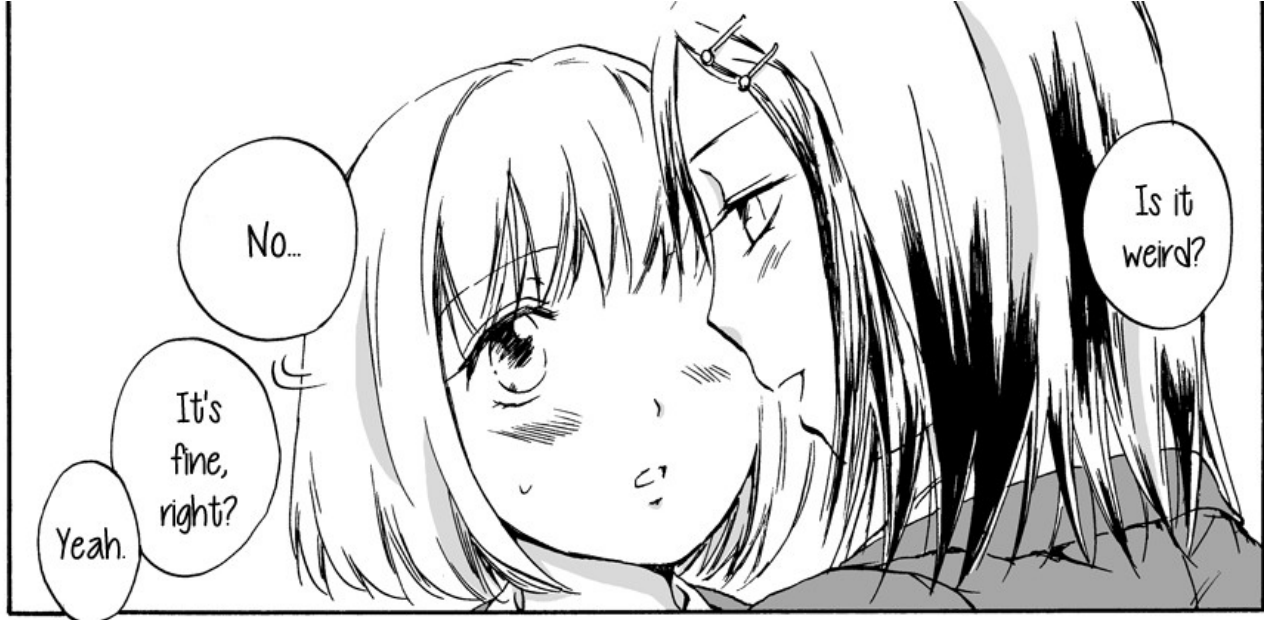

...So,
I
heed-
lessly

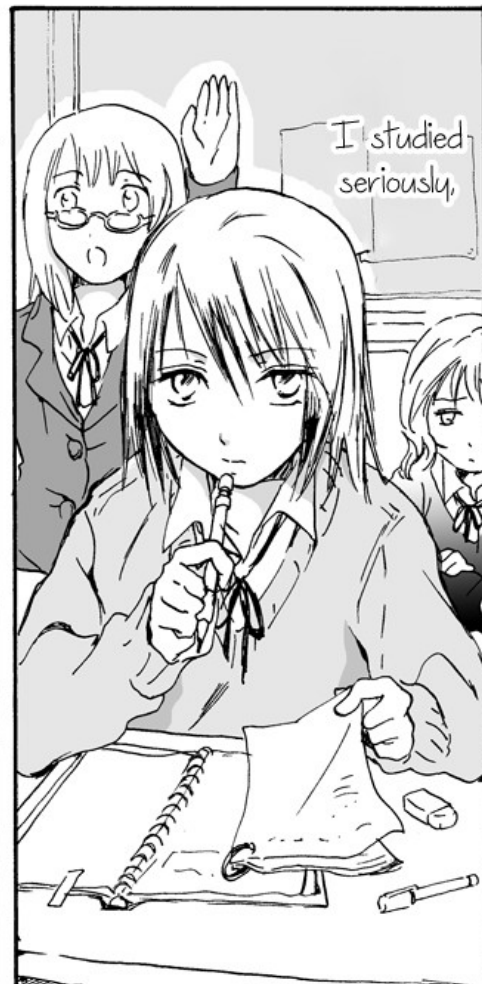

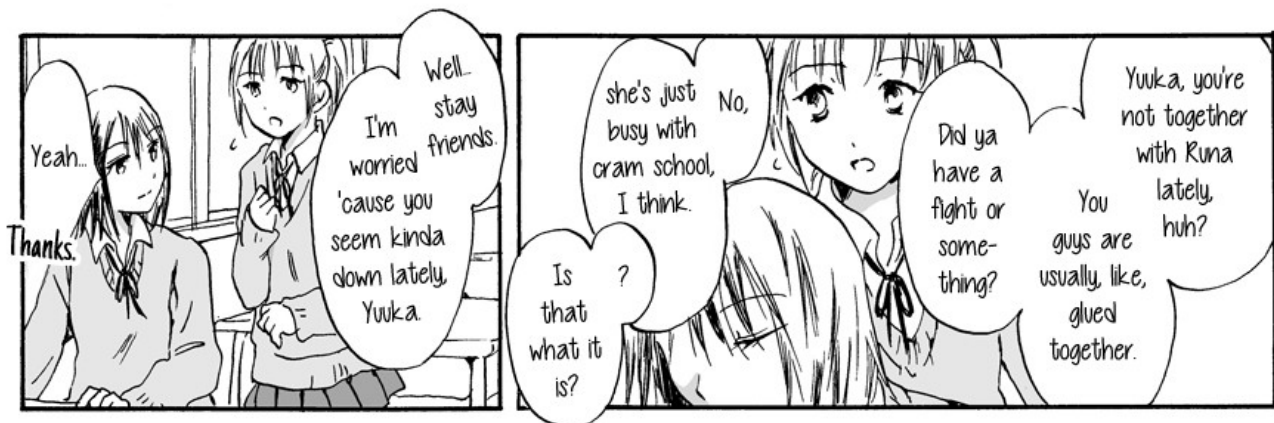

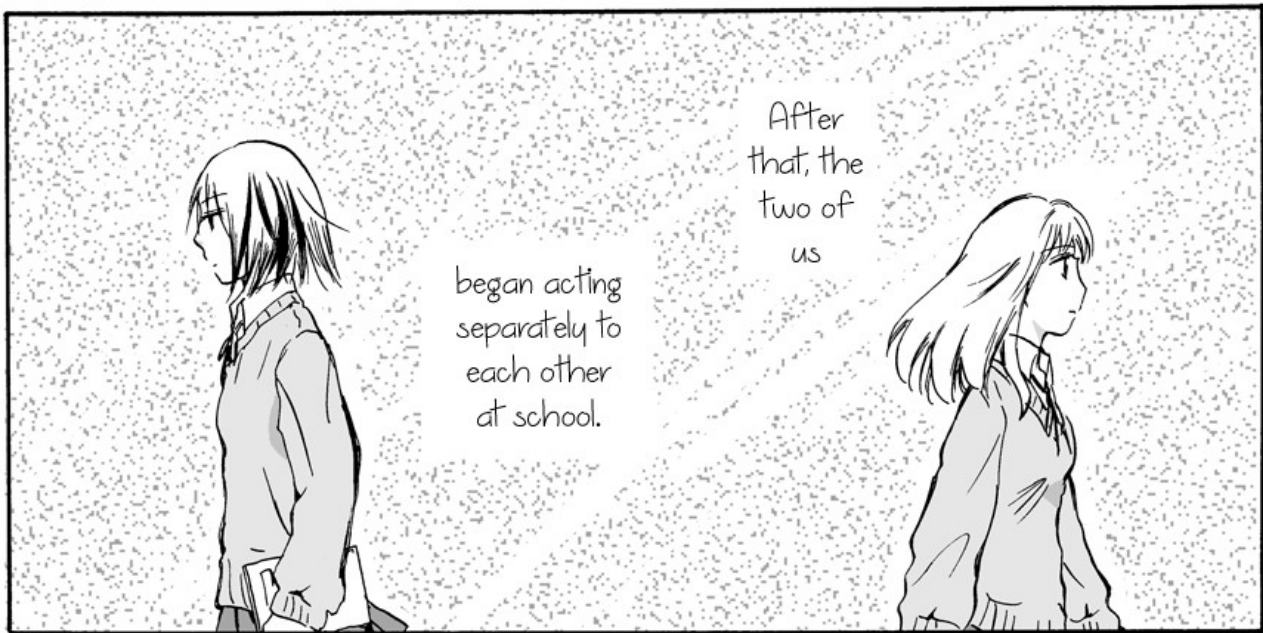

Runa was
even cuter
as her
entire face
went beet
red.

Umm...

Wanna
Well? try it?

and
lonely.

the usual
scenery
looked
empty

Just
from
Runa not
being
there,

the
one
having
Runa
spoil
her,

The one
having
Runa
rely
on
her,

I
already
know.

Runa...

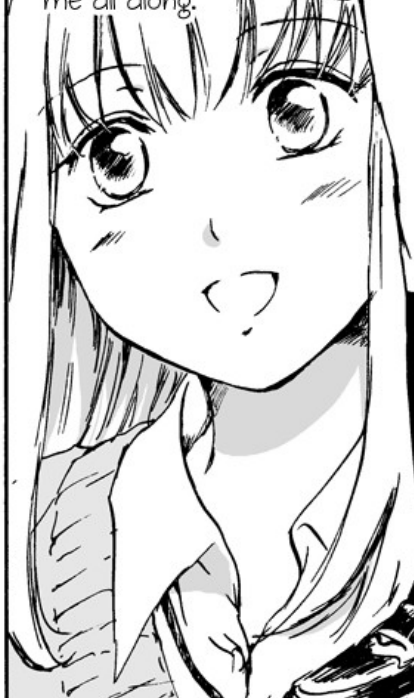

was
the
right
thing.

Maybe
separating
from each
other

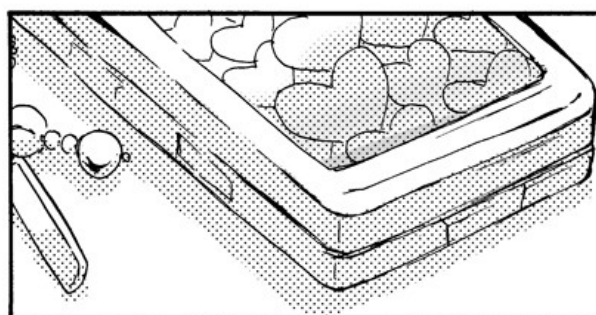

the one relying
on, and being
spoiled by
Runa was
me all along.

and,
most
of all,

It's as if
she went
off some-
where by
herself.

I get so sad that it hurts.

when I think back on the feeling of her lips,

But,

...Maybe the reason that she's putting distance between us is because she's fallen in love with a man, or that she has a boyfriend now...

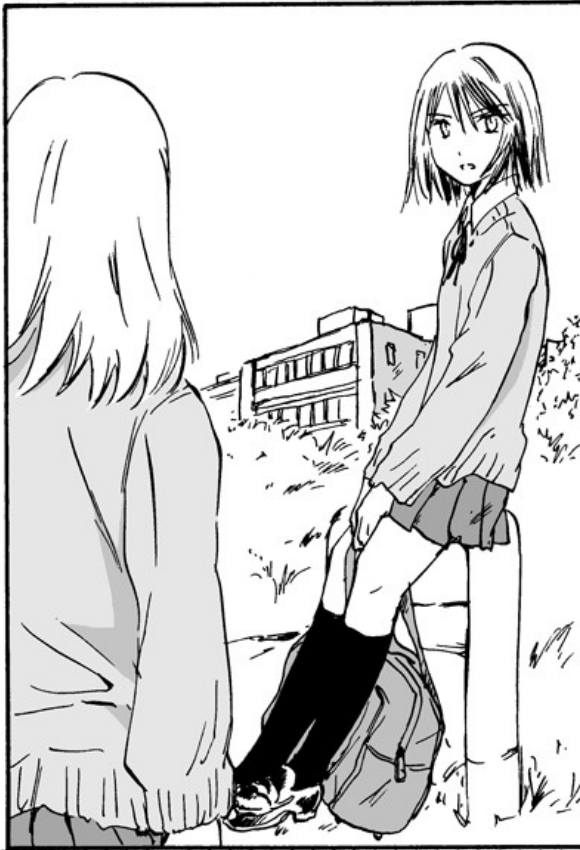

"I don't
know"
is the
only
thing...

My
emotions
over-
flowed
out of
me...

I
could
pos-
sibly
exp-
ress.

Runa.

It's not
that far,
is it?

You're
always
going home
right after
school lets
out.

What
about
cram
school?

I'm
taking
today
off.

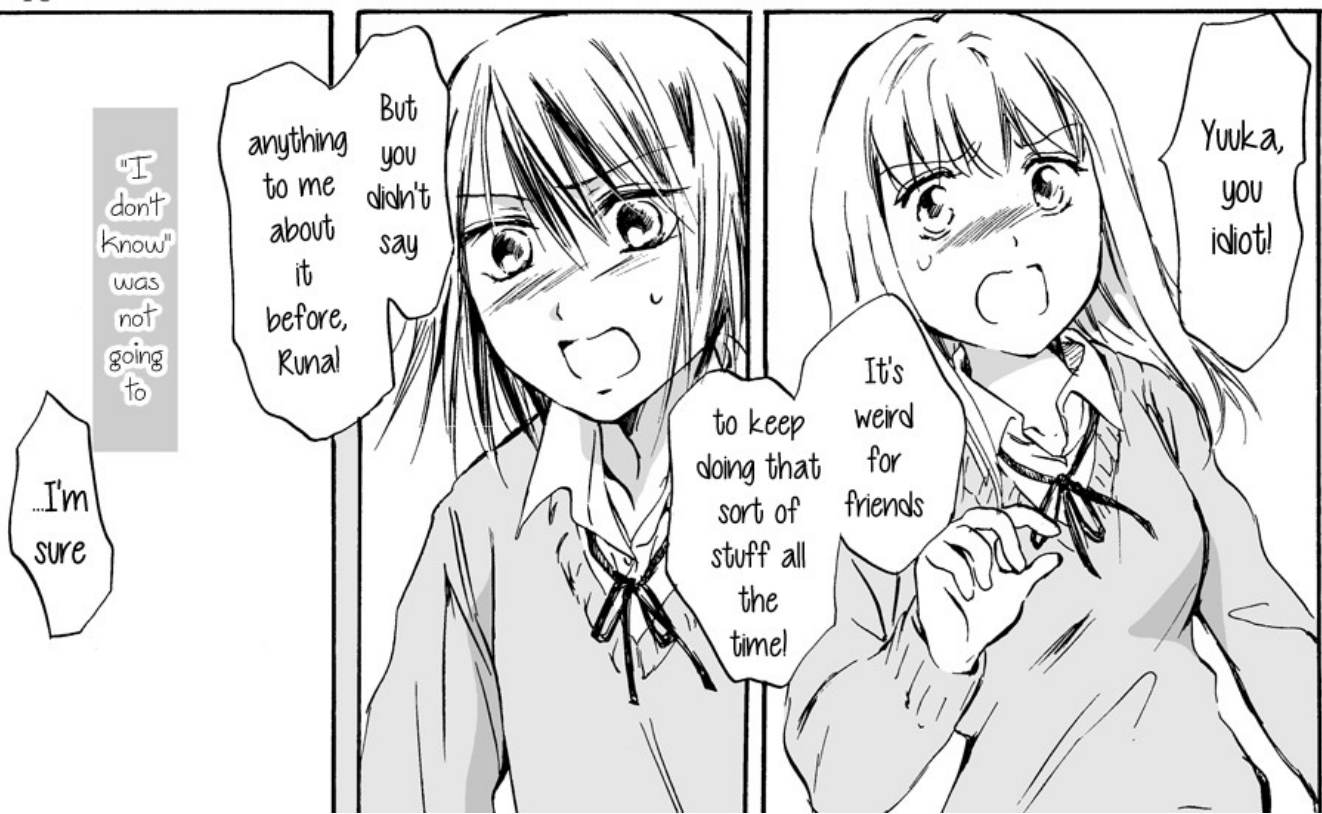

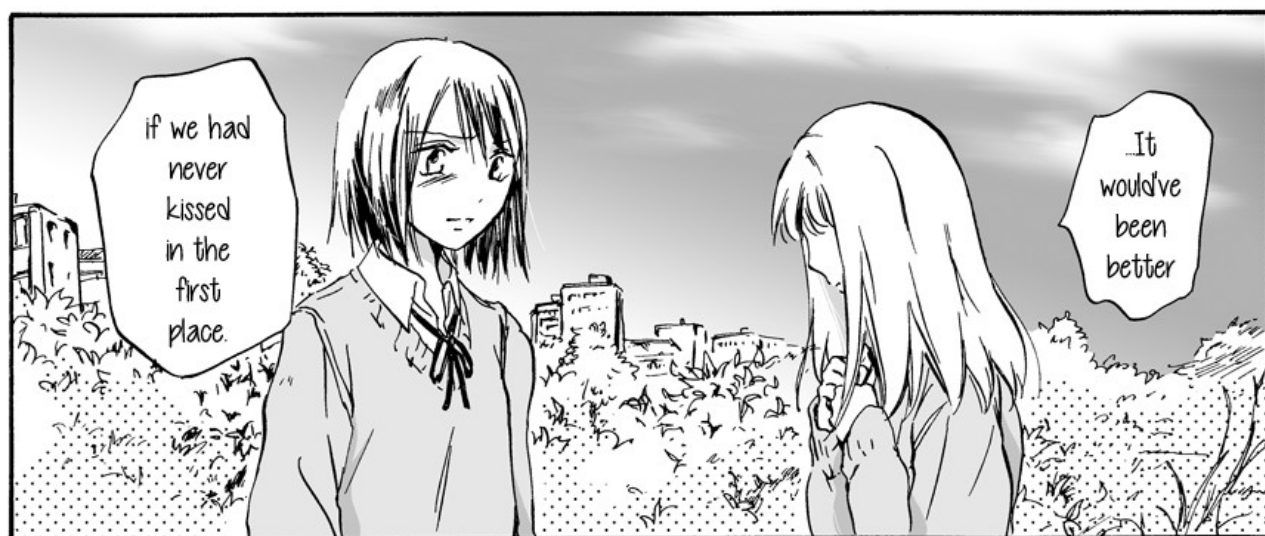

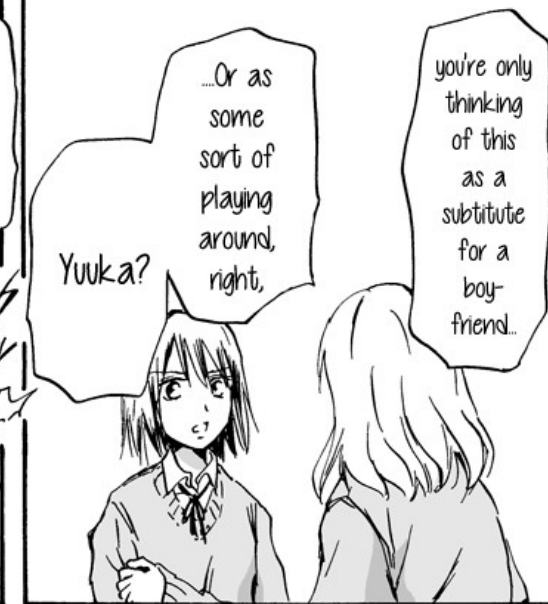

.....

15

surreptitiously.

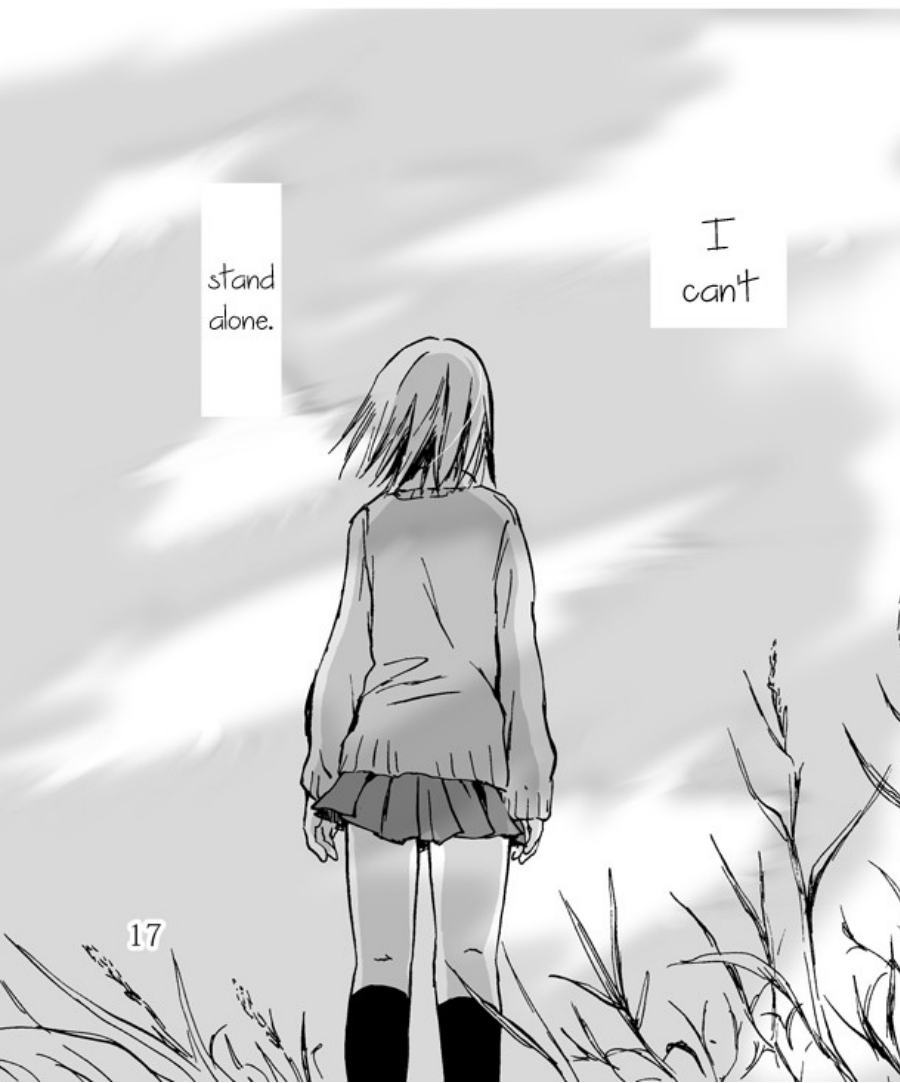

we chose
to share
our time
together

I'm
distancing
myself
from you,
Yuuka.

And so, we
couldn't stand
alone.

stand
alone.

I
can't

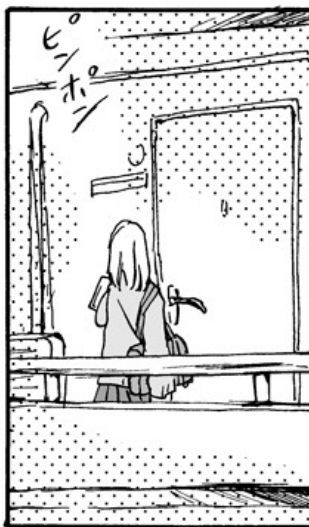

and I can
get along
all by
myself.

We're
going to
graduate
soon,

Bye-
bye.

Joking, joking.

I'm skipping, not sick, so I won't give you a cold or anything.

Wanna come in? I won't try anything.

Now that I think about it, this is your first time here, isn't it?

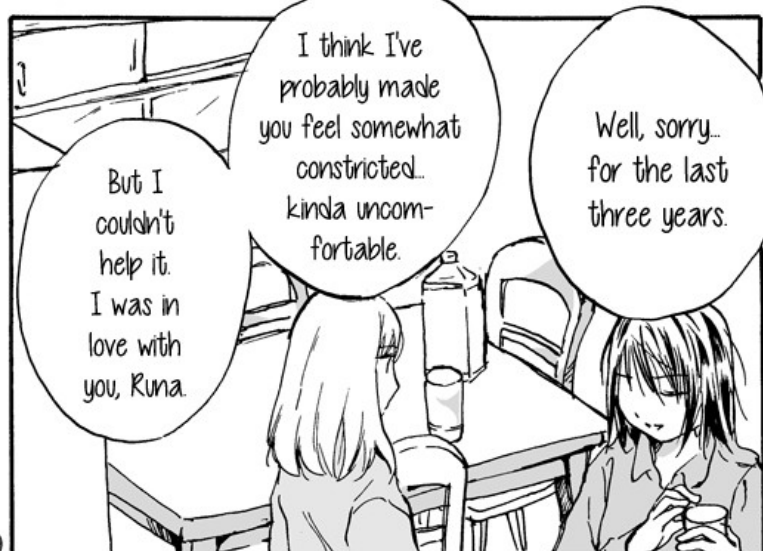

There really isn't anyone in your house during the day, huh, Yuuka?

if you're looking after me now, Runa.

You've really become an adult

Nope. I bet nobody here has even realized I'm not going to school.

But I couldn't help it. I was in love with you, Runa.

I think I've probably made you feel somewhat constricted... kinda uncomfortable.

Well, sorry... for the last three years.

...No, it's not the opposite.

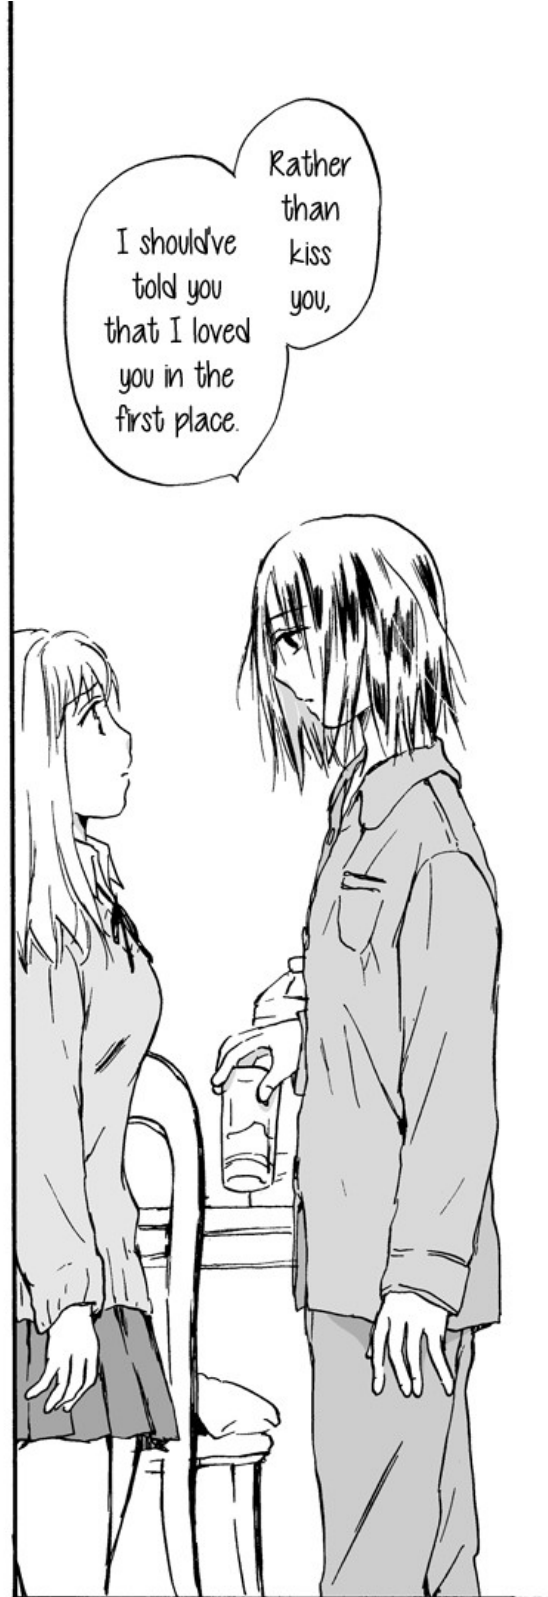

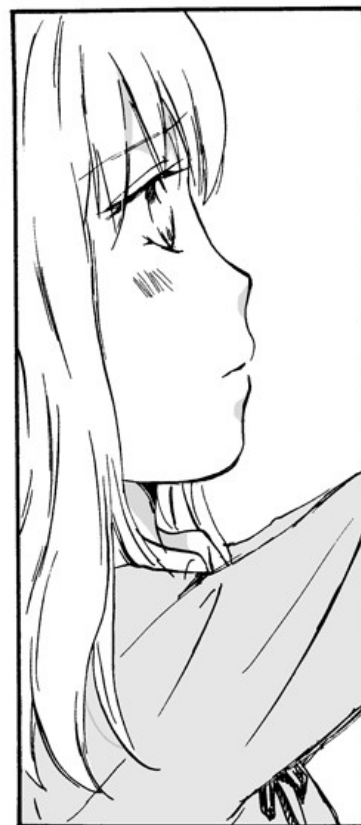

...I love you too, Yuuka.

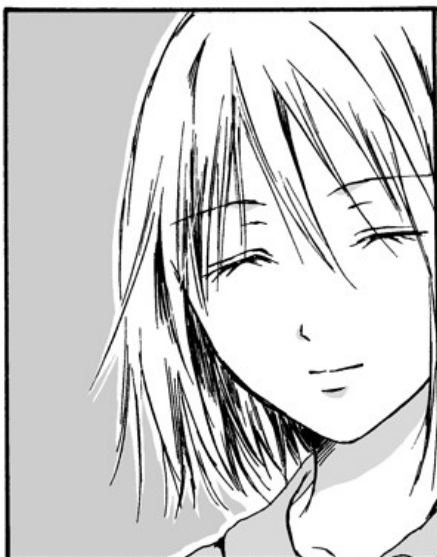

I loved you.

That's right. Runa...

If I told you, "I love you", you wouldn't want to be around me anymore...

..... I don't know.

do you really think two girls can make love work?

I mean,

You don't, do you?

Also, sorry to say this, but you smell a little, Yuuka.

I'm taking a bath one.

Haven't taken one in three days.

It's delicious!

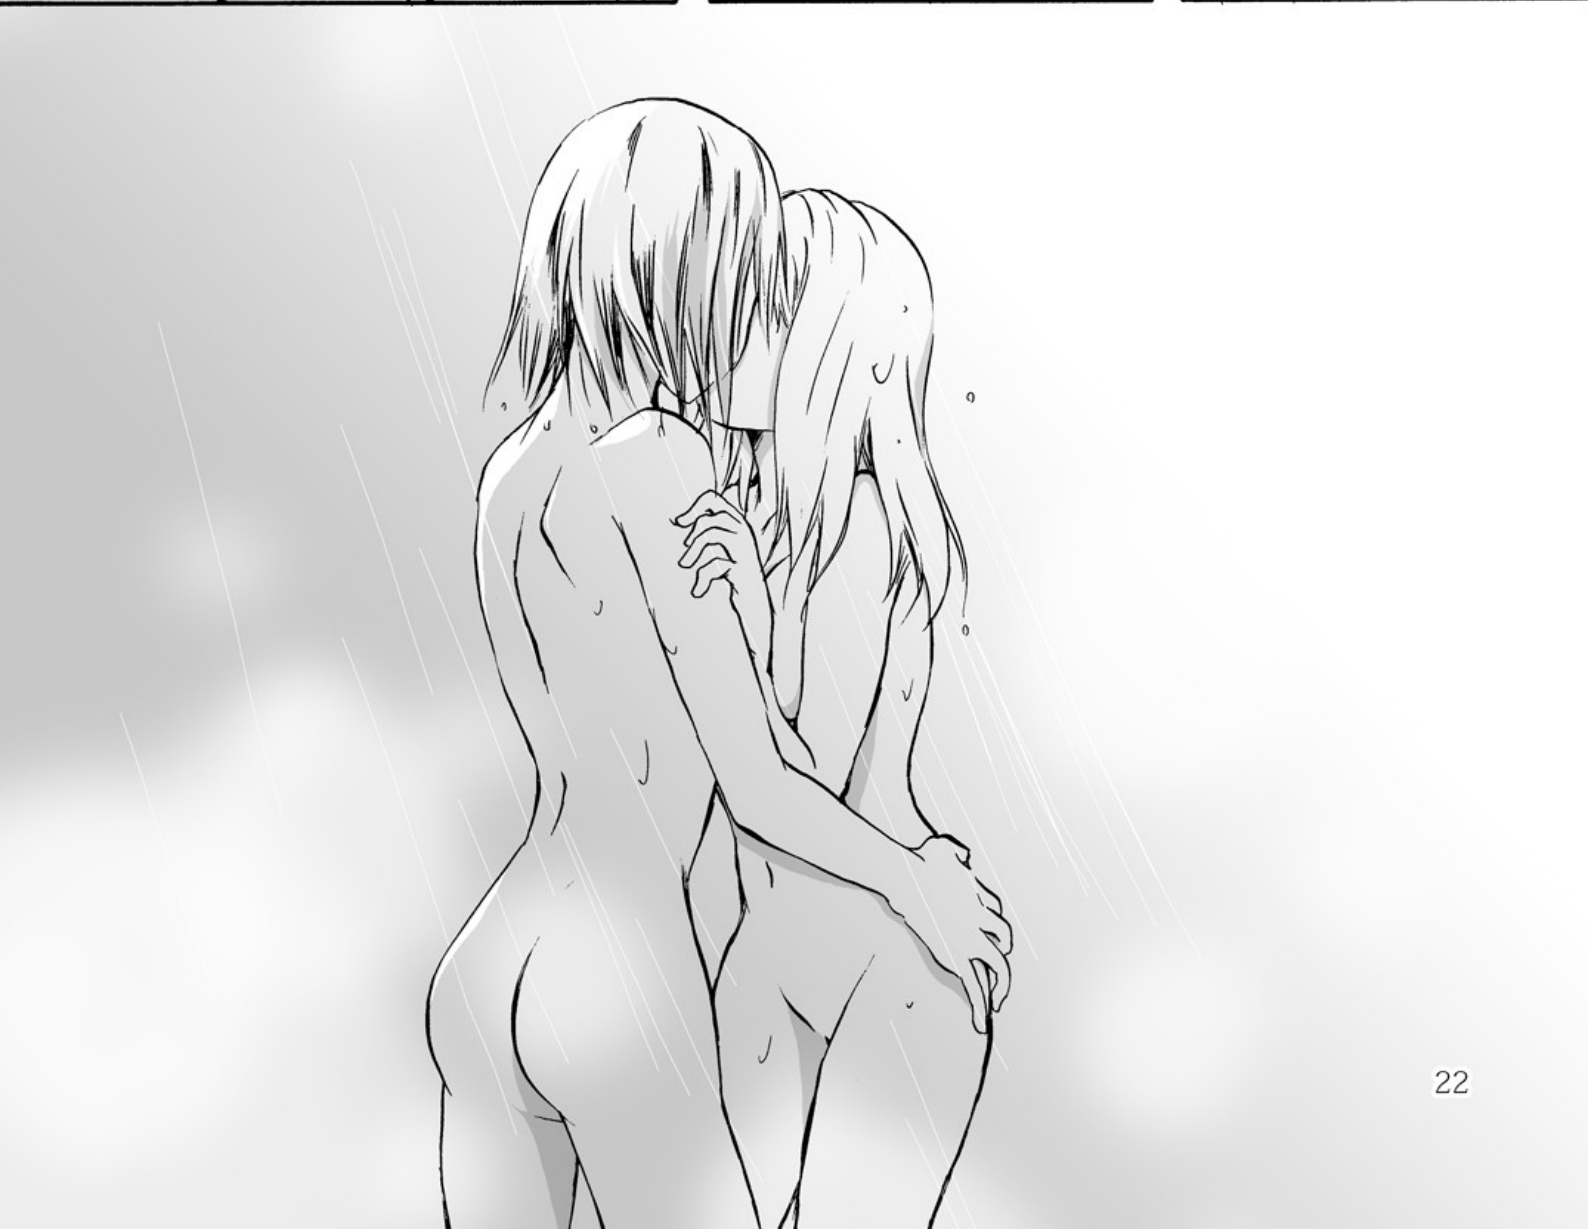

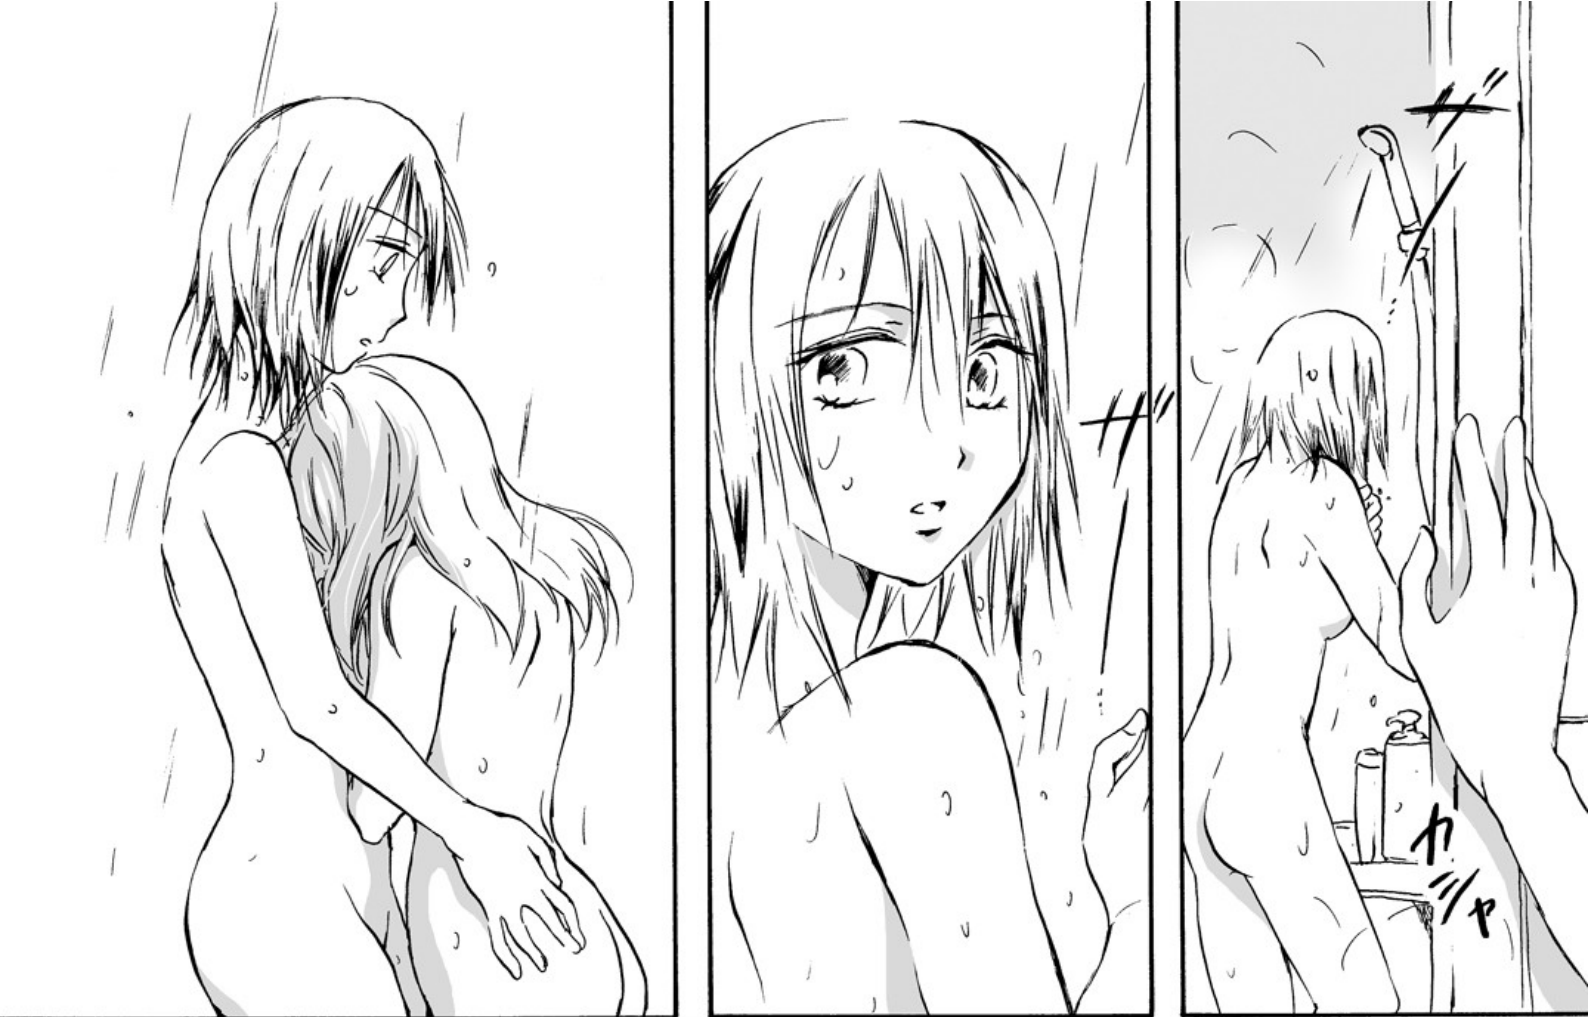

Have you not eaten anything?

It's just rice porridge, though.

I didn't know you had such talent, Runa.

It's delicious!

Probably
from the
first time
I ever
met you...

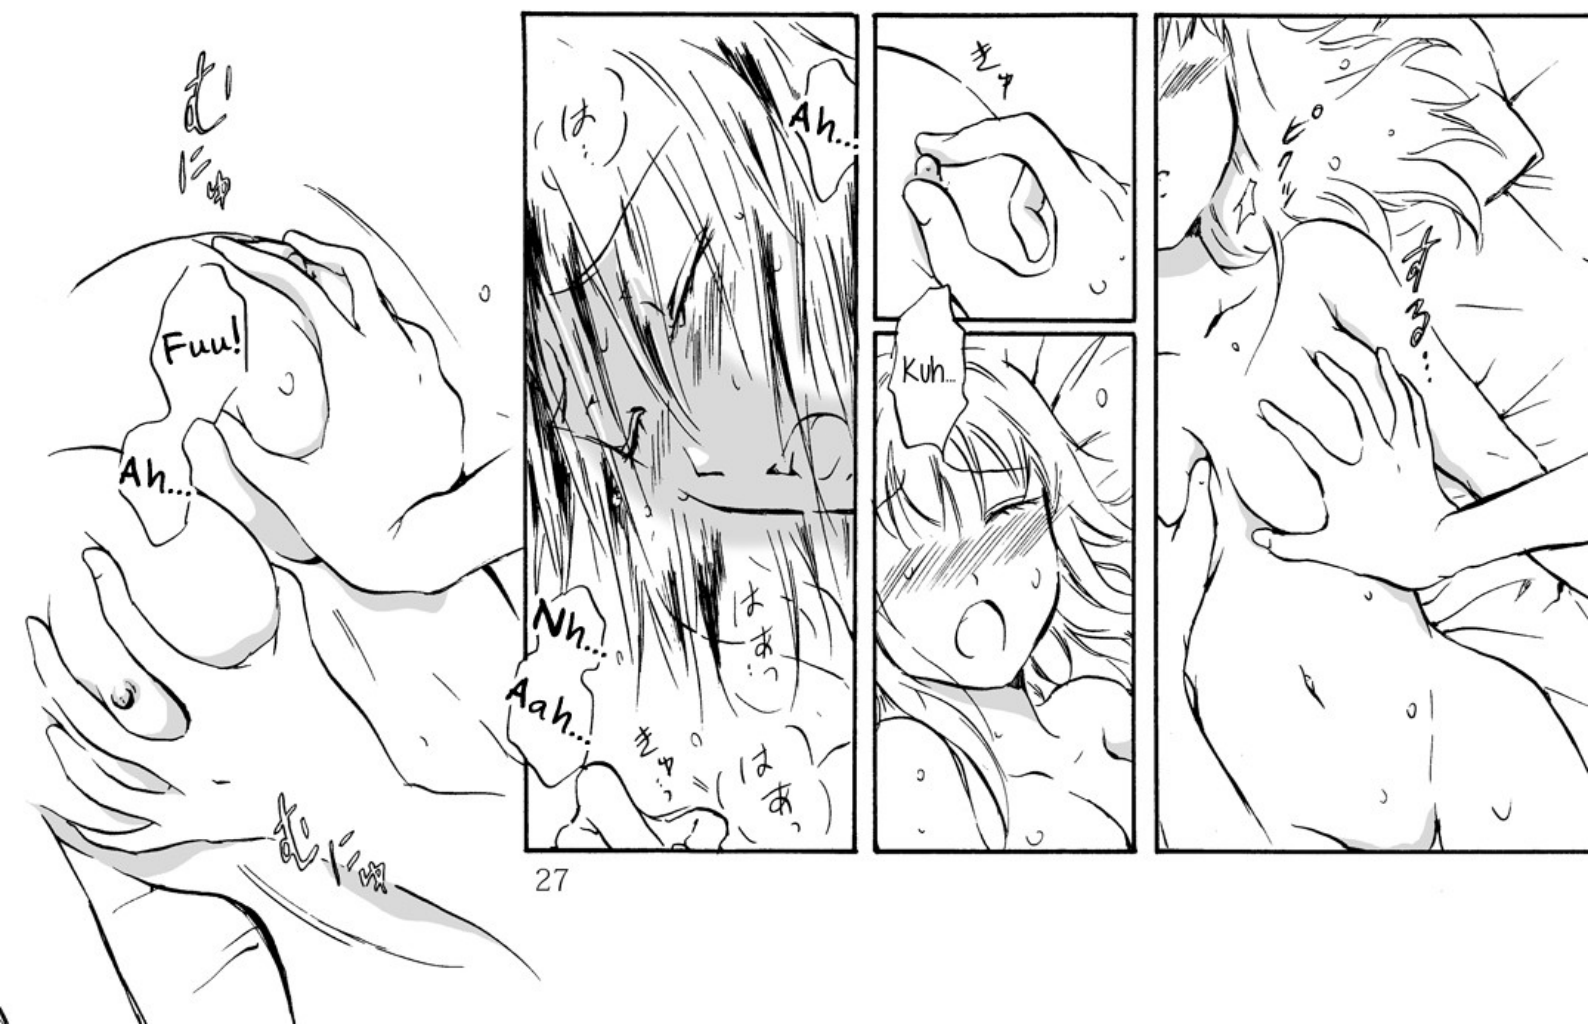

I've
always
loved
you.

I
love
you.

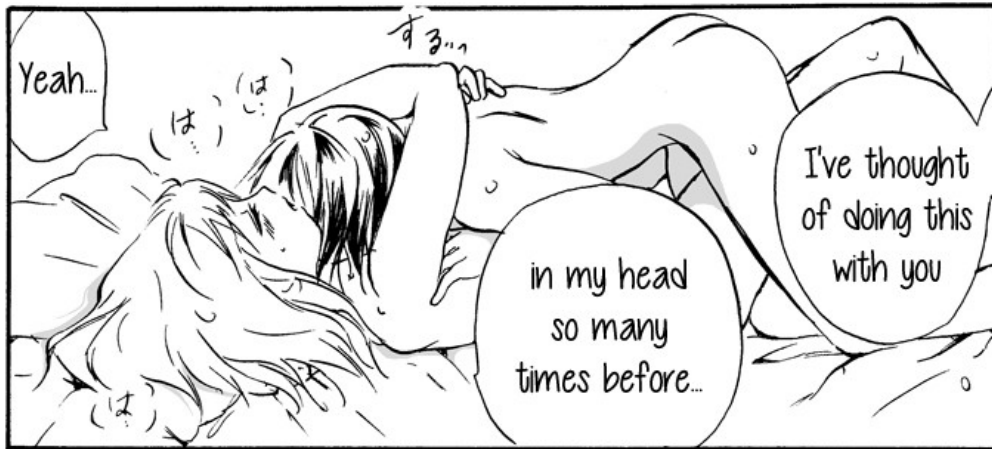

Yours are too, Yuuka...

They're soft,

Runa...

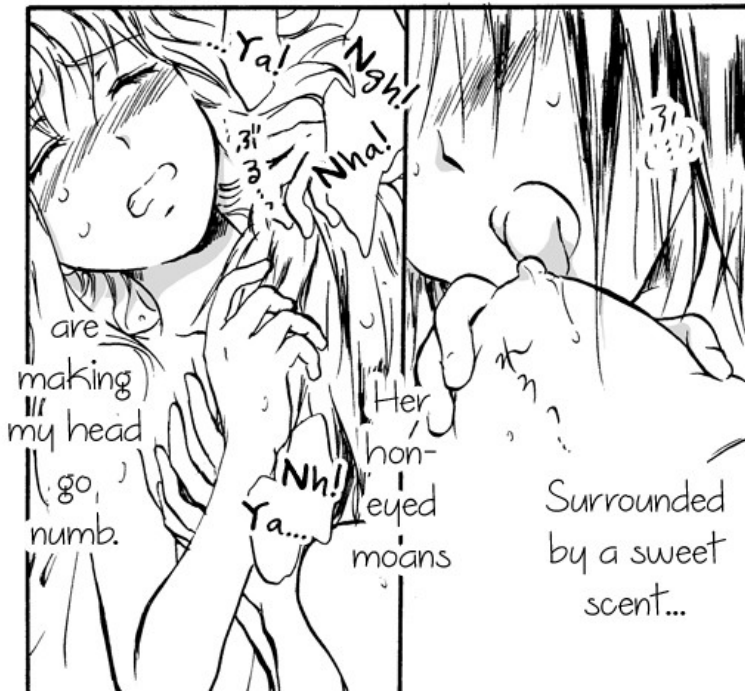

Yeah...

in my head so many times before...

I've thought of doing this with you

Sorry, Yuuka.

are making my head go numb.

Nh! Ya...

Her honey-eyed moans

Surrounded by a sweet scent...

This isn't my imagination.

Runa's naked skin is so warm, smooth, real...

Hey,
Runa, if
we can't
stand
alone,

can
we
stand
together?

walk
together,
or no?

Can we
forever

I'll test
and see
if this is

truly
love.

Yeah...

Stay
together
with me
from now
on.

Even
after
we
grad-
uate,

Runa.

Runa,

I love
you...

We will go
from friends
to lovers.

That's the
promise we
made with
this kiss.

31

You're
all wet,
Runa.

S-so
are
you,
Yuuka...

This
is...

It's...
not
that,
but...

no... Yuuka,

You
don't
want
to?

Ngh...

I'm always
wet when
I'm kissing
you, Runa.

...I
love
you.

Ah!

Ah!

Ah!
Ah!

32

...I
love
you.

Runa...
Aaah!

Ah!

Ngh!
Uuu!

Fwa!

Ah!
Ah...!

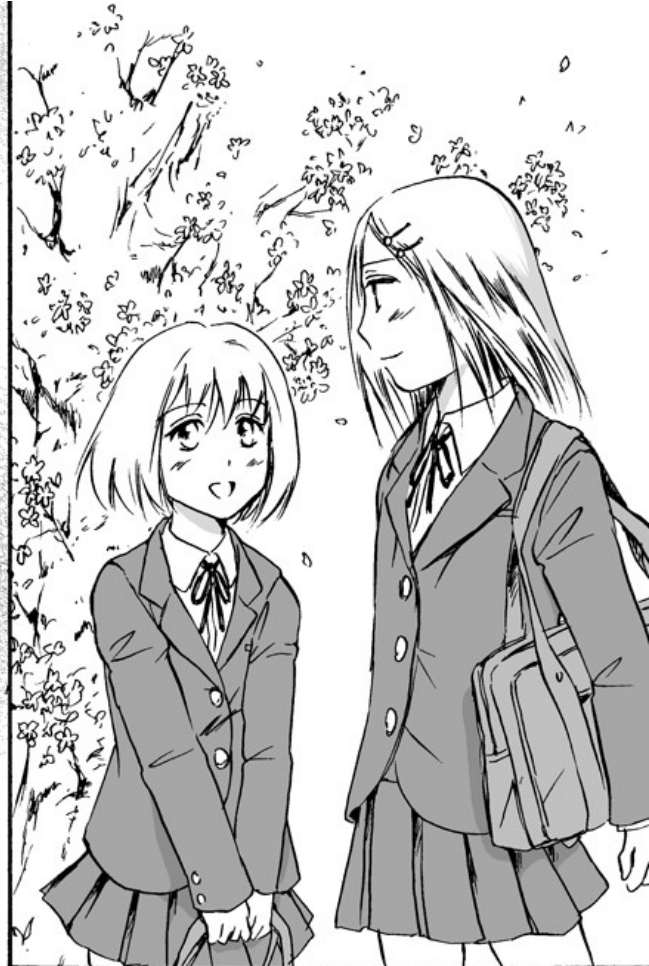

now,
can
we,
Runa?

We can't
call this
"Pretend
romance"
anymore.

That
distant
glimmer

becomes
stronger
as I
embrace
it in my
arms.

We're
going
to
become

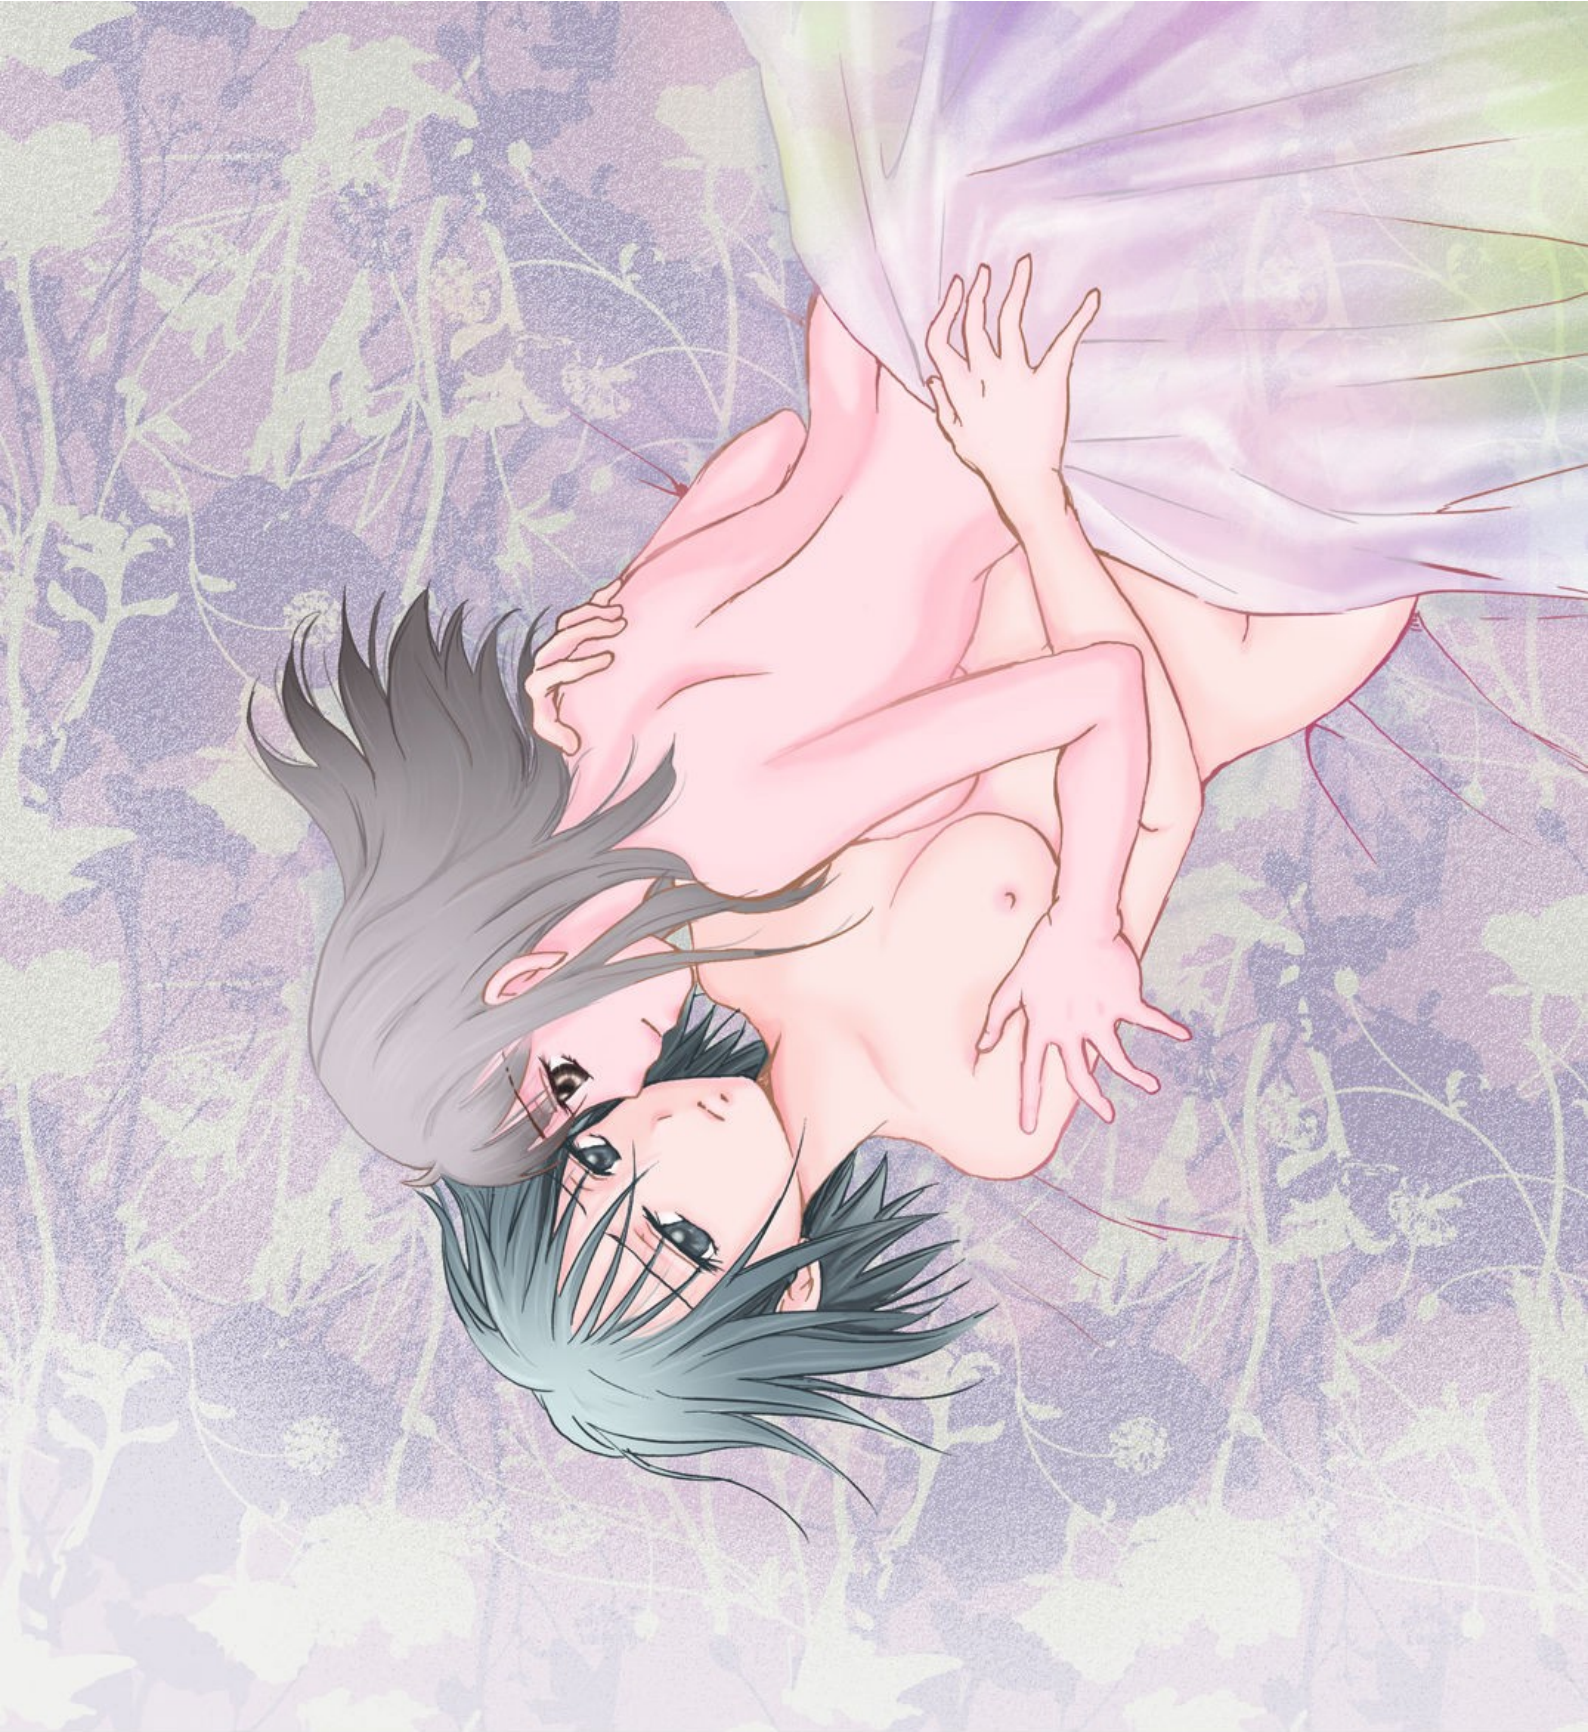

true
lovers.

Comments: Whew boy. My second R18 yuri commission ever. Much longer and more intense than the previous one by this artist. I'll be releasing one more by this artist before the yuri spree is finished, so if you liked either this or the other one by Mira I've released, check the third one out as well. It's much lewder than either of these two.
