Well,
let's just
go to sleep
quickly...

Ah... I missed
the last train
and ended up having to
stay at a private room cafe...

I don't like it because
it makes my body ache...

And yet,
I have work tomorrow...

What!?
No way!
Did I forget
to lock
the door...!?

Huh...?

Ah...?

You're in the
wrong room!

Hurry...
please close
the door!
