NIGHTCRAWLER
INKO-CHAN 

Hanya Yashiki
Comics 
Issue #28

FOREWORD

Thank you for
picking up this
magazine.
I'm Hanya!

I've noticed that
since the Hanya Yashiki
Comics Group began,
5 years have past. It's
been a great
experience. (We started
activity on about
August 8th, 2014.)

In other words,
It's been 5 years since
I began drawing
Inko-chan...

I've met a vast various
number of people and
have gone through
many twists and turns.
And through it all, I
have kept on drawing
my favorite young lady,
Inko-chan. I appreciate
all of you that have
stuck with me all this
time. Thank you so
very much.

That said, Inko-chan's
story is still far, far
from over...

However, dim as it is I
can just barely see the
goal at the end of
the tunnel.

Everyone, please
continue to support me by
reading Inko-chan as we
all continue to run
full-speed ahead with happy
springs in our steps!!

With all that mushy stuff
out of the way, please
make your way to the
main story! ♡

AFTERWORD

- Once again, Inko-chan proves to be a free-spirit. I'm reminded of the scene back in +One when she's looking at the sky. (I would elaborate but I only have so little space...) 14 pages and an extra panel isn't much. Anyway drawing Inko-chan pulling Big-Sis' face into a smile is something I really wanted to do. I enjoyed it so much I had Inko-chan continue to squish Big-Sis' cheeks. ...It wasn't out of place right? I hope not. I made an executive decision. Readers might think, why was Inko-chan pinching Big Sis' cheeks...? The answer, is because it was a scene I wanted to include.
- Dragon Quest XI S the Definitive Edition for the Switch is too much fun!! I had already bought the original on the 3DS but I couldn't pass up the opportunity to upgrade. Being able to see everything in HD now... is so freaking awesome!!! And Erik is such a great character... he's just way too cool, ah Erik... Everyone, go play Dragon Quest IX S! And Legend of Zelda! And Pokemon... which I actually have considered writing up a manuscript for but I couldn't decide on any one idea...
- Anyways, next time will feature Inko-chan alongside Shijou-kun who will be making a reappearance. Big-Sis is totally clueless,  so it's up to Inko-chan to save the day... look forward to it!!
