AH...

WHAT DO YOU THINK, MURAYAMA-KUN?
DID THIS HELP YOU OUT AS A REFERENCE?

We're both in the same high school, same class, and same manga re-search club.

O-oh, yeah. Sorry about that. Uuh... Well,

Th-the way the clothes are made were definitely a good reference.

Ahaha! That's good.

I had Kaoru be a model today so I can study how to draw...

...How-ever...

...Even so,
I'll admit
that I have
thought
he was a

at times.

He's
usually
plain,
aloof,
and
very
quiet.

Believe

I decided
to go all

ask him for

When I see Kaoru-kun at school, he's just as quiet as usual.

KAORU-KUN.

A week has passed since then.

IN THAT CASE...

IF YOU DON'T WANT TO, THAT'S COMPLETELY FINE...

AH! UM...

TH-THE TRUTH IS, I'D LIKE YOU TO MODEL FOR MY DRAWING AGAIN...

WHAT IS IT?

OH... MURAYAMA-KUN...

He really is like a completely different person compared to when I was at his house, but...

Comments: Sorry if I ruined this page for you, but I can't be the only one that thinks that ass looks like a face. It's the two black bubbles that do it. The flaccid penis even kind of looks like an elephant's trunk or something. Maybe I'm just out of my mind. Anyway, new artist here, but I liked it. Before anyone mentions it, which someone always does, "pew" is not a meme, it's a very literal translation of the sound effect. In fact, it's actually a transliteration of it, "pyu." It's generally (at least in my genre of choice) a weaker, sort of "cute" seeming ejaculation, as opposed to something like "byuu" or "byuru" being more of a traditional "splurt" sound. See, this is the kind of knowledge you can bust out to impress one of the Great Old Ones if they happen to want your cock, as is pictured above.
