THE DAY WE MOVED INTO THAT HOUSE, I WAS RAPED BY A GHOST.

FROM THAT DAY FORWARD, THE GIRL WAS RAPED BY THE GHOST EVERY FRIDAY.
THIS IS A TALE POSSESSED WITH HER FOOLISHNESS, HER WORRIES, AND A TINGE OF HORROR.

CHARACTER INTRODUCTIONS

MIDORI NINOMIYA

The poor girl who was raped by a ghost on the day she moved in. She thinks she wants to do something about her situation but is unsure of what exactly. Confounded by her predicament, she had found herself getting whisked away by the trappings of pleasure once again. She is aware that this is not a good direction to be headed in.

THE GHOST

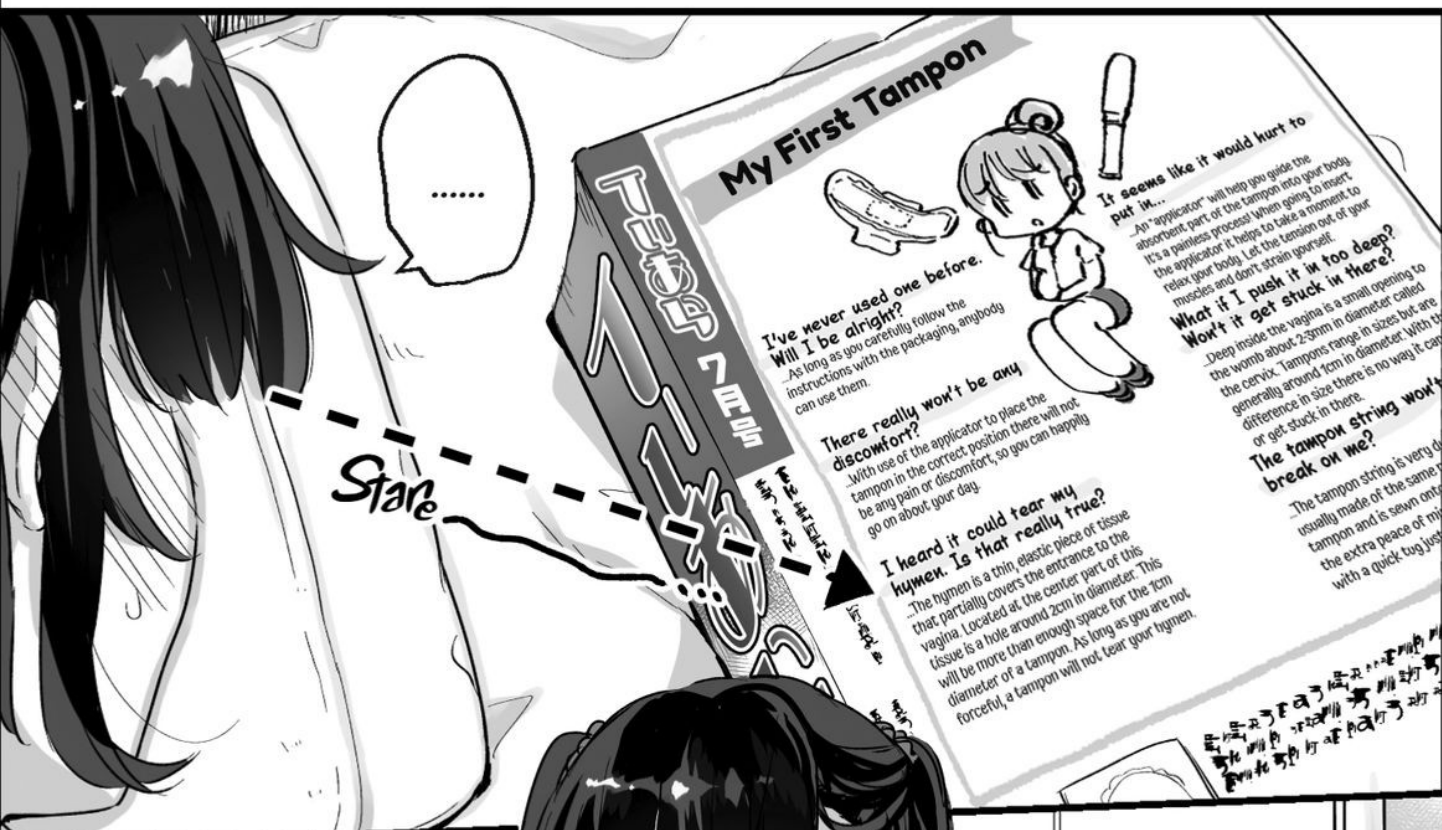

He is a lustful spirit, an impure soul which wanders with a powerful sexual desire. Every week on Friday he'll appear solely for Midori. Why this is currently remains unclear.

My First Tampon

**I've never used one before.
Will I be alright?**
As long as you carefully follow the
instructions with the packaging, anybody
can use them.

**There really won't be any
discomfort?**
With use of the applicator to place the
tampon in the correct position there will not
be any pain or discomfort, so you can happily
go on about your day.

**I heard it could tear my
hymen. Is that really true?**
The hymen is a thin elastic piece of tissue
that partially covers the entrance to the
vagina. Located at the center part of this
tissue is a hole around 2cm in diameter. This
will be more than enough space for the 1cm
diameter of a tampon. As long as you are not
forceful, a tampon will not tear your hymen.

**It seems like it would hurt to
put in...**
As "applicator" will help you guide the
absorbent part of the tampon into your body.
It's a painless process! When going to insert,
the applicator it helps to take a moment to
relax your body. Let the tension out of your
muscles and don't strain yourself.

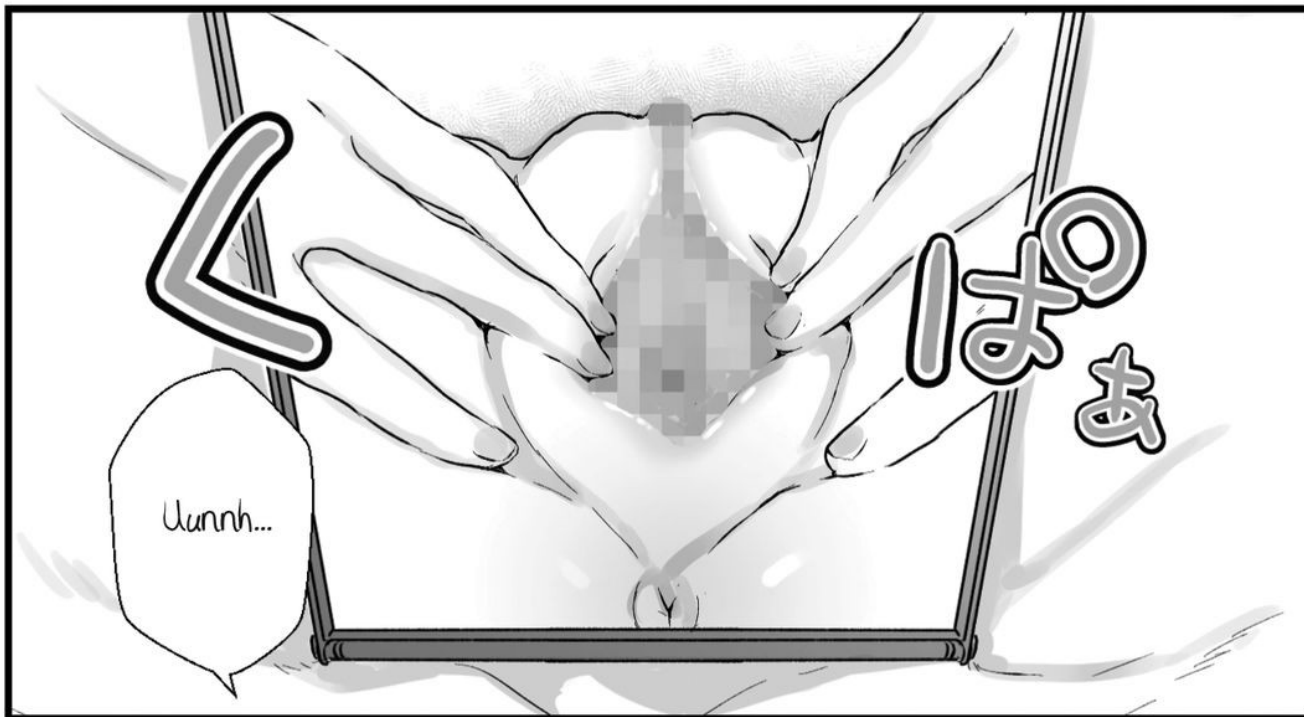

**What if I push it in too deep?
Won't it get stuck in there?**
Deep inside the vagina is a small opening to
the womb about 2-3cm in diameter called
the cervix. Tampons range in sizes but are
generally around 1cm in diameter. With the
difference in size there is no way it can
or get stuck in there.

**The tampon string won't
break on me?**
The tampon string is very
usually made of the same
tampon and is sewn onto
the extra piece of
with a quick tug just

When I try to go to sleep this ghost always show up. He touches me, and it's really starting to bother me. I'm having a hard time dealing with it. Is there some way I can get rid of it?

AFTER YESTERDAY I DID A BUNCH OF THINKING... WITH A HEALTHY DOSE OF WORRYING OVER MY CURRENT SITUATION. EVENTUALLY I ENDED UP CONSULTING THE INTERNET FOR HELP.

MOST OF THE COMMENTS JUST MADE FUN OF ME OR THREW OUT IDEAS THAT WEREN'T REALLY FEASIBLE, HOWEVER...

"Ghosts don't exist if you don't believe in em 🐼"
"Did you try an exorcism?"
"Oh you're just pent up I bet."

 inob...
Couldn't you just run away?
 fashionloli-conyurusa
Cool story bro, next!

Run away...

I can at least hide somewhere...

Hmm, I can't really sneak out of the house at night, but...

He can only do all that stuff to me 'cause I'm here in my bed.

Yeah, that's right...

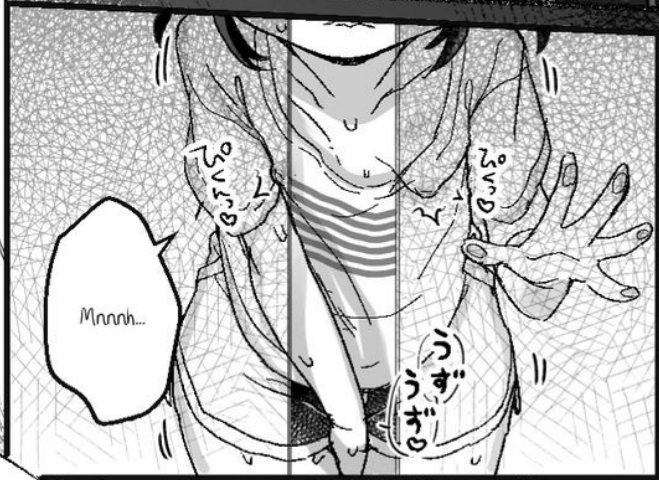

Huh, so sneaking out of bed was all it took to give him the slip.

What is he doing? Is he looking for me...?

SO NOW I'M HERE HIDING OUT IN THE CLOSET...

But if I were out on the bed, right about now he'd usually be...

Mnnnnh...

If it's just some light touching I can keep quiet...

Should be fine, right?

Just a little bit...

FIRST TIME

HEARD THE
GHOST'S

HE IS STILL
A GHOST...

IT'S NOT
LIKE I'D
FORGOTTEN

THING.

IT ALSO
STILL
CARRIED A
TINGE OF
SADNESS...

THAT FIRST
GLIMPSE OF
HIS VOICE HAD
A TONE THAT
SEEMED TO
BE HAPPY ON
THE SURFACE,
BUT...

THOUGH
THERE WAS NO
MISTAKING THE
ANGER IN HIS
VOICE THAT I
HAD TRIED TO
SNEAK AWAY.

THAT SCARED
ME INTO
TRYING TO GET
AWAY AGAIN.

WHEN I THINK
ABOUT IT, THAT
PROBABLY JUST
MADE HIM EVEN
MORE ANGRY.

No! ♥
You've had
your fun

no more! ♥

me with

NORMALLY
HE'D END IT
HERE, BUT IT
DIDN'T LOOK
LIKE THAT
WAS GOING
TO HAPPEN
TODAY.

HE SCOOPED
MY LEGS UP
AND LOCKED
ME IN HIS
ARMS SO I
COULDN'T
MOVE,
RELENTLESSLY
THRUSTING
UP INTO MY
TUMMY.

MY MIND
WAS IN A

THIS

WELLED UP
INSIDE ME,

I CRIED
HELPLESSLY.

MY CLOTHES
WERE LEFT
TOSSED AROUND
EVERYWHERE,
AND ALL THE
CARING
GESTURES
WERE GONE.

BEFORE I
KNEW IT, THE
GHOST WAS
GONE, BUT
THIS TIME WAS
DIFFERENT
THAN USUAL.

JUST WHAT'S
GONNA
HAPPEN TO
ME AFTER
ALL THIS...?

SEQUEL PREVIEW

**PLEASE PREPARE FOR CHAPTER THREE,
"ALL WE HAD IN THE HOUSE WAS GLADE!"** (LIE)

Thank you so much for purchasing the e-version of "There's a Presence in My House: Hide-and-Seek Chapter"! I put out the physical versions of "A Playday to Herself" and "There's a Presence in My House: Hide-and-Seek Chapter" separately, but as I was drawing the hide-and-seek episode I had a plan to combine them which then became the e-version.

I plan to conclude the ghost series with the next one, though it seems like it's going to be pretty long. I may split that chapter up. I get the feeling the horror element on the next one will be around the same or a little lower than this one. I would be quite happy if you do choose to stick with me until the end.

I've bought so many tampons for my exes, but never once checked if instructions in them were on the packaging or as a separate booklet. Thank you for the contribution of more strangely specific shit in my search history for translation research.
