

The real vore of the gaint girl

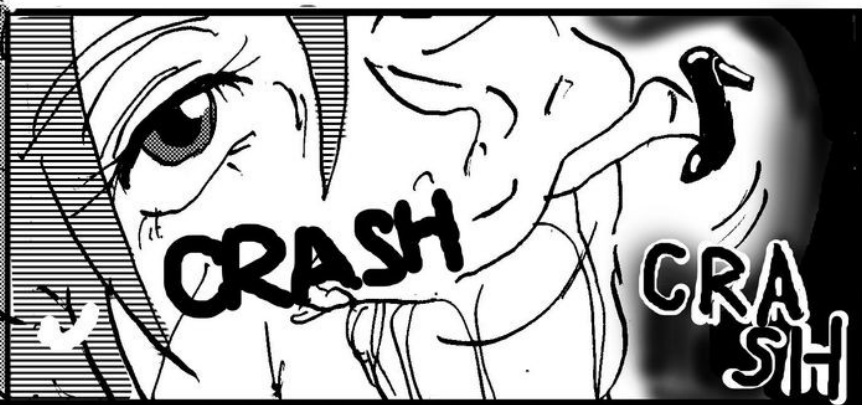

Anti-
digestion

Ah~

DROP

CRASH

CRASH

You, too eat!

How much do you eat?

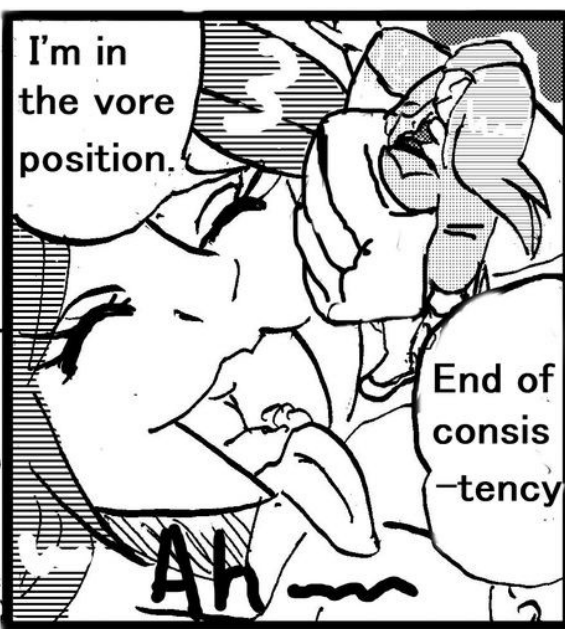

I'm caught!

Catch

No!

I'm in the vore position.

End of consistency

Ah~

I bought a medicine some time ago.

"anti-digestion"

Lush

I must drink it.

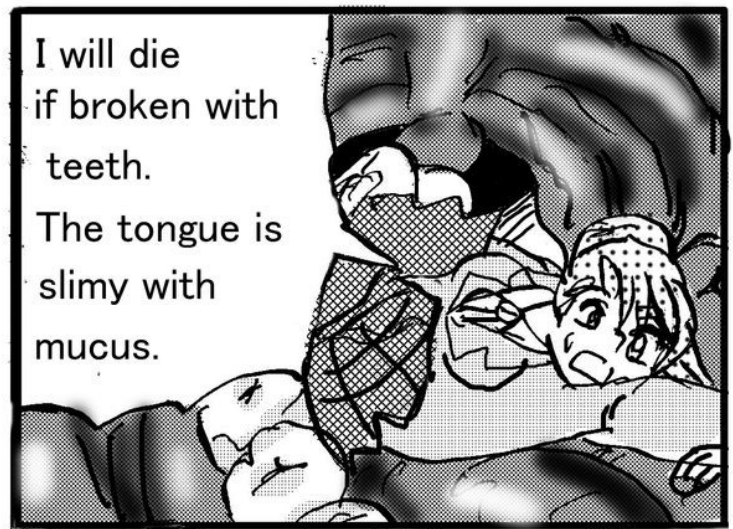

Anti-digestion coating
This also allows me to go through the body.

Drop

I will die if broken with teeth.
The tongue is slimy with mucus.

Clothes are peeled off

SUCK

SUCK

Stop! I feel so...

My body feel ecstasy

The hell of a pacifier

chew-ing

Next time I will be swallowed. I'll go down,

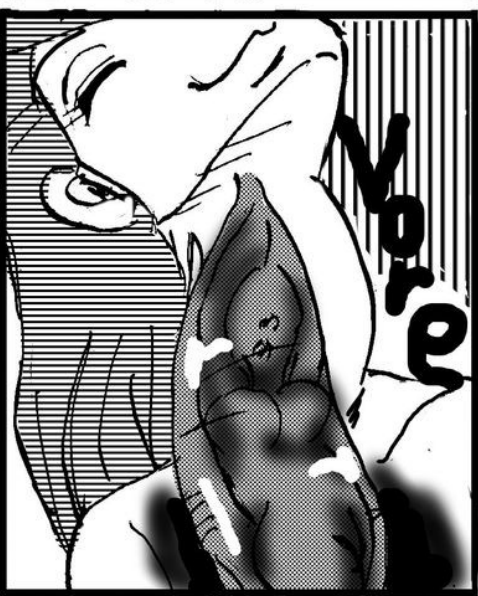

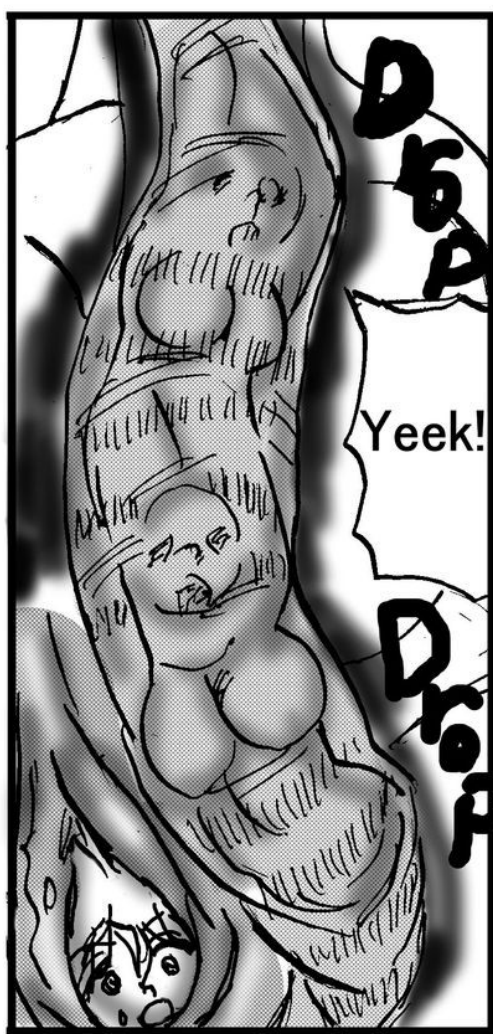

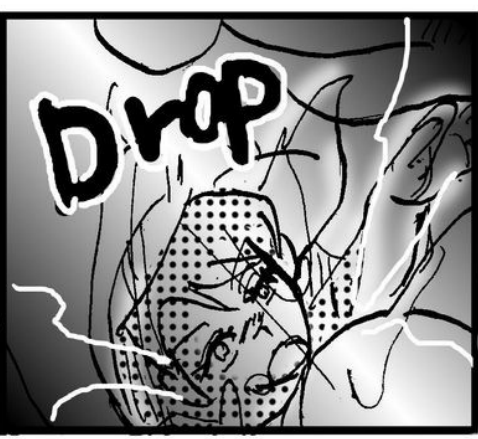

Waste

Oh! Come on! Come on!

I must bear... I have to go down early.

Sticky

Hollow

The powerful gastric juice melts them mercilessly.

Jerke

This melts them to the bones alive.

Their clothes melt, They become naked, and foam.

Jerke

Jerke

Ah...

Kick

She is digested and has the illusion of ecstasy. They have no sight

I'm safety. But... Yeek!

What!

Kiss

kiss

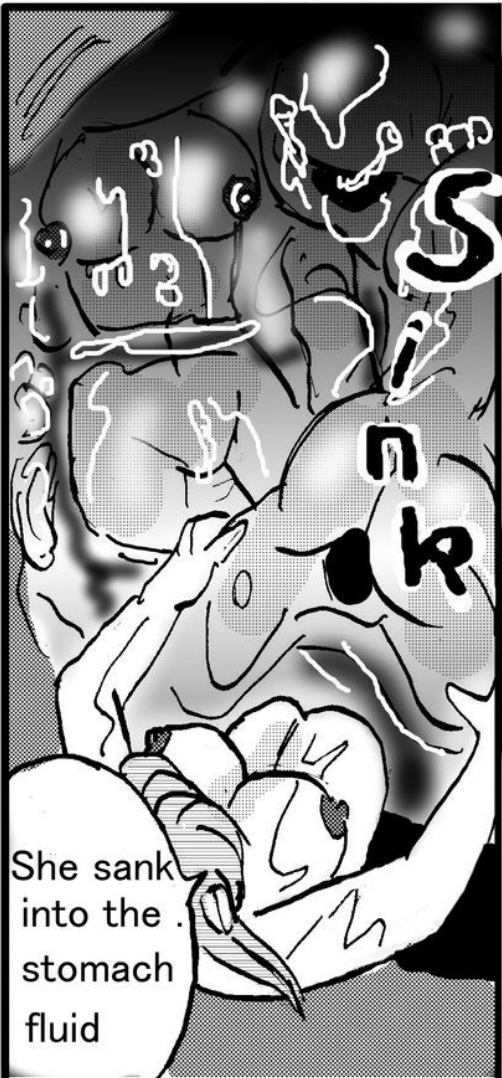

Lick

Ah

Lick

Lick

UP

She sank into the stomach fluid

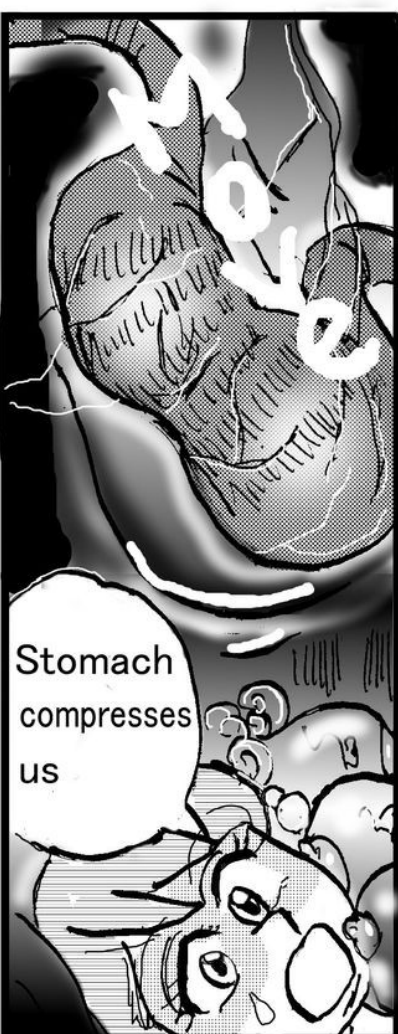

I'm no problem. But...

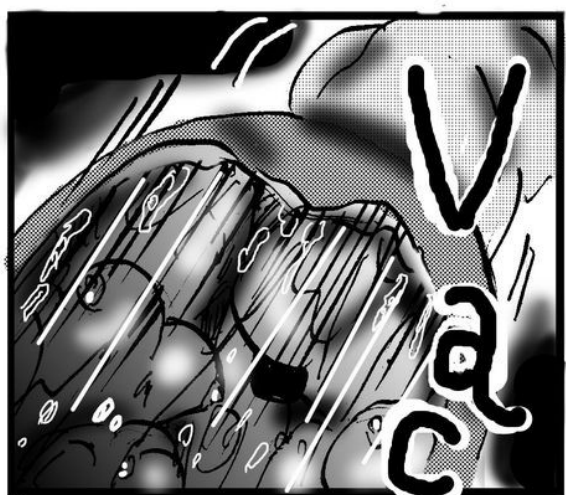

Will I keep seeing them digested from now on?

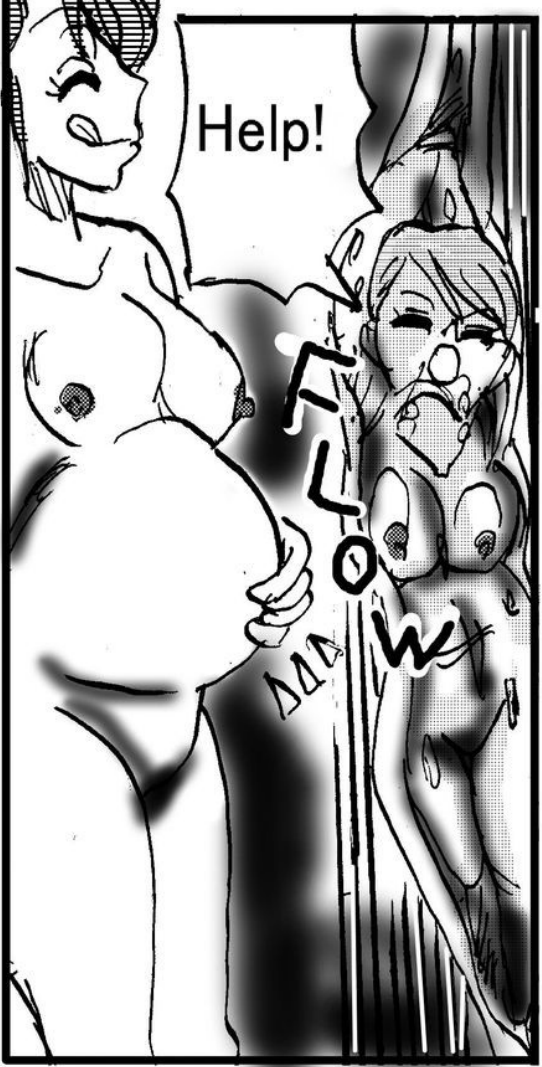

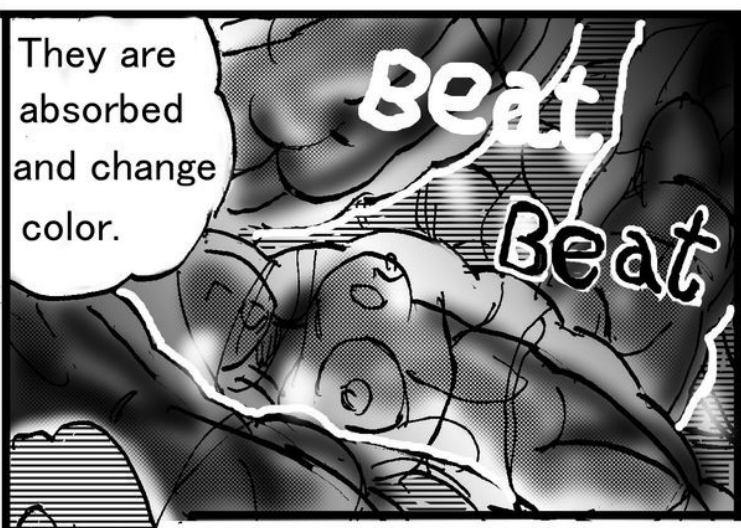

Women who are crushed are eaten indefinitely, and it falls to the stomach.

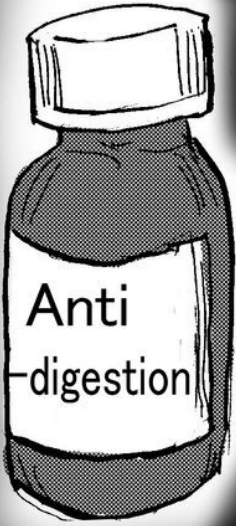

Stomach compresses us

Noo!

The stomach is packed.

My clothes melted

Drink before you are eaten

We do not guarantee the mental burden of internal organs.

Women's skinn is slippy.

Come on...
Come on...

I will be pushed out of the stomach.

They are sucked in the small intestine.

The color of their bodies changes gradually.

I will be washed away.

I'm out.
Puha!

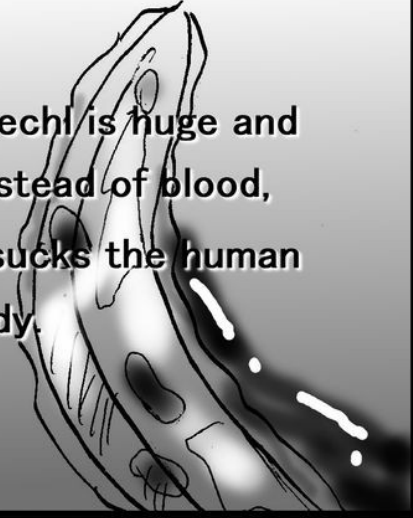

Man-sucking leech fear

Leech is a creature that lives in wetlands and forests and sucks blood from prey that passed by.

Leech is huge and instead of blood, it sucks the human body.

Ahhh

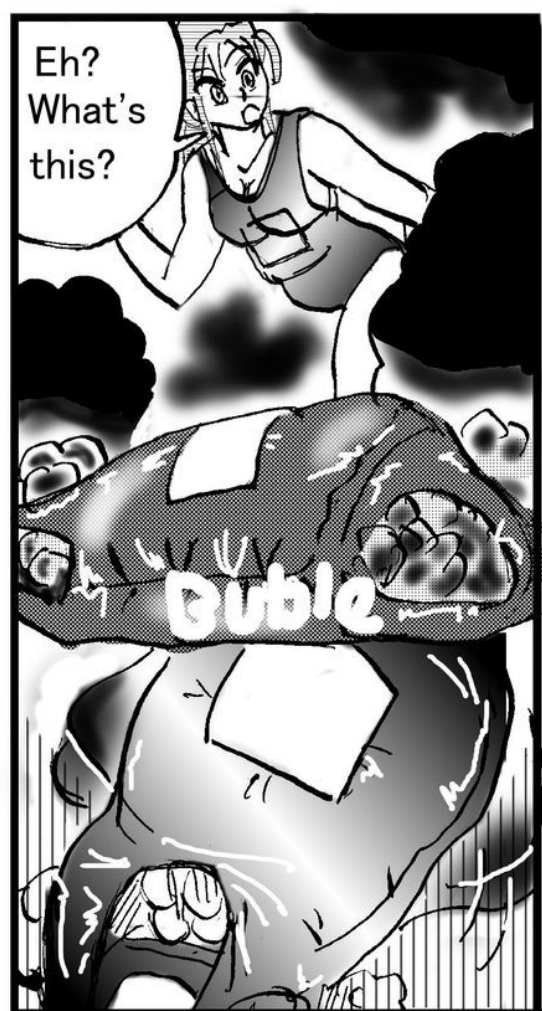

Ah!

It seems that only clothes and underwear are scattered on site.

The next class is swimming. Let's change our clothes and go to the pool.

Eh? What's this?

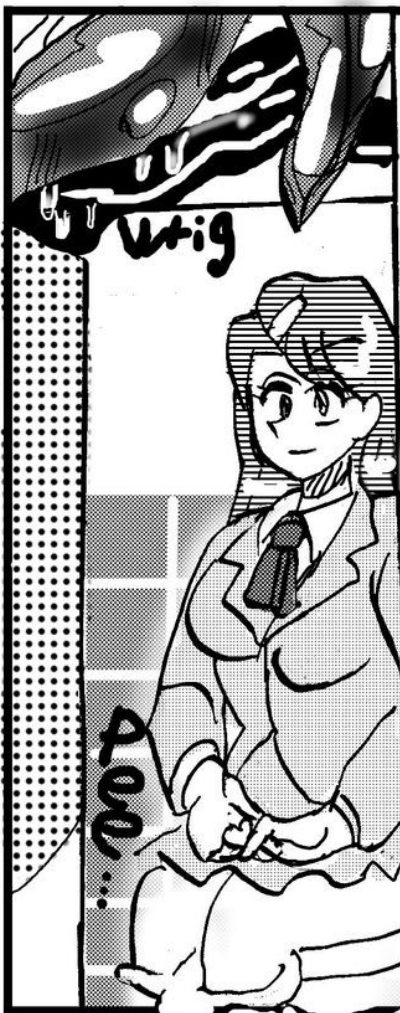

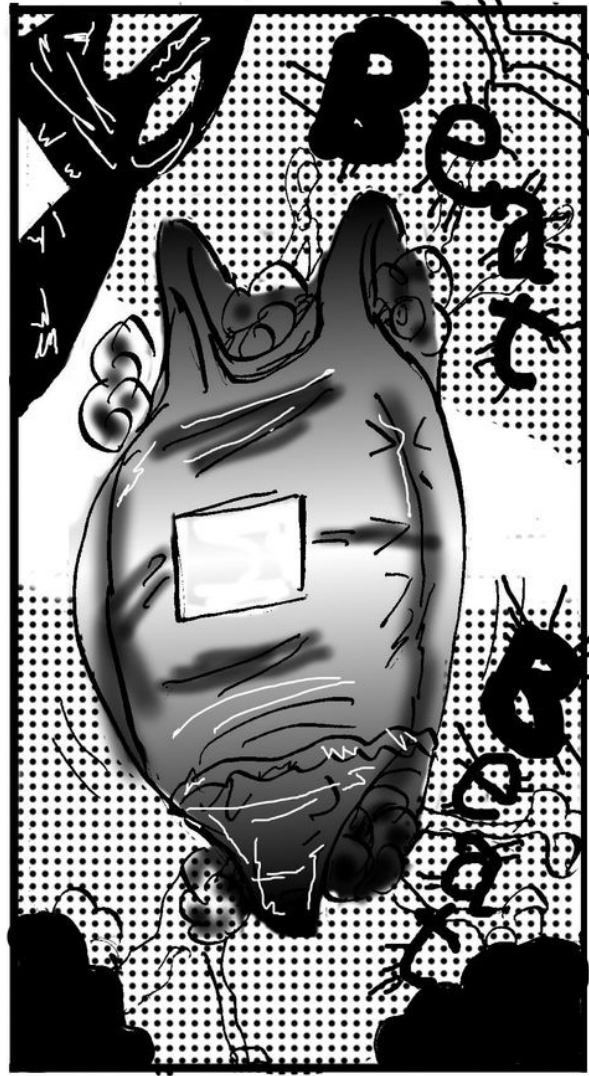

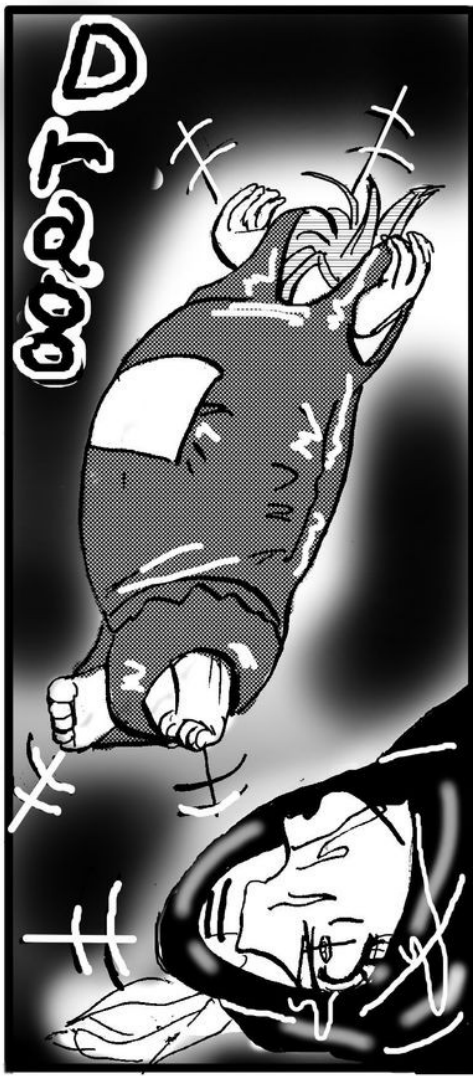

Buble

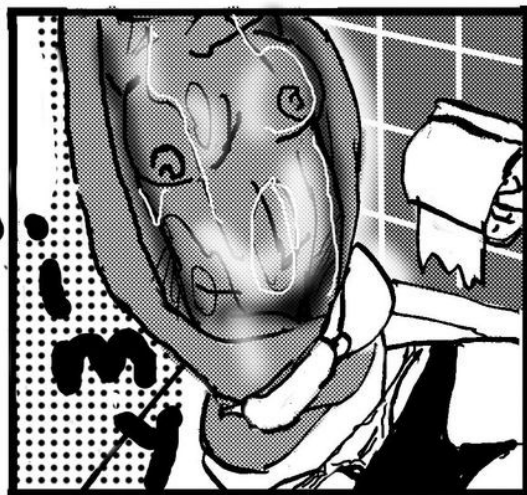

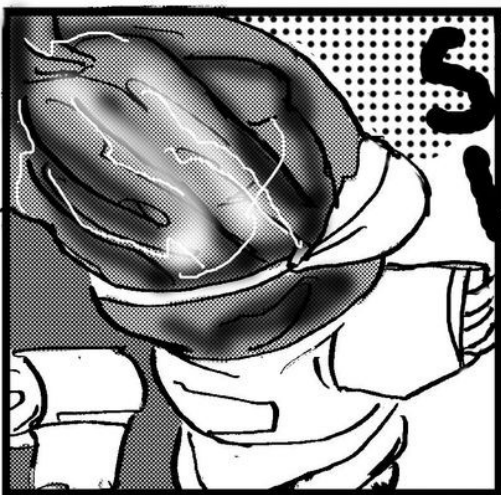

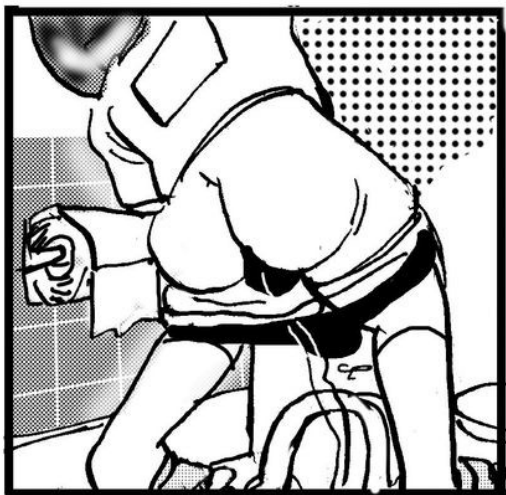

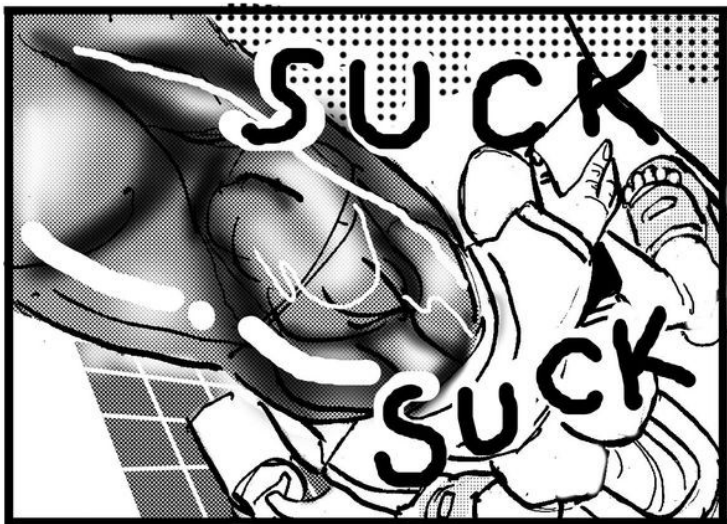

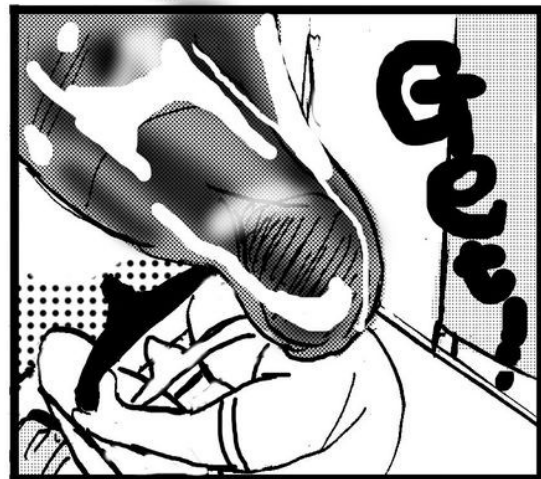

Only a swimsuit? Where have she gone?

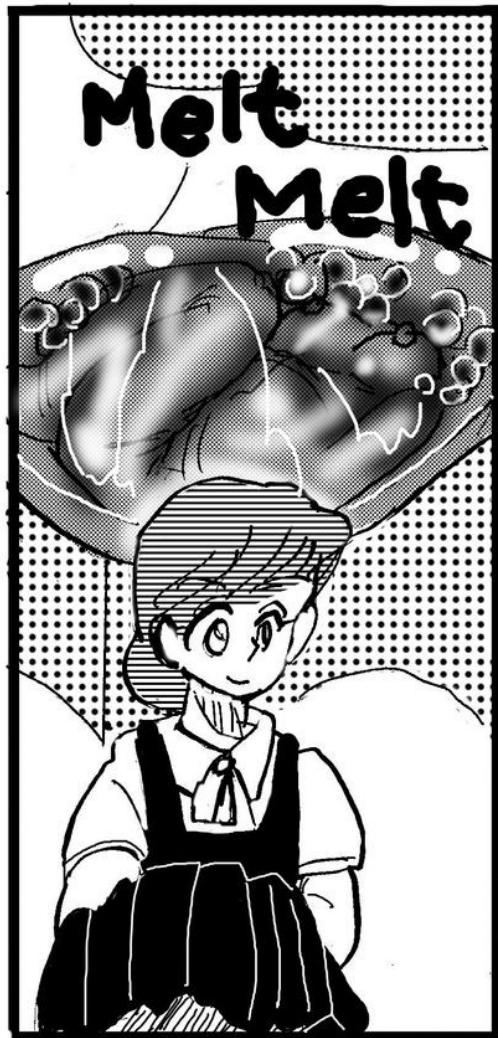

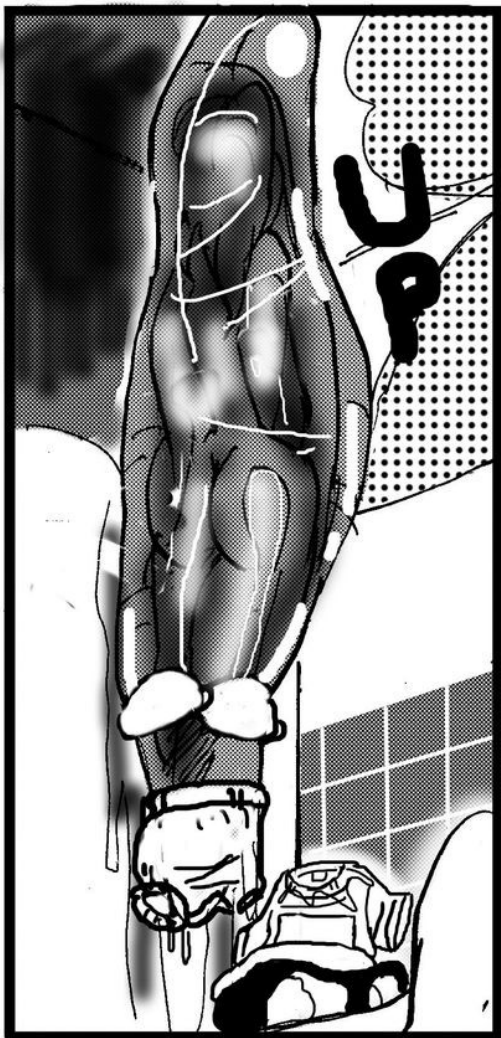

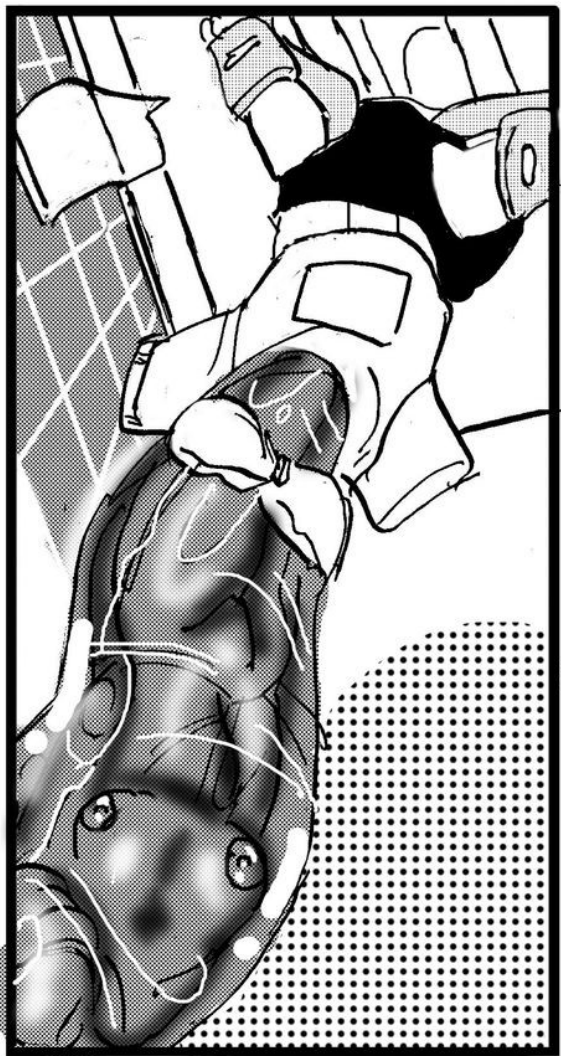

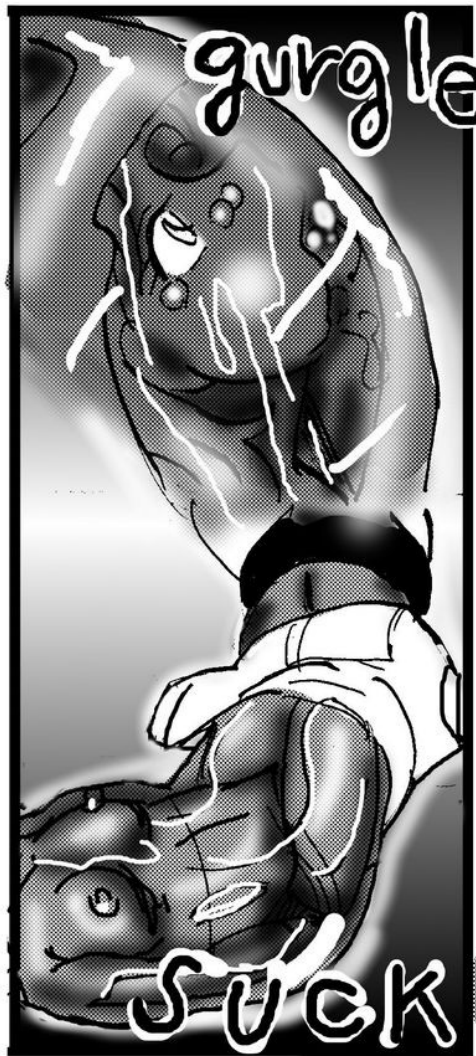

Buble Buble

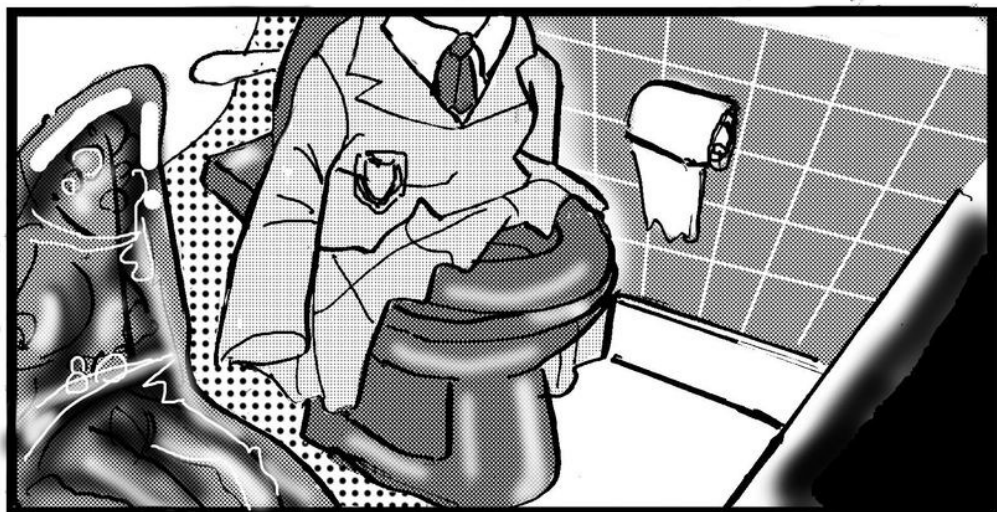

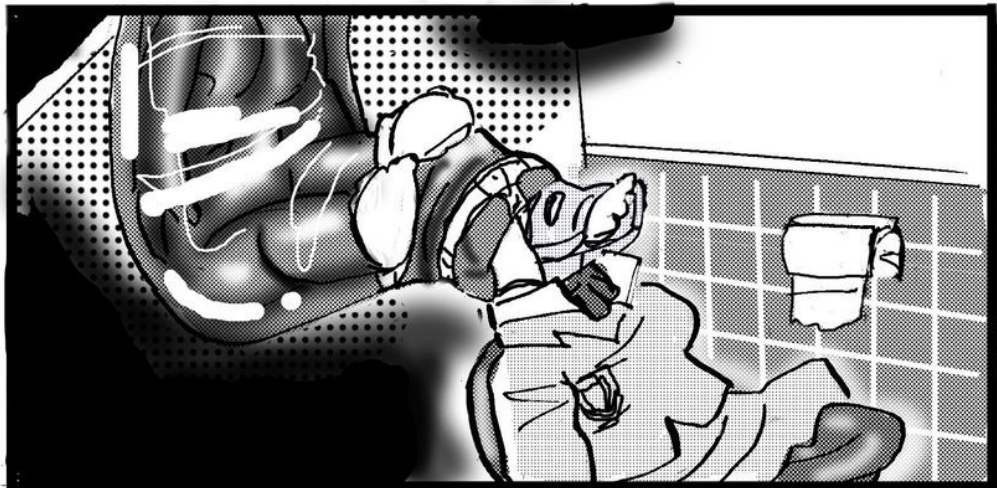

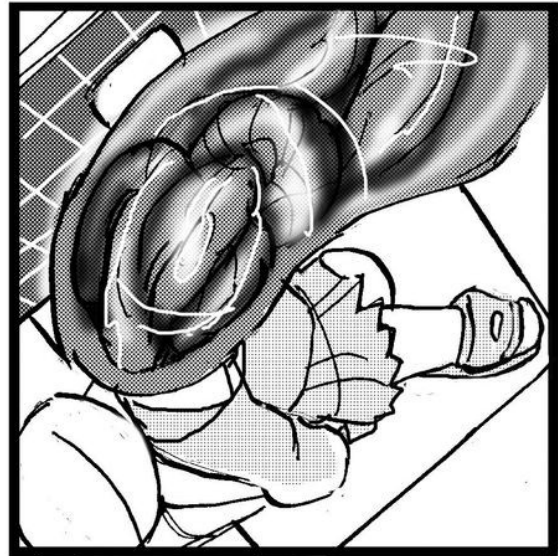

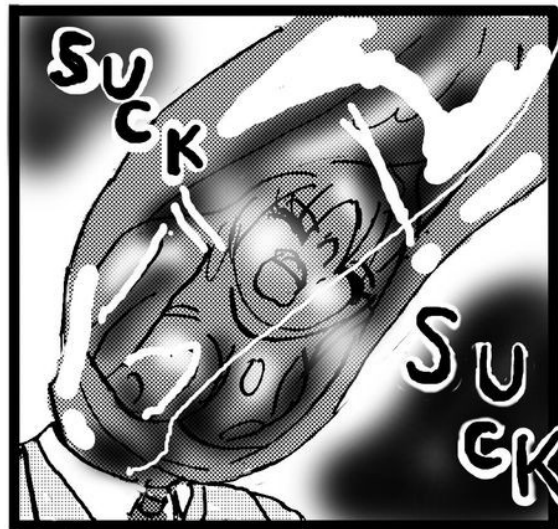

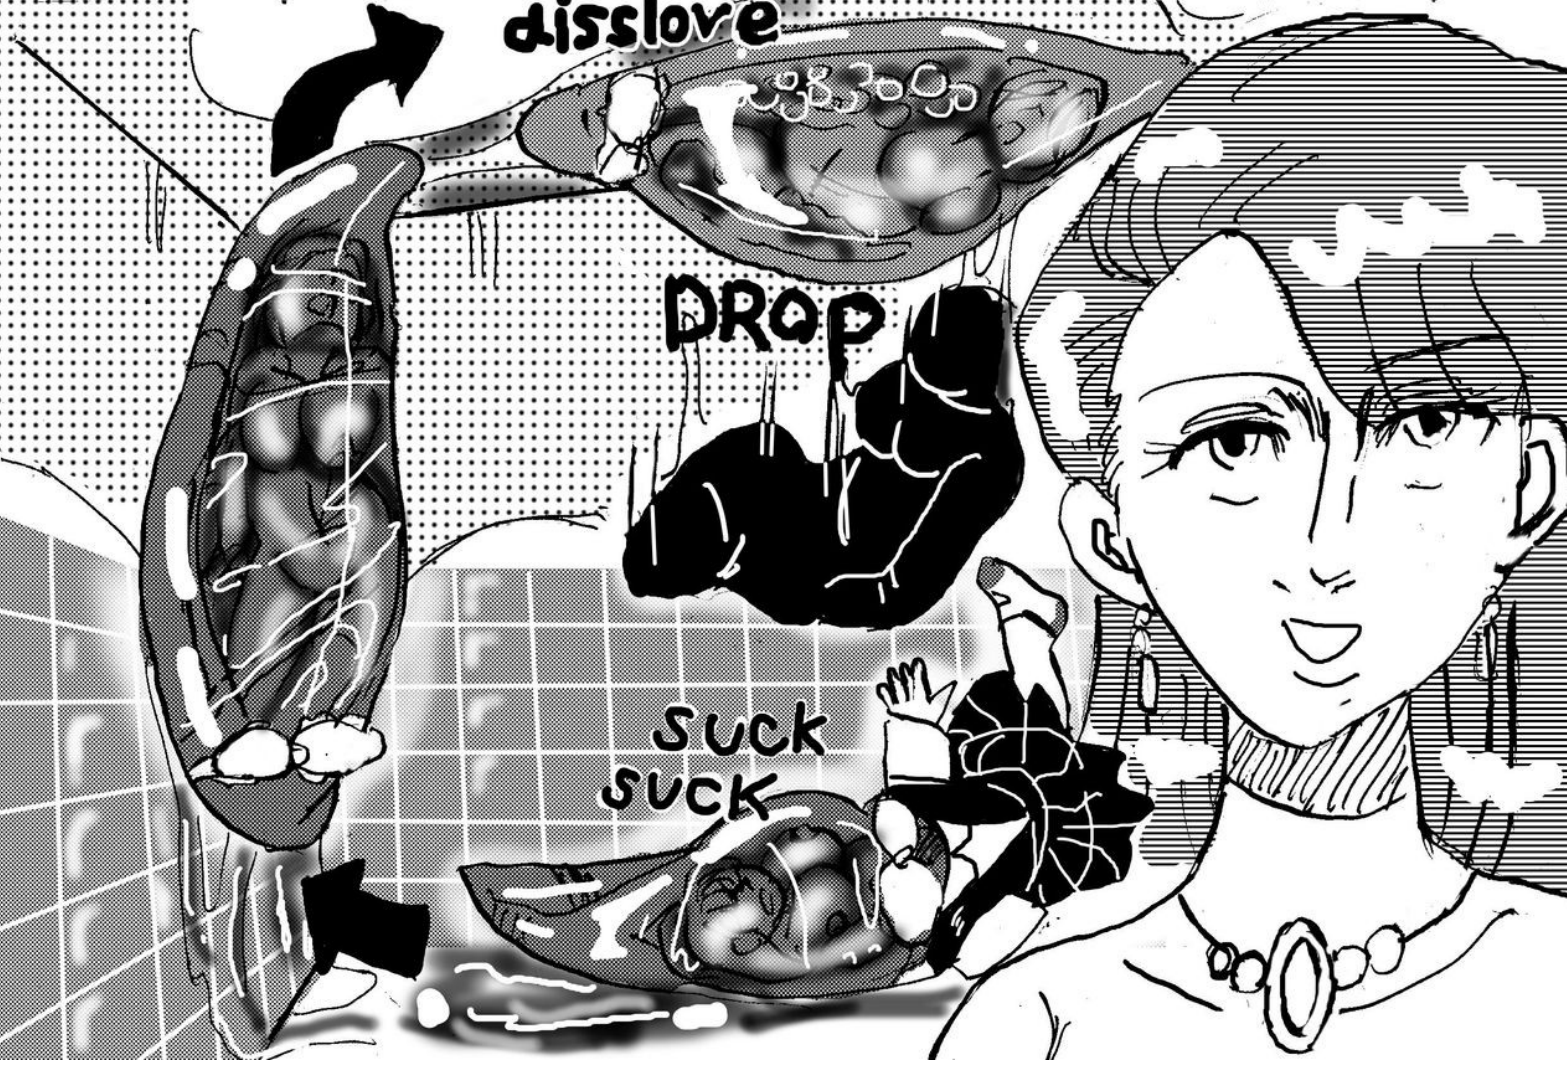

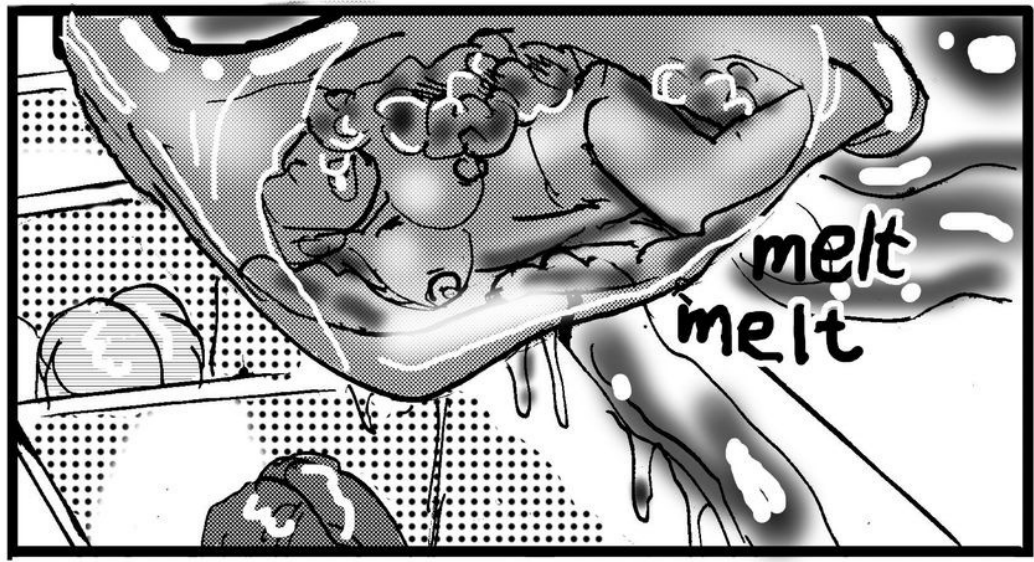

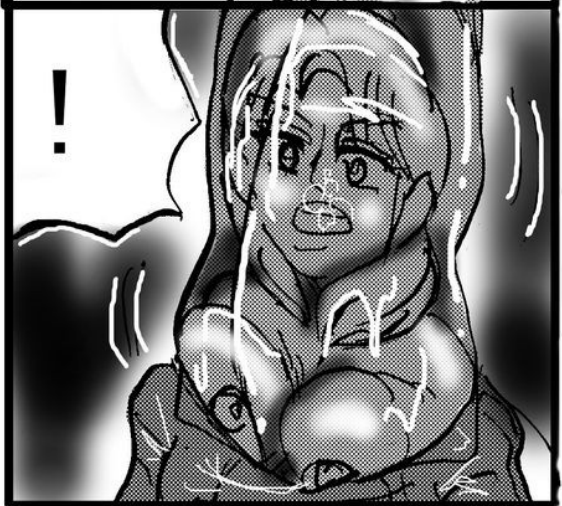

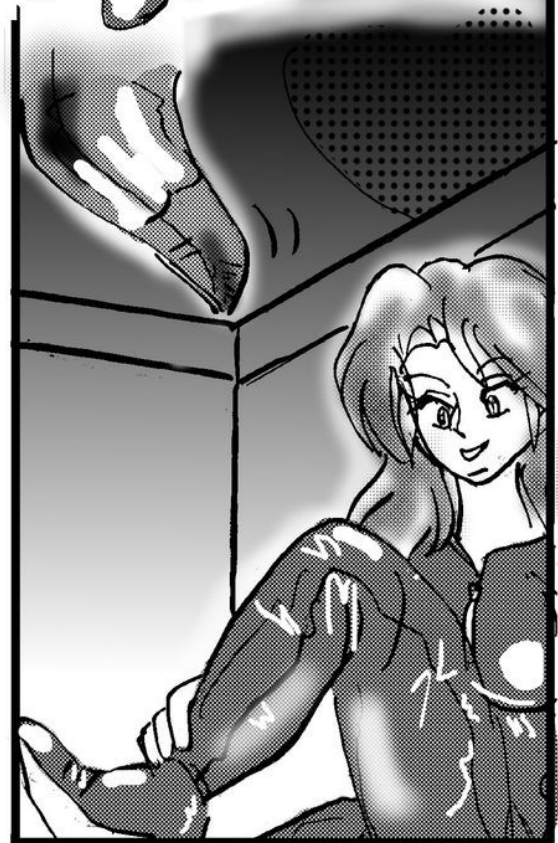

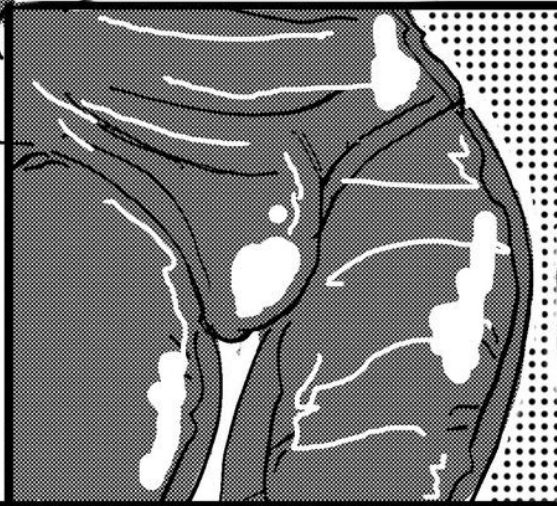

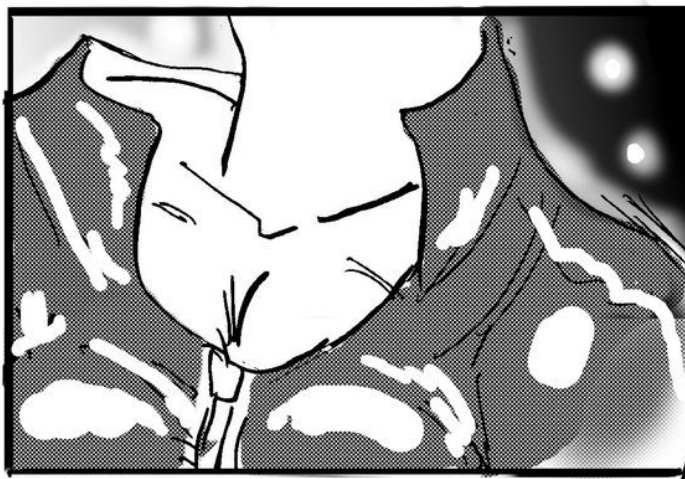

Thus, in every scene, it is aimed at the prey from above.

Man-eating amoeba

Amoeba is a single cell that takes in prey and digests it inside the cell. After digestion, the victim's clothes float in the body fluid.
