Best of luck with the corona virus everyone.
I want to be able to monetize this but am not
sure how best to do so. This translation is
something I made a few months ago and am
only now uplaoding with a few others.

There are a few things I want to potentially
do such as making a discord server, I could
also just be given money for the express
purpose of using that money to buy online
Copies of Doujin from Japanese sites than,
uploading them to the English internet, if you
have any recommendations you can send them
to the email listed previously or message me
on discord my account is auolofea#2861.

初めまして、こんにちは！柚子奈ひよと申します。

会長本シリーズ二冊目です！

会長本はシリーズにする場合、話の展開をどうするか
とても悩みました。

女王様キャラになってしまうのもありかも？と思いましたが、
初体験の相手を頑張って探す可愛い会長を描いてみました！
シリーズものとして続けてみる予定なので、
今後も会長とバケツ君をよろしくお願い致します！

それでは、また別の本でお会いしましょうー！（＊・ω・）ﾉｼ
