綾瀬さんは

目立ちたいっ？

This girl's panties are for my, yagami-sama's collection extremely useful.

fu!
fu!
fu!

But this is the luckiest I've been.

I've taken various photos after school before.

ん...?

She doesn't look particularly lady like.

Is that ayase-san from my class!?

My data on her is a little scarce but she seems like a normal person.

There's not much time left...

What is she doing?

What
is
this
person
doing!?

かな…?

って…
えええええ!?

It
would be
plain
rude
to not
take
advantage
…!

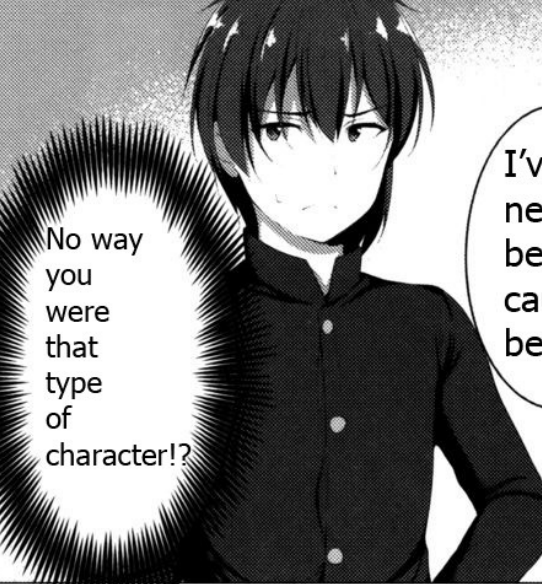

There's no
shutter
sound
so I'm
fine, I
definitely
won't
get
caught...

はっ…!

Is she
taking
lewd
selfies!

おお!!

No way you were that type of character!?

I've never been caught before.

I do things like cosplay and comiket.

A selfie account?

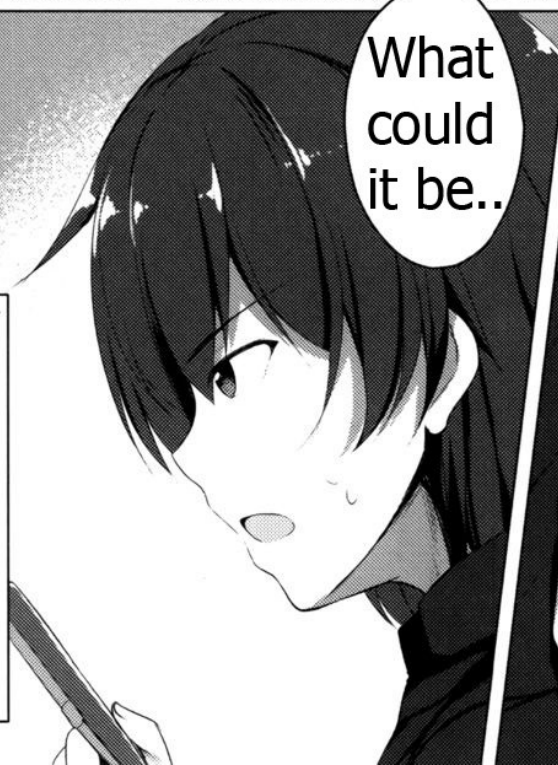

うん...

I thought it might have been the scenery so I wanted to do a shoot at school....

Let me look at that for a bit...

But it never does well...

What could it be..

Your style is good but,

I might be able to figure out why you can't get followers.

Let's see...

Wait there are lewd photos on there it's embarrassing.

What should I do?

えっ

That trends so old...

First off how about this giant fucking stamp?

I didn't want these photos leaking out so I hid my face.

うーん

For example try lowering your uniform's skirt.

Ya ga mi kun!

You should also narrow the themes and places you show off.

What about turning your body a little bit instead...

It's this stamps fault, it takes away from your body's charm.

Could we work together...?

Um...

I have a request...

...eh

I'll
do
any-
thing
as
thanks

Rea
lly!?

I
can be
nice &
teach
you,
but...

Ama
zing

す...

What
should
I do
...?

Any-
thing
...!?

do
have a
nice
body
sooo.

Now
that you
mention
it you

well
...

Any
thing
...

Than
...

Yeah!
Like
that!

This is
still a
bit too
awkward
to
become
a shot.

I
wanna
go back
right
now...

This
is an
embar-
-rassing
start
but...

Oh,
That's
a nice
expre-
-ssion!

Spread
your
legs.

Alright
next...

She
looks
happy,
that's
good..

I'm grateful for this photo but it's a little...

How about this?

Ooh now that's daring

Don't move from that pose.

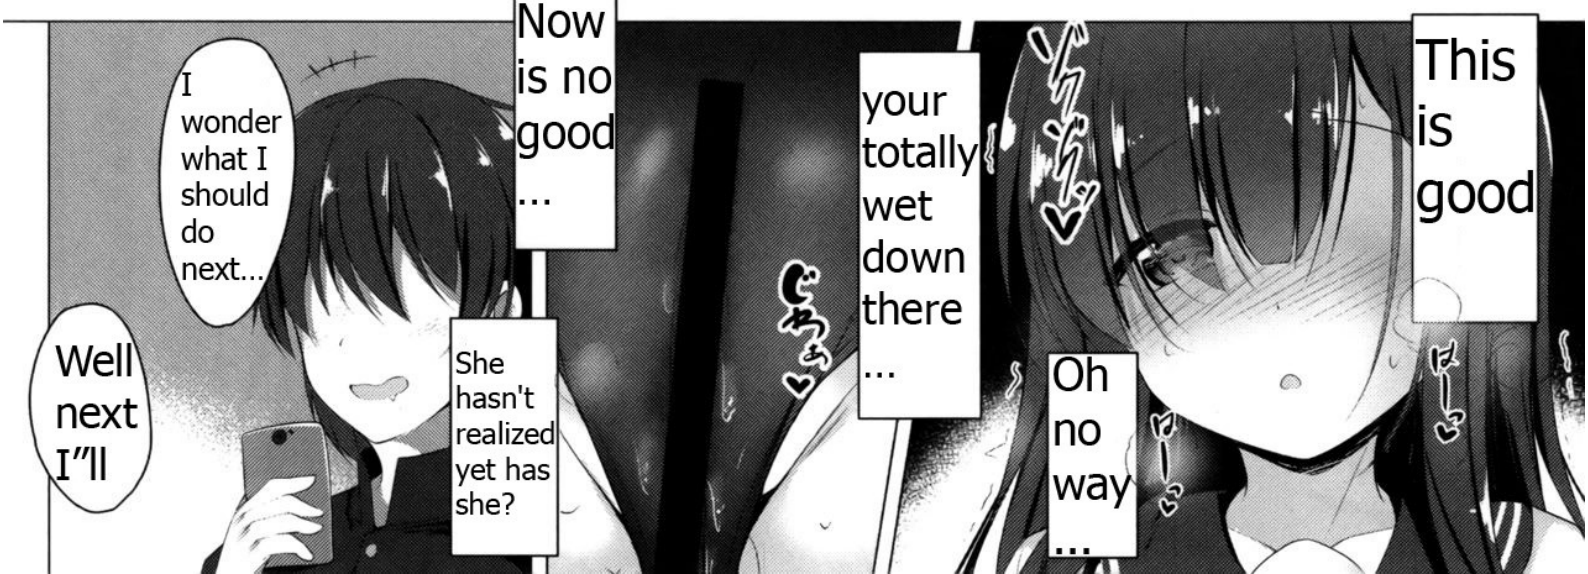

From here,

I can definitely see her panites but...

At this point I can't refuse

But ...

This is good

your totally wet down there ...

Oh no way ...

Now is no good ...

She hasn't realized yet has she?

I wonder what I should do next...

Well next I'll

It's
flow
-ing
down
...

What
is this
curr
-ent
pose
...!?

It's the
best
that
can be
done!

Yamagi
-kun
this is
already
more embar
-rassing
than expe
cted...

Ayase
-san

You
must
be
feeling
some
-thing
right
here!

You
see
...

Don't
worry
about
that!

I was
just taking
some
amazingly
lovely
photos
of you!

No
way
I've
been
found
out...

Wait
...
stop
...

You have the makings of a pervert.

It's because you're turned on right?

I could endure it rather than do this...

It keeps getting wetter and wetter.

Ok, I've stopped -ed
From here do your best on your own

Than it's okay to continue?

Well that's ...

Wait!

You boobs are quite big aren't they...

Not my nipples ...

Oh, but they've become so hard ...

Your starting to feel quite firm down there...

うう...

あーい

Hora

Right here

Crap my voice ...

Huh your clit is quite big isn't it?
Could it be you do this often?

No, that's not right... ♡

Than this will be the place I tease the most!

Ama-zing

You're squirting while you cum.

...そーだ!

Crap

Cum min-g

そーは...

Time to take a photo!

This is gonna blow up!

This is the first time I've seen a post grow in popularity this quickly!

♡7000 📷2000

That was amazing Ayase-san ...

...

come
inside
me...

Just
don't

It
may
be
good.
♥

It's
forced
but..

これ...

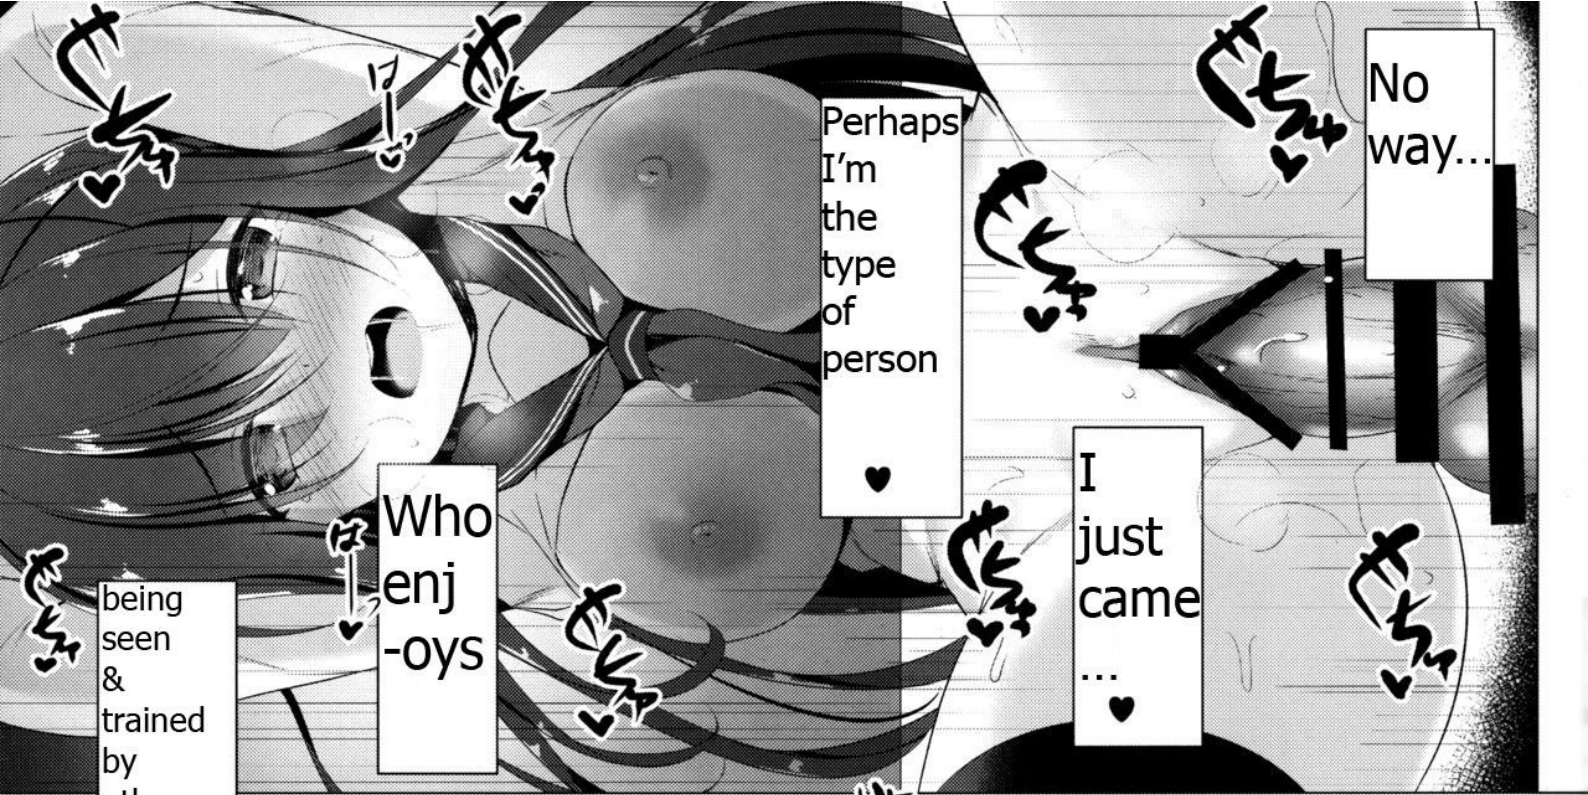

It
feels
good
...♥

It's
scra-
ping
the
inside
of my
vagina...
♥

It's
okay if
I'm
rough
right?

♥

I promised not to cum inside of you right?

You were about to cum ayase-san weren't you...

Wait just a little more

Why did you stop ...?

Hurry

That's fine

I beg you

Than

んっ...

んっ...♡

This position

Half is in...!

It's all in...♡

Ahhh♡

The rubbing in my insides feels good.

I want to put it in myself...

So your that type of person lol.

It's hitting my insides ...

It just went in so it feels amazing...

This is beyond good, I can't go back from this...

This is amazing ... ♡

あ... ♡

Crap ♡

Crap ♡

It's too late ♡

Cumming!

I can't stop my hips from moving. ♡

Your dick is amazing ♡

If I post this it will create a huge boost! thank goodness...!

But today you've made the best facial expression ever, I'm taking a photo!

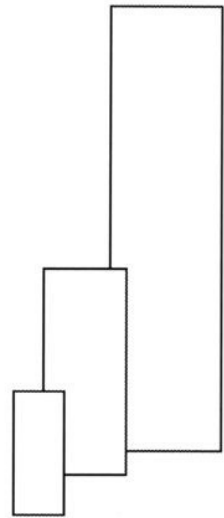

Sorry Ayase-san.

I came inside you...

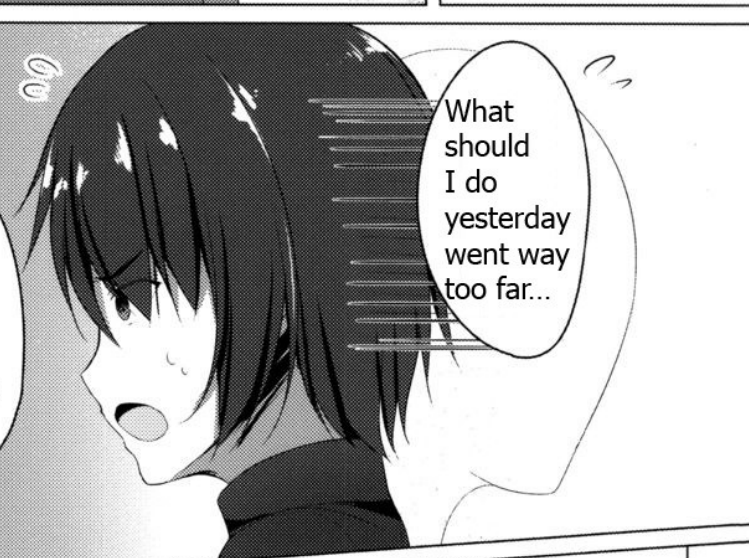

...

The Next Day
After School

What's wrong?

This might be the end of my existence ...

To be Continued!

Best of luck with the corona virus everyone.
I want to be able to monetize this but am not
sure how best to do so. This translation is
something I made a few months ago and am
only now uplaoding with a few others.

There are a few things I want to potentially
do such as making a discord server, I could
also just be given money for the express
purpose of using that money to buy online
Copies of Doujin from Japanese sites than,
uploading them to the English internet, if you
have any recommendations you can send them
to the email listed previously or message me
on discord my account is auolofea#2861.
