アイラブユー

Her looks and even her face resemble my sister.
---just like my first love.

Summer break. Late one night on the weekend, his niece Satsuki came to visit. She was going to stay for a night, but had actually planned to sneak up on him. Knowing his affections for his sister, Satsuki says she wants him to love her, but...

MAYBE I LOVE YOU - SUMMARY

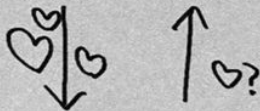

■ Satsuki

Naoki's niece

Naoki and her mother (his older sister) were born years apart, but the difference between her and Naoki's age isn't much.

Has liked Naoki for a long time, and has resorted to use of force.

■ Naoki

Moved away from his house and is living alone as a working adult. Had feelings for his older sister.

Hello,
Nao-chan!

I'm here
again!

Slam!

H-
Hey!!

I called
you this
time!

ding-dong!
ding-dong!
ding-dong!
ding-dong!

This
time
I have
permission
from my
parents!

Let
me in!

Maybe I Love You 2

Uuu...
You did...
thank you
for that.

And I
gave you
a New
Year's gift,
didn't I?

I helped
you with
the travel
expenses
anyway.

Natsu-nee
told me
that she
won't let
you come
here
if you
can't
pay for
yourself.

You should
have stayed
at home
for a bit
longer.
You went
straight
home after
New Year's and
nothing even
happened.

As if
I'd let
anything
happen
there.

The
Shinkansen
fare is too
expensive~
The
other ways
of getting
around are
dangerous,
so I'm not
allowed...

Besides,
Nao-chan
lives so far
away from
home!

One~
Two~
Three~

My school
doesn't
allow us
to.

I mean,
why not find
a part-time
job?

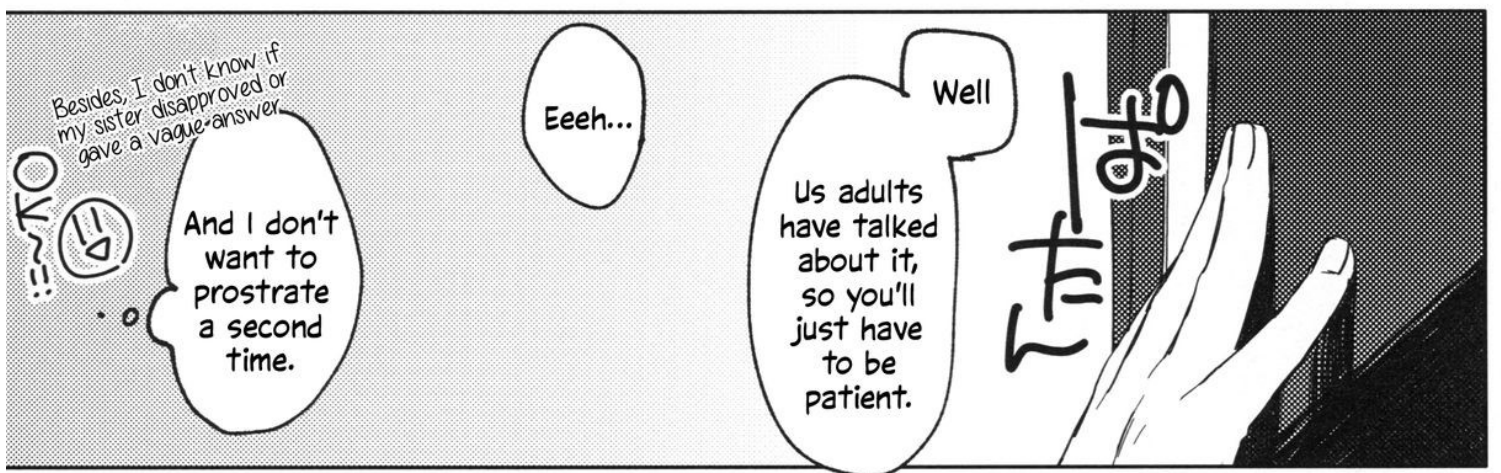

The one who actually moved far away on purpose...
Was me...

Don't wanna.

You can even change jobs to be closer to home~

Even Grandma said
"I wish Nao would stay home for a little longer."

Besides, I don't know if my sister disapproved or gave a vague answer.
And I don't want to prostrate a second time.

Eehh...

Well
Us adults have talked about it, so you'll just have to be patient.

Ehh

She said "You should take some time to think about it and act accordingly".

...That's too vague.

Have you heard anything from Natsu-nee?

Fufufu
In other words, it's official, isn't it?

Of course it isn't...

It could be a reason to go for a common law marriage.

I know, but is there a problem?

Oh, yeah

Thanks~♡

Let me be clear.

You and I can't get married.

I'm impressed.

See?

Wait...

You've thought this out that far?!

You're so positive, Satsuki.

...Ah, right

If Nao-chan adopts me, we can have the same last name.

...

Eeeh~
I like it here.

There's space next to me, see?

Satsuki.
You're in the way.

?

!!
!!

Hya!

I'll want to touch you,
So please stop sitting there.

!!

I want you to touch me.

It's been 8 months, hasn't it?

And I keep remembering how great it felt...

Does it feel good here?

Nao-cha-

Y-Yeah.

Here, too?

I touch it there, too...

Really, now?

I can't help it!

Ah...
...I have...

So tight...
Have you gone here alone as well?

Nao-chan's finger...

is hitting somewhere that feels good...

I'll pick it up.

Hup

It's from mom.

That can wait...

Ah, your phone is also ringing, Nao-chan.

atsune phone

!?

Yeah.
I'm fine.

I gave him the souvenir.

Yes, hello!
this is Satsuki!
Nao-chan went to the convenience store.

Eh? You called me?
I didn't notice.

Shh!

Tap

Eh?
A message for Nao-chan?

Sure~

YOU'RE CAUSING TROUBLE RIGHT NOW!!!

I can't move...

Yeah,
Yeah.

'Kay.
I won't cause trouble.

I'm hanging up.

...So she says!
♡

You got bigger just now, Nao-chan you cheater.
♡

Y-YOU!

Tell him "Please take care of Satsuki!".

'Kay,
I'll tell him.

Slap
Slap

But
That's
fine.

Hey,
listen.
I want
to be your
number one,
Nao-chan.

I love even
the part of
you that
still loves
Mom.
I want
all of you,
Nao-chan.

So
today,

I want
you
to give
me your
everything.

Yes!
Yes!

Satsuki,
are you
going
to cum
again?

You're

You've got it hard...

Ah.

If only I didn't need to work...

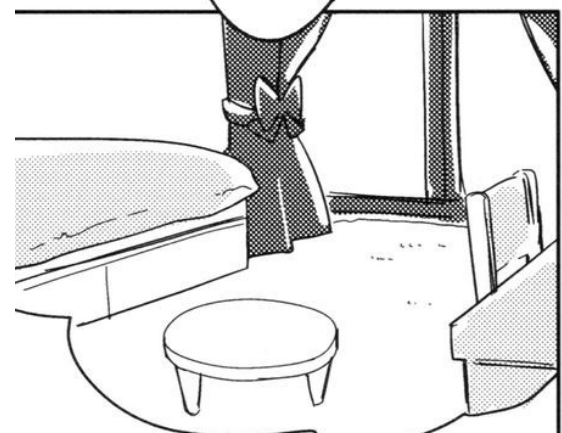

The weather today is great too.

When I last came here, it got me curious.

Mama likes this kind of curtain, doesn't she?

I prefer light colors more ♡

Yeah.

She gave me that as a farewell gift.

I knew it!

The color looks like the one back home.

Sure.

Grip

Ehehe
Excuse me, then.
♡

I see.
Ah, can we hold hands to the station?

No it isn't. Our work is on weekdays and we celebrate Golden Week.

Work even on a long weekend, huh? Is your company one of those "slave drivers"?
Our school is on break!

Nao-chan?

We would be acting our age...

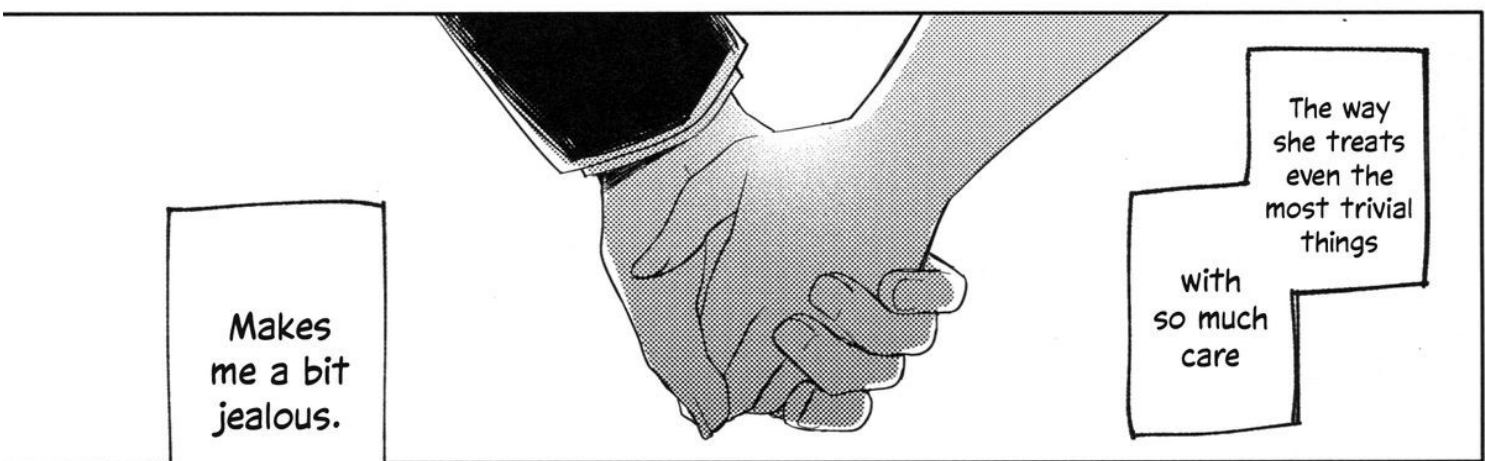

Holding hands is okay, isn't it?

Aaah...

Okay!

Nah,
It's nothing.

Makes me a bit jealous.

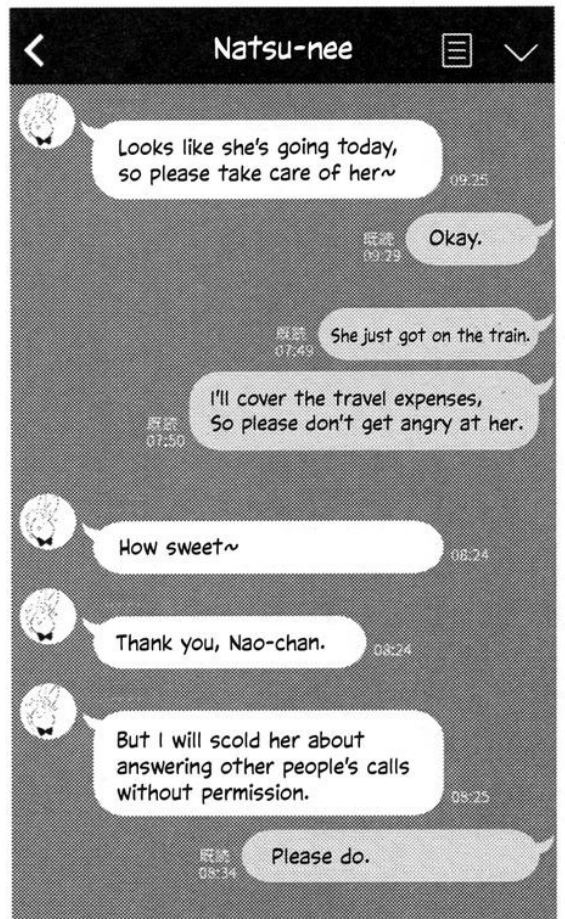

The way she treats even the most trivial things

with so much care

Maybe this is fine...

For me as well.

Waaa- Thank you for reading!
And thank you for buying this book this time, too!

It looks like a lot of people liked the first book,
so I made a sequel! Thank you to everyone
who sent their impressions and feedback!

The colophon has a QR code included,
and it would very much inspire me if
you give it a click and sent some feedback!

That said, it looks like the two have made
some progress (?)
Like, they're already in the
"Please take care of me!" stage...!
I plan on releasing a sequel next summer.
After that I plan to conclude their story,
so please stick around for little bit!
I have left out a large portion of the story
since it doesn't have anything to do with the
ecchi manga, and I thought that omitting it
would be fine...
but the events between 1 and 2 are:

Confirmation of facts

↓
Got permission but, told vaguely that it was
impossible

↓
Go and apologize to be sure

↓
For the meantime, decide on the conditions

↓
Nothing happened on New Year's

↓
Maybe 2
I would be happy if you read the book
with this timeline in consideration~
For some reason I had the distance of Kanto to Shikoku in mind...
Those travel expenses are pretty expensive...
After the summer, Satsuki's allowance would be
pretty small for a while.

I would be really happy if you read the
sequel as well!
Well, then! Until the next time we meet!

This picture is a portrait selfie of Satsuki-san
taken on Valentines.
The color version is on my home page,
so I'd be happy if you take time to look at it!
