My name is Sugawara Ema. It doesn't bother me that much, but people often say there's nothing interesting about me aside from playing music and being a bit cuter than the average girl.

Alright, stop.

Guess it's pretty good! You've got some talent, Sugawara-chan!

For your age at least.

Stop sidestepping the problem like that! If I messed up, I want you to tell me what it is!

Sensei?

It's a bit unsettling when you sigh like that.

It's the weekend today, but since I'm going to take an entrance exam (for a college of music), I'm currently practicing.

Because of that, whether I like it or not, the time I spend with this shabby guy has been steadily increasing.

Alrighty then.

Let's close up for today. It's a good time to go home.

Eh? Could you be more specific?

Well, at least every day of mine has felt fulfilling thanks to these lessons, so I'm fine with it.

But I guess your musical voice is too sentimental. You go a bit overboard.

I'm serious, I think you're good at this.

To be frank, spending all of my time on music for such a long period of time has gotten really exhausting. I've refused to hang out with friends or go on dates too.

Before I knew it, I ended up completely alone...

Ugu... ♡

Gu...

...Mn!

Ah! ♡

I already told myself that I'd work hard to become a professional. But sometimes I just really want to let myself go and have fun somewhere.

This doesn't really feel that good...

Ha...

Nn ah...

He also works on weekends. What does he usually do here, exactly?

So he's still in school, huh?

Hana-chan-sensei?

Come to think of it, something weird happened today after school hours ended.

But he doesn't seem to have any hobbies besides music...

On the outside he seems to enjoy living carelessly.

Hanaoka-sensei?

Hana-chan-sensei?

...thingy with the soothing sound.

Ah, this is Hana-chan-sensei's favorite...

I feel like at that moment, time just leapt forward an hour, or maybe thirty minutes.

But my memory is so hazy, I don't know if that actually happened.

Eh?

I've probably been overworking myself lately after all...

I think that the tuning fork was already inside of my bag by then.

Uu... For some reason I have so little energy...

Why was I sleeping here?

\* These images may differ from reality.

Likes middle-aged guys

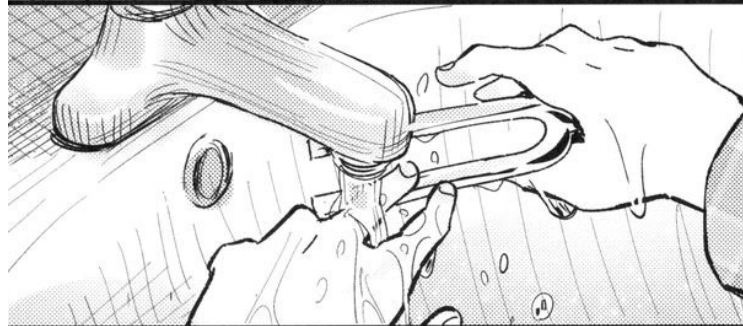

Well, for me, I guess he barely makes the cut, maybe. He has those boring socks he wears every day, and that beard he always forgets to shave, and those glasses that could fall off his nose at any moment... No way is he popular with other girls!

This is Hana-chan's property! I'm no better than a creepy otaku dude who gets off on used panties! I'm just a 16-year-old high school girl and I've already fallen this low! Kyaaa!! I wanna die, I wanna die right now!! Please make it as painless as possible! If this gets out, I'll be bullied! I'll be expelled! This sucks, this sucks, this suuuuuuuucks...

AAAAHHH!

Why the hell am I masturbating with Hana-chan's personal stuff!?! I totally don't get it! I know my libido's gotten super pent-up lately, but... Wait a minute, I kinda want to do it with a guy now!

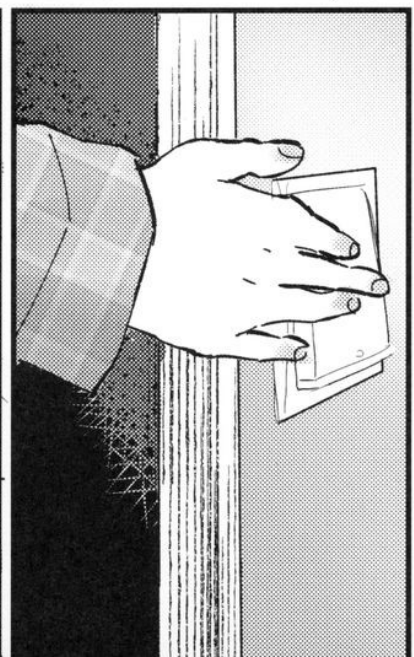

Better wash it again to make sure it doesn't have any weird smell.

I have to return this to him tomorrow.

This is super creepy...

So why was Hana-chan's tuning fork in my bag anyway?

I hate to admit it, but I'm the type who misplaces their smartphone and keys and stuff a lot.

Nice, thanks. I was looking for this yesterday. You saved me a bunch.

So you found this, Sugawara-chan?

Did he really keep me here just to talk about that pointless stuff?

Haah... Is that so...

By the way, sorry for coming late that time. Remember? I was about thirty minutes late last week.

Hey, how about you ring it a bit?

Eh?

But you already heard it a lot during the lesson!

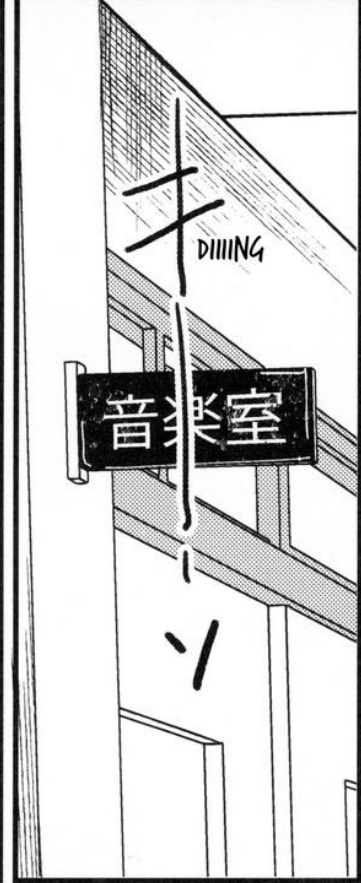

Well, I kinda wanted to hear how it would sound when you ring it, Sugawara-chan. ♡ Just kidding.

Eeh? I guess I can, but why?

I'm pretty sure that tuning forks sound the same whoever rings them anyway.

How's this?

You're always hanging around here after school, even though it doesn't pay.

By the way, Hana-chan, are you single?

...nk

Just so you know, I'm thankful that you're here to coach me. It's just...  
E-Even I won't be around to keep you company forever. It's not fun to spend your whole day every day on wo...

You really can do anything if you put your mind to it.

You've gotten good at fellatio, Sugawara-chan.

Guu... What kind of hard work is that?

Ah...

Hehe~♥ Your flattery's not gonna fool me.

Well, this just might mean that my daily hard work's paying off~♥

Reading dirty books...

Eh... Nothing... Research, on the internet, like videos.

Wait a sec,  
don't ask me  
that, you big  
old sexual  
harasser!

If I do the  
research,  
I can pull  
it off  
fine.

Hown'h  
hwame  
hee ich  
lite!

(Don't  
blame  
me if  
I bite!)

Ooh, I'm  
spooked!  
lol

Sexual  
harasser,  
huh?

Not very  
convincing  
coming from  
you when you're  
savoring my cock  
this much.

I'm one  
hell of a  
lucky  
man today!

...yet now  
you're  
frantically  
sucking  
away at  
my cock  
in the  
same  
music  
room you  
take  
lessons  
in every  
day.

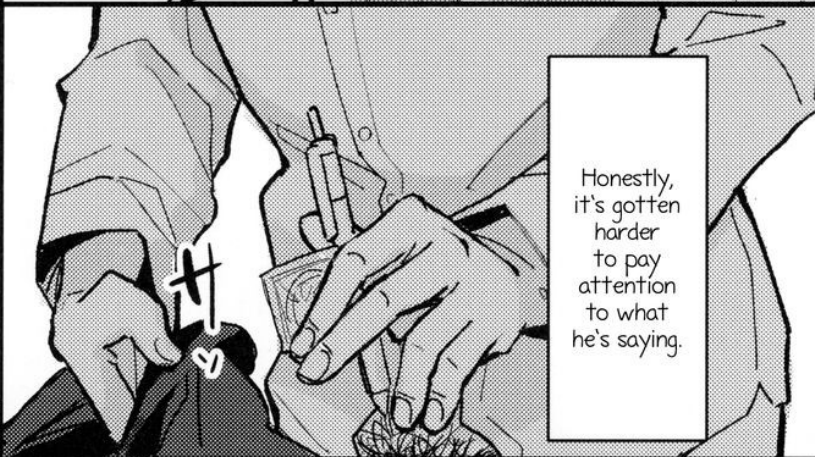

To think  
that you  
usually  
keep  
that  
indif-  
ferent  
face...

Since we're doing it anyway, I'd rather cum with your pussy. ♡

...Wait, I'm about to cum.

Honestly, it's gotten harder to pay attention to what he's saying.

Oh, by the way, I have a surprise for you today.

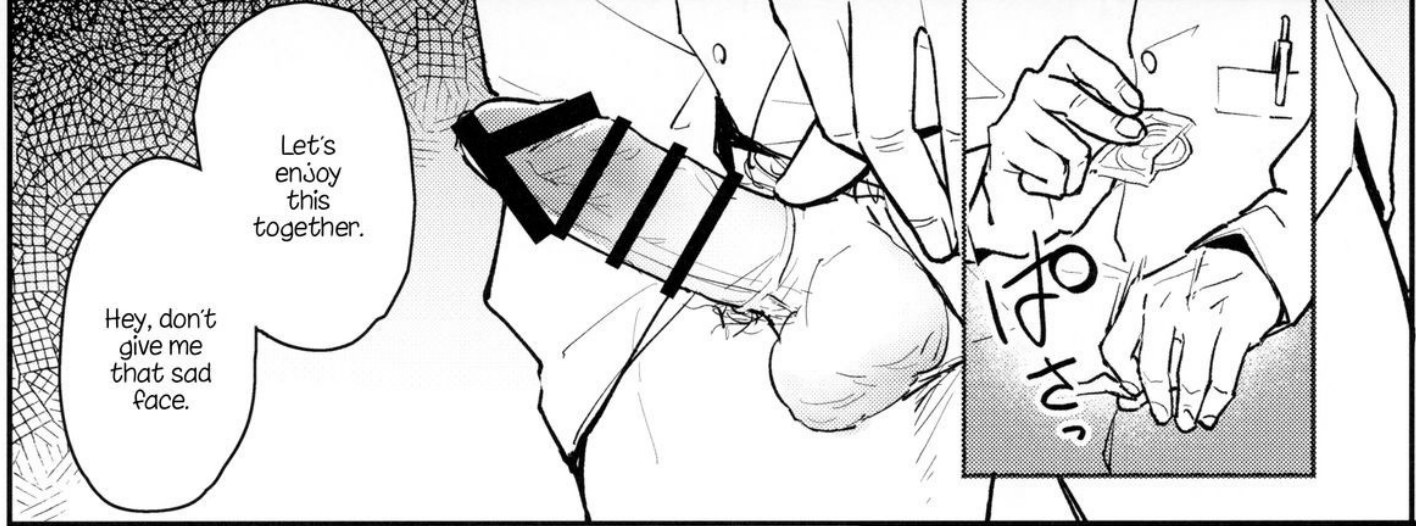

Eh?

I've turned into a fool who can only think of Sensei's cock inside me.

My mind is full of sex.

I won't stop even if you cry, alright? Prepare yourself.

Let's enjoy this together.

Hey, don't give me that sad face.

but now you've gotten used to it, like how you're sitting on this chair as I fuck you.

At first you told me you'd rather die.

S-Shut up...

Aah!

It feels so good inside. It's grinding against me.

His cock feels so good...

I'll be gentle, okay?

His hot tip is touching the surface.

It's coming!

He's wedging it bit by bit into my vagina.

Slowly, slowly.

Ah ah

Aah Sugawara-chan, I see your womb has moved a lot...

Teachers often misunderstand what their students are thinking after all.

Oh, that's all it is? If you want me to touch you, you should tell me so.

Oho? What's wrong?

Umm, can you wait a second?

Hhmmm~ I wonder what I should do...

Geez, I'm so embarrassed I could die...

So I should give you your "candy" as your reward.

Well, you did work hard at it today.

So stop talking like that. Stop teasing me...

Not there!  
yah

Your voice is getting cuter by the second.

You like it when I gently play with your nipples, don't you?

ah

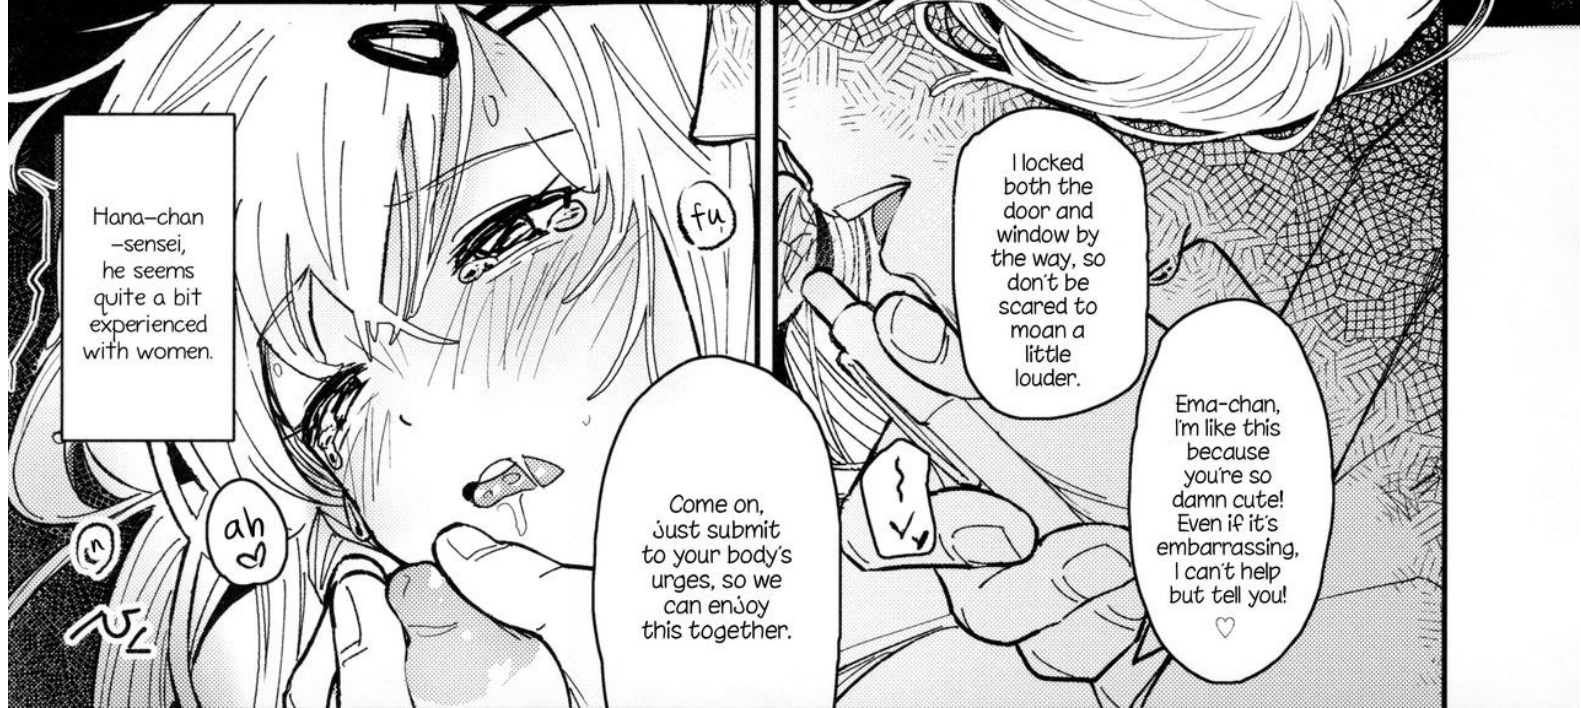

I've started to think about this a lot lately.

Y-You always easily say such embarrassing things...

I'm not that heartless.

B-But I get embarrassed to death just asking you for anything...

Nn

Hana-chan -sensei, he seems quite a bit experienced with women.

ah

fu

I locked both the door and window by the way, so don't be scared to moan a little louder.

Come on, just submit to your body's urges, so we can enjoy this together.

Ema-chan, I'm like this because you're so damn cute! Even if it's embarrassing, I can't help but tell you!

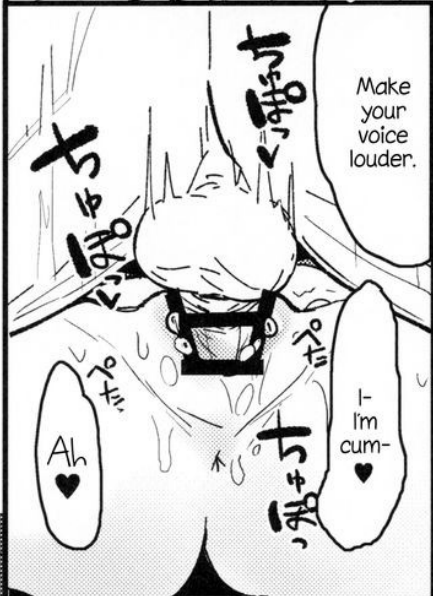

Ha...  
na  
-chan...

Our  
breaths  
and the  
warmth  
of our  
bellies are  
mingling  
together.  
Only real  
lovers can  
experience  
this kind  
of sex!

Isn't this  
position  
great? We  
can sense  
even each  
others'  
feelings  
like this.  
...Fuu~

I'm...  
I'm cum-  
ming!

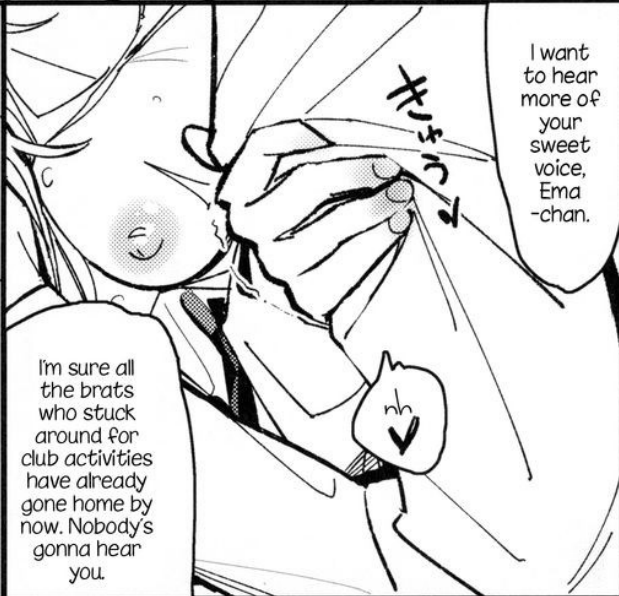

ah

Make  
your  
voice  
louder.

Ah

I'm cum-

I want  
to hear  
more of  
your  
sweet  
voice,  
Ema-  
chan.

I'm sure all  
the brats  
who stuck  
around for  
club activities  
have already  
gone home by  
now. Nobody's  
gonna hear  
you.

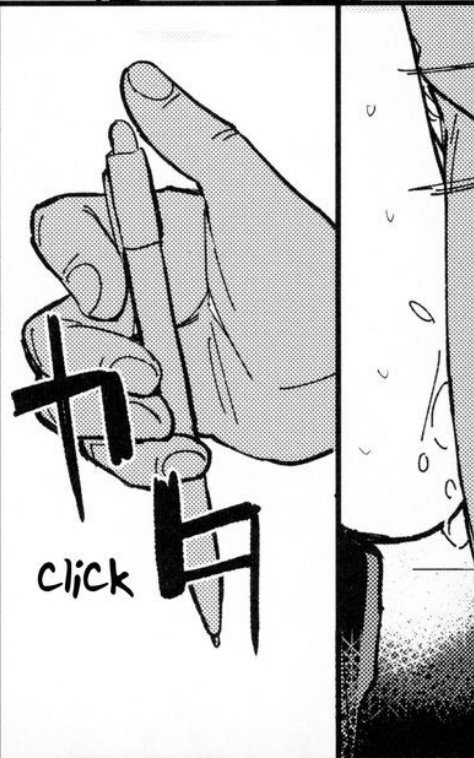

nh

Wai-

Ooh?

click

I think I came a bit. This is so wild.

Fuu, guess you should get your memories back soon.

Huh...?

Oo oh

That's great! You came with such a nice voice!

ha ah...

And somehow it's all mixed up with pleasure...

ha

I feel something... something really dark inside me...

Ha-Hana-oka...

fu ah

ah

Sen... sei?

nh

You know what hypnosis is, right? At first I didn't believe in it at all, so I get how you feel right now, Ema-chan.

My clothes...

Well, I didn't think that hard about it, but I tried setting things up so that the two of us could be lovers.

Hey there, Sugawara-chan. Oh, I guess Ema-chan sounds better.

I don't know what's going on, but I think this sweaty, grinning man is my music teacher, Hanaoka-san.

Is this... the music room?

Before I totally didn't believe in hypnosis, but now I'm having amazing sex with my own student!

I'm having sex...

Also, something's inside of me down there.

I'm one hell of a lucky guy!

...with Hana-chan-sensei?

While I was searching for porn on the internet, I got a pop-up on a video site. It looked so dumb, I thought I'd just go ahead and pay for it anyway.

Oh no, my head's spinning...

Come on, it's the cock that fucks your pussy about three times a week! I guess you don't remember being fucked that well yet, though.

Don't you have anything to say, Ema-chan?

Ahh, I totally fucked up. I should have practiced this hypnosis thing more.

You were enjoying the hell out of your "forbidden sex with Sensei" just earlier after all.

C'mon now, don't cry. I can't get off like this.

Hey.

sniff

sniff

Like "why does a cute girl like me have to have sex with Sensei?" Something like that. Nothing?

Any thoughts on what you've done?

...was supposed to restore all of your memories.

Anyway, the last prompt I gave you...

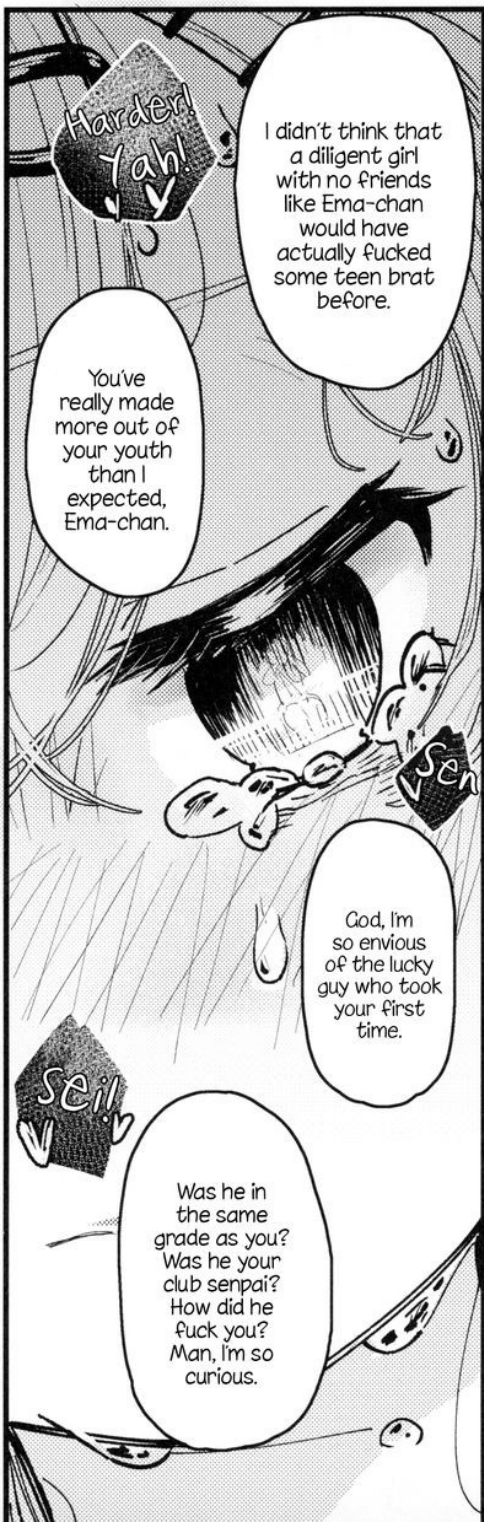

C'mon, say something, geez!

Well, guess I have no choice. This reaction of yours was also within my expectations.

I see.

Harder! Yahl

I didn't think that a diligent girl with no friends like Ema-chan would have actually fucked some teen brat before.

You've really made more out of your youth than I expected, Ema-chan.

God, I'm so envious of the lucky guy who took your first time.

seil

Was he in the same grade as you? Was he your club senpai? How did he fuck you? Man, I'm so curious.

Ha ah

This really brings me back. It's the first time I fucked you, Ema-chan.

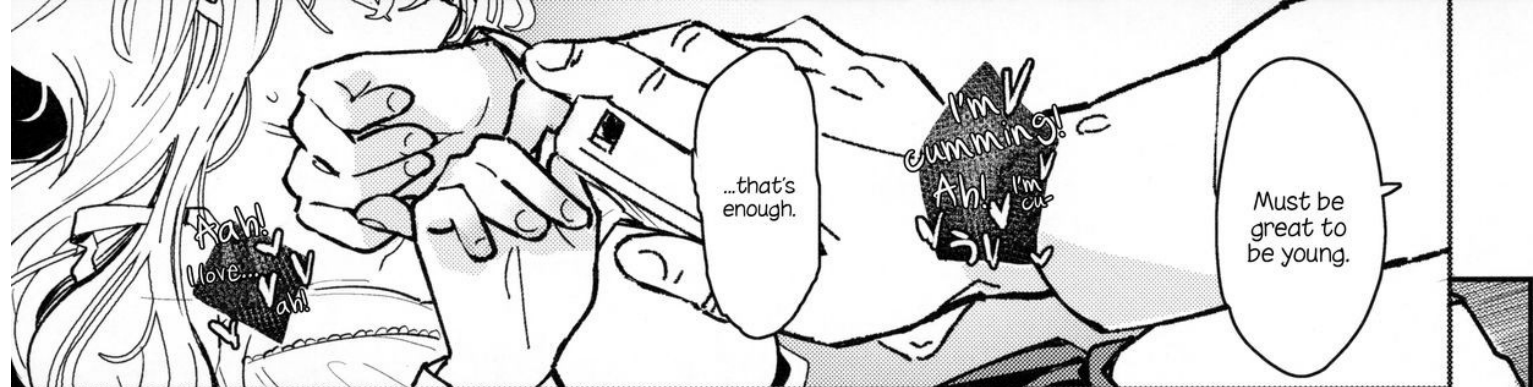

ah

I was really shocked that you weren't a virgin. Wonder if I should upload this video somewhere?

Here's the second surprise I set up.

seil

...that's enough.

I'm cumming!  
Ah! I'm cum

Must be great to be young.

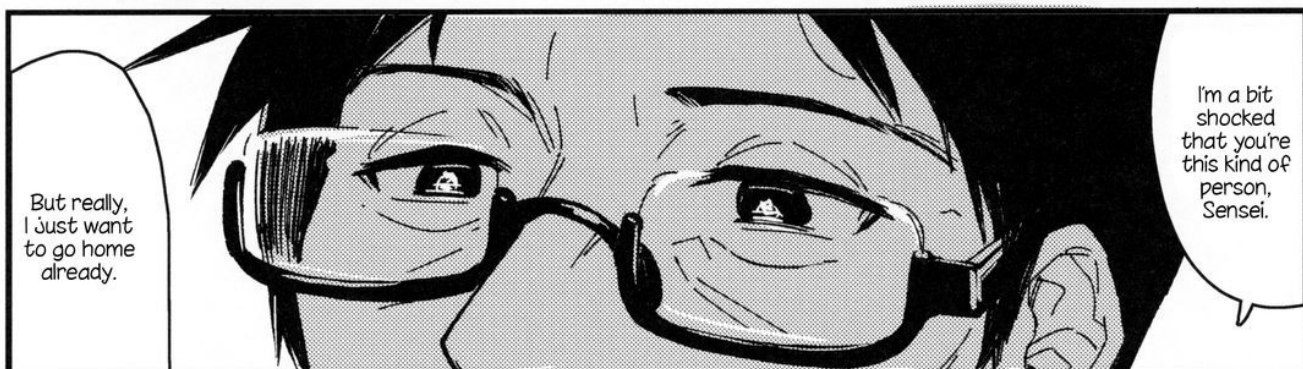

Just...

...end it already.

Hoh?

I won't...  
...tell anyone about this.

But really, I just want to go home already.

I'm a bit shocked that you're this kind of person, Sensei.

And I don't want to see my adorable student's sad face anymore either.

I don't want you to hate me any more, Sugawara-chan.

Well, even I'm not completely heartless.

Oh yeah, how about I bring some tissue too? You better clean up too after all. You're such a mess right now.

What is he even saying?

I still don't think I can go home like this, so I'll take a quick trip to the bathroom.

I'll erase any unpleasant memories you have. Starting tomorrow we can return to a normal student and teacher relationship.

Sorry about everything. I won't use hypnosis on you anymore.

That's not even the problem.

Eh?

It's such a waste that this thing can't be used anymore.

Isn't that how it should normally work? Or am I just messed up for thinking that?

He was using a condom, so wouldn't it have been better if he just came inside me?

Hoh?

That can't be true, right?

Don't tell me I actually want to have sex with Sensei?

Wait a minute...

I mean...  
If you go...  
...to the bathroom...

It's okay if we...  
umm... do it raw today...  
I think.

Umm...  
You might be seen by someone.

Wouldn't that be worse?  
Kinda.

So damn...  
...adorable and sweet!

You really are a good,  
sweet girl,  
Ema-chan!

You're honest with your own desires too!

Hana-sen...  
sei...♡♡

With Sensei..

Aah! It feels so good!

The same teacher I meet every day whether I like it or not...  
I'm doing it raw with him...  
Aah! ♡

M-My first unprotected sex...♡

Multiple instances of the sound effect 'Ahh' written vertically in various orientations.

ka ah  
uu

The more...  
...I think about it,

yuh

Raw sex feels so good! It's been forever since I last felt this. And it's with my own student too!

Ha  
BITE  
the more...  
...I get turned on!

do you feel good?  
Ema-chan,

Fuu... I wanted to bite you at least once. You taste great, Ema-chan.

T-  
Taste...?

Sen-sei,

Yah!

The first time, huh. Fuu...

This is...  
...the first time... I've felt so good...

...a little... slower...  
Ah!  
can you go...

I also...  
...feel good...

7777777

7777777

Cuh...

Well, even if you say no...

Fue...

Ema-chan?

Can I...  
...cum inside?

You said I can...

...cum inside you, right?

Sport

There's no way I can pull out in time!

It feels... sooo goood...

..stop cumming!

I can't...

It keeps on pouring out!

It...

Uuh!

I'm seriously...

...gonna lost my mind...

Guess I couldn't hold back inside your teenage pussy after all.

Guh!

Man, that was fucking wild.

I came buckets inside my own student's pussy...

Ooh

びるるる

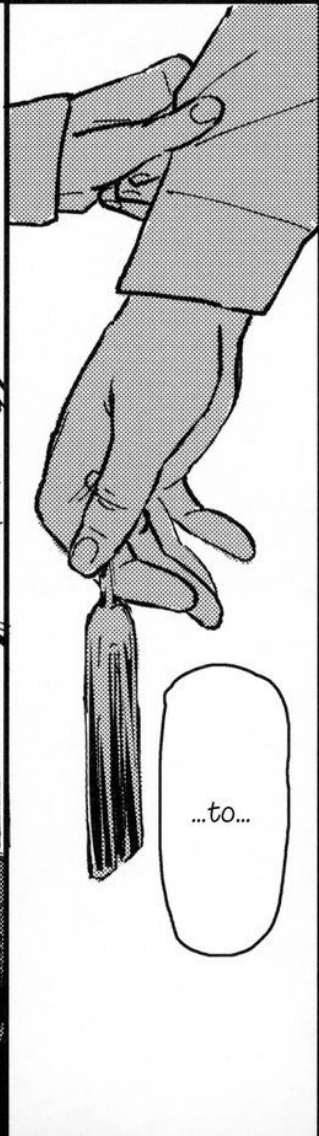

God, this volume of cum is unbelievable...

Ooh  
Ooh

Well,

I didn't expect this, but I guess it can't be helped, either.

...to...

But this does make me a bit sad. This side of you is super cute too, Ema-chan. Guess I really have...

Well, with that taken care of, I guess I better wipe your memories at least.

Ema-chan.  
She's cute.  
She wasn't  
supposed to  
have particularly  
large breasts,  
but I ended up  
drawing them  
that way on  
a whim.

I didn't plan  
on making  
such an  
annoying  
middle-aged  
guy, but his  
character  
design looked  
so annoying  
I couldn't  
help it.

# Afterword

Daki Makura here, thank you for buying my book.  
I can't think of anything other than yakiniku and  
beer right now, so I guess I'll go eat some yakiniku.  
I love everyone who bought my books, so look forward  
to my next one!
