So to mess up
his entrance
exam studying

I had sex
with him

There was a
girl he liked
at the time.

I hated
the
thought
of them

going to the
same university

But in the
end,

he got into
the
university
anyway, and
moved away

Now I'm all
alone in our
hometown...

7

At his
school,
they're
probably
going out

Everytime I
think of him
with
someone
else

I feel
worthless

I hate this
feeling...

Since
then, I
haven't

been able to
talk to him...
I'm scared to

8

9

Alright!

but when I think about being with a person like this

Then again, I haven't made any effort either

Wha-?!

Besides, third years need to decide their education paths soon right?

Alright, starting today I'll be helping you study!

10

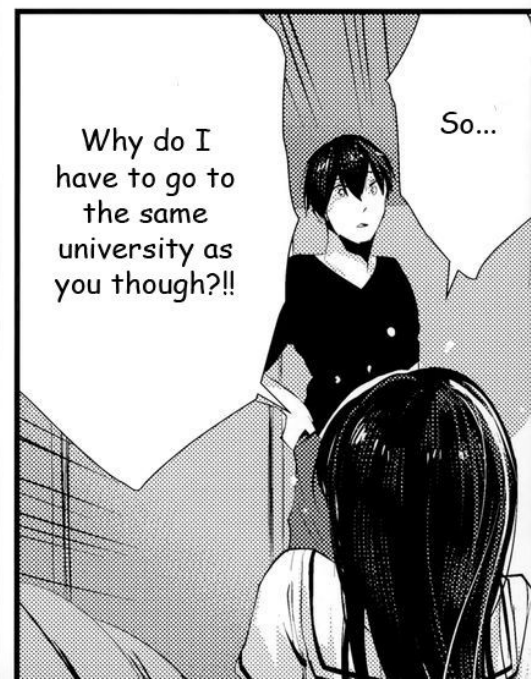

Well, if you don't

we'll have to do long distance right?

What do you mean?!

well, my university is tough to get in to

Why do I have to go to the same university as you though?!!

So...

What the hell is he talking about?

A long distance relationship?

Between who?!

Him and me?!

Since when?!

11

Do- Don't read my mind!

We've been a thing for half a year right?

Look, just... listen to what I have to say

He started saying something like a naive schoolgirl would!!

Wha-

Normally if you have sex you start going out right?

12

13

SFX: Kissing

S- Senpai...

SFX: Moaning

my
panties...

15

I've decided to give in to my deepest desires.

I love you!

you're not just my childhood friend anymore

or my kouhai

What about you?

Do you love me too?

16

So...
How do you feel about me?

I...

SFX: Moaning

18

Why did you
have to say
something
like that
senpai?

You're
pushing
against me
so softly,
so cute!

I learned
this
technique
from a stud
at school

and I also
learned
from some
ero-manga I
borrowed

キーン...

I didn't
need to
hear
about
that!!

huh...?
He already came?

lately it's
been
building
up...

AH

Sorry...

In the
meantime,
think about
names for our
kid

Your
insides feel
so
amazing...

I can go
again, so lets
relax and
keep going

ah- ah,
I knew it...

I really do love him

He leads the
way when it's
important

and holds me in
such a loving
position

He isn't
thinking about
my feelings at
all,

like how he won't
let me match in
pace but...

When he
strokes my
hair

AH

AH

AH

and when he
whispers in
my ear

and when he
caresses my
skin

My whole
body follows
his lead and I
lose control

Ah...
♡♡♡

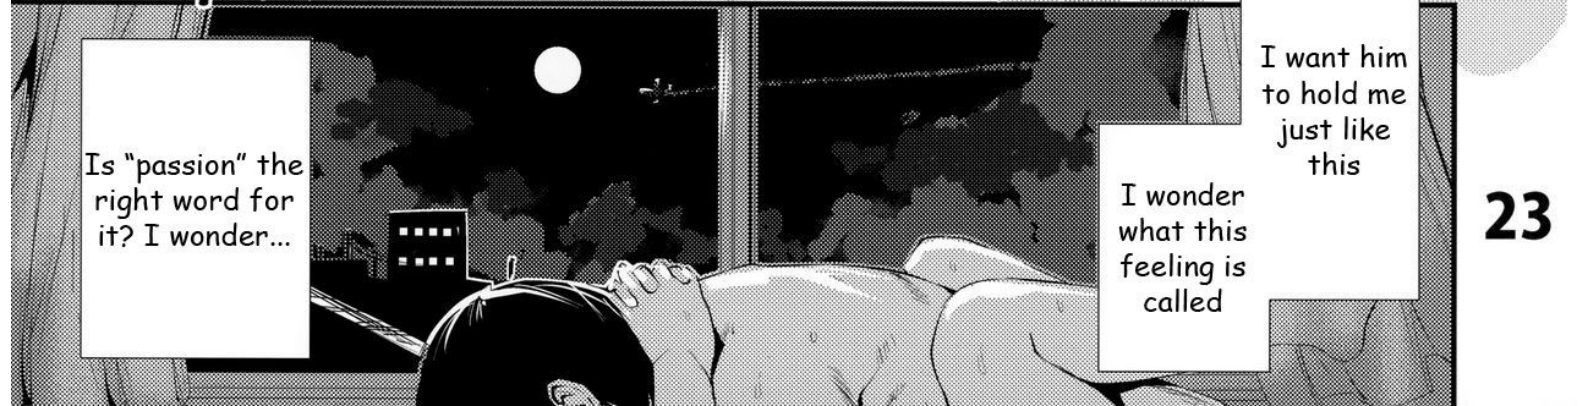

He's my
childhood
friend, my
senpai, and
like an older
brother to me
but,

I'm helpless
when it comes
to him

He's like a
prince on a
white
horse

but he's not
even romantic
at all...

Is "passion" the
right word for
it? I wonder...

I want him
to hold me
just like
this

I wonder
what this
feeling is
called

If something happened to my girlfriend, it would be a pain

Even though its close, I'm glad I was able to walk with you

Girlfriend...

That's still a little embarassing ...

He's kinda...
rough, and awkward...

It's gonna be a busy summer break!

Alright, tomorrow we'll start studying for real

but he's the man I fell in love with

and he tries to show off, and he's pushy

but all my
uneasiness,
passion, and
guilt, has finally
been swept away

It's a feeling
that's full of
contradictions

Author's Note

How was it?

Continuing from the last time, I tried to expand the story of junior and senior, this time from the heroine perspective.

I tried to match the time in the story eight months after the summer comic.

It was interesting to see unexpected and unexpected aspects.

When sexual intercourse accompanies a love relationship, the benefits and greed become obvious

This time, we used a spirit that translates the monopoly of "like" into "passion", but did it work well?

It is up to you to decide ...
