

Be quick. If Mia see us,
we will be done!

Didn't you guys know
it's forbidden to have sex in the
school?

According to the Imperial law, girls who are not virgin in school must be sentenced to death. What's your last words?

Have mercy on her!

Can I have my body peacefully placed?

Get out of my way!

As you wish.

A comic book panel depicting a scene in a hospital. A woman, Emma, is lying on a gurney, her head severed and floating in the air above her. She has a large, bloody wound on her chest. A man is sitting on the gurney, looking at her. The background shows a hospital room with windows and a door.

Oh my god Emma stood up even she lost her head! This is fucking crazy!

Can't believe she was such a bitch! Now it's your time. The Law says men must also be punished with sexual games. Let me take of first.

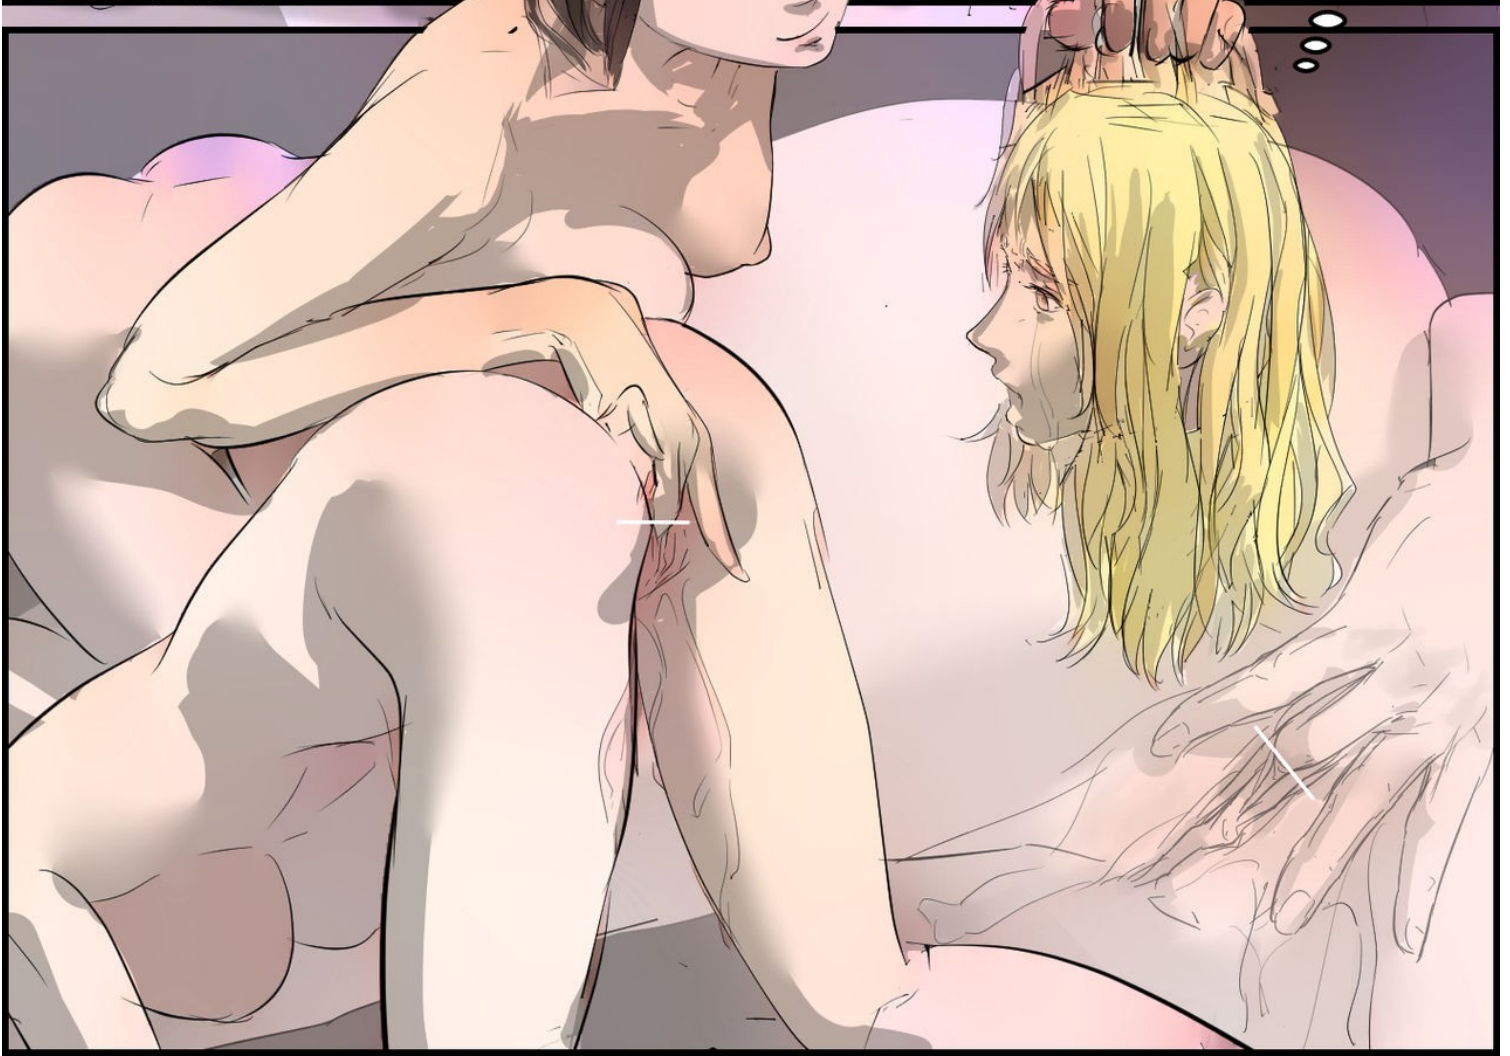

See what happened?

Damn the body is still
twerking. What a hot
Chicken!

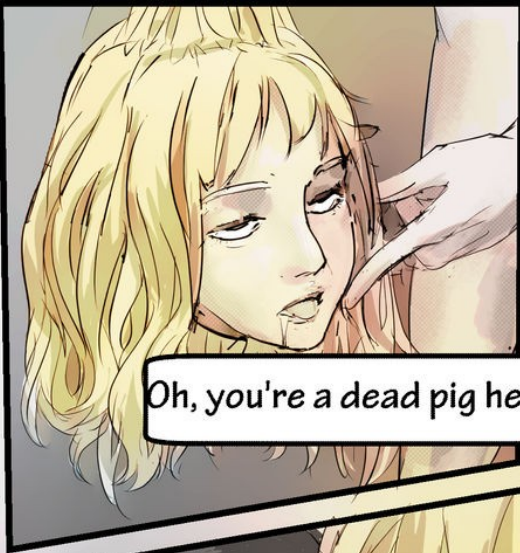

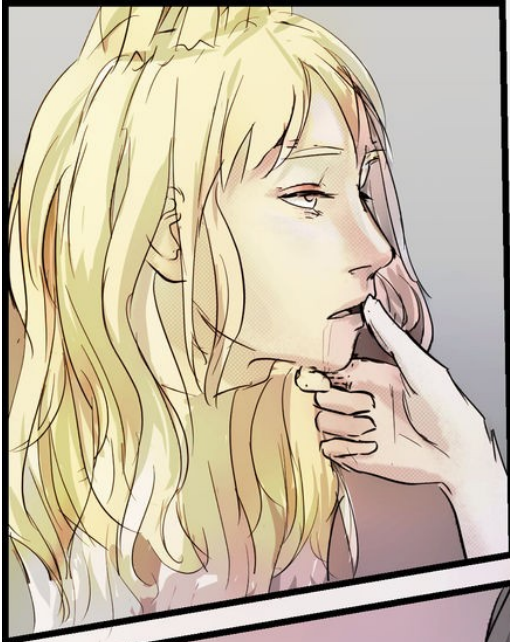

You're super wet!

No, you promised to set me
in peace! How would people
think of me if they see this...

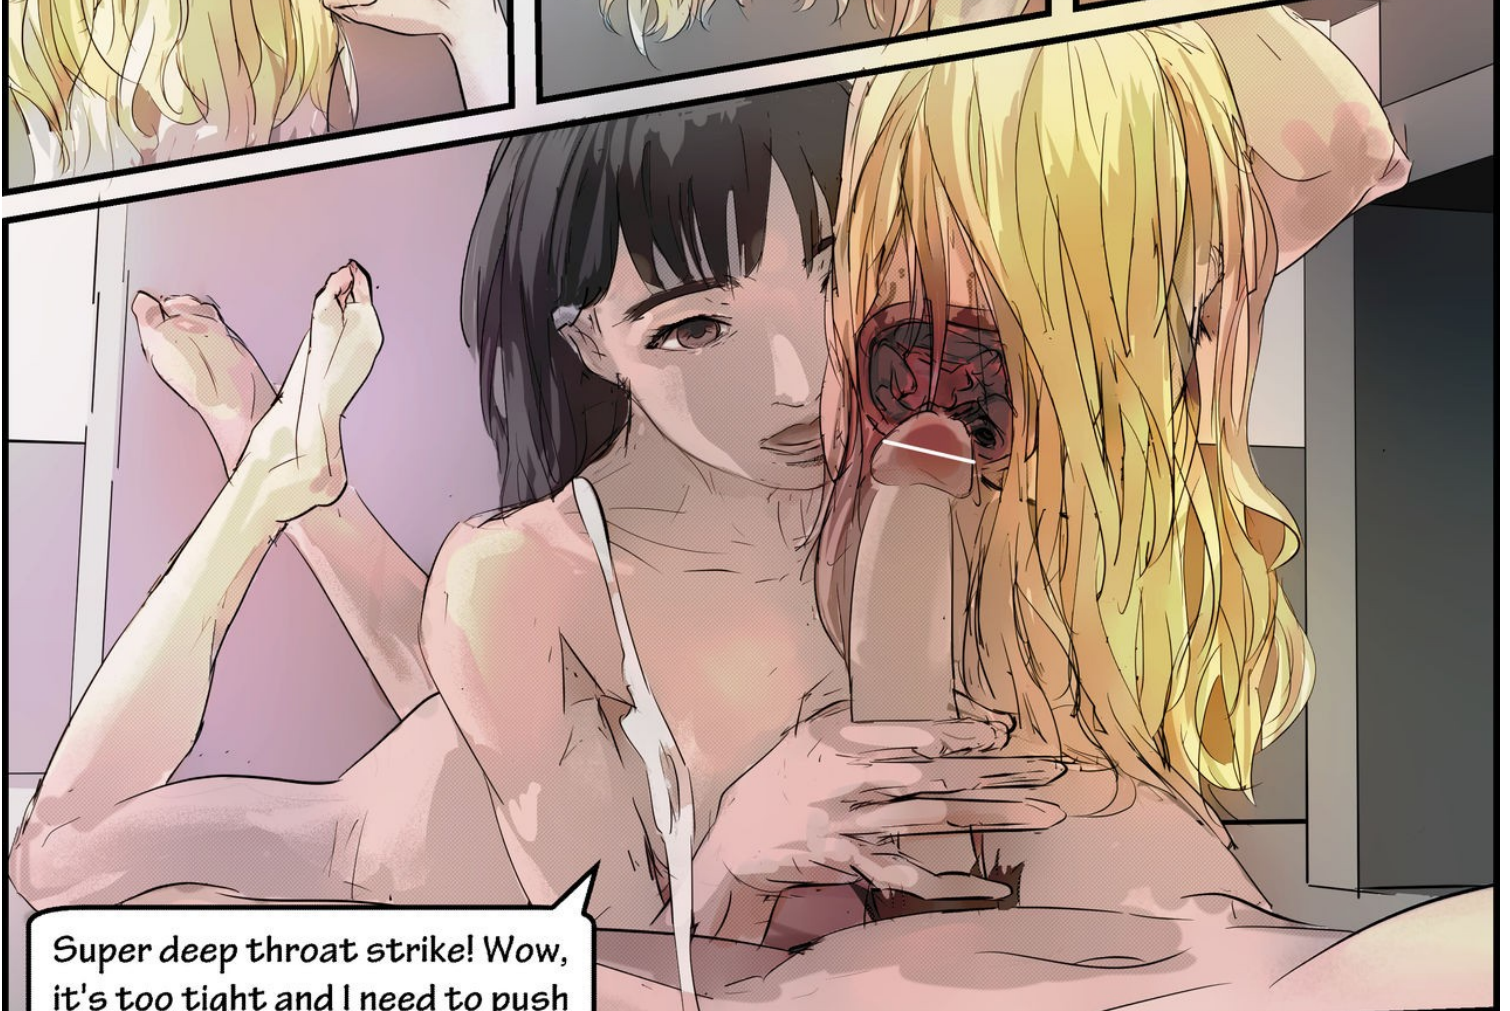

This is the consequence of not obeying the Imperial Law. You like sex? Huh, let's enjoy the sexual punishment you will remember forever.

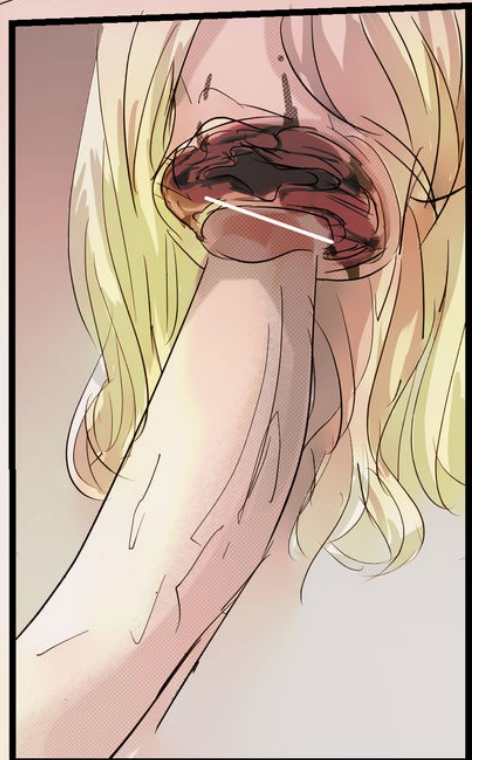

Oh, you're a dead pig head now.

Super deep throat strike! Wow, it's too tight and I need to push with two hands together!

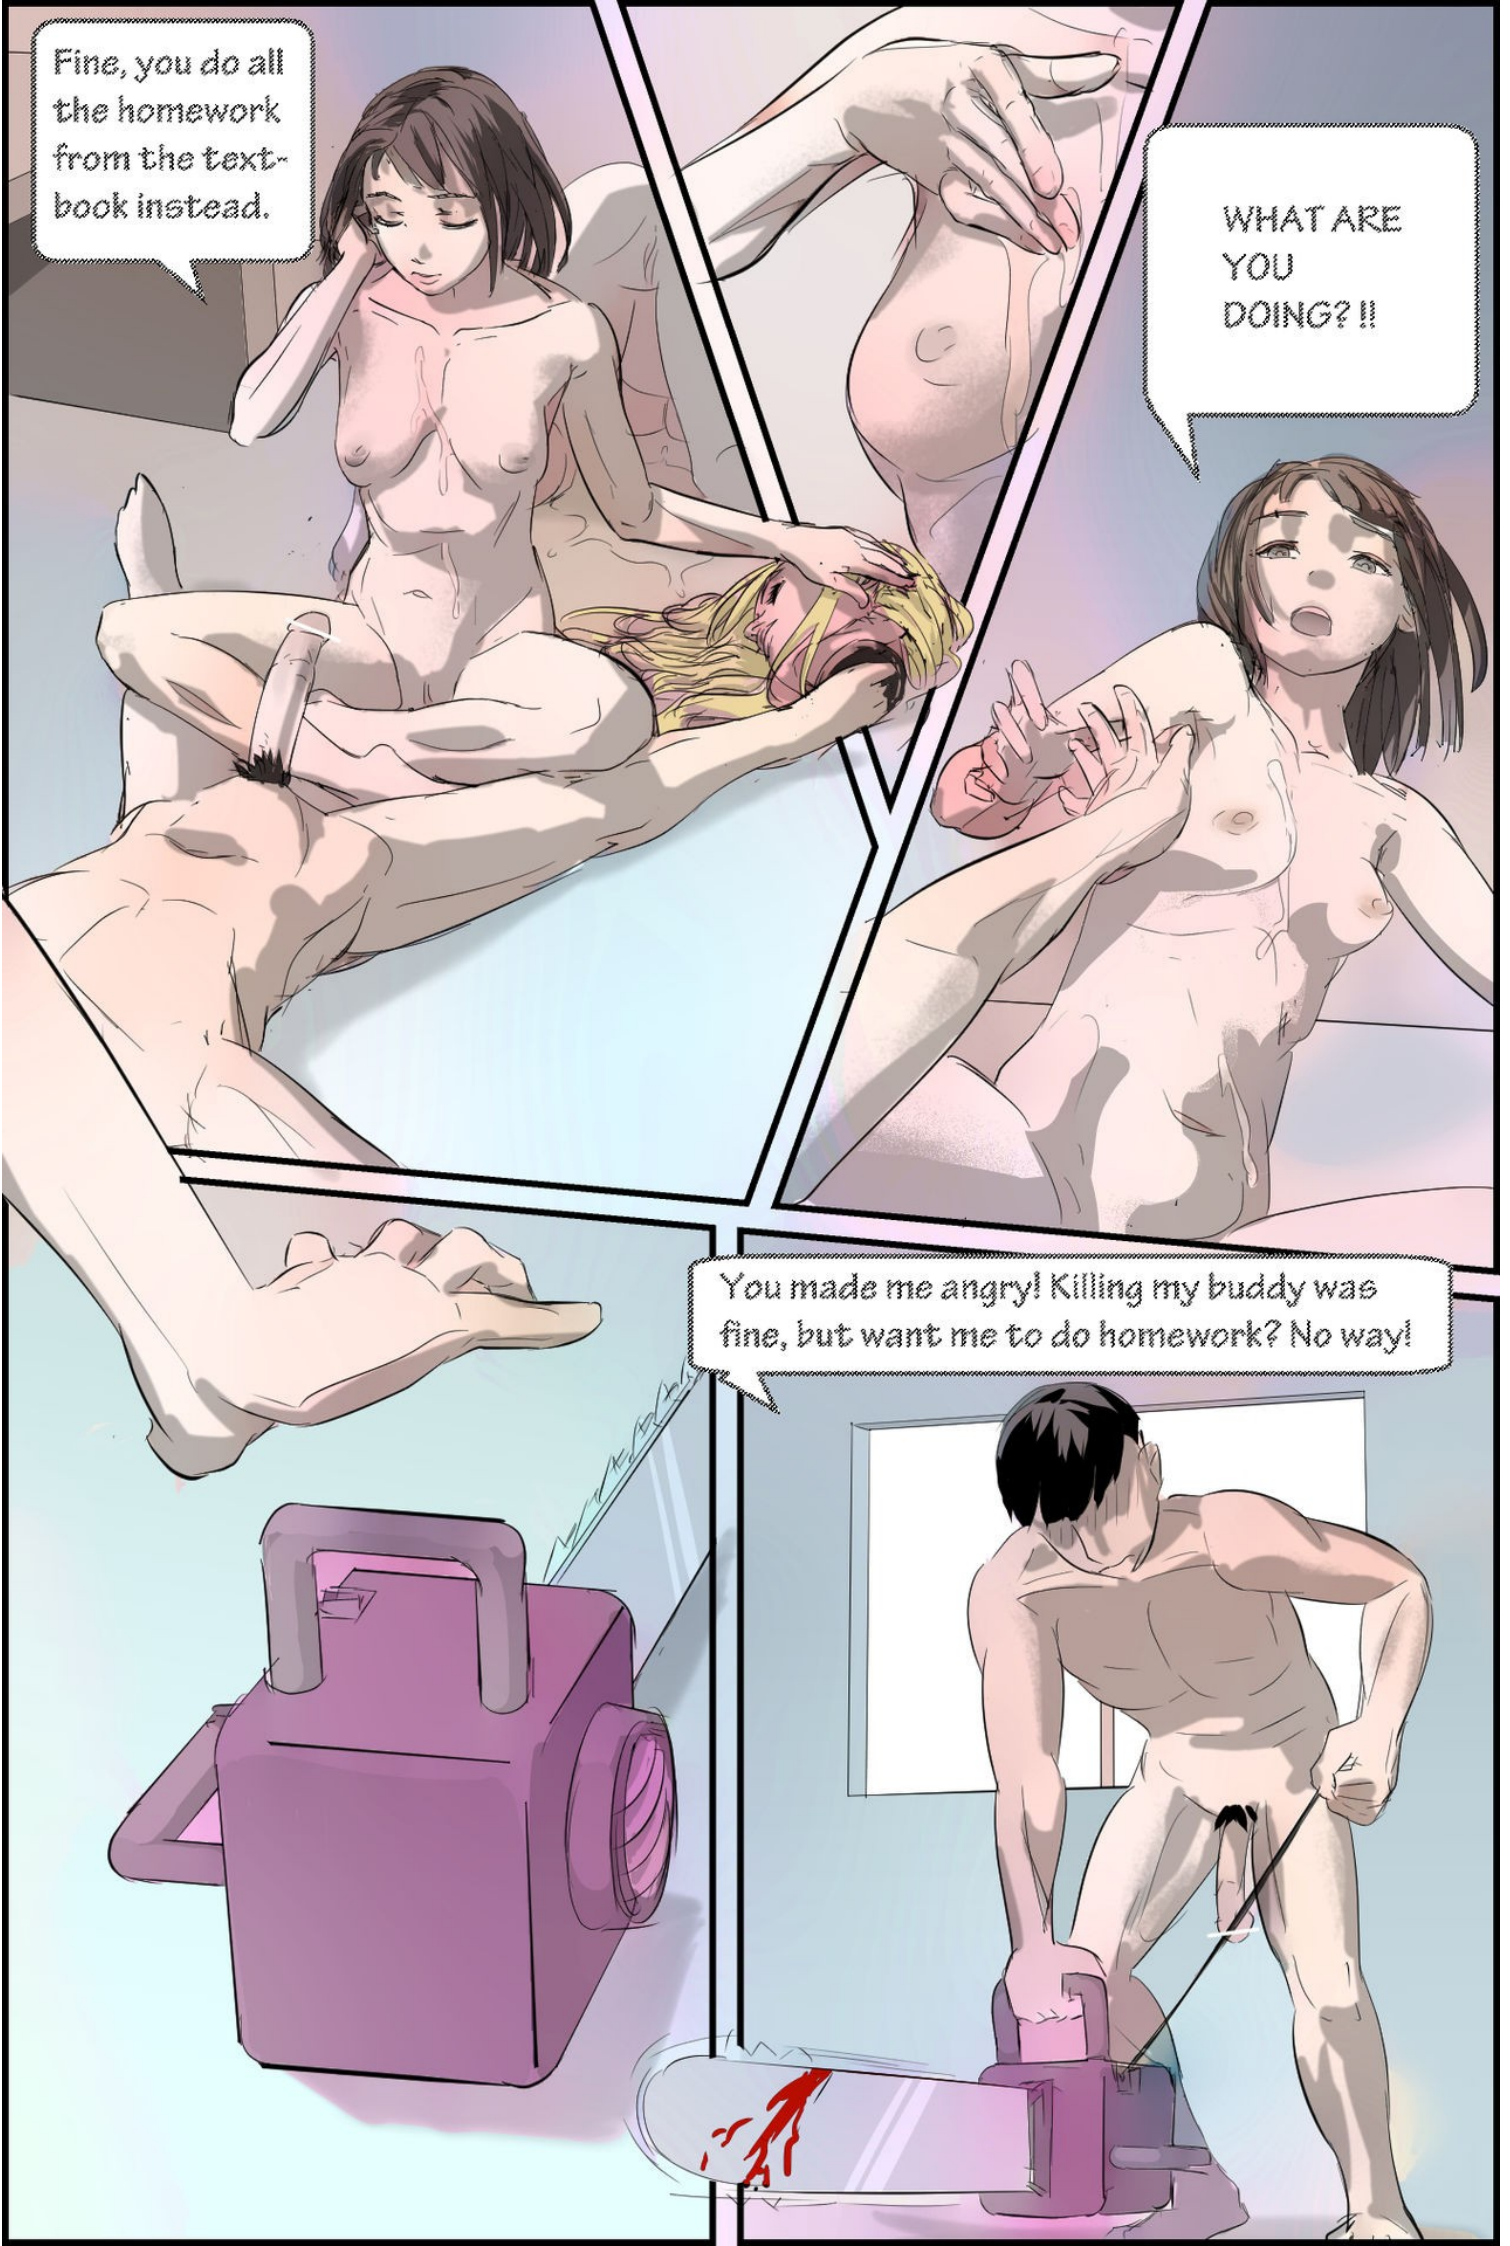

Oh my god I'm coming!

Fine, you do all the homework from the text-book instead.

WHAT ARE YOU DOING?!!

You made me angry! Killing my buddy was fine, but want me to do homework? No way!

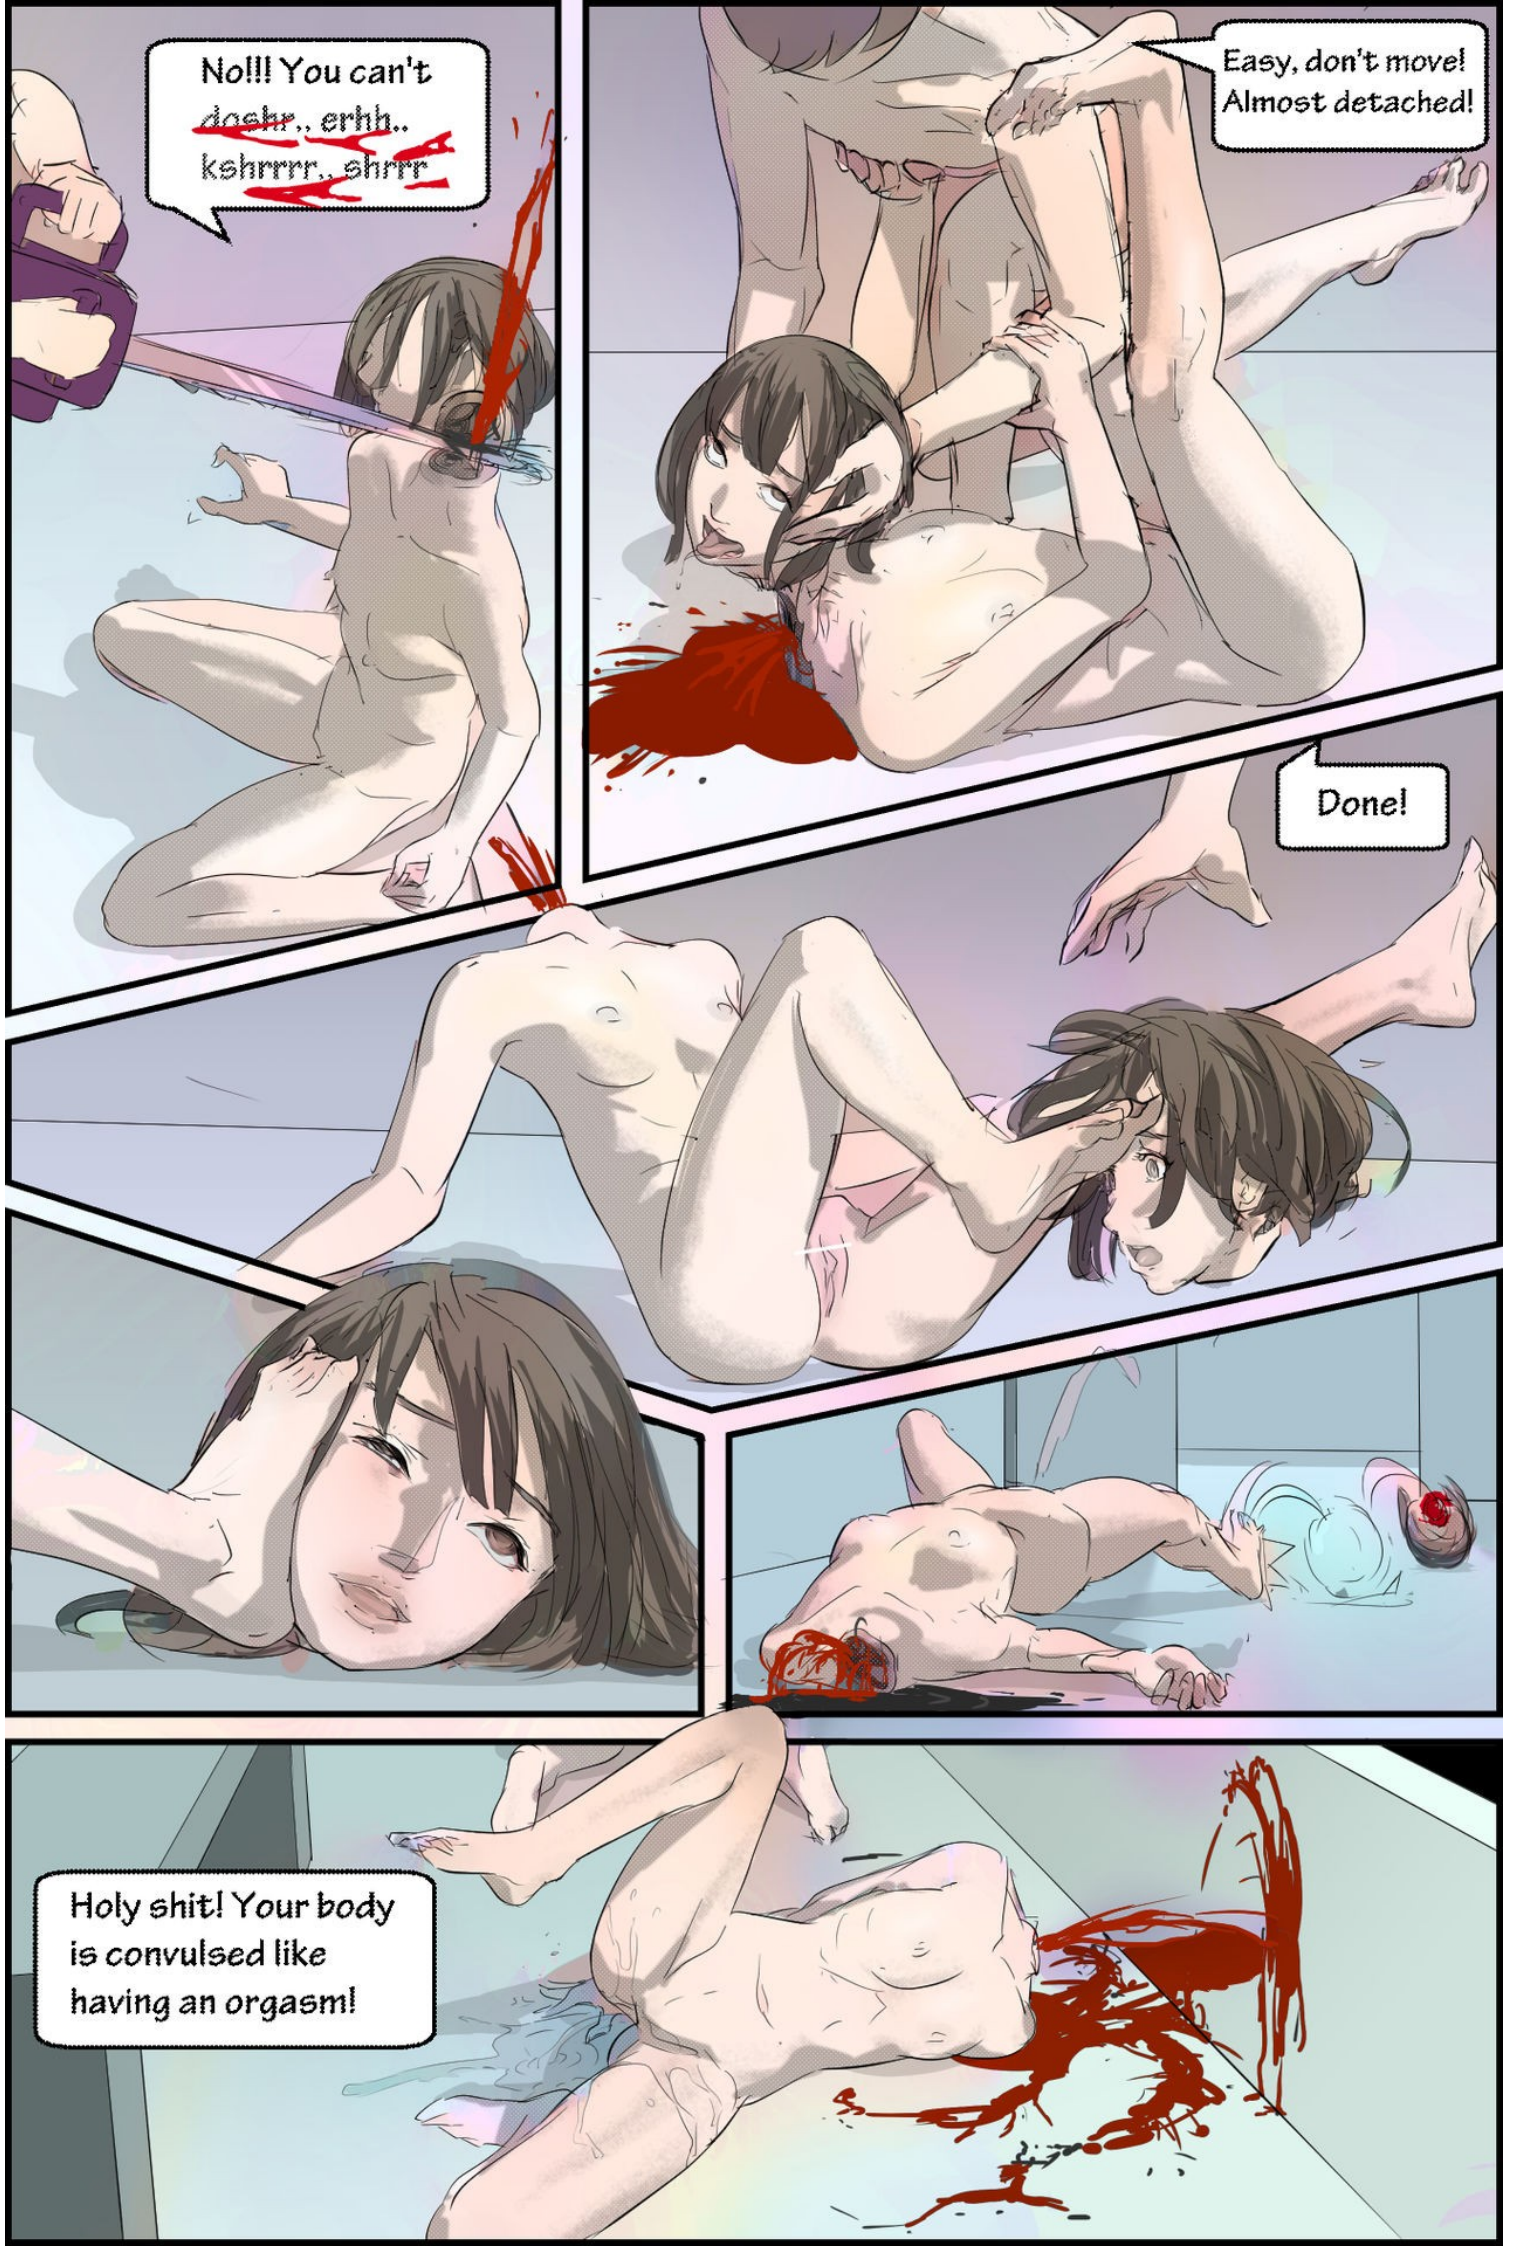

No!!! You can't
~~do~~.. erhh..
~~ke~~rrrr.. shrrr

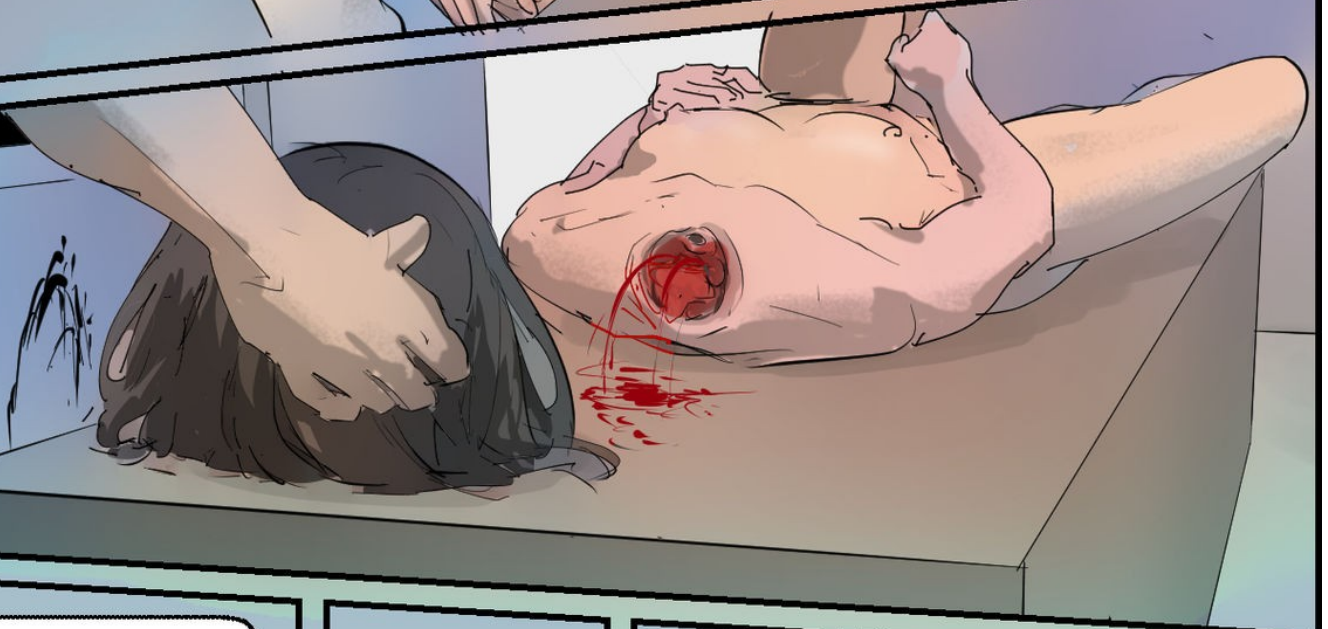

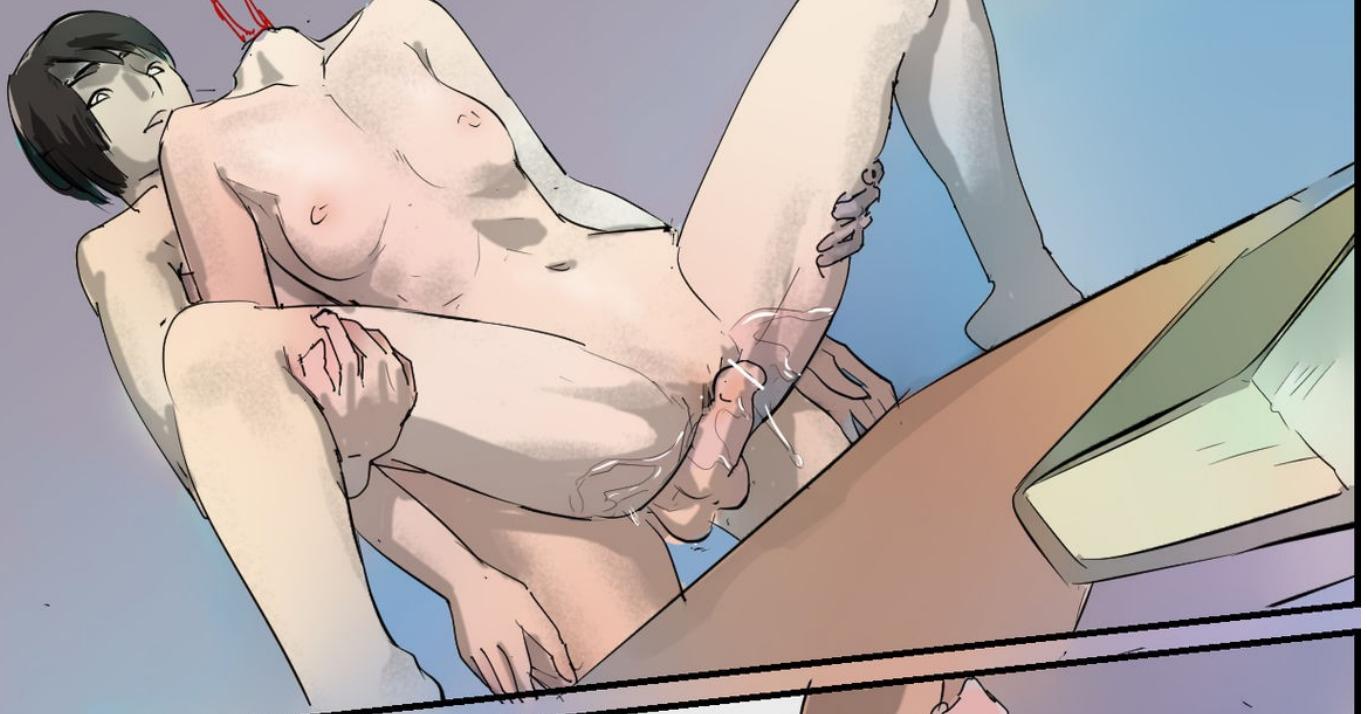

Easy, don't move!
Almost detached!

Done!

Holy shit! Your body
is convulsed like
having an orgasm!

It's still twitching...

That's my body. What are you doing?

Are you going to ...?

No! I'm still virgin...

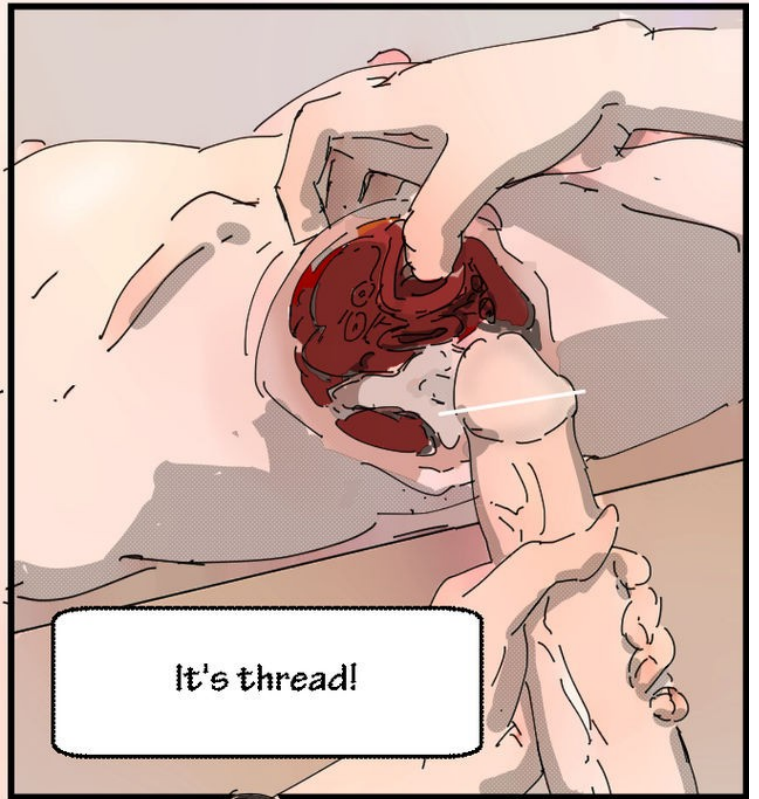

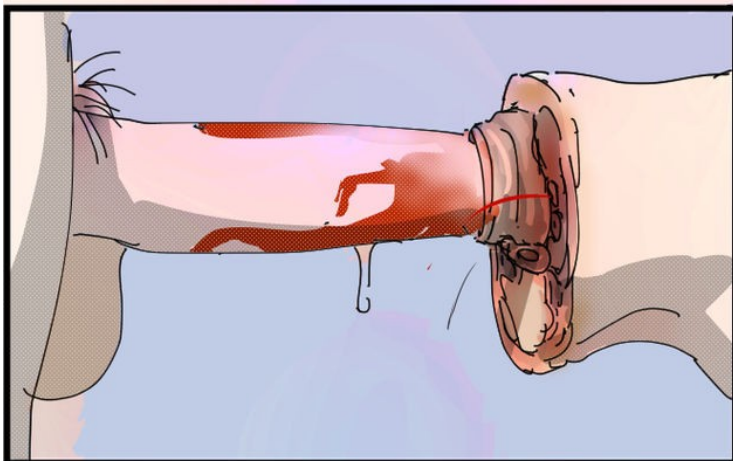

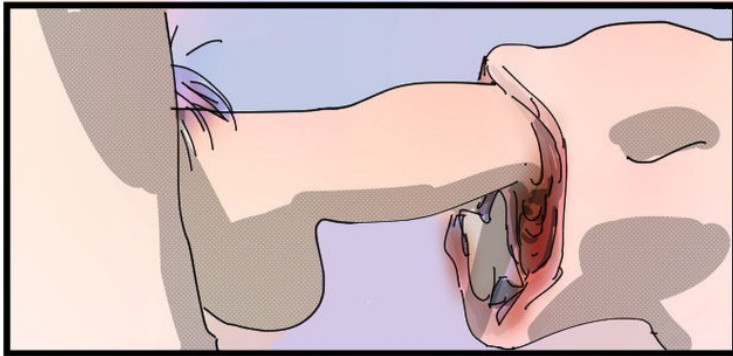

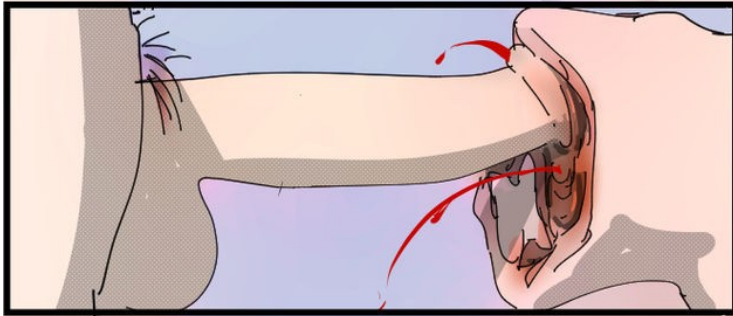

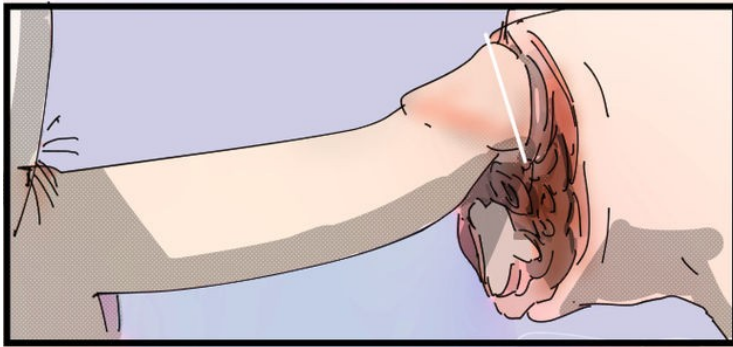

...

Whoa! It's fantastic! You know what? I've been dreaming of your body. And I know it's not allowed to have sex here. Now you had and you're dead... just in a wrong order...

The guy puts Mia's body next to Emma. By such an unfair law, the girls sacrifice, the man runs away.

People will remember the absurdness of the Empire, by seeing the next scene...
