

Sweetie, you haven't put on your condom yet! Mommy could get pregnant, you know?

Omigod! Fuck! Fuck! SHIT! AHHHH OHHHH

Smack! Smack! Smack! Smack!

Honey, our son does nothing but cling to me every day, you know. Whether I'm cooking, doing the laundry, taking a bath, or going out to the park...we get along sooo well!

What!!~ Wait!!

Darling, please come back soon, I have great news for you! I'm pregnant with twins! Our boy became all grown up and took such good care of me while you were gone for the year.

Darling, our son and I are eating sausages together! They're sooo tasty!

Slap Slap! OHHHH~ Suck! Suck!

Sweetie, daddy will be on a business trip abroad for one year, so please take real good care of mommy while daddy's gone, okay? Mommy's already gone ahead and bought a year's worth of condoms, so let's enjoy ourselves to our heart's content tonight, okay sweetie
