tion!

Hee

As you
can see,
onii-
chan
is fast
asleep.

Kaah

I knew something
smelled bad here!
It smells of semen!
I think it's from
when he
masturbated
before going to
sleep!

Oooh
On top
of the
garbage
can
there is
a box of
tissues

It smells
bad but in
a kinda
good way!

mmh

Waww
SWEET
LOVE

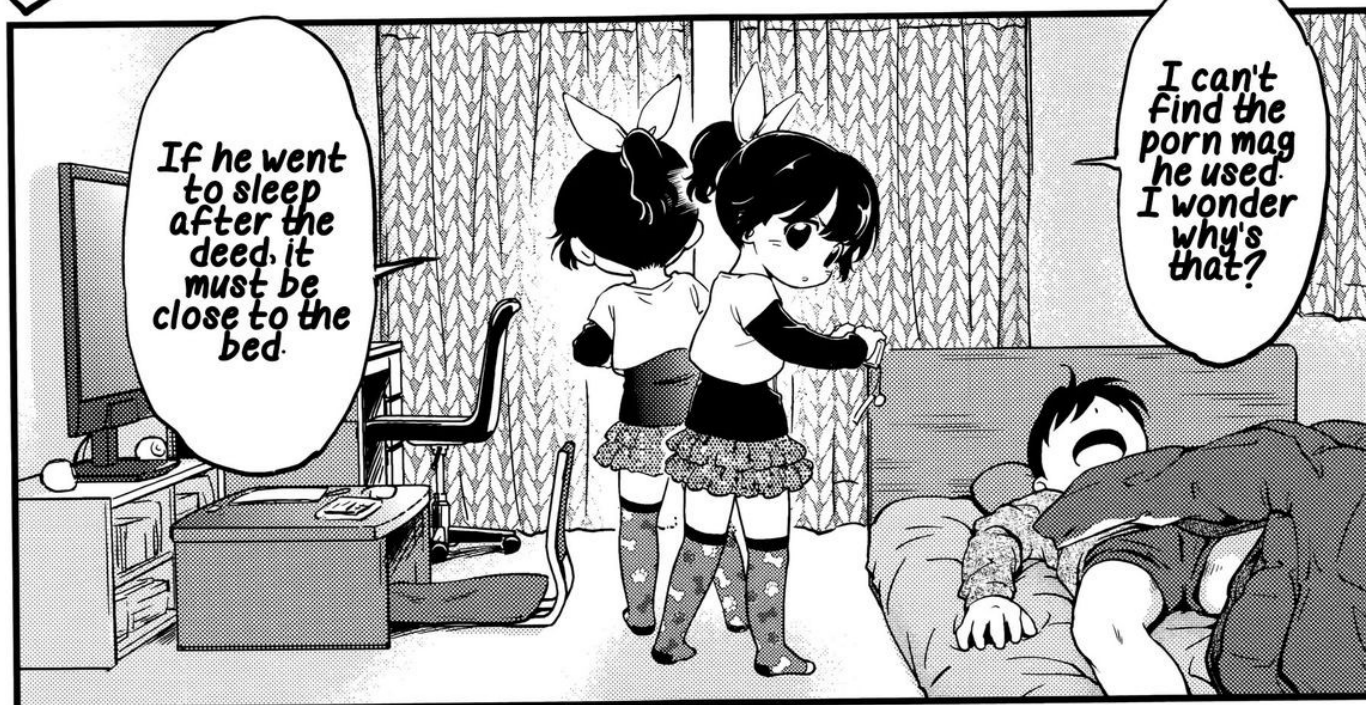

It
stinks!

Uwah

LOVE

Which
means
that
inside
there's
...

If he went
to sleep
after the
deed, it
must be
close to the
bed.

I can't
find the
porn mag
he used.
I wonder
why's
that?

Could it
be he
mastur-
bated too
much?

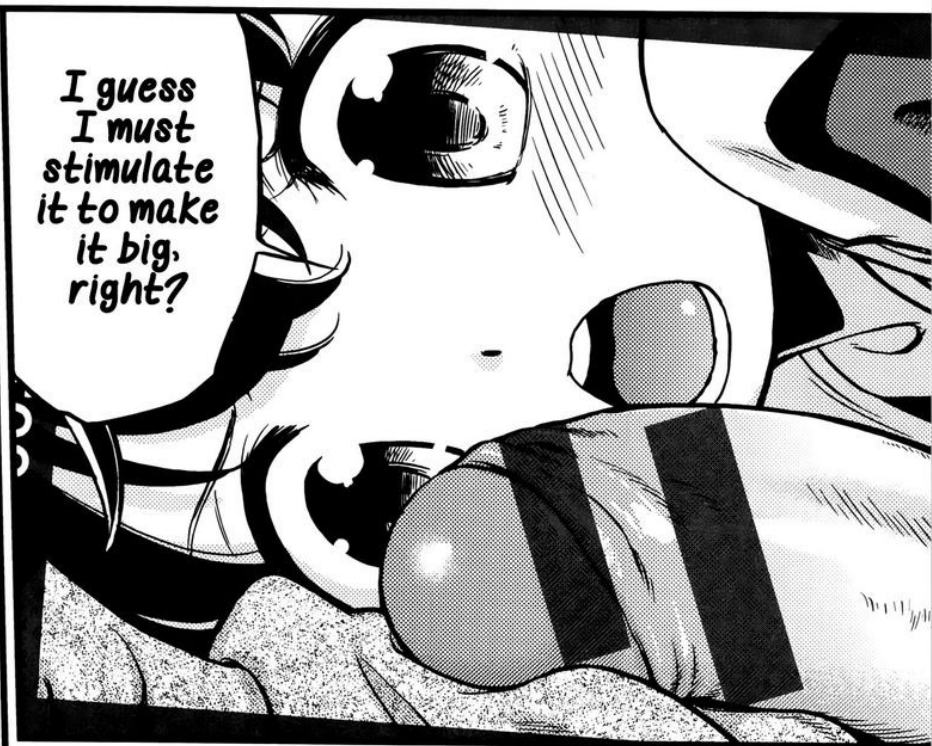

Heh?
waah?

He doesn't
have a morning
erection.
I wonder why
is that?

00:02:25

I guess
I must
stimulate
it to make
it big,
right?

After that,
no one saw
the father of
the girl ever
again...

Could it be
that the single
daughter of
the neighbor is
having sex with
her father?
